WOMAN REMODELS HOUSE

The anticipated return of a soldier-son from Europe was the incentive which led Mr. and Mrs. Dilla Vincent of Muhlenberg county to add a new kitchen and screened back porch to their house. With the aid of another son they, themselves, did all the carpenter work. A member of the Earles Homemakers' Club, Mrs. Vincent is proud of her carefully planned built-in cabinets along two sides of the room and of other conveniences to make her work easier.

Mrs. Mae Lassing and Mrs. Josie Maurer spent Sunday with the W. B. Rogers, Sr., family. Other guests were Mrs. Bettie Bots and daughter and Sebern Scott.

Mr. and Mrs. Harry Scroggins spent Sunday with Mr. and Mrs. Ralph Cason and son.
Mr. and Mrs. Allen Rogers and daughter and Mr. and Mrs. Russell Rogers and daughter spent the week-end and Labor Day visiting places of interest in southern Kentucky and Tennessee.

Mrs. Hilda Sebree is recovering from a recent operation at the home of her parents, Mr. and Mrs. Willard Ryle.

Their Jobs Will Be Waiting

When They Get Back

NOW that the war has ended, we are looking forward eagerly to the time when we can welcome back our 144 employees in the armed forces.

They'll receive a double welcome from those of us here at home. We'll be glad to see them personally and we'll welcome their energy and experience in handling the big job of building a better post-war electric service.

Deferred maintenance, new construction and plans for expanded customer service assure plenty of jobs for all of our returning veterans. They'll come back to jobs as good or better than those they left, and with all their rights and privileges as employees preserved.

The best is none too good for the men who fought our battles for us. And we intend to see to it that the former employees who rejoin our ranks are given full opportunity to make the best use of their talents and abilities in building a better future for themselves and helping us build a better electric service for you.

YOUTH ARRESTED ADMITS HOLD-UP

OF CABINDALE SHOT BY CINCINNATI POLICE WHEN ATTEMPTING TO ESCAPE FROM OFFICIALS.

Kimber A. French, 21-year-old Hamilton, Ohio youth was arrested by Cincinnati police Friday night, after being shot by a policeman. Deputy Sheriff Irvin Bouse, stated Cincinnati officials had been notified that French was to arrive in Cincinnati by bus and were stationed to make the arrest when the bus arrived. He was the first man to step from the bus, and upon seeing the officials, fell to the street, rolled under the bus and attempted to escape. One of the officers fired, striking French in the shoulder. He was removed to General Hospital, where he is under heavy guard.

Questioning French, he admitted he was one of two robbers who held up Cabindale Filling Station and Grocery on U. S. 25 near Florence, Deputy Bouse stated.

French is described by police as the "brains" of a youthful bandit trio operating in northern Kentucky and southern Ohio. Identification of the youth and a second man held in Hamilton, O., was made Saturday by victims of the holdup. Sheriff Glenore Williams said efforts would be made to have the two youths face robbery charges in Boone County.

1945-46 Poultry Calendars Ready

The College of Agriculture Poultry Calendars giving timely monthly suggestions and providing space for daily production records may be secured at the County Agent's office in Burlington. The Poultry Calendar year starts October 1st, the month early hatch pullets should be in production. The County Agent's office advises these calendars are planned primarily for those poultrymen who will keep demonstration flock records but that sufficient copies are on hand for all interested poultrymen. There is no charge and those who are interested are urged to secure their calendars before October 1st.

W. M. S. WILL MEET

The W. M. S. of the Burlington Baptist Church will meet at the church Wednesday, Sept. 13, 11 a. m. for monthly meeting and observance of September Week of Prayer. A covered dish lunch will be served at the noon hour.

FALL SEEDING IS MOST IMPORTANT

IN GOOD FARMING PRACTICE, SAYS COUNTY AGENT—FARMERS URGED TO SEED TOBACCO LAND AS SOON AS POSSIBLE.

Early fall seeding of all cultivated land is most important in good farming practice, according to the County Agent's office. Babo rye, vetch, and grasses benefit by seed-fall, the earliest possible date after the middle of August. Wheat farmers may wish to wait until around October 1st to avoid Hessian Fly injury.

Boone County farmers in their agricultural extension planning program have set up an "eight months pasture" goal. This means eight months in which our livestock will have sufficient luxuriant pasture that no other roughage is needed. This is fifty percent higher than the average farmer is receiving today. The goal is probably the maximum ideal possible. It probably can be obtained in certain years and at best by a few of the better outstanding farmers.

Farmers will not achieve the eight months pasture goal unless they have early seeded Babo rye or similar small grain for late fall and early spring grazing. Fall is also the best season of the year for seeding grasses. Clovers on these fields may be sown on frozen ground next January, February, or March.

Farmers are urged to seed all tobacco land just as soon as the crop is harvested. The ground with a good disk is at this time ideal for seeding. Early seeded pastures not only save 60 percent of labor in feeding but provide livestock with highest quality feed.

Ryle Family Receive Letter From Son Postmarked Tokyo

Dr. and Mrs. Kenneth W. Ryle, of Burlington, received a letter from their son Leland G. Ryle 81-c postmarked Tokyo, Japan, this week.

Leland is stationed aboard the USS Grimes and writes that his ship carried the Sixth Marine Division into Japan, the first troops to land on the Japanese homeland. He writes that his ship is operating with the Third Fleet.

His letter in part follows: "We are in great danger most of the time and have been since we left the states. We have another star for I Shima, where Ernie Ryle was killed. We were there for eight days and survived eight bombings and suicide attacks and a typhoon. That's why we have the extra star. I don't know what we will get out of this operation, but it is something we shall always remember—the mere thought of being the first transport to enter Japan."

"Start saving your ration points and lots of good chow, because I may get that leave sometime soon."

"It is now August 31 and we have just come back from the beach. We landed yesterday morning and just now returned."

"Japan is a very beautiful country, only I can't quite see living there."

"I have a few articles which I may be able to keep, and if I can I will bring them home."

"I could almost reach out and touch Jerd's ship a few days ago, but didn't get to see him. He left before I had the chance to see him."

Leland's ship, the Grimes led the Navy to a safe anchorage with the Japanese officer Lt. Cdr. Z. Kusudo, skipper of a destroyer-escort anchored in Yokosuka Naval Base, directing the course through the mine fields. Kusudo was transferred to the Grimes by a breeches buoy.

Homemakers Sponsor Flower Show Sept. 15

The Florence Homemakers are sponsoring a flower show in the lunch room at the school house on Saturday, September 15th, which is open to all amateur flower growers in Boone County. No money prizes will be given, only ribbons.

The flowers to be shown are asters, dahlias, gladioli, marigolds, petunias, roses, snap dragons, zinnias, any other flowers blooming at that time—plus plants (African violets and begonias) and an artistic arrangement of like or mixed flowers.

All entries must be in between 9 and 11 a. m. and the time between 11:30 a. m. and 2 p. m. has been allotted for the judging.

Specimens will be shown in quart milk bottles and each exhibitor must bring his own bottles. Ribbons will be given for best single specimens and best group of three. Entries may be made in as many classes as desired, but only one entry in each class. More details next week.

The artistic arrangements cover fifteen classes, eleven of them of the named show flowers, one small arrangement not to exceed six inches in height overall, one of mixed flowers, one for living room and one for dining room.

Where prizes are offered for best single specimen and best three of the same kind, the three may be of different colors, if desired.

Petunias cover single, double and giant ruffled. The judges' decisions are absolutely final.

There will be entertainment provided in the auditorium while the judging is in progress.

If you come to stay all day, be sure to bring your own lunch, for there has been no provision made for "feeding the multitude."

Pearl Harbor, T. H.—Carl William Gerth, electrician's mate, third class, USNR, whose wife, Edith May, lives on Route 1, Burlington, Ky., serves at the Naval Service Force organization here that trained and provided men to operate and hold forward bases during the Pacific War.

The advance base personnel administration operated a combat training center and provided training in combat communications, fire fighting, first aid, small boat operations, ship repairs, water purification, sanitation, mechanics and shop operation.

PURCHASES FARM

Mr. and Mrs. R. B. Taylor from Florence, recently purchased the Ell Carpenter farm on Mt. Zion Road four miles from Florence. Mr. Taylor will continue his work, consisting of digging ponds, basements and grading of all kinds, throughout Boone County.

Mr. and Mrs. Taylor and family will occupy their new home on Saturday, September 15th.

School Opens With Good Attendance

Boone County schools opened Monday with good attendance, according to D. H. Norris, County Superintendent. Schools reporting total enrollment follows:

Burlington	255
New Haven	228
Florence	373
Hebron	300
Bellevue	30
Petersburg	98
Constance	98

It is expected that the enrollment will be increased within the next few weeks, as many older boys are assisting their parents in harvesting crops before entering school.

Phillips Cooks 300 Pounds Of Fish

Bill Phillips, county champion fish fryer, reports the 300 pounds of fish cooked at the Boone County 4-H and Utopia Club Fair this year will be a county 1945 record. Bill states he could have easily cooked more during the day if he had the equipment he is preparing for next year.

Those who ate Bill's fish at the fair will testify that his championship is both in quality and quantity.

JOHN WEISICKLE SUCCUMBS AT 74

JOHN WEISICKLE, 74, passed away at his home in Petersburg last Saturday night, after several months' illness. He was engaged in the coal business for several years.

Mr. Weisickle was a lifelong resident of Boone County and a member of the Petersburg Christian Church. He was well known throughout this section.

He is survived by his widow, Ernestine; three daughters, Mrs. Sophia McWethy, Mrs. Susie Gordon, of Petersburg, and Mrs. Verina Rogers, of Bellevue; three sons, T. Sgt. Leonard Weisickle, stationed in St. Anis, Calif.; Herman Weisickle of Rising Sun, and Eddie Weisickle, of Petersburg.

Funeral services were conducted from the residence at 2:00 p. m. Tuesday, with burial in Bellevue Cemetery.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

Walton Youth Helps Fight Fire On USS Carrier Bunker Hill

Aboard the USS English in the Pacific—J. A. Meador, 32, radarman, second class, USNR, whose wife, Helen, lives at Walton, Ky., fought flames, smoke and crazy exploding ship in the three dramatic hours when this destroyer went to the aid of the fire-ridden carrier USS Bunker Hill, smashed by Jap suicide pilots last May 11.

Wary from two long seasons at their battle stations earlier in the day, the English crew had finally secured at 10 a. m. Four minutes later, answering a general quarters call, they saw the stricken carrier off the port bow.

"Threading her careful way thru seas dotted with Bunker Hill men who had been blasted overboard or had jumped to escape flames, and who were being picked up by other ships, the English reached the blazing flat-top and began pouring water on the fires. The cruiser USS Wilkes Barre and another destroyer the USS Charles S. Sperry, came in close to help and the English moved to a new position. Just before the carrier was hit, three men crouching in the carrier's gun tubs to escape flames dropped unscathed to this ship's deck.

Creeping in close to the carrier's fantail, where 30 or 40 men were trapped, the English poured tons of water across the narrow gap separating the two ships. Breathing apparatus and fire fighting equipment were sent across.

Shortly after 1 p. m., the fires were brought under control. Then the English crew members sent over buckets of steaming coffee to the grim-eyed, exhausted carrier men.

Later in the afternoon Admiral Marc A. Mitscher and his staff were transported to a new flagship by the English.

EWBANK SISTERS WIN TOP HONORS

AT STATE FAIR IN JUDGING AND SOUTHDOWN LAMB IN THE OPEN CLASS WILL RECEIVE TRIP TO CHICAGO.

Mary K. Jean and Eloise Ewbank of Warsaw, won three championships and an all-expense trip to the International Livestock Exposition at Chicago, in competition at the State Fair, Louisville.

As a team, the girls won first in the fat livestock judging contest, over eleven other teams, representing all sections of Kentucky, judging two classes of beef cattle, two classes of hogs and two classes of sheep. They were awarded a large silver trophy and the trip to the International Livestock Exposition in December, where they will compete as a team against winning teams from the other 47 states, for national honors.

Mary Kay also won first on her Southdown wether, lamb, in open class, and Grand Champion honors over the first Hampshire wether, her champion wether was sold for seventy cents per pound in the Blue Ribbon State Fair sale on Friday.

She also won 18 other premiums on her Southdown sheep. Jean won Grand Champion and all firsts in 4-H Southdown sheep class and first and Reserve Champion on her ewe lamb in open class and 14 other premiums on her sheep. She also took two prizes on her White Rock chickens and four premiums on her canning entries.

Eloise won all three firsts on her room improvement exhibits, and 21 premium on her Southdown sheep in 4-H and open classes.

The three Ewbank sisters have been very active in all classes of 4-H projects for the past several years, and the quality of their exhibits has been such as to win a large number of top honors not only in 4-H class but in open classes as well.

They were honored with a part on the WHAS Radio program, which was broadcast from the State Fair grounds on Wednesday.

Mary Kay has completed two years at the University of Kentucky, and will teach Home Economics at Hebron High School this fall. Jean is a freshman at the University of Kentucky and Eloise is a senior at G. C. H. S.

The girls are daughters of Mr. and Mrs. Ryle Ewbank, of Warsaw.

Civil Service Examinations Are Announced By State Conservation Division

Frankfort, Ky.—Earl Wallace, director of the Division of Game and Fish, has announced civil service examinations to fill positions in the Division of Game and Fish will be held Monday, September 17, at the division offices here.

It will not be necessary to file applications, the director said. Those interested in the positions are requested to report at the division offices at 9:30 a. m. on September 17. Examinations will be both written and oral.

Following are the positions, with the minimum and maximum yearly salaries paid:

Conservation supervisors for each congressional district, \$2,100 to \$3,000; conservation officers, \$1,650 to \$2,100; Pittman-Robertson leaders, \$2,100 to \$3,000; superintendent of publicity, \$2,700 to \$3,900; accountant, clerk, \$1,440 to \$1,680; clerk, \$1,440 to \$1,680; stenographer, \$1,320 to \$1,680; supervisor of sealing crew, \$1,620 to \$2,100.

The examinations will be given by the commission of game and fish, acting as civil service examiners. The purpose is to build up an eligible list from which the positions can be filled at this time or when vacancies occur.

Two Carloads Of Phosphate Not Ordered

Two of the five car loads of AAA phosphate to be delivered in the county in the near future are not ordered, according to John Origer, secretary of the County Agricultural Conservation program. Farmers may now order up to their full allowances in phosphate. Last spring orders were limited to forty percent of the allowance.

Fall is an ideal time to apply both phosphate and limestone, according to the County Agent's office. Phosphate does not leach from the soil as does other fertilizers and it may be applied with fall seedings or broadcast over pasture or hay lands.

The County Agent's office would like that every farmer who would not otherwise earn his AAA allowance to take all the remainder in grant of aid phosphate. Our crop experiences show that practically all crops respond to this fertilizer and in large numbers of cases the application of commercial phosphate is necessary for successful growing of good grasses and clovers.

It would be unwise for any farmer to lose the opportunity to secure phosphate when it is available.

Ex-Combat "Ack-Ack" Outfit Preparing Men Shipment To America

Antwerp, Belgium—Battery C of the 568th Anti-Aircraft Artillery (Automatic Weapons) Battalion, formerly a combat unit, is now operating part of Camp Tophat, a staging area for the redeployment of troops. The "ack-ack" veterans, along with the rest of the battalion and the 568th AAA (AW) Battalion, have already prepared 20,000 men for shipment back to the United States through Antwerp, the largest continental port in Europe, in a little more than four weeks.

In conjunction with the 1147th Engineer Group, they built the camp and provided administrative and recreational facilities for handling the redeployed troops.

Battery C supervised the building of PX facilities, including gift shops, barber shops, soft drink stands, and beer gardens.

The camp can accommodate 16,500 men. All details such as KP and clean-up work are done by German prisoners. There is no retreat nor reveille, and only one formation, when the home-bound soldiers march onto the ship.

Captain Robert D. Reidpath, of 82 Claremont Avenue, Buffalo, N. Y., Commanding Officer of Battery C, said that his men, themselves former combat soldiers, understand the needs of the troops going through and are doing their best to meet them.

Activated at Camp Davis, North Carolina, in March, 1943, Battery C came overseas in September, 1944. During February, 1945, they supported the 30th Infantry Division in the Roer River crossing, after which they followed the 5th Army Division to the banks of the Rhine.

Among members of Battery C is Pfc. Robert C. Hensley, of Petersburg.

RECEIVES DISCHARGE

Sgt. Wm. Tupman, of Florence, received an honorable discharge from the U. S. Army, Tuesday. He had served over three years, two years of which time was spent in the European Theater.

Sgt. Tupman is the holder of the Bronze Star, Good Conduct Medal and ETO Ribbon.

ACC MEETING HELD TUESDAY

DISTRICT FIELD AGENT AND STATE AAA COMMITTEEMAN WERE PRESENT—CROP INSURANCE DISCUSSED.

A meeting of the county and community Agricultural Conservation Committeemen was held on Tuesday, September 12th, at the county A. C. office. The meeting was attended by Harry Pettijohn, District Field Agent, and H. B. Popplewell, State AAA Committeeman.

The meeting was for the purpose of discussing Federal Crop Insurance. All risk crop insurance is now being written on wheat to be sown this fall. Six applications for insurance were signed at the meeting Tuesday. It is necessary that a minimum number of 19 applications for insurance be received in Boone County before the application for wheat insurance can be accepted.

All of the wheat growers contacted to date believe that the wheat insurance offered, gives them good protection on their wheat crop at a minimum cost. Both a 75 percent coverage and a 50 percent coverage are offered, based on the average yield of wheat on the farm. Both contracts are for a three-year period.

The wheat is insured against all kinds of weather hazards, including drought, floods, winter kill, hail, wind, excessive rain, also against diseases and insects.

It is hoped that a large number of wheat growers can be contacted and the plan explained, but as it is necessary to do this by September 29th, or before the wheat crop is seeded, growers are asked to contact the county office about this insurance.

Geo. Brittenhelm Dies In Belgium

Pfc. George W. Brittenhelm, son of Mrs. Eva Brittenhelm, of Walton, died August 17, 1945 in Belgium, according to a War Department telegram received from the War Department.

Pfc. Brittenhelm entered the service twenty-nine months ago, and had served two years in the European theater. According to reports he was killed when his gun accidentally discharged while he was giving it a cleaning.

He helped to build the largest pontoon bridge across the Rhine River.

The 29-year-old Walton soldier was a member of the Ninth Army which served in Ireland, England, France, Germany and Belgium.

REMEMBER WHEN

—women's hats were held in place by two or three hatpins? Long affairs they were, some with large fancy heads, jewel studded and ornately decorated with metal work. Putting on and taking off a hat was a real feminine art that required a mite of patience along with the skill of adjusting the pins. Remember?

JUDAH'S CONCERN FOR HIS FAMILY

LESSON TEXT—Genesis 44:18-34.
GOLDEN TEXT—How shall I go up to my father, and the lad be not with me?—Genesis 44:34.

The family is the fundamental unit of society, and is therefore of more importance than the church, the state, or the social order of which it is a vital part. Every force which encourages the breakdown of the sacred relationships of the home and family is set for the destruction of society itself.

Men have too often chosen to go the way of the flesh, and therefore they have disregarded God's plan and purpose. But the home is just as sacred as ever in His sight, and brotherly love still finds a high place among the virtues of real men.

The family comes before us as we continue the study of Joseph's life. As we study it we bear in mind Joseph's dealings with his brethren, who as yet did not recognize him as the one they had sold into captivity. He was bringing them kindly but definitely to the point of real repentance, so that he could show himself gracious to them.

To do so he had brought disaster upon them. Being happily on their way homeward with a new supply of food, they were overtaken and proved to be thieves, and Benjamin, the beloved of their father Jacob, stood condemned to death by their own words.

In that crisis the mouths of the others were closed, but Judah who had really saved Joseph's life (Gen. 37:26, 27), and who had apparently finally come to himself as a man of essential goodness, pleaded for Benjamin's life.

That plea presented a truly sacrificial brotherly love, as he manifested I. Courage (v. 18).
Easy rests the yoke of family life as long as all is joyful and prosperous. But when adversity strikes, when sorrow comes, or sickness, or sin, then the true test of devotion is at hand.

It was a brave and manly thing for Judah to do. He was the one whom he knew only as the man who was "even as Pharaoh." The circumstances were all against him. He expected the flaming anger of the offended ruler. His brethren had collapsed in despair. It was one of those dark hours which come to every family when someone must demonstrate true love by being strong-hearted and fearless.

II. Intelligence (vv. 19-29).
We have become so accustomed to accomplishing things by the use of words that we are in danger of substituting speech for action. Even in times of sorrow or need we send a well-worded card or telegram, and regard our mission as accomplished.

Words have their place, but there comes a time when they must be coupled with intelligent action. Cries call for more than a cheerful smile or an encouraging word, much as they may mean in such an hour. We must be prepared by our close contact with our loved ones to speak and act with vigor and assurance.

III. Self-denial (vv. 30-33).
One step deeper goes the devotion of this man to his father and his brother. He had done no wrong that merited punishment. But evidently his brother Benjamin had been guilty. Had he been of the spirit of Cain he would have said, "Am I my brother's keeper?" And let him answer for himself. Why should Judah suffer? Why should he? He would allow himself to be imprisoned in a strange land to save his father from sorrow and his brother from what seemed to be the just reward for his deed.

Thus reads the man of the world, but such is not the language of the true brother. He says, "Let thy servant abide instead of the lad as a bondman." Well and courageously spoken!

IV. Love (v. 34).
Love for father and brother underlies all of the courage, conviction and self-sacrifice of a man like Judah. In his younger years, and possibly under the influence of his brothers, he had fallen in the respect, but now his real devotion to his brother was evident.

That affection was a real, powerful and beautiful thing, and yet it is but a faint prefiguring of the affection of the One who "sticketh closer than a brother," who "though he was rich, yet for your sakes he became poor; that he through his poverty might be rich" (Prov. 18:24, II Cor. 8:9).
Let us improve the opportunity to review our relations with our own family, to determine whether there is anything that we in intelligent and courageous self-sacrifice should do for our own. Concern for family will pay rich dividends, especially in these days of broken homes and disturbed personal relationships. Love will do more than anything else to hold us together.

Recruiting Stations Making Drive For Enlistments in Navy

Navy Recruiting Stations all over the country are initiating an all out drive for voluntary enlistments, particularly in the Regular Navy, among men in the age group of 17 to 30 inclusive, who are now eligible by Executive Order of President Truman. This order lifts the ban against voluntary enlistments in the Navy.

The Navy's recruiting drive is designed to speed demobilization of men with long war service, to reduce the Navy's calls through Selective Service and at the same time enable the Navy to fulfill its extensive responsibilities through the transition period and beyond.

During August, despite the ban on recruiting men between the draft ages of 18 and 37 inclusive, the Navy enlisted more than 16,000 men in the 17-year age group, with parental consent. Of this number, 6,300 joined the Regular Navy and the balance entered the Naval Reserve.

Now that the bars are raised permitting the Armed Services to reach into the draft age group for voluntary enlistments the Navy is endeavoring at least to triple the August figures in coming months.

Men who have not been in uniform as well as those recently discharged through the Army and Navy demobilization plan are sought through this recruiting drive. Navy spokesmen announced that already a number of World

War II veterans are signing up for the Regular Navy. It is anticipated that this number will greatly increase as the demobilization program progresses. Navy officials point out that such further action is solely a matter of voluntary action on the part of those who want to follow the Navy as a peacetime career. Many veterans have embraced this opportunity after spending long awaited furlough and leaves at home.

The term of enlistment in the Regular Navy is now reduced from six years to four. Physical standards are lowered in the light of war experience. Men changing to the Regular Navy from the Naval Reserve and men re-enlisting in the Regular Navy not only retain their rights to mustering out pay, but also are entitled to full credit for past active duty, a special cash enlistment bonus, and up to sixty days' leave at home.

Gasoline Stamps May Be Destroyed

With the end of gasoline and fuel oil rationing, all rationing coupons and certificates for these products held by the trade or consumers became valueless and may be disposed of at the Office of Price Administration said this week.

The gasoline ration coupons are not needed to obtain a tire purchase certificate nor will their possession aid an applicant in getting such a certificate, OPA said. Passenger and truck tires are still being rationed, largely on the basis of occupational driving needs and with eligibility no longer dependent on the consumer's "B" or "C" gasoline ration.

Fuel oil coupon sheets that have been deposited with dealers and suppliers need not be returned to consumers nor retained.

Dealers, distributors and suppliers of gasoline and fuel oil need not retain records that were required by some other regulation, order or law. Under OPA's price regulations for petroleum products, dealers, suppliers and distributors are required to keep customary bookkeeping records, including invoices.

SPEED LAWS ARE TO BE ENFORCED

IN STATE, SAYS COL. HAROLD W. CAIN, HIGHWAY PATROL DIRECTOR—DRIVERS' LICENSES WILL BE CHECKED.

Warning that the State Highway patrol is to enforce the speed limits and the drivers' licenses vigorously was issued by Col. Harold W. Cain, its director, Friday.

Drivers' license for the current 12-month period have been on sale since July 1, but Revenue Commissioner Orville M. Howard said many motorists had not obtained their new ones and asked the patrol to take action.

Colonel Cain said he had ordered Patrolmen to cite into court all drivers found without new permits. Joining in Commissioner Howard's plea for all motorists to conserve their cars and tires, Cain commented:

"Many drivers feel that since the 35 miles an hour limit has been removed, they can make up for lost time. Persons driving in excess of 45 miles an hour on the highways are subject to arrest."

Kentucky's maximum is 45 miles. During the war all were requested by the President to keep to 35 or less, but that request recently was withdrawn.

The Blood Stream

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

The blood stream has several important functions. For instance it feeds the tissues from the products of digestion; it carries away waste matter and it aids in equalizing the temperature and the water content of the body.

Blood is not just plain fluid, but has two parts. A yellowish fluid called PLASMA, in which float solid particles called corpuscles. Then there are three kinds of corpuscles are the protectors of the body and multiply at a great rate of speed. In other words, the white corpuscles enable the body to resist infections and throw off contagious disease.

Friends, now that we understand how important a part our blood stream plays in the health of our entire body, it is easy to see that we should be careful not to choke or cramp this blood stream in any way.

When you cramp blood vessels and shut off blood supply to any part of the foot, every school physiology book tells you that you not only deprive it of the food it should have to keep healthy, but the slower blood stream cannot clear away waste matter as it should. We find chemical deposits form at the joints of the feet and the legs and then inflammation develops leading to pain and discomfort that makes you miserable all over. These symptoms are often mistaken for arthritis rheumatism or some other ailment. Backaches, headaches and many body ills may be traced to the feet.—Adv.

FLORENCE MAN SUFFERS WOUND

IN BACK WHILE RESISTING HOLDUP IN PARK HILLS, MONDAY NIGHT—CONDITION REPORTED SERIOUS.

James Bollington, 35, of Florence, was reported to be in a serious condition at St. Elizabeth Hospital with a gunshot wound in his back which was inflicted when he resisted a holdup in Park Hills Monday night. Mr. Bollington had stopped his automobile on the Dixie Highway near Blue Star Tavern, on account of engine trouble. While he was investigating the difficulty, a man with a pistol came up behind him. When the robber ordered him to hand over his money, he grappled with him. The bandit broke loose, backed away several paces and fired. The bullet penetrated Mr. Bollington's back. The victim fled. Mr. Bollington said his assailant was about 5 feet 6 inches tall, was shabbily dressed and wore a dirty handkerchief over the lower part of his face. He carried a Boy Scout flashlight. As we go to press no trace of the bandit has been found by authorities.

4-H Club Will Hold Seventh Meeting

Twelve Boone County 4-H Clubs will start holding their seventh series of community 4-H club meetings on October 4th, according to the County Extension Office. The dates are being arranged with the schools so that all meetings may be completed not later than the 12th. The seventh series meetings will be on project completions. All members will turn in record book reports on their project activities. The clubs are being scored with each member turning in his project reports scoring 1000 points for his club. The community clubs are in competition for the Banks of Boone County trophies. All members who turn in their books by the next meeting will also receive 1943 Achievement Certificates for project completions. This year 4-H Club boys and girls are carrying 171 clothing, 99 garden, 94 canning, 77 tobacco, 99 home labor, 53 farm labor, 68 foods, 39 poultry, 24 dairy, 10 rabbit, 10 hog, 8 sheep, 6 room improvement, 8 corn and 1 baby feed projects. Members whose crops projects are not completed will turn in up-to-date records so that achievement certificates can be ordered from the University of Kentucky. County champions to be selected for competition in the District 4-H achievement meeting at Florence on October 20th will be selected from the best records completed.

RADIO STARS WILL APPEAR IN PERSON

SHOW WILL BE SPONSORED BY BURLINGTON VOLUNTEER FIRE DEPARTMENT SATURDAY, SEPTEMBER 22.

Slim Mills and his Cumberland Valley Boys, stars of radio station WMOH and the Butler County Jamboree will appear in person at the Burlington courthouse on Saturday night, September 22nd at 8:00 p. m. The show which will be one and a half hour of good clean entertainment is sponsored by the Burlington Volunteer Fire Department, and proceeds derived from the show will be used to pay for the OOD equipment, recently purchased by the department. Stars appearing on the program include: Slim Mills, John Arnold, Al Thompson, Meli Cass and Cecil Stern. A complete evening of fiddling, dancing, singing and comedy is promised to those attending. Only one show will be given. Tickets are now on sale at all Burlington business houses, and by firemen. Citizens of this section are urged to attend this entertainment, and show their interest in the department by their presence. Admission will be 25 cents for children under 14 years of age, adults 50 cents.

Truck Crashes Into Gasoline Pumps On Highway 25, Tuesday

Bernard Soard, 18-year-old Carlisle, truck driver, escaped injury early Tuesday morning when his vehicle crashed into two gasoline pumps at Cabindale, four miles south of Florence. Soard told Deputy Sheriff Irvin Rouse that he fell asleep at the wheel and crashed into the pumps. Damage was estimated at \$500 to the establishment operated by Lester Benson, while the truck was a complete loss. The truck, owned by the Carlisle Lumber & Supply Co. was enroute to Cincinnati for a load of feed.

Farm Labor Shortage Continues, Says Smith

The Boone County farm labor shortage continues despite the war's end, according to Will Smith, Farm Labor Assistant. Very few war workers or veterans have returned to the farm to date. Despite all efforts to recruit help, many farmers are in serious need. Smith says he has several good places for farm help not now employed. All who are interested in farm employment are urged to contact the County Agent's office.

EROSION CONTROL MEETINGS THURS.

WILLIAM JOHNSTONE, SPECIALIST FROM COLLEGE OF AGRICULTURE WILL LEAD DISCUSSIONS.

Boone County will have an erosion control tour and soil conservation meeting on this Thursday, September 24th, according to W. R. Johnstone, County Agent. The meetings are sponsored jointly with the local Soil Conservation District and will give farmers an opportunity to see terraces, contour cultivation and hillside ditches that have been in operation one year or longer. The schedule of the meetings is as follows: 9:30 a. m. County Agent's office. General discussion. 10:00 a. m. Burlington, visit Erosion Control Demonstrations and terraces. 11:00 a. m. Dr. Bach's or Green Acres farm 1 mile south of Florence on U. S. 25. See terrace demonstrations and demonstration water troughs. Noon. 1:00 p. m. J. B. Heizer's farm near Beaver, demonstration farm. 2:15 p. m. John Boyer's farm near Verona, demonstration farm. Farmers in planning their community agricultural improvement programs last spring requested these meetings be held so that farmers may have an opportunity to view and see practical results of erosion control practices in operation. William Johnstone, agronomy specialist from the College of Agriculture, considered an authority on erosion control will lead discussions at each meeting. Local S. C. supervisors will present cost information on the terrace and ditch construction. All farmers interested in erosion control are urged to attend.

Minor Injuries Suffered In Crash

Mrs. Russell Finn and daughter escaped with minor injuries when the car in which they were riding left the highway west of Burlington and plunged over an embankment near the home of Dr. Garrison. The car which plunged into the creek bed was damaged considerably. The accident occurred Saturday morning.

Capt. Frank Helms Assigned To U. S. Station

Capt. and Mrs. F. Helms left their home in Petersburg, Ky., Saturday, September 15 for West Palm Beach, Florida, where Capt. Helms is to be stationed permanently. He has just completed 10 years service in the Army, having spent seven years outside the U. S. A. This is his first duty assignment in the U. S. since July 1938. His wife, Anna Marjorie, is the daughter of Mr. and Mrs. Ernest Hodges.

FARMERS MUTUAL BUILDING DAMAGED

BY FIRE SATURDAY MORNING—BLAZE STARTED WHILE TENANT WAS FILLING GASOLINE STOVE.

The Farmers' Mutual Fire Insurance building in Burlington was damaged by fire Saturday morning when gasoline was ignited by a kerosene water heater, while the tenant, Mrs. Lloyd Kelly was refueling a gasoline range. Mrs. Kelly stated that the fire spread to the gasoline can which she was using to fill the stove and spread rapidly throughout the kitchen. The Burlington fire department was summoned and extinguished the blaze within a few minutes. Prompt action of the fire department probably prevented a serious fire, as the blaze had gained considerable headway. Damaged was estimated at \$300 by Mr. F. H. Rouse, secretary of the Farmers' Mutual. Paper was burned from the kitchen walls, and woodwork was badly scorched by the blaze. Kitchen furniture of the Kelly family was damaged, but other rooms in the flat were not damaged only by smoke, which was very heavy. This was the first building fire to be fought by the Burlington fire department performed in a very efficient manner.

Letter Received From Gerald Clore Near Tokyo

A letter received from Gerald Lee Clore H. A. 1-c, aboard the Hospital Ship Benevolence dated August 29 by his parents, reads: "Am feeling fine, but would much rather be at home. Suppose you are anxious to know where I am? Well here I am in Japan. Doesn't sound true does it? But anyway I'm a little bit I think when a little boy, I would be writing letters to you from Japan—such strange things can happen. "We arrived here yesterday at Yokohama without any trouble. We are just a few miles from Tokyo. About all you can see is mountains and hills, a few cities—what's left of them. "I saw what they call the Japanese navy, one battle ship and one sunk, one and sticking up out of the water. We have two Japs on our ship to guide us, and tell us where the mines are and where we mine there are plenty of them. We mine there are plenty of them. We mine there are plenty of them. We mine there are plenty of them. "We saw a Jap submarine captured alongside of our ship, by another American ship. All the Jap crew had to stand attention the 'American way'. We stood by and watched them as the ship's crew that captured it, went on board and rode into Japan. (Not me). "I saw the big volcano they talk so much about. There are plenty of sights to see and I have taken a lot of pictures to bring home. "We are anchored now and can see Tokyo plainly. Would like to go ashore and look the place over, but guess we get no liberty. It has been a long time since we had our feet on ground. "They just passed word around we were taking on over 1000 patients, so that means plenty of hard and long hours for us, but that's our job. They are a pitiful sight. "How are the boys? Tell them all hello and to all my friends 'hello' back at home. See you sometime I hope, so be good and so long."

Robert Robinson

Funeral services for Robert Robinson, Florence, were held at 2 p. m. Sunday at Highland Cemetery, Fort Mitchell. Mr. Robinson, who was 73 years old, died Wednesday at the home of his daughter, Mrs. Harold Conner, Florence, after a long illness. He was a member of the Masons and the Odd Fellows Lodge, Fleming, Ky. He was survived by another daughter, Mrs. Gayle M. Denny, Lexington; one son Harry L. Robinson, Chattanooga, Tenn., and three grandchildren. Pallbearers were Stanley Lucas, L. E. Goelman, Joe Berke, C. E. Chubb and Harold Conner. Sharp and Smith, Florence funeral directors were in charge of arrangements.

James M. Wilson Returns To States

Camp Blanding, Fla.—Returned to the United States by Air Transport Command Plane via the Army Air Base at Miami, Fla., Cpl. James M. Wilson, son of Mrs. Claude Patterson whose home is at Burlington, Ky., has passed through the "Green Project," Air Lift Disposition Center, at Camp Blanding, Fla., on his way home to the Army's redeployment program. Speeding the homeward process, the overseas returnees quickly go by special "shuttle" train from the Miami Air Base to Camp Blanding's "Green Project," to be assembled in groups for travel to the Reception Station nearest their home. There are 22 Reception Stations scattered throughout the United States to handle returnees. Only the difficulties involved in assembling trains to carry the men to their proper Reception Stations holds the men at Camp Blanding's "Green Project" for more than a few hours. In the maximum of 36 hours which they may spend here, the men receive summer uniforms if they returned to this country without one, get \$10 pay advance to pay immediate expenses, and are told the details of the redeployment process. At the Reception Stations the men are classified for discharge or redeployment for further duty. Those being discharged go to Separation Centers and return home as civilians, while the men remaining in service get temporary duty at home before going on to their new assignment. The Reception Station process is completed in from six to 24 hours.

TWO AMENDMENTS WILL BE ON BALLOT

NOVEMBER 5TH—GOOD ROADS AMENDMENT AND SOLDIER VOTE—AMENDMENT WILL BE CERTIFIED TO CLERKS. The two Constitutional Amendment questions will appear on the November 5 ballot in the following language, which will be certified to the various County Clerks by the Hon. Charles K. O'Connell, Secretary of State: "Good Roads Amendment: "Shall Section 230 of the Constitution of Kentucky be amended so that the State shall have power to tax on motor fuels, fees and license on registration, operation and use of vehicles on public highways be used exclusively for highway purposes, including highway safety, necessary cost of administration adjustments and statutory refunds?" "Soldier Vote Amendment: "Are you in favor of amending Section 147 of the Constitution of the Commonwealth of Kentucky, so that said section, when so amended and reenacted, will permit any person absent from the county of his legal residence, or from the state, to vote in any election in a manner provided by law?"

OWEN MAN INJURED IN CRASH FRIDAY

TRUCK AND TRAILER COMPLETELY DEMOLISHED ON U. S. 42 AT MUDLUCK—ONE INJURED.

James Thomas Hayden, of near Owenton, suffered a compound fracture of the left leg, when a truck in which he was riding struck a bridge on U. S. 42 at Mudluck. The tractor-trailer truck was driven by T. O. Phelps, 37 of Gratz, Ky. According to Deputy Sheriff Irvin Rouse, a naval officer, A. V. Carter, stationed in Louisville, who was driving a station wagon, passed the truck as both vehicles proceeded south. Mr. Carter related that he apparently misjudged his speed, causing the station wagon to hook onto the front of the truck as he pulled back into the right traffic lane. After being struck by the station wagon Mr. Phelps lost control of the truck, and it tore down 50 feet of concrete railing on a bridge over Mudluck Creek. The tractor's motor was thrown into the creek, as was the trailer, but the tractor body remained on the bridge. Deputy Sheriff Rouse stated that it was necessary to pry the cab apart to remove the men from the wreckage. Hayden was removed to Booth Hospital for treatment, where his condition was reported as not serious.

"Suicide And The Bible" To Be Sunday Afternoon Sermon Subject At Revival

Rev. Raymond Smith, former pastor of the Bellevue Baptist Church will speak on "Suicide and the Bible" in a great mass meeting at the Elmore Baptist Church, Sunday afternoon, Sept. 23, at 2:30 o'clock. The revival meeting that has been in progress since Sept. 10th will come to a close with the Sunday night service, the sermon subject will be "The Man with the Crimped Feet." Fine crowds are attending the services and eagerly hearing the evangelist. In the Sunday afternoon service delegations are coming from several churches and the public in general is invited. The young people have charge of the service and will furnish the music and singing. Since the subject of "Suicide" has such significance in view of the many suicides in America, the wholesale suicides of the persecuted peoples in Europe before the war was over and the habitual display of "hara-ki" in Japan, it is fitting that it should be discussed in the light of the Bible. Many questions including the following will be answered: "What are the major causes of suicide?" "Do people ever commit suicide when in their right mind?" "What are the preferred methods of suicide?" "What month of the year do the most people commit suicide?" "Can a Christian commit suicide?" "What religious group, Jews, Catholics or Protestants, commit suicide the most?" "Where does the soul of a suicide go at death?" "These and many other interesting questions and facts will be discussed at this service. Rev. W. H. Lodwick, the pastor of the Church, stated that he felt many people of this section of the country would like to avail themselves of attending this great mass meeting where help for the contemplated victims comfort for those who have had suicide in their family and warning of the impending dangers of such calamity, will be given by the speaker.

YOUTH INJURED BY RIFLE CHARGE

WHILE CROW HUNTING IN BOONE COUNTY—CONDITION REPORTED SERIOUS BY HOSPITAL ATTACHES.

William Gorth, 19, of 1234 Bates Avenue, Cincinnati, was removed to General Hospital, Cincinnati, Sunday by the Hamilton ambulance of Verona, suffering from a bullet wound in his abdomen. Deputy Sheriff Irvin Rouse, stated that the youth was wounded by a 17-year-old companion, Charles Guthrie, when the two youths went crow hunting on Gunpowder. Guthrie told Deputy Sheriff Rouse that his companion got in the way of his rifle, when it went off accidentally as he pulled back the bolt to determine if it was loaded. The youths had been visiting Mr. and Mrs. Sam Con, of Union, where they were helping with the tobacco harvest. Gorth's condition was reported as serious by General Hospital attaches.

REMEMBER WHEN

—women's hats were held in place by two or three hatpins? Long affairs they were, some with large fancy heads, jewel studded and ornately decorated with metal work. Putting on and taking off a hat was a real feminine art that required a mite of patience along with the skill of adjusting the pins. Remember?

JOSEPH'S TESTIMONY TO GOD'S PROVIDENCE

LESSON TEXT—Genesis 45:1-5, 9-15
GOLDEN TEXT—Oh that men would praise the Lord for his goodness, and for his wonderful works to the children of men!—Psalm 107:8.

God rules the universe. He has His plan which will be carried out, yes, even in spite of man if need be. "He can overrule the acts even of wicked men and make them links in a chain of providence by which His purposes are accomplished." Forgiveness, opening the way for the restoration of fellowship and the showing of kindness, brought the story of Joseph and his brethren to a happy ending. Under the good hand of God, the story which began with tragedy is brought to a conclusion of blessing.

I. Love Overcomes Fear (vv. 1-4). Following the earnest plea of Judah, the heart of Joseph could no longer withhold itself from the full expression of affection and devotion to his family.

Joseph tenderly shielded the family troubles from the eyes and ears of strangers by arranging for the Egyptians. It was the first step of consideration which paved the way for reconciliation. How often just the opposite is done—airing family affairs before the world, and humiliating those who may be in the wrong, thus making it difficult for them to admit their guilt.

Then, too, this was a moment too tender and delicate to be seen by outsiders. The tears of a strong man like Joseph mean a deep movement of spirit—a solemn and often a sacred moment.
It should also be noted that the brothers were afraid, and well they might be, because of their sin against Joseph. After many years these astonished men found themselves face to face with the one whom they thought they had disposed of and they knew their sin had found them out. It always does, sooner or later, but not crushingly.II. Grace Overrules Sin (v. 5). The guilt of these men was nonetheless real and Joseph could not remove it, but he encouraged them by showing how God had used their evil devices to work out His own good pleasure. He can make the wrath of man to praise Him (Ps. 76:10).
It is worth stressing again that in the very hour when the prospects for Joseph's future usefulness seemed ruined, God was opening the door to the greatest experiences of his life and was preparing him to serve the thousands whose lives were saved by his wisdom and ability in the years of famine.Nothing is more important in the life of a child of God than to be yielded to His will, unmoved by circumstances, abiding His time, responding to His guidance whether it be by the opening or closing of doors, prosperity or adversity. And herein is the marvel of it all—even sin may be overruled by God's grace for His own glory.
That does not invite anyone to sin that grace may abound (Rom. 6:1, 2), but it does offer encouragement to the one who has fallen, that God can redeem the years that the locusts have eaten (Joel 2:25).
Our lesson also sets us an example of how true forgiveness acts. So often when forgiveness is asked or granted, there is an "I can forgive but I can't forget" attitude, which means that while hostilities have ceased at least temporarily, there is no real friendship or disposition to show kindness. Is there any real forgiveness at all in such an attitude of heart and mind? We fear not.III. Kindness Provides the Best (vv. 9-15).
It might have been enough to send food and a kind greeting with the brothers to their own land, but love does not seek the minimum expression of its feeling. It asks not how little, but how much can I give or do. Note the tender touch in verse 15, "he kissed all his brethren." Here was no general forgiveness, but a personal renewal of long-lost fellowship.

Bringing his aged father and brothers into the land of plenty was not enough, Joseph also gave to them the "best of the land" (47:11). His thoughtful consideration in sending for his father (Gen. 46:5-7) was part of the same piece of kindness.

Joseph puts to shame the modern "hard-boiled" attitude toward needy and aged members of the family. In their eager and relentless pursuit of fame or riches, many ignore or trample upon the members of their own families. Often they are ashamed of the broken bodies, the humble apparel, the broken or uneducated speech of their parents.
They fear lest their new-found friends in some circle of wealth and supposed "position" will think them strange or ridiculous. God pity the man or woman who is ashamed of a humble or aged father and mother!Win Bond Dollars the

PLANNERS URGE SOIL IMPROVEMENT RATHER THAN LARGER FARMS

Farmers should use their war incomes to improve the land they now own rather than invest in more land, Pulaski county's postwar soil improvement committee believes. The committee's report is summarized by County Agent Hugh Hurst, as follows:

"Farmers as a class are in better economic position at present than they have been for many years. There is a tendency for some of them to speculate in buying additional farm land. This ready cash which many have could be better used for the improvement of the land which they now own. In the postwar period Pulaski county farmers should turn their attention to the following 10 practices:

1. Soil improvement through the use of soil amendments. One hundred and fifty thousand acres of Pulaski County land is in need of lime, and 8,000 tons of phosphate should be used annually in building Pulaski county's soil.

2. There is an urgent need in the county for more and better pastures. Perhaps as much as 20 percent of land now being cultivated should be converted into permanent pastures.

3. Cover crops of small grains or winter legumes should be used on all land following row crops. More than 25,000 acres of cropland is left bare each year in this county.

4. Contour cultivation is needed

on 30,000 acres of cropland each year.

5. Two thousand farm reservoirs are needed to furnish an adequate and dependable source of water for livestock.

6. Farmers need to give more attention to conserving manure and crop residues. Thousands of dollars are lost each year through carelessness in handling these valuable plant foods.

7. Open and tile drainage is needed on 5,000 acres of cropland.

8. Terraces are needed on 20,000 acres of cropland to protect it from erosion.

9. More perennial legumes are needed; especially alfalfa. Kudzu may prove to be adaptable on many acres which are now producing little or no return.

10. More attention should be given to the protection of forests. Pulaski county has approximately 65,000 acres in woodland. There are at least 15,000 additional acres which should be reverted to woodland. With proper management this large acreage should be made a source of great and permanent income to our people."

WITH OUR BOYS IN SERVICE

Mr. and Mrs. Thos. Goodridge received the following letter from their son Edgar Allen Goodridge, stationed in Germany:

"After staying in the woods for a week and then getting cleaned up with a hot bath, so here I am trying to scribble a line or two. "We had a parade today and was it hot I mean the weather; some of the boys were getting decorations. One of them read something like this: 'Award of the Bronze Star Medal. Edgar A. Goodridge, Sgt., Infantry Headquarters Co., 2nd Bn., 255 Infantry Bn., for heroic achievement in action on 18 March 1945 in the vicinity of Ommersheim, Germany. Sgt. Goodridge was a member of a three-man wire team that went forward with an assaulting company in the attack on the Siegfried line, worked under heavy enemy fire he installed and maintained a wire from the Company to a battalion observation post. He continued to service it although it was frequently severed by enemy fire."

"The superior accomplishment of this mission reflects credit on Sgt. Goodridge and contributed directly to the success of the attack. Enlisted military services from Taylorsport, Kentucky.

"I'll send (deleted) it home as soon as I can find a box to mail it in."

"Well I guess this is all the news that I think of to write about. Oh, yes, I have 71 points, enough to get me to the Pacific, ha ha, but we'll worry about that later. So take care of yourselves and I'll try to do likewise."

We are in receipt of the following letter from T-Sgt. Malone T. Ligon, stationed at Havelock, N. C.:

"I want to thank you for sending me The Recorder while I was overseas. You have no idea what it means to have news of home when one is so far away."

"I am stationed at Cherry Point North Carolina now and Johnnie is with me. We are living in one of the houses in the Housing Project. Johnnie is working in the Housing Project office and all goes well for the present."

"If you are still sending Record-ers to boys in service, I would appreciate getting it very much."

We are in receipt of the following letter from Lawrence E. Wilson, S. I. C. USS LST, 141, care Fleet Post Office, New York, N. Y.:

"I guess you think that I am one swell guy, getting your paper for so long, without writing you a line of thanks."

"Our mail has been delayed quite a bit on account of certain movements, so yesterday I received five copies. When I had finished reading them, I felt like I had been in a different world—home, sweet home. That is how much your paper means to us boys in the service. I surely appreciate it."

"I have been at sea for the past sixteen months and most of it has been in this area. That much time on a LST is no pleasure cruise either. I still prefer the Navy to the other branches of the service."

"I keep up with most of the Boone County boys in the service and they all seem to be doing a swell job."

"I'll say thanks again for your paper and I'm very sorry that I didn't drop you a line sooner."

"Anyone who cares to write me, it will be greatly appreciated. I hope to be seeing you in the near future."

Wyman Stephens, of Petersburg was recently inducted into the U. S. Navy. His address is Bernard W. Stephens, AS, Co. 269 Bks. D. 16-V U. S. Naval Tng. Center, Sampson, N. Y.

We received the following letter from Sgt. Harry Cook, stationed in Brazil:

"I have meant to write you before, but somehow or other have just kept putting it off till I'm nearly ashamed to start a letter now."

"What I'm really writing about is The Recorder. I wonder now that I'm where the mail comes thru fairly well if you would send me the paper. Before I was in Italy it was practically useless to send it for newspapers hardly ever got to the right place and then they were months late. Julia sent them first class and they came in about a week or ten days. Here in Brazil my mail comes in about three to five days."

"Guess you have wondered what I have been doing in the seven months I was overseas. You see, being in the Troop Carriers we were quite busy hauling troops, supplies, mail and food. While in Italy my outfit flew supply mission to Italian Partisans on the 5th Army Front, Yugo Partisans supplies and food into Greece with paratroopers, supplies, food and evacuated wounded into Austria with British Army supplies and moved numerous outfits to the front lines in both Italy and France. We also did quite a bit of evacuation work during the final drive of the 5th and British 8th

Armies, at times going within a few miles of the front with loads of gas, food, ammunition and supplies and bringing out wounded men to rear echelon hospitals."

"While in Italy myself, I was awarded two battle stars to the European Theater Ribbon and a unit citation which went to the whole outfit for their work. When the war ended and it seemed we were no longer useful there, we started our homebound journey. We came to Trinidad and were transferred to the Air Transport Command and I am now station at Belem, near the mouth of Amazon, just one degree off the equator, right in the tropics. Is rather nice here except the heat and as soon as we get busy I think I'll like it fine. We are to help bring back the boys from Europe."

"Well, guess had better close for now. Would like to hear from Everett Cress and Jim Wilson and any of the boys that want to write."

We are in receipt of the following letter from "Bibi" Sebree, stationed in New Caledonia:

"It seems like I never would get a chance to write to you, but it just seems like I never did get to it before now. How is everything back in old Kentucky? Hilda said that she gave you my address a few days ago and I hope that I will be getting The Recorder before long now. It should get here in about ten days, that is pretty good time for that much distance."

"I am just sitting here, listening to the news from San Francisco and it sounds like they are really shelling Japan pretty heavy now. How is the fire department going by this time I guess you are still fighting them with great efficiency."

"It isn't so bad here if I only could understand French, but there are plenty to talk to without having to understand that I guess."

"Well, this is just merely a note but I just wanted to thank you for The Recorder because it really helps a lot to hear the news from the County in the form of a paper."

The following letter was received by Mr. and Mrs. George Shinkle, of Hollywood, Fla., former residents of Boone County from their son, Galen, stationed at Willeburg, Germany:

"I'll write a few lines in answer to your most welcome letter I received today. I also received a letter from Pauline today. It was the first mail we had received in over a month."

"Well this leaves me feeling pretty good, only awful home sick. It seems like the days are a week long, because I am waiting for the time to come when I can come home on the point system. There were a bunch left here today, starting for the States, they had 99 points and up. I have 89 points, so it will be

a month or more yet, before I leave here."

"The General made a speech last night at chow. He said the entire outfit would be in the States for Christmas, so I am pretty sure of being there soon. The General said, to his disappointment, this outfit was not going to the Pacific. You should have heard the boys yell and cheer."

"Mother you said you wanted me to go see Mildred, when I get home. Yes, I am going to make her a visit, very soon after I get home. I want to go see them all. It has been almost five years since I saw Mildred—how times does fly. When are you all going up there, to take your vacation?"

"You asked me if I saw any of the German prison camps, where they done the murdering. No I didn't and I am glad I didn't for I have seen enough dead bodies on the Normandy Beach to do me the rest of my days, and I saw the mass murder committed by the Germans at Malmancy, I guess you read about in the papers. We lived about

1/2 mile from where that took place. We could hear the machine guns when the murdering was being done. If they hadn't stopped to commit this crime they probably would have gotten us, and I probably wouldn't be writing this letter tonight. We piled on the trucks and got away, leaving everything we owned, and ten minutes later the Germans had captured the town where we were at. That was as close as I had at the beachhead."

"I am glad we are in a small town, because in the big towns there is plenty of sabotage going on yet, and one's life is in danger every minute. But the Germans are pretty quiet people on the whole—that is, the general average of them. They are scared of the Russians, they are afraid the Russians will kill them, and I guess they are pretty strict with them, or a lot more so than we are. The Americans are too easy with them."

"Well I will close, tell everyone I said hello, and I wish them all the best of luck. I'll be seeing everyone soon."

nishings and hand through repair
and refitting.

Last year, 21,504 families in 43
counties made use of suggestions
for the conservation of home fur-
nishings given by Marian Penick,
also known as Mrs. Penick, at the
University College of Agriculture
and Home Economics.

In Campbell and Jefferson counties,
11,508 pieces of furniture were
refinished, 274 homemakers in the
latter county estimating they saved
\$12,990 in this way. In Madison
county, homemakers salvaged

642 chairs and other pieces, to
bring the total in the state to 4,
824. Warren county homemakers
restored approximately 937 pieces
by re-tying springs, springs and
adding new padding. While Fayette
county women did 831 pieces. The
total so repaired number 4,961.
More than 2,000 handmade rugs
were made.

Many housewives learned new
ways of meeting the shortage of
curtain and drapery fabrics. Owners
used new tricks to restore fin-
ishes of walls, floors and linoleum,
and to clean rugs.

**EXPERT URGES DELAY
IN BUYING CLOTHES**

Don't buy clothes now for fall
and winter if you can do without
them is the advice of Miss Dorothy
Threlkeld, clothing specialist at the
University College of Agriculture
and Home Economics. Predicting
that fabrics and garments which
will be available three or four
months from now will be of better
quality at less cost, she advocated
remodeling and otherwise refre-
shing clothing on hand. Having re-
frained from extensive buying for
three years, one can well afford to
wait awhile longer, Miss Threlkeld
said.

Mrs. Charles R. Johnson is at
home to her friends at 1 Pike St.,
Bromley, Ky.

Newell Rudder of Lewis county
had good results from applications
of boron and potash on alfalfa and
orchard grass.

FEATURE STATE FAIR

Displays of approximately 650
entries in foods, clothing, canning
and room-improvement were fea-
tured by 4-H club girls at the Ken-
tucky State Fair.

The largest exhibit was clothing.
302 articles from 32 counties hav-
ing been judged. Girls from 17
counties entered canned foods,
while six counties were represented
in baked foods and nine counties
in room improvement projects.

Two hundred and thirty-nine blue
ribbons were awarded.

Top ranking winners were: Mar-
garet May, Boyle county, with eight
blue ribbons in canning, four in
foods and three in home furnish-
ings; Kathryn Kramer, Jefferson
county, 10 in canning; Ella Marie
Leathers, Anderson county, nine in
canning and two in clothing; Mar-
na Perry, Oldham county, seven in
canning, three in foods and one in
clothing; and Lillian Hettinger,
Jefferson county, eight in foods.

Notable among the wool costumes
were those made by Alice Word,
Christian county; Elgie Tarter, Pu-
laski county; Haley Angell, Wood-
ford county; Evelyn Hammond,
Oldham county; Imogene Powell,
Henry county; Joan Phillips, Simp-
son county, and Rebecca Ross,
Muhlenberg county.

Pieces of wearing apparel and
household articles made of feed
bags rated high among the win-
ners. Anne Penick of Christian
county showed a quilted jacket and
blue bathing suit; Mary Helen
Marshall, Webster county, pajamas,
scarves and housecoat with all
pieces dyed yellow or brown; Jessie
Mae Champion, Anderson county,
dress and bag, and Christine Hud-
son, Christian county, dress with
hand decorated border.

MORE STORAGE SPACE
REDUCES HOUSE WORK

Mrs. Sam F. Combs of Perry
county has made her kitchen work
easier by the building in of addi-
tional storage spaces, practically
all of the lumber used having been
cut and seasoned on the Combs'
farm. A corner cupboard was
added, the sink enclosed, and cabi-
nets, planned with Home Agent
Lucille S. Elswick to meet definite
household needs, were built along
one side and corner of the room.
Space in the arrangement was left
for an electric range which Mrs.
Combs hopes to add at a later date.
A corner cupboard in the dining
room and bookcases around the
fireplace in the living room were
also constructed. Mrs. Combs is a
member of the Jeff Homemakers'
Club.

TOMATOES RICH IN VITAMIN C

A good-sized tomato, vine-ripened
and fresh from the garden, will
give about half the day's quota of
Vitamin C, say the nutritionists of
the U. S. Department of Agricul-
ture.

As a change from the popular
sliced tomatoes, try these sugges-
tions:

Combine diced tomatoes, cooked
kidney beans, chopped celery,
chopped pickle or pickles relish, sea-
son with minced onion, salt, and
pepper, and toss with salad
dressing. Or mix diced, tomato-
celery relishes, cucumber, scallions
or green onions, and lettuce.

Tomatoes and potatoes team up
well when diced, seasoned with
chopped onion, salt and pepper,
and mixed with French dressing.

For a refreshing salad, combine
diced tomatoes, sliced cucumber,
sliced radishes with sour cream sea-
soned with grated onion, salt and
pepper. If preferred, add sour
cream or mayonnaise or salad
dressing.

And for a frost-weather luncheon
or supper dish, here is a stuffed to-
mato recipe to serve six.

Wash medium-sized chilled toma-
toes, 1/2 cup chopped celery, 1/2 cup
chopped cucumber, 1 tablespoon
minced onion, 1 tablespoon chopped
green pepper, 2 hard cooked eggs,
chopped, 2 tablespoons mayonnaise
or cooked salad dressing, 1 tea-
spoon salt, pepper. or 1/2 cup soft
cheese.

Wash tomatoes and remove stem
ends. Scoop out center, leaving a
shell about 1/4 inch thick. Then
turn upside down on plate to drain.
Dice tomato pulp and combine with
other ingredients. Stuff tomatoes.
Serve on lettuce or other salad
greens.

Why Suffer With Your Feet?

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Our years of research have proven that foot comfort depends on foot balance.

For years men have been guessing about foot balance, putting steel supports under feet and elastic bands around feet, all sizes and shapes corn pads, plasters, callous plasters, etc. Yet people continue to suffer with their feet, legs, back and with various other aches and pains, resulting from feet in numerous cases because they never had their body weight properly balanced on their feet with shoes.

Your feet may look regular to you, but, naturally you cannot detect weakness or have any way of testing for unbalance. But remember: "Pat on the ribs" is by no means an adequate criterion of physical well being.

Don't take chances. If you are suffering with leg pains, knee pains, stiffness, backaches or severe headaches, or sleep poorly and are always tired, your feet may be the cause.—Adv.

FLOWING GIVES BETTER YIELDS THAN DISKING

Tobacco and corn produced better where the land was prepared by plowing than where it was prepared by disking, in tests at the Kentucky Agricultural Experiment Station last year.

Land plowed 7 inches deep produced 385 pounds of tobacco to the acre worth \$915. Land disked as thoroughly as possible with a horse-drawn disk produced 1,120 pounds worth \$335.

Land plowed 7 inches deep produced 50 bushels of corn to the acre, and land disked 3 inches deep yielded 43 bushels.

The report says: "Disking to the usual depth generally will not take the place of plowing in preparing land for row crops. However, tilled to the same depth, plowing with a disk-type plow rather than the moldboard type has the advantage of incorporating any crop residue and farm manure more evenly through the plow layer and leaving them nearer the surface which, on sloping land, helps to control soil erosion."

PRICES OF FARM PRODUCTS HIGHER

Farm products are bringing twice as much as they brought in the year of 1910 to 1914 and are 50 percent higher than in the period of 1921 to 1929, according to the markets department of the University of Kentucky College of Agriculture and Home Economics.

Using 100 to represent prices in 1910 to 1914, wholesale prices of all commodities in May of this year were 154; prices received by farmers, 200; prices paid by farmers, 10, and the ration prices received to prices paid by farmers, 111.

With 100 representing prices received by Kentucky farmers in 1929 to 1929, all farm products except tobacco stood at 150 in May; meat animals and wool, 159; poultry products, 126, and dairy products, 118.

Tobacco prices in March of this year stood at 215, or more than double tobacco prices in 1921 to 1929.

Average prices of all farm products have risen 10 percent in the past year. Meat animals and wool are 10 percent higher; poultry products are up 20 percent, and dairy products are 2 percent higher.

HENS LIKE SELF-SERVICE

Pullets self-fed cafeteria style laid more eggs than those fed in a regular way, in a test at the Robinson Experiment Station at Quicksand, Breathitt county. Barred Rock pullets helping themselves to yellow corn, meat scrap, soybean oilmeal, lespedeza hay, cod-liver oil and salt laid 183 eggs last year, while those hand-fed grain and mash laid 162 eggs. Self-fed Rhode Island Red laid 217 eggs and hand-fed birds of the same breed laid 204 eggs.

Ed Leick of Campbell county realized a net profit of \$66.60 from his flock of 132 White Leghorn hens last month, when they averaged 23 eggs per hen.

The strawberry association serving the Purchase district shipped 153 cars of berries this spring, the crop bringing around a half-million dollars.

This Week In OPA

OPA Board Cuts

R. Reed Wilson, District Director of the Office of Price Administration at Lexington, announced this week that the number of War Price and Rationing Boards in the Lexington District, which comprises 56 counties of Eastern Kentucky, will be reduced from 60 to 32 before January 1, 1946.

This plan will be carried out by closing some of the smaller Boards and consolidating them with others, and in line with the National OPA policy, he explained. This is being done to effect economy and bring about greater efficiency in board operations.

Through the elimination of gasoline, fuel oil and other rationing programs with V-J Day, the number of clerical employees in the local Boards of the Lexington District is being reduced from 309 to 51.

With the elimination of most rationing programs, local Boards will be known as Price Control Boards after consolidation has been completed, he stated. Details of these consolidations will be announced as fast as they are effected.

Rubber Footwear Off Rationing

Rationing of rubber footwear has ended, OPA said this week in an announcement covering the fifth commodity group to be free from ration controls since the victory over Japan.

Rubber boots and rubber work shoes are off the rationed list. Other commodities previously released, were gasoline, fuel oil, stoves and processed foods.

Other footwear remains on the ration list with Airplane ration stamps 1, 2, 3, and 4 still valid for purchase of rationed shoes.

Slaughter Restrictions Removed. The pricing order limiting the maximum percentages of good and choice cattle that a slaughterer may kill during an accounting period was revoked September 22, the Office of Price Administration announced this week.

The restriction percentages were put into effect last February among slaughterers in complying with their maximum permissible monthly drove costs for live cattle, OPA said.

The order being revoked controls the proportion of the top grades of beef that any slaughterer can kill. It does not affect the total volume of slaughter. That restriction was administered under Control Order 1, which was suspended as of 12:01 a. m. September 8.

Industrial Sugar Allotments Unchanged

Industrial sugar allotments of sugar during the fourth quarter of 1942 will be maintained at the same rate as during the third quarter, the Office of Price Administration announced this week.

Supplies allocated by the Department of Agriculture for all civilian uses during the fourth quarter will not permit raising the current rate of industrial allotments, OPA said. Continuation of previous levels of rations to consumers and institutional users has already been announced.

Used Car Prices Reduced

A new list of dollar-and-cent ceiling prices for used passenger automobiles—revised to reflect the four percent reduction that became effective July 1—will be available, for general distribution to dealers and local War Price and Rationing Boards shortly, the Office of Price Administration said recently.

Under the regulation, OPA explained, ceiling prices for used passenger automobiles now are automatically reduced four percent every six months to reflect depreciation and increasing age of cars.

HEBRON HOMEMAKERS

The Hebron Homemakers' Club spent a most enjoyable day at the home of Lorena Cline, of Hebron on September 12. The subject of the day was "The ABC's of the Well Dressed Woman."

Roll call was answered by Bessie Acra, Inel Anderson, Lorena Cline, Myrtle Crutcher, Lizzie Graves, Ruby Hollis, Hilda Hogan, Elsie Lea, Alice Schneider, Stella Nichols, Elizabeth Riley, Ola Riddell, Lena Mae Riddle and a new member, Mildred Anderson.

FUGITIVES FROM GREENDALE HELD

BY COUNTY OFFICIALS AFTER BEING ARRESTED BY AURORA, INDIANA POLICE FRIDAY—ADMIT THEFTS.

Two fugitives from the Kentucky Houses of Reform, Greendale, were arrested Friday for the theft of a boat on the Ohio River, by Aurora police. The youths gave their names as George Vaughn and William McKinley Fraze.

Aurora police discovered the youths, 1 and 15 years of age, in the vicinity of a skiff which had been stolen from Charley Utzinger shore. Utzinger said an outboard motor he had attached to the boat was missing.

According to County officials, the pair admitted stealing the boat and losing the motor while attempting to transfer the motor to another boat which they had stolen. The youths also confessed breaking into a Covington or New port oil station and taking \$3 from a candy vending machine.

The boys gave their home addresses in Louisville, but upon investigation it was found that no such addresses existed. Further questioning revealed they had escaped from Greendale.

The youths were held in Burlington jail until Monday when authorities of the institution returned them to Greendale.

Annual Homecoming And Basket Dinner To Be Held Sunday

The annual Homecoming of the Bellevue Church of Christ will be held Sunday, September 30th. A good program has been arranged consisting of regular Bible School, Communion and morning worship conducted by the pastor Bro. Edwin Smith. The afternoon promises good music and special services by some of the church members, bringing a basket lunch and enjoy a real homecoming at Bellevue.

Prof. Glen Barr To Be Speaker At Annual Meet

Prof. Glen Barr, Dept. of Romance Language, Miami University, Oxford, Ohio, will be the main speaker at the Homecoming's Annual meeting. Prof. Barr was a representative from the U. S. State Dept. to Argentina for three years and returned to the United States just a year ago.

All Homemakers and their friends are invited to attend the annual meeting to hear Prof. Barr. He will talk on his impressions of South America. The countywide get together will be October 2nd at the Florence Methodist Church from 10 a. m. to 3 p. m.

'45 CENSUS SHOWS 1,492 FARMS IN CO.

WITH AVERAGE OF 97.7 ACRES PER FARM, ACCORDING TO RALPH D. ADAMS, CENSUS SUPERVISOR.

The number of farms in the County of Boone, State of Kentucky, as shown by the preliminary county of returns of the 1945 Census of Agriculture was 1,492, as compared with 1,443 in 1940, and 1,534 in 1935. This was announced today by Ralph D. Adams, supervisor for the 1945 Farm Census in the Fourth Kentucky Census District with headquarters at Carrollton, Kentucky.

The total land in farms in Boone County, according to the preliminary 1945 census county, was 145,745 acres, as compared with 146,424 acres in 1940, and 142,937 acres in 1935. Average size of farms shown in the preliminary 1945 census county for Boone County was 97.7 acres, as compared with 101.5 acres in 1940, and 93.2 acres in 1935.

In announcing the 1945 census totals of farms and land in farms in Boone County, Supervisor Adams pointed out that the figures are preliminary and subject to correction. Final tabulations of Boone County farm census returns will be made by the Bureau of the Census and announced from Washington when completed, Mr. Adams said.

Revival Services To Begin At Burlington Baptist Church Mon.

Revival services will begin at the Burlington Baptist Church, Monday, October 1st and will continue through October 13th, Rev. R. A. Johnson, pastor, announced Tuesday. Services will be held each evening at 8 p. m.

Rev. H. E. Rowlett, of Louisville will be the evangelist. Rev. Rowlett was the evangelist during a meeting last year and his sermons were highly enjoyed by those attending.

Mike and Rachel Acree will be in charge of the song service. Their presence will greatly add to the revival.

Everyone is cordially invited to attend these services.

Sale Called Off

The land sale advertised by the Master Commissioner for Oct. 1, 1945 in the case of Goldie Mullins Cox vs. Kenneth Stamper & c., has been called off by the Master Commissioner on motion of the plaintiff. The sale will be held at a later date.

Mr. and Mrs. Dewey Crowder and son of East Bend Road spent Sunday afternoon with Mr. and Mrs. J. W. Kelly.

WHEAT GROWERS HOLD MEETING

AT BURLINGTON WEDNESDAY, SEPTEMBER 26TH—DISTRICT FIELDMAN DISCUSSED FEDERAL CROP INSURANCE.

A meeting of the Boone County wheat growers was held at the Boone County Agricultural Extension office on Wednesday evening, September 26th at 8:00 p. m. Mr. Harry Pettigrew, District Fieldman was present and discussed Federal Crop Insurance on wheat.

Insurance is being written by the Federal Crop Insurance Corporation on the planted acreage of wheat for grain for a three-year period, 1946, 1947, and 1948. The wheat grower is insured for either a 50 percent or 75 normal yield of wheat for grain for a three-year policy he wishes to take. This insurance protects the grower from all kinds of weather conditions and diseases which reduce the yield of wheat.

A large number of growers already contacted have either signed applications for the insurance or have indicated their intention to do so. It is necessary that a minimum of 19 applications for insurance be signed before the insurance will be effective in Boone County. All applications must be signed before September 28th.

All wheat growers that have not signed to date, are urged to contact the county office and sign an application before the closing date.

Student Council Will Be Elected

The Student Council members for this school year will be elected at the Burlington high school. The student council is an organization of student government which enables the teachers and students to meet together and help solve the school problems. By cooperating the students and faculty can, with united effort improve the school.

There are two council members chosen from each class in high school, forming a council of eight members. The election will be held the latter part of the month.

The retiring members are Irene White, Mary Lou Williamson, Barbara Norris, Ivan Cason, Harold Presser, Laura Lee Blidie, Imogene Rouse and Bobby Brown.

Large Crowd Attends Firemen's Benefit Show

Approximately four hundred persons attended the Burlington Volunteer Fire Department show at Burlington, Saturday night.

The large crowd present was evidence of the support given the department by citizens of this section. Proceeds derived from the entertainment will be used to maintain equipment, and paying of bills. The department will be required to raise approximately \$300 more for the 1946 budget, it was announced.

EIGHT INJURED IN COLLISION SUNDAY

WARSAW MAN ONLY ONE INJURED SERIOUSLY—ALL TREATED AT COVINGTON HOSPITALS, ACCORDING TO REPORTS.

Eight persons suffered injuries Sunday when two automobiles collided on U. S. Highway 42 near Gunpowder Bridge, two miles west of Florence.

Seven of the eight passengers in the car escaped with minor injuries and were released from the hospital. Charles M. Markesbery, of Warsaw, one of the drivers, remained at the hospital for further treatment. Markesbery suffered a deep cut in his throat when he was thrown against the windshield of the car he was driving when another car rammed into the rear of his vehicle. His condition was reported as fair.

Others injured and treated at Booth and St. Elizabeth Hospital were Mrs. Myrtle Bower, Herman Bower of Louisville; Mrs. Gertrude Lipsey, Stanley Lipsey, Clarence Lipsey, Raymond Lipsey and Miss Gertrude Lipsey.

The victims were removed to the hospital by passing motorists.

Robert Duncan Huey Receives Discharge

15 WATER TANKS ARE INSTALLED

IN SOIL CONSERVATION DISTRICT, ACCORDING TO J. C. ACREE—FORMS FURNISHED BY LOCAL DISTRICT.

The Boone County Soil Conservation District has installed fifteen concrete livestock water tanks, according to J. C. Acree, Soil Conservationist. Tanks have been installed on the farms of George Spert, Warren Miller, Wilton Stephens, Dendall Carpenter, Green Acres Farm, Joe Hogan, John Kyle, John Conrad, Buss Cramer, and Louis Neiers.

The local district furnishes the forms, puts them up and takes the forms down. A charge of \$3.00 is made for this service. Approximately one and a half yards of concrete are required. The district also supervises the construction work. New and improved water tank forms are being made. To date, the district has been able to assist only farms that have signed soil conservation agreements.

Improved livestock water supply is one of the important agricultural problems, according to the County Agent's office. Good livestock water is just as important as good feed. Marshall brothers have secured their own equipment and began work again the past week on pond dam construction. The concrete livestock water tank below the pond dam will likely prove an important addition to a good pond. Farmers are urged to study the uses of the new livestock water tanks as they offer possibilities of securing better water and an aid in livestock disease control.

FIRE DESTROYS WALTON BARN

THURSDAY WITH DAMAGE ESTIMATED AT \$5000—CONTENTS OF BARN NOT COVERED BY INSURANCE.

Fire destroyed a large barn owned by J. C. Benton on the old Lexington pike, two miles north of Walton, Thursday afternoon when the barn was ignited by a flash of lightning during an electrical storm.

According to reports, 4500 sticks of tobacco, 40 tons of hay and 300 bales of hay were stored in the barn, all of which the blaze consumed. Workmen housing tobacco, saved a load of the weed which had just entered the barn when it was struck.

The Walton Volunteer Fire Department was summoned but was unable to save the building and stored crops, due to the headway gained by the blaze. The firemen prevented the fire from spreading, saving nearby buildings.

It was reported that the contents of the barn were not covered by insurance.

Mass Meeting Date Changed To October 20

A mass meeting called for October 6th at the Burlington courthouse has been postponed until October 20th, according to an announcement made this week.

The meeting date was announced at the firemen's show last Saturday night by A. D. Yelton. The meeting will be held in the interest of the Burlington fire department, at which protection insurance for firemen will be discussed.

VISITS IN CALIFORNIA

Miss Rena Mae Grant left Sunday, September 16th for California, stopping off at St. Louis, Mo., to visit friends and join her sister A. Anna Grant. She will fly back to Pasadena, California, with her sister for a vacation, where her sister is stationed in the Pasadena Regional Hospital.

Her brother Cpl. Chester Grant, Jr., is stationed at Camp Atterbury, Ind., where he is working in the Separation Center. He went to St. Louis to see his sister, Lt. Grant, whom he had not seen for years.

DIVISION PLANS TO STOCK PONDS

WITH GAME AND PANFISH IN LONG-RANGE PROGRAM—DIRECTOR URGES FARMERS TO COOPERATE.

Frankfort, Ky.—Director Earl Wallace of the Game and Fish Division this week announced plans in the making for a long-range program of stocking privately-owned ponds with game and panfish.

With present manpower and equipment, Wallace said, the program will not at once satisfy the amount of work that can be done in this phase of fisheries conservation in Kentucky, adding:

"Pond re-stocking is an important part of any fisheries plan, and we expect to put increasing emphasis on it. We want farmers and others to know that we are planning in that direction."

Of immediate concern to pond owners is this: The Division would like to know the names and addresses of owners who want adult-sized fish for their ponds. Send this information by letter to the Division at Frankfort.

When seining operations are to be carried out in their neighborhoods, the Division will notify the owners who can then come to the scene of the seining and get fish. Adults asked that pond owners notify the Division of their location and wants at once, so that distribution can be co-ordinated and re-stocking can begin as soon as possible.

Mr. and Mrs. Luther Smith entertained a group of boys Sunday at the Fish and Game Club grounds with a surprise birthday party in honor of their son Raymond Wayne. Guests were Kay Kelly, Gayle Rouse, Raymond Holbrook, Tom and Joe Daley, Harold and Ralph McFarland, Jackie Patterson, Peter Cropper and David Walton.

B. C. Stephens Buys Snyder Farm Near Burlington, Monday

Ben C. Stephens and his mother, Mrs. Nannie Stephens, purchased Mrs. Helen Snyder's home of 29½ acres just west of Burlington Highway 18, Monday.

R. P. Coleman has sold all of the tracts of land in his subdivision on Camp Ernst Road. The last tract being sold 10 acres to Shelby Willoughby, an adjoining land owner, and 20 acres to Robert C. Martin of Erlanger, this week.

These sales were handled thru A. B. Renaker.

Beaver Man Injured Thursday At Glencoe

John W. Conley, 75, former County Surveyor of Boone County, a resident of Beaver, was in a critical condition at St. Elizabeth Hospital, suffering from possible fractures of the nose and left leg and multiple cuts and bruises sustained when the auto he was driving was struck by the Pan-American crack passenger train of the Louisville & Nashville Railroad, at Glencoe, on Wednesday night of last week.

Mr. Conley was put aboard the northbound train and taken to St. Elizabeth Hospital for treatment.

AIRPORT BIDS TO BE RECEIVED

FOR CONSTRUCTION OF ADMINISTRATION BUILDING, OCTOBER 5TH—PLANS AND SPECIFICATIONS AVAILABLE.

Bids for construction of an administration building and service building at the Kenton County Airport, near Hebron will be received at 10 a. m. October 5th. It was announced last Friday.

Plans and specifications may be obtained from the office of Leslie DeJong, architect, 321 Scott street, Covington. The plans also may be inspected at the office of the F. W. Dodge Reports, Building Witness and Allied Building Industries, Cincinnati.

Possibility of the construction of a hangar at the airport by the Standard Oil Co., of Kentucky was revealed by C. Lisle Kays, president of the Kenton County Airport Board. Officials discussed the erection of a hangar to cost approximately \$35,000.

According to the preliminary plans the hangar is to be 80 by 100 feet and will conform with the construction of other buildings on the site. It was said the hangar would be used to house small planes and trucks of the company.

New Homemakers' Club Organized

A new Homemakers' Club was organized at Kentaboo, September 20th. Ten charter members attended the meeting which was held at the home of Mrs. Wm. Schmidt. Those elected as officers of the club were: President, Mrs. Don Rowland, Mrs. Wm. Schmidt, Mrs. Edith Napier, Mrs. Carl McDaniels, Mrs. Ben Zimmerman, Mrs. H. A. WAR FUND DRIVE OPENS OCTOBER 1

JOHN L. VEST, CHAIRMAN OF BOONE COUNTY URGES SUPPORT OF EVERYONE—QUOTA SAME AS LAST YEAR.

John L. Vest, Chairman of the Boone County War Fund Drive, makes the following statement to the people of Boone County, preceding the opening of the drive October 1st:

"To The People of Boone County: On the far-flung battle fields of World War No. 2 the war is over. The roar of cannons has ceased, and the blast of atomic bombs had just begun, when the enemy yielded. For all these things we are truly glad and thankful.

"But there remains yet one last chapter that we of the 'Home Front' must write. The boys and girls who make possible the continuance of our way of life, for which we owe them so much, are not yet home and integrated part of our civilian life. We owe them all the help possible for the next few months.

"To that end the President of the United States, our Commander-in-Chief has approved and now urges each and all of us to finish our job by putting over the last 'War Fund Drive', which will begin this county on October 1, and we hope to have it finished and over the top by October 30th.

"Boone County's quota is exactly the same this year as it was last year, and in next week's edition of our two papers will appear the quota for each precinct and chairman for each precinct. Also the various officers and committees. We had hoped to print them in this week's edition, but absence from home has prevented the preparation of a complete list.

"So far Boone Countians have never failed in a drive for relief of suffering, and likewise for any drive for the help of those doing military service for us at home. So let's not let them down this time. Be thinking it over, so that your solicitor will only have to accept your contribution and execute your receipt.

"Written in haste, but with success as the final objective, I am, 'Very truly yours,' John L. Vest."

Fish And Game Club Will Entertain Oct. 4

Members of the Boone County Fish and Game Protective Association will entertain their wives at the next regular meeting Thursday, October 4th at 8:00 p. m. at the club house.

The refreshment committee named for the September meeting will serve, according to Irvin Rouse, president.

Members of the organization are requested to bring their wives to this meeting.

RESERVATIONS BEING MADE

FOR LUNCHEON OF ANNUAL HOMEMAKERS' MEETING FLORENCE M. E. CHURCH OCT. 2ND.

Many luncheon reservations for the annual Homemakers' meeting are being made with Miss Mary Hood Gillespie, Home Demonstration Agent. September 29th has been set as the last day for Homemakers and their friends to make their reservations.

The day's program will be highlighted by a quiz show broadcast from the BOH (Boone County Homemakers) radio station in the Florence Methodist Church. Miss Mary Hood Gillespie, Home Demonstration Agent will be the announcer and Mrs. Leo Flynn, the master of ceremonies.

When duty whispers, "You must!" the Homemaker replies, "I Can!" is the theme for the annual meeting day, October 2nd. Registration for the day will begin at 10:00 a. m. Special music will be provided by the Boone County School Band. During the afternoon, the Homemakers will be entertained by a vocal solo by Mrs. Orville Conrad and a violin solo by Mrs. Ida Mae Worthington. The countywide get together for the Homemakers and their friends promises to be a very enlightening day.

**THE ISRAELITES
IN A FOREIGN LAND**

LESSON TEXT—Genesis 47:1-12.
GOLDEN TEXT—Lord, thou hast been our dwelling-place in all generations.—Psalm 90:1.

Preparation of a great nation takes time. God wanted Israel to have opportunity to develop from a family to a nation so He arranged for them to have a place of refuge and of abundant provision while they grew. He had already made ready for them by sending Joseph into Egypt, and now the whole family of Jacob moved down.

Jacob's fears had been overcome by the vision of God (Gen. 46:1-4), in which he was assured that this was the outworking of God's purpose to make of him a "great nation." The promises to him and his forefathers were now in process of fulfillment. The man who believes God is privileged to see Him work. We find the family of Jacob in Egypt, but Separated (vv. 1-8).

As he presented the representatives of his brethren to Pharaoh, Joseph made known that he had settled them in the land of Goshen, a favored spot well suited to their life as shepherds.

It is worthy of observation that while they were now in Egypt there was no thought of mingling with the Egyptians. They were to be a separate people, living in a strange land. Only thus could the purity of the nation be maintained and a people suited for God's service be kept and made ready.

The application to the life of the Christian lies right at hand. In Scripture Egypt is a type of the world, where fleshly appetites are satisfied and where strange gods are worshiped. The Christian is to "come out from among them" and to be separate (II Cor. 6:14-18).

The tendency in our time is to minimize the importance of separation from worldliness and to regard those who preach and practice it as being narrow and old-fashioned. Say what you will, it is a fact that worldliness has robbed the Church of its spiritual power and of its real testimony for Christ.

As a matter of fact, the Christian is not narrow. He is as broad as the counsels of God, and the worldling who boasts of his broad-mindedness has often mistaken superficial fairness for real broadness.

II. Blessed, but Blessing (vv. 10-12).
Jacob and his family received many mercies at the hands of Pharaoh and his people, but they were not in the land just to be blessed but also to bring a blessing. The patriarch Jacob was brought by Joseph into the presence of Pharaoh. That noble son was not ashamed to bring his aged Hebrew father into the presence of the king. There he gave witness concerning his life. But he did something else—he blessed Pharaoh.

That scene speaks volumes to us as Christians. We are not of the world, but we are in the world (John 17:15-17). We are to be a separated people for the glory of God, but that does not mean that we are not to bring blessing to those round about us. We are in the world not just to enjoy ourselves, but to make Christ known to others—to touch lives that are needy and saddened and sin-sick.

It is also of interest that the blessing of Jacob was given to the man on the throne, but it is just a matter of the poor and the underprivileged as needing the gospel and forget that the rich man in the house on the hill may be the most spiritually hungry in town.

III. Preserved, but Preparing (vv. 11, 12).
God sent His chosen people down into Egypt that they might not perish in the famine. He wanted them kept and nourished while they grew into the great people which He ultimately led out toward the Promised Land.

That was important, for had they not been preserved, the promise of God could not have been fulfilled. But all the time they were being prepared for the great day of deliverance and blessing which was to come.

Applying the truth once again to the Christian believer, it is not enough just to be safe in Christ. That is precious but it is not enough; there must be growth in grace.

Some Christians are saved and kept all right, but it is just a matter of being "preserved" and put on a shelf. They are of no earthly use unless it is to be exhibited, and that kind of a Christian is not really worth showing off.

Then, too, some of the saints are preserved but not in sweetness. They are evidently preserved by pickling, sour, unpleasant people sometimes called "vinegar saints."

God deliver us from that kind of preservation! May we be kept in such a way that we are ready to witness for God!

W. M. U. NOTES

The W. M. U. of the Union Baptist Church met September 20th, with seventeen members present. Mrs. Emerson Smith brought our Bible Study from the Book of Acts. Good reports were made from our Junior leaders. We had good collection for missions, jewel and flower funds. After business, Mrs. Charles Hedges had discussions on the topic of the month, "Women in Southern Baptist History." Song, "Rescue The Perishing." Mrs. Myrtle Marshall dismissed with prayer for the noon lunch, which we all enjoyed on the church lawn.

The afternoon program was conducted by Mrs. Lora Mullins. Those taking part on program were: Mesdames J. A. Huey, J. Fothergill, Ray Newman, Mrs. Harold Gatewood and Mrs. William Greenup favored us with a beautiful hymn, "To The Rock."

A vote of thanks was extended to Mrs. Mullins for her splendid effort in arranging the program. Song "Bringing In The Sheaves" during which the Annie Armstrong offering was collected. Sentences prayers were made remembering our sorrowing and suffering. Plans were made to meet with Mrs. Annie Bristow Monday, Oct. 22 at 2 p. m. We were dismissed by Mrs. Ray Newman.

Mrs. J. T. Bristow, Pub. Chmn.

BIG BONE W. M. S.

The Women's Missionary Society of the Big Bone Baptist Church met for their special season of prayer for 'state missions, Thursday, Sept. 20th at the church.

Our program started by singing "Rescue the Perishing." The devotionals taken from Luke 8:5-15, on the parable of the sower were given by Mrs. Harrison. Talks on the same parable and compared to our mission work here in Kentucky, under the heading "Seed-time and Harvest" were given by Mrs. Jim Aylor, Mrs. Hogan, Bro. Hogan, Mrs. W. W. Aylor and Mrs. Huff.

We sang "Help Somebody Today" and then began our regular monthly meeting with Bro. Hogan giving our devotional from Acts, a fine talk on the faithfulness of Christian women and prayer.

Our next song was "Jesus Never Fails" followed by repeating of our watchwords. Then discussions on our topic for the month, "Women in Southern Baptist History" were given by Mrs. Harrison, Mrs. Jim Aylor, Mrs. Hogan, Jane Aylor and Mrs. Huff.

We then had our business session with roll call, reports, etc., prayer for our shut-ins by Mrs. Hogan, and were dismissed in prayer by Mrs. Harrison.

A fine lunch was served at noon and our only regret was that so many of our fine women had to miss such a grand meeting. However, may be all be much in prayer for our work here in Kentucky, for the lost in our own community and our coming revival.

Jarleton Collier

WRITES with an accent on the South!

TARLETON COLLIER, whose quiet Southern voice hides his fighting spirit, came to THE COURIER-JOURNAL as an editorial writer in 1942. His many interests cover the major issues of today and tomorrow . . . with special emphasis on their relation to the South. He writes on postwar stability, farmer's markets, soil conservation, general social welfare, juvenile delinquency and politics, both national and regional.

Born and reared in Alabama, Collier graduated from Auburn College at 18 with a degree in mining engineering. One year of that . . . and he changed to journalism. He started out his news career on The Montgomery Advertiser, then continued reporting, column-writing and editorializing on The Atlanta Journal, The Chicago American and The Chicago Examiner. He also spent a spell in Washington as Midwest correspondent for the two Chicago papers.

Collier did interrupt his news work for more study at the University of Chicago; then he won a Rosenwald Scholarship enabling him to write two books on penal systems in the South, and a novel, "Fire In the Sky" on southern rural life. At another time he was in charge of The Information Service, Farm Security Administration for four Southern states.

His ear is always to the ground, listening for social trends to explore. His accent on agriculture carries over to a farm he and Mrs. Collier own in Georgia. It's now bedded down with lespedeza, he says, until he can get back there and start a crop.

The Courier-Journal

Mr. and Mrs. Theo Birke visited her sisters of Taylorsport, Sunday afternoon.

Breed Eyestrain

Fill 'em with right-sized bulbs... now!

Empty sockets are eyestrain breeders. They rob you and your family of needed eyesight protection for the long winter evenings ahead.

Better check your portable lamps and lighting fixtures today. Then buy enough right-sized bulbs to fill those empty sockets and replace blackened bulbs.

With lamp bulbs more plentiful, there's no need for anyone to be without better light for better sight. Eyes are priceless... good light is cheap.

MRS. STELLA TRYLING

OWNER

LUTE BRADFORD, Auctioneer.

Hogrefe on Dec. 13, 1893 and to this union three children were born, John H. Hogrefe, of Ambridge, Pa., Mrs. Virginia Daugherty and Mrs. Marie Payne, of Independence, Ky.

Mrs. Hogrefe was the youngest child of Henry and Mary Francis Dixon and in addition to her children is survived by five grandchildren and one sister, Mrs. Jennie Dohbins, of Florence.

On her mother's side, Mrs. Hogrefe was descended from Rev. Wm. Carpenter who after serving in the Revolutionary War under Gen. Geo. Washington immigrated to Kentucky and founded Hopeful Lutheran Church and was the first Lutheran preacher in Kentucky.

She was a lifelong Lutheran, having united with Ebenezer Lutheran Church at the age of 13 years and was the organist for this church for 30 years.

When Ebenezer Church disbanded she transferred her membership to Hopeful Lutheran Church and was a member of this congregation at her death.

NORRIS RESIGNS CHAIRMANSHIP

OF BOONE COUNTY 4-H AND
UTOPA CLUB COUNCIL DUE
TO ILL HEALTH HAS SERVED
FOR PAST 14 YEARS.

Prof. D. H. Norris president of the Boone County 4-H and Utopia Club Council the past fourteen years resigned his office at the council meeting on last Tuesday night. Prof. Norris stated his ambition and life work was devoted to those activities that build for better boys and girls and youth. He offered his resignation because of ill health only on the demands of his doctor.

Prof. Norris is one of the outstanding education administrators in Northern Kentucky. His long and unselfish leadership in the 4-H Club program has been an inspiration to both boys and girls and adult leaders. His resignation and leadership has been an inspiration to many goals thought impossible.

The Council accepted Prof. Norris' resignation and in turn voted him a lifetime honorary member of the Boone County 4-H and Utopia Club.

The treasurer's report at the council meeting showed that the 1945 fair was the most successful in history. All indebtedness has been paid and a \$400.00 reserve fund set up for future grounds improvement.

Fish And Game Club Postphone Meeting Due To Revival

Due to the revival meeting now in progress at the Burlington Baptist Church, the Boone County Fish and Game Protective Association will postpone their meeting scheduled for tonight (Thursday) October 4th, until a later date, Irvin Rouse, president announced Tuesday.

At the time of the announcement last week it was realized that the revival would be in session at that time. A date for the meeting will be announced later.

REGISTRATION OF WAR TROPHIES

URGED BY COMMISSIONER OF
INTERNAL REVENUE WILL
GREATLY AID IN PUBLIC
SAFETY.

In behalf of public safety, Joseph D. Nunan, Jr., Commissioner of Internal Revenue, today appealed to all members and veterans of the armed forces and their families to register and safeguard all machine guns and similar automatic weapons which have been brought into the country as war trophies.

Calling attention to the mandatory provisions of the National Firearms Act of 1934, and the regulations promulgated thereunder, Commissioner Nunan said:

"We have hesitated to do anything to hinder service families in the enjoyment of their richly-earned trophies of war. However, our attention has been called to several instances in recent months where criminals have stolen or otherwise acquired war trophies and have used the weapons for criminal purposes. I am issuing these cautions for the safety both of service families and the public at large.

"Under the law registration must be made at once by every possessor

of any firearms of the automatic type, such as machine pistols, machine guns, submachine guns, or any type gun from which a number of shots or bullets may be discharged with one continuous pull of the trigger. I urge all servicemen, veterans, and their families, having any such guns, to communicate at once in person, by telephone, or mail—with the nearest office of an investigator in Charge, Alcohol Tax Unit, Bureau of Internal Revenue, or to write to me in Washington. A representative of the Bureau will call and assist them with the registration without charge.

"At the same time, I urge possessors of these weapons to accept the assistance of the Bureau representative in rendering them inoperative. This will not affect the souvenir value of the weapons, but will prevent accidents and keep them out of the hands of the criminal element.

"Furthermore, as long as the weapon is serviceable, the law requires payment of the \$200 tax upon each sale, exchange, gift, or other transfer of the firearm. If the gun is made permanently inoperative, it may be transferred as a war trophy without payment of the \$200 tax by the filing of Form 5 (Firearms) with the Commissioner of Internal Revenue, Washington, D. C.

"I earnestly hope that service families will understand that these cautions are being issued for their protection—protection not only against the consequences of possessing deadly weapons, but also protection against violation of the National Firearms Act which provides penalties up to five years in prison and a \$2,000 fine for each violation. Careful compliance with this law will, on the other hand, permit safe enjoyment of war trophies of the type mentioned."

Boone Countians Recently Inducted

A number of Boone County men have recently been inducted into the U. S. Armed Forces through Draft Board No. 9, Burlington. They are as follows:

George William Mobley, Nathaniel Hawthorne Jackson, Mervin Earl Holt, Lloyd Earle Riddle, Howard W. Barnett, John Franklin Jones, William Charles Franks and Jesse James.

Ten men reported at Draft Board 9, Burlington on Tuesday, and were sent to Louisville for preliminary examination. Eleven men left Wednesday for induction.

C. G. Kelly, Clerk of Draft Board No. 9, reports that reclassification of men over 26 years of age is nearing completion. Mr. Kelly stated, since men over 26 years of age are not being called for active service they are being classified as 4-A, and cards are being mailed to persons in this bracket.

School Band Will Play At Aurora Fair, Saturday

The Boone County School Band will play at the Aurora Farmers Fair Saturday, October 6th. The band will march in the parade which begins at 10 o'clock and will present a concert from the band stand at 1 o'clock.

The band has always been received at the fair in a splendid manner, and they consider it a privilege to play in Aurora each year.

Transportation will be furnished by the Ryle and Hambrick Trucking Company. The truck will leave Burlington at 7:30, Florence at 8:00 and Hebron at 8:15. The members will be picked up at the schoolhouses.

INFORMATION CENTER SET UP

FOR RETURNING VETERANS—
READY TO ASSIST MEN IN RE-
ESTABLISHING THEMSELVES
IN CIVILIAN LIFE.

Designation of Selective Service Local Board No. 9 as an official Veterans Information Center of the United States Government was announced by Geo. W. Baker, Chairman of the Board today. The Board is located at Burlington.

The new Veterans Information Center has been officially named by the Retaining and Reemployment Administration which is charged by law with the coordination of U. S. Government agencies serving veterans. The Board's location is at a Veterans Information Center is identified by a colorful poster bearing a large reproduction of the gold discharge emblem.

"Our local Board has inducted a large number of men into the Armed Forces during the last five years," said Chairman Baker. "Now we are ready to assist these same men in reestablishing themselves in civilian life if they want and need our assistance."

"Congress has provided many rights, privileges, and benefits for ex-service men and women. These rights and benefits are provided by many different laws and are administered by a number of different Government agencies. It is the purpose of our Veterans Information Center to aid the veteran in getting to the right place and obtaining the right information so that he may take advantage of all benefits to which he is entitled."

Mr. Baker pointed out that persons who left positions to enter the Armed Forces are entitled by law to reinstatement in their old jobs when they return, if they fulfill certain requirements of the law. He explained that it is part of the Local Board's function to assist the veteran in asserting his reemployment rights. The Local Board also is charged by law with rendering aid to veterans seeking new employment.

"Many veterans, of course, will not need assistance," said Mr. Baker. "For industry and business in general already have seen to it that their former employees in service are welcomed back to their old jobs—or better ones. But, a large number of veterans are not familiar with their rights to reemployment, and what they are entitled to in the way of preference for new jobs. Full information is available at the Local Board, and the veteran is urged to come in and talk over his problems."

Chairman Baker said the Board also will advise and assist the veteran with his other problems, including his insurance, G. I. loans, educational opportunities, and the like. "All these services," he said, "are free to the veteran. For the asking, and he will find the Board's members, reemployment committeemen, and employees ready to do the utmost to save him time and trouble in getting back in stride as a civilian."

AIRLINE PROPOSES \$25,000 BUILDING

FOR NEW AIRPORT IN BOONE COUNTY—WOULD BE USED TO
HOUSE EQUIPMENT AND SUPPLIES.

The American Airlines presented a proposal to the Kenton County Airport Board Saturday to erect a service building costing approximately \$25,000 at the Greater Cincinnati Airport in Boone County, near Hebron.

The building will be used to house equipment and supplies used by American Airlines planes which are to use the airport in flights in and out of the Greater Cincinnati area. The proposed building will be 32 by 88 feet.

The building will be located approximately 75 feet from the airport administration building and will be of similar construction.

Bids will be received Friday of this week for a contract to build the structure. At the same time bids will be received for construction of the airport's \$250,000 administration building.

Twenty-year contracts have been designed by American, Transcontinental and Western and Delta airlines, renewable every five years, for use of the airport in Boone County.

Work has practically been completed on the foundation of the administration building and construction as soon as the contract is awarded.

CLOTHING BEING SENT OVERSEAS

WILL BE IN HANDS OF WAR
SUFFERERS BY CHRISTMAS, AC-
CORDING TO NATIONAL
CHAIRMAN.

Every pound of the clothing contributed by the American people in the nationwide clothing collection last spring and summer will be in the hands of war sufferers overseas by Christmas, it is announced by Henry J. Kaiser, National Chairman of the United National Clothing Collection.

Mr. Kaiser's statement was received here by Mary Hood Gillaspie, local chairman of the clothing collection, who made it public today. The statement said:

"Based on figures supplied to me by UNRA, I can now assure you that by September 30, all the clothing collected in the United National Clothing Collection will be baled for overseas shipment. By the end of October the last bales will be on ships bound for Europe, the Far East, and the South Pacific.

"Already one hundred million pounds of the used clothing contributed only a few months ago has been baled and shipped, or scheduled for shipment to the needy and destitute in lands devastated by war and looted by the enemy. Much of this clothing has already been distributed in European lands.

"The Chinese will soon receive 10,500,000 pounds of the contributed clothes, shoes and bedding. One boat in September and two in October will each carry 3,500,000 pounds for distribution in China, where winter weather is bitter.

"The Filipinos, too, will soon be wearing contributed shoes and clothing. The first peace-time cargo to leave an Atlantic port for the Philippines since Pearl Harbor included 63 carloads of contributed clothing. That shipment, including shoes, left New York on the S. S. Courser, September 12. A total of 4,000,000 pounds of contributed clothing has been allotted to the Philippines."

Allocations of the clothing for overseas relief as of September 18, total 116,715,700. Mr. Kaiser's statement revealed. The remainder of the clothing donated by the American people will be allocated to the Philippines, Poland, Yugoslavia, Russia, and to refugee children and stateless people now in a number of European countries.

All governments receiving allocations of clothing have entered into agreements with UNRA guaranteeing distribution of contributed clothing without cost and without discrimination of any kind.

The statement made public by Mary Hood Gillaspie, was quoted in a report by Ruf F. Hendrickson, Deputy Director General of UNRA—the United Nations Relief and Rehabilitation Administration—paying tribute to the 7,700 local chairmen who conducted the clothing drive in communities throughout America.

Pointing out that the drive was organized because there was almost no available new clothing for overseas relief, Mr. Hendrickson said, "If the clothing drive had failed, there would be great suffering this winter for millions who are receiving the donated overcoats, dresses, trousers, shoes, socks and underwear. Without that campaign, that same used clothing would have lain in attics and closets, unproductive in meeting the emergency."

The UNRA report not only praised the quantity of the clothing gifts, but also the tremendous organization job successfully accomplished under the National Campaign Chairman, Henry J. Kaiser and the Executive Director, Dan A. West. It added:

"The quality has been outstanding. The value of the contributed clothing can properly be placed at 75 cents to a dollar a pound on the average. It is good, useable clothing."

Mr. Kaiser's statement also disclosed the continuing urgent need for clothing overseas, and quoted a recent report by William L. Batt, Vice-Chairman of the War Production Board, who said:

"The conduct of the United National Clothing Collection has been effective and most satisfactory. I hope it may continue because there will still be a textile shortage, particularly in cotton, for many months to come, and if the situation which are badly needed abroad are to be provided in adequate quantities, it seems to me that the job will be up to the clothing collection committee."

Ohio Woman Charged With Bigamy In Boone County Court

Mrs. Grace Bachman, of Coshocton, Ohio, was returned to Burlington Monday to face a bigamy charge preferred by her husband, Robert Bachman. The couple were married in Boone county five years ago.

In the warrant, Mr. Bachman charged his wife was not divorced from her first husband when they were married five years ago. It was not until 11 months after their marriage that she procured the divorce.

Mrs. Bachman was arrested by Coshocton authorities and turned over to Deputy Sheriff, Irvin Rouse. She was released after posting \$1000 bond with County Judge C. L. Cropper.

If found guilty, the charge carries a sentence of from 3 to 9 years in the State reformatory.

Mrs. Elizabeth Stephens

Funeral services were held at 2:30 yesterday (Wednesday) at the Philip Taliaferro funeral home, Erlanger, for Mrs. Elizabeth Stephens, 83, a former resident of Boone County, who died Sunday at the home of her son, Albert Stephens, in Savannah, Ga., after a brief illness.

Mrs. Stephens, who moved to Savannah 25 years ago, leaves another son, Chester L. Stephens, Cincinnati; a daughter, Mrs. Pearl Satchwell, Verona, Ky.; two brothers, Corey Utz, Erlanger, and U. Utz, Seattle, Wash.; five grandchildren and five great-grandchildren.

Jos. F. Besterman

Joseph F. Besterman, Beaver Lick, passed away at his home, after a long illness. Mass was said at St. Patrick's Church, Verona last Saturday morning at 10 a. m. with burial in Hughes Chapel Cemetery, Beaver.

He is survived by his wife Sallie; four sons Joseph F. Besterman, stationed at Camp Atterbury, Ind., Marvin of Erlanger, Clifford who was recently discharged from the service and Emerson, of Union; 3 daughters, Mrs. Alvin Woods, Big Bone; Mrs. Robert Slayback, Beaver, and Mrs. Gilbert Carson, of Covington; two sisters, Mrs. Clem Brinker and Mrs. Nettie Brinker, both of Covington and several grandchildren.

You are invited to attend, worship and enjoy the day with old friends.

WEED STRIPPING MEETINGS PLANNED

LABOR SAVING PRACTICES AND
GRADING OF TOBACCO WILL
BE DISCUSSED, ACCORDING TO
WILL SMITH.

Boone County will hold a series of community meetings on labor saving practices in stripping and grading of tobacco, according to Will Smith, County Farm Labor Assistant. Motion pictures, many labor saving models and practical demonstrations will be given.

The present survey indicates farm labor will continue for some time to be high and scarce. This means that the successful farmer must continue to devote greater attention of work accomplished per man. This work must be accomplished with greater ease to the worker.

The College of Agriculture has made and is making extensive studies in farm labor saving practices. The results of these studies are being put in the form of motion pictures, models and demonstrations in their uses. The dates and places of local meetings on these subjects will be announced in the near future.

REMEMBER WHEN

—women's hats were held in place by two or three hatpins? Long affairs they were, some with large fancy heads, jewel studded and ornately decorated with metal work. Lighting Tips

For the Longer Evenings Ahead

Brush or clean lamp shades regularly. If lamp shades are dirty or turning yellow inside, you may be losing as much as 50% of the light you're paying for. Clean or brush lamp shades regularly. If they are too dark or discolored, reline them or replace them with fresh shades with white or very light linings.

Keep bulbs, bowls and enclosing globes clean. You'd be surprised how much dust and dirt hold back light from your portable lamps and fixtures. Just by washing bulbs, bowls and enclosing globes you can get up to 30% more useable light. Disconnect portable lamps before washing and be sure bulbs and bowls are dry before reconnection.

Fill empty sockets and replace blackened bulbs. Bulbs that have turned black with age rob you of light. Replace them with bright, new bulbs of right size and you'll get a lot more light at little or no increase in cost. Fill empty sockets, too. They're eyestrain breeders!

a WHAS program dedicated to helping Kentucky regain her true greatness

Only Kentuckians can restore Kentucky's greatness! Are you cognizant of the vital facts about conditions in our beloved State? Do you realize the value of a blueprint for Kentucky's tomorrow? Are you being blinded by the lustre of history from seeing present problems? To bring the facts to you, WHAS created and developed a weekly radio program to awaken Kentuckians to action.

"Wake Up, Kentucky" is a dramatic presentation of facts as reported by The Committee for Kentucky from its exhaustive research by experts. Some of the facts and figures are not pretty, or pleasing, nor do they bring a glow of pride to our faces, but they are accurate and authentic. Built around a typical Kentuckian, Boone Walker, kindly, resourceful, the confidant of all who know him, this intensely interesting program portrays in vivid word pictures the problems Kentucky faces in health, education, housing, welfare, its constitution, natural resources, labor, industry, agriculture, and taxation.

For an informative, interesting, thought-stirring, entertaining quarter-hour listen to "Wake Up, Kentucky" every Monday evening at 6:30—840 on your dial—on Kentucky's clear channel

LOCKER PLANT TO BE CONSTRUCTED

IN BURLINGTON—WORK WILL BEGIN THIS WEEK, ACCORDING TO REPORTS—SITE IS SELECTED.

Burlington's dreams of a Locker Plant will soon become a reality, according to reports Monday morning. Plans are now underway for a complete plant to be erected in Burlington.

A. R. Kwozalla, Florence, Ky., and R. T. Foreman, Kenton Hills, Covington have purchased a lot from Cpl. Noel G. Walton, just north of Mr. Walton's residence, where they plan to erect a modern Locker Plant.

Mr. Kwozalla and Mr. Foreman obtained title to the site, Saturday, and work will begin immediately, they stated. The plant will be constructed of concrete blocks, and will have a total of 400 lockers. A complete slaughter house, chill and age rooms will be a part of the plant.

The building, which will be of concrete block construction, will be 76x76 feet, it was announced by the managers. It will be a complete slaughter house with its own dressing, chilling and curing rooms. The building will be capable of dressing 70 hogs per hour. Enclosed holding pens will be erected in the rear of the building.

The company will have a complete line of, frozen foods, meats, processing boxes and paper, and will process vegetables. Farmers desiring their pork dressed, smoked, and cured will be pleased to know that this service will be available.

The contract has been let for the Locker Plant to the Cincinnati Air Conditioning Co., and it is expected that the plant will be in operation not later than February 1, 1946.

The promoters of the project state that the building will be modern in every respect, and will not doubt be one of the best plants in this section.

Residents of the Burlington community have worked toward a locker plant for several months, and now have approximately 150 persons who have signed contracts for a locker, if and when the plant is erected. These contracts will be taken over by the firm, and any new contracts that are signed in the future.

The sign-up will be renewed and persons desiring to obtain a locker in the new plant, will sign a contract with the managers.

This project when completed will be of great benefit to the entire Burlington district, and outlying precincts. Farmers will be able to bring their beef and hogs to the locker plant where they will be slaughtered, processed and placed in their lockers. This service no doubt will attract a large patronage.

Many farmers in this section will probably postpone their hog slaughtering until the plant is completed in order to place their fresh pork in their lockers.

Let's all show the promoters of this project that we are behind them by coming forward and signing for one or more lockers.

Contracts for locker rental can be had any time at this newspaper office.

Mrs. Ella G. Garner

Mrs. Ella G. Garner, wife of Geston Garner, prominent Rome insurance man, died at her home, 317 East Third Avenue early Tuesday, October 2nd. She had been ill many months.

Born in Boone County, Kentucky she was the daughter of George T. Gaines and Susan Harrison Gaines, pioneer Kentuckians. She was married to Mr. Garner on June 7, 1904 in Chattanooga, and they moved to Rome in 1907. She was a communicant of St. Peter's Episcopal Church.

HOMEMAKERS ELECT OFFICERS

MRS. CLYDE ARNOLD ELECTED PRESIDENT—PROF. GLENN BARR IS GUEST SPEAKER AT MEETING.

Mrs. Clyde Arnold of Florence was elected president of the Boone County Homemakers' Club at its annual meeting, Tuesday, October 2nd. She succeeds Mrs. Leo Flynn of Walton who has served for the past two years.

Other officers elected were: Vice president, Mrs. Joe Hogan, Hebron and secretary-treasurer, Mrs. Stanley Ransom.

Under Mrs. Flynn's leadership this past year, 305 Homemakers in the twelve community clubs have worked hard for their country, their homes and their families. They have helped in the vegetable gardens. They have made butter and cheese. They have raised poultry, made lamp shades, cleaned and repaired their own sewing machines. Some have made dress forms for themselves. They have collected and sold paper and salvaged grease.

They canned 45,757 quarts of fruits and vegetables, 6445 quarts of meat and repairs or renovated 2,688 items of clothing.

All these activities were sponsored by the Extension Service of the University of Kentucky, and guided by Boone County's Home Demonstration Agent, Miss Mary Hood Gillespie.

Lucky thirteen club, the newly formed Kentaboo group, got off to an auspicious start by winning the prize for having the largest percentage of members present Tuesday.

After a business meeting in the morning a delightful luncheon was served at the Florence Church where the meeting was held.

Homemakers and guests listened attentively to Prof. Glenn Barr from the Department of Romance Languages, Miami University, Oxford, Ohio who was the guest speaker. He spoke on "South America, Our Neighbor." Judging by the questions asked by members of the audience afterwards, there was a great deal of interest aroused to know and understand our Latin American allies.

Elihu Hogan

Funeral services for Elihu Hogan, a Boone County farmer, were held at 3 p. m. Monday, in Covington, with Rev. R. A. Johnson, pastor of Burlington Baptist Church officiating. Burial was in the Florence Cemetery.

Mr. Hogan, who was 65 years old, died early Saturday at his home near Burlington, after a short illness. He was a member of the Burlington Baptist Church.

He is survived by his mother, Mrs. Mary Ann Hogan, and a brother, Frank Hogan, both of near Burlington, and two sisters, Mrs. Willson Ellis, Burlington and Mrs. Jenny Rice, Covington.

CORNELIUS REAGAN IS REPORTED SAFE

AFTER BEING MISSING FOR THREE YEARS AND SEVEN MONTHS—RELEASED FROM JAVA PRISON CAMP.

Lt. Cornelius Reagan, who was reported missing, after falling over Java in March, 1942, has been reported safe, according to a telegram received by his mother, Mrs. Bertha Bayers, of 526 Greenup Street, Covington. The telegram was delivered at 2 o'clock Friday morning by Rev. Paul Rimmer, pastor of Hopeful-Hebron Lutheran Churches.

In a telephone conversation with a Major, Mrs. Bayers learned that her son had been removed to a hospital in India, one of the best overseas. He was reported as well other than the usual effects caused from being a prisoner.

In a telephone conversation Friday morning, arrived on Lt. Reagan's 28th birthday. His mother was permitted to send him a 25-word cablegram.

Mrs. Bayers had never given up hope that her son would somehow turn up safely. She said: "I knew that if anyone could come out of something like that, alive, it would be my son."

"He and another pilot, Lt. Robert McWherter, volunteered to go on a scouting flight over Java, to see if they could do something to stop the Japs. Lt. McWherter told me later in a letter that Corby had radioed him that something was wrong while they were near Soerabaya, Java, and that he was going to bail out. The lieutenant felt sure that my son had landed on a rice paddy field," Mrs. Bayers continued.

Lt. Reagan is a graduate of Florence high school and attended the University of Kentucky. While attending U. K. he received his appointment as a flying cadet and later completed training at the Air Corps Advanced Flying School, Kelly Field, Texas.

In October of 1941 he was commissioned a second lieutenant in the Air Corps Reserve and ordered to active duty at Hamilton Field, fighter plane base, near San Francisco.

He was a prominent Northern Kentucky basketball star and captain of the Florence team. Between school terms he was employed by the Blue & Grey and Huey Motor Express transportation firms.

It is expected that Lt. Reagan will be returned to the States in the near future.

Mrs. Emma Harriett Davis

Mrs. Emma Harriett Davis, of Independence, passed away in her home, early Thursday, following a long illness.

She is survived by two daughters, Mrs. Roy Martin and Mrs. Cecil Stephens, both of Independence; 1 son John William Davis, Centerville, Ohio; 1 brother Samuel Loomis, Covington.

Funeral services were conducted from the Independence Church, where Mrs. Davis was a member. Burial was in Independence Cemetery.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

County Attorney Visiting in California

County Attorney Chas. W. Riley and wife left Tuesday morning for Pasadena, Calif., where they will spend the next three weeks, returning to Boone County November 1.

Mr. Riley will visit his brother H. L. Riley as Pasadena and his grandson is expecting to visit him while there.

Sailor Injured In Automobile Accident Near Walton, Thurs.

William Robert Turner, 25, seaman first class, suffered injuries in an automobile accident on U. S. 25 near Walton, early Thursday. His condition was reported as fair at Ft. Thomas AAF Convalescent Hospital, where he was removed following the accident.

He and his brother, P. L. Turner, of Newport were enroute home when they stopped the car on the side of the road. Another auto, whose driver was not identified, apparently did not see the parked car until too late and rammed into its rear. The impact knocked the sailor from the auto causing him to sustain severe cuts on his right leg and hand. His brother had gotten out of the car just before the collision.

All-Day Meeting Is Planned At Bullittsburg

An all-day meeting will be held Sunday, October 14, at the Bullittsburg Baptist Church. Regular Sunday School and worship services in the morning with basket dinner at noon.

Bro. L. M. Hamilton, pastor of Sand Run and Bro. Roy Johnson, pastor of Burlington, will be the speakers of the afternoon. Special music by both choirs will be rendered.

Members and friends are invited to attend.

ORDER PHOSPHATE AT COUNTY OFFICE

IMMEDIATELY EIGHTY TONS WILL ARRIVE AT ERLANGER LATER PART OF THIS WEEK, ACCORDING TO REPORTS.

Bill of lading for 80 tons of 20 percent superphosphate have been received by the Boone County Agricultural Conservation Association. Only about one half of this phosphate has been ordered by farmers cooperating in the 1945 Agricultural Conservation program.

The phosphate will probably arrive at Erlanger the middle or latter part of this week. Orders for this material should be made immediately at the Agricultural Conservation Office as no arrangements for a storage place have been made.

It is necessary to pay a small part of the cost of the phosphate, the charge being \$8.65 per ton. This amount must be paid when the order is signed.

The phosphate must be used before January 1, 1946, and can be applied to any kind of grass or clover crops including vetch with or without a small grain nurse crop. The land can be used for any kind of crop in 1946.

Farmers are urged to take advantage of the use of phosphate on their 1945 allowance if it is not already taken up in limestone, phosphate or vetch, as grant of aid. This is the last phosphate that will be received for the 1945 A. C. Program.

Mrs. Alice A. Slayback

She is survived by her husband, three children, Robert Junior, Dona June and John Boyd; her mother, Mrs. Sallie Lee Besterman; three sisters, Mrs. Alva Woods, Mrs. Gilbert Carson and Miss Jean Besterman; four brothers, Cliff Afterkirk, Marvin Afterkirk, Emerson Afterkirk and Joe Besterman.

Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

Jay E. Beaver

Funeral services were held at 1 p. m. Monday for Jay E. Beaver, 60, of Route 18, Boone County, who died Friday at Booth Hospital, Covington, after a long illness. Burial was in Forest Lawn Memorial Park, Erlanger.

Mr. Beaver leaves his widow, Mrs. Mary W. Beaver.

CAFE OPERATOR FACES SLOT MACHINE CHARGE

WAR FUND DRIVE OFFICERS NAMED

QUOTA FOR BOONE COUNTY IS \$3,916.00—AID OF ALL IS SOLICITED IN PUTTING OVER DRIVE.

The War Fund quota for Boone County is the same this year as last, \$3,916.00.

The quotas for the several precincts and the precinct chairmen are as follows: Beaver, Mrs. Ruth Green, \$150.00; Bellevue, William Rogers, \$154.35; Bullittsburg and Hebron, John Conner, \$348.30.

Burlington, J. K. Cropper, \$536.36; Carlisle, Mrs. John Ryle, \$140.30; Constance, Mrs. Thomas Kenyon, \$218.79.

Florence, Clifford Rawling, \$224.44; Hamilton, Mrs. Everett Jones, \$130.31.

Petersburg, Mrs. Justin Dolph, \$215.13.

Union, Mrs. Martha Huey, \$317.73; Verona, Fred Hamilton, \$193.22.

Walton, Mrs. Mildred Rice, \$428.00. Helping the above named individuals in every way possible, are the following, who though possibly bearing somewhat higher titles are not entitled to one bit more glory, if in fact as much, for putting this drive over the top, as the twelve precinct chairmen. And the school boys and girls and other canvassers are entitled to their share too. All of us are willing to help these precinct chairman and canvassers in any way possible.

Don't hesitate to call any of us for any purpose that we may think we can help. If we can't help we can at least try.

The officers are as follows: Publicity agents: (Both reliable), Boone County Recorder, A. E. Stephens; Walton Advertiser, M. M. Meadows.

Secretary (always willing to help) C. D. Benson.

Treasurer, (he'll keep the money O. K.), A. B. Renaker.

Vice Chairman (O. K. in every way), Irvin Rouse.

Chairman (least of all), John L. Vest.

Let's put this drive over, and then all turn round and tackle the Victory Bond Drive. Both can be done.

LOUDEN FARM SOLD

Russell Louden sold his farm of 87 acres near Waterloo to Frank Kelly through A. B. Renaker last week. Mr. Kelly takes possession March 1st.

FARMERS RECEIVE 40,025 FISH FRI.

FROM U. S. FISH HATCHERIES TO STOCK NEW FARM LAKES—LAKES WILL SUPPLY FROM 300-500 LBS. FISH PER ACRE.

Forty-seven Boone County farmers received 40,025 fingerling bass and bream last Friday from the U. S. Fish Hatcheries to stock 58 new farm lakes, according to H. R. Forkner, County Agent and J. C. Acree of the local S. C. S. District.

The above fish were supplied by the U. S. Fish and Wildlife Service for approved lakes that meet the minimum requirement of four-tenths of an acre surface area and with a maximum depth of seven feet. The County Agent's office or the local Soil Conservation District supervisors approve the lakes with the fish stock supplied by the U. S. Fish Hatcheries.

This stocking service plus the State Fish and Game Seining Service under the local supervision of Edwin Johnson, Walton, for restocking farm ponds and streams offers farmers an ideal opportunity to get good farm lakes stocked with fish.

A good fish pond should supply from 300 to 500 pounds of good fish per surface acre per year. Farmers who have suitable lakes for restocking should contact the County Agent's office, the local S. C. S. District office or the district state game warden. Once suitable stocks are established further stocking is unnecessary as most fish multiply at such a rapid rate that overstocking and understocking fish soon result.

RAID MADE BY MISS GLEN-ROSE WILLIAMS, SHERIFF AND DEPUTY W. H. EASTON, SATURDAY NIGHT.

Dwight Penick, 30, proprietor of the White Villa Cafe, Florence, Ky., was cited to appear at 10 a. m. Monday in Judge Cropper's court, Burlington on a charge of having slot machines in his possession and in operation in his place of business.

Penick, a resident of Covington, was cited to court by Boone County Sheriff Glenrose Williams, who, with her deputy, W. H. Easton, late Saturday conducted a raid on the cafe, where two slot machines were found, being operated by patrons of the establishment. Both machines were placed in a truck and hauled to the Burlington courthouse, where they were held in a locked room pending further investigation.

Penick appeared in Judge Cropper's court Monday and gave bond in the amount of \$1,000, when the case was held over for action of the December grand jury.

Cafe operators and other businessmen in Boone County were warned by Judge Cropper that slot machine violations will not be tolerated in this county.

Sgt. Ralph Maurer Home On 45-Day Furlough

Sgt. Ralph G. Maurer, son of Mrs. Josie Maurer, of Burlington, is enjoying a 45-day furlough with his mother and other relatives, after spending 14 months overseas.

Sgt. Maurer was a member of the 99th Division, First Army, and was stationed in France, Belgium, and Germany. He is entitled to wear the Purple Heart, Good Conduct Medal, Bronze Star, and ETO Ribbon with three battle stars.

Ralph entered the service in November 1942 and received his basic training at Camp Van Dorn, Miss., and Camp Maxey, Texas.

He was a teacher in New Haven High School prior to entering the service.

Sgt. Maurer arrived in the States September 26th and reached Burlington Sunday. He stated that there is no place like Boone County.

Lt. Ivan K. Norris Discharged From U. S. Air Forces

2nd Lt. Ivan K. Norris stationed at Baer Field, I Troop Carrier Command Base, Fort Wayne, Indiana, has been honorably discharged from the U. S. Armed Forces at Baer Field, Ft. Wayne, Ind., separation center under the provisions of the Army Point over age system. He received his discharge October 1, 1945.

He is the husband of Martha Jane Norris, of Daxton, Kentucky, and son of Mr. and Mrs. D. H. Norris of Independence, Ky. He is a graduate of Kentucky Wesleyan College. He was employed at Seagram Distillers before entering the service.

Ivan served overseas for seven months in the European Theater of Operations as a B-24 Navigator. He wears the following decorations: ETO Ribbon with three battle stars.

Howard R. Ryle Receives Honorable Discharge

Howard R. Ryle, B. M. 1-c of the Seabees Construction Battalion has received an honorable discharge from the U. S. Navy. He was discharged Monday, October 8 from the Naval Separation Center at Toledo, Ohio.

Howard spent 19 months overseas, being stationed in New Guinea and Subic Bay, Luzon.

He holds the Good Conduct Ribbon, Asiatic Pacific Ribbon and the Philippine Liberation Ribbon. He received his training at Great Lakes, Ill., Norfolk, Va., and Camp Parks, Calif.

He is a son of Mr. and Mrs. S. B. Ryle of Rising Sun, Ind., who were former residents of this county.

REMEMBER WHEN

—women's hats were held in place by two or three hatpins? Long affairs they were, some with large fancy heads, jewel studded and ornately decorated with metal work. Putting on and taking off a hat was a real feminine art that required a mite of patience along with the skill of adjusting the pins. Remember?

Electrical Safety Tips

NATIONAL
FIRE PREVENTION WEEK
OCT. 8-13

Permanent wiring, installed according to the National Electrical Code and properly fused, is safe from fire hazards, although frequently fires are blamed on "defective wiring" simply because no other origin is apparent. When a fire is traceable to electrical causes, it is usually due to an improper installation and subsequent neglect or to misuse of electricity or electrical equipment.

Follow These Safety Suggestions

- 1 Have your wiring inspected to see that it conforms with the National Electrical Code, your local code or other recognized safety standard. Correct any hazardous conditions.
- 2 Specify code requirements when making additions, alterations or repairs to your wiring.
- 3 Deal only with a capable, experienced electrician. Do not entrust wiring to an inexperienced "handyman" or the safety of the job may be impaired.
- 4 Never use a penny as a substitute for a fuse. Fuses are current limiting devices, designed to cut off current before damage can result if a short circuit or overload causes wires to overheat. Pennies or fuses that are too large may allow wires to become hot enough to ignite insulation, possibly causing a fire. The right size fuse for most household branch circuits is 15 amperes.
- 5 Use only appliance cords bearing label of the Underwriters Laboratory, which signifies compliance with rigid safety standards. Do not drive nails or tacks through cords, place them under rugs or in contact with radiators or other heat sources.
- 6 Use only asbestos-covered cords with heating appliances.
- 7 Always disconnect an iron (especially a non-automatic) if you leave it standing on ironing board while you answer phone or doorbell.
- 8 Never put away an iron or other heating appliance until cool.

EAST BEND W. M. S.

The Women's Missionary Society of the East Bend Baptist Church met Thursday, September 27 at the church for their special season of prayer for state missions.

The following program was presented: Song, "Rescue the Perishing"; watchwords repeated; Bible Study from Luke 8:4-15; "Hearers of the Word" by Mrs. Beattie Black; song, "Throw Out the Life Line"; "Some Fell by the Wayside" by Mrs. Dora Hodges; prayer for Ky. Missionaries; song, "Into My Heart"; "Some Fell Upon a Rock"

by Mrs. Carrie Ogden; prayer for souls in Kentucky to be near to Christ, also all races of people in Kentucky; "Some Fell Among Thorns, While Others Fell on Good Ground," by Mrs. Sue Ryle.

The program was followed by a short business meeting and a collection was taken for State Missions. Six members and four visitors were present. The meeting was dismissed by prayer.

NOW 4 POINTS
FOR USED FATS

Help Increase Supplies of Soap
and Other Peacetime Products
By Saving More Used Fats

Industrial fats far short of last year! We are almost down to the bottom of the barrel. The nation's industrial fat supply is millions of pounds less than it was in 1944. We need fully as much as last year to help make the soaps and other civilian goods you want and need so badly. So...

If you want more soap and soap flakes... if you're dreaming of nylons, sheets, cotton fabrics and want them to hurry back to the store counter... you can help by saving those used kitchen fats as you never saved before! Save every drop, every day!

These fats are vitally necessary to help speed greater supplies of soaps and other things—like new cars, electric washers, refrigerators and tires. Industry must have these fats... to help get to you more quickly the peacetime products you want.

So skim and scrape just as you did so faithfully before V-J Day. To prove how important it is, your government has increased the point bonus. So please help! Keep on saving used fats! If you can't find a store that accepts used fats, call Home Demonstration or County Agent.

DIRECTORS NAMED FOR BURLEY CO-OP.

DAWSON CHAMBERS OF WALTON NAMED AS DIRECTOR-AT-LARGE FOR STATE OF KEN.

At a regular meeting of the Board of Directors of the Burley Tobacco Growers' Cooperative Association held in the Association offices, 620 South Broadway, Lexington, on Wednesday, October 3, the following directors were sworn in as the result of the annual election by the membership held September 17:

H. E. Coons, John W. Jones, E. Logan Brown, Charles A. Marshall, J. R. Lancaster, George Roth, W. O. Protsman, George Dunlap, Albert Karsner, Jr., John M. Berry, A. Threlkeld, Robert O. Haviland, John Corliss, Walter Sharp, Sr., R. W. Darnall, Hugh Mahlin, John S. Buster, J. W. Gaines, R. P. Taylor, W. F. Thompson, T. C. Nall, Andrew Northcott.

The Board of Directors then named as directors at large Dawson Chambers, Walton, Ky., for the State of Kentucky; C. W. Ross, Felicity, Ohio, for the state of Ohio.

and George Elliott, Rising Sun, Indiana, for the state of Indiana. The officers of the Association. John W. Jones, North Middletown, Ky., president; John M. Berry, New Castle, Ky., vice president; and Frank C. Taylor, Lexington, Ky., secretary-treasurer, were re-elected. It was stated by Mr. Taylor, the secretary, that under a by-law provision of the association, the three officers elected will constitute the executive committee.

The executive committee reported to the board that preliminary arrangements had been made with Commodity Credit Corporation for the necessary funds to finance such portion of the 1945 crop as growers would desire to deliver to the association under provisions of the Loan Agreement with Commodity Credit Corporation.

It was also stated that the amount to be advanced by grade has not yet been established but it seems unlikely there will be any great difference from the amounts advanced on the 1944 crop since there has been no appreciable change in parity prices.

Mr. Taylor stated that the executive committee had been authorized by the board of directors to execute contracts with warehousemen, redrying plants and storage warehouses for the purpose of handling any tobacco which may be consigned to the association by the growers.

It was also stated that plans are being discussed for holding meetings in the various districts with growers and with warehousemen to discuss the program fully in advance of the opening of the tobacco markets.

Growers Report

Good Fruit Crop

W. W. Magill, College of Agriculture fruit specialist, visited a number of Boone County orchardmen last Tuesday to study local production problems. Growers reported good crops of apples and peaches but in most cases, a failure of the grape crop.

Scab proved the greatest destroyer of high quality apples. Failure to control scab cost local growers thousands of dollars in market prices. Most growers reported they had used one of the new sulfur sprays which proved less effective than the liquid-lime sulfur sprays formerly used. The apple market on quality fruit paid especially well this year.

Growers plan to meet late next winter to work out more effective spray schedules for 1946. This year's experience should assist growers in carrying out a more effective program next year, according to the County Agent's office.

HILL TOP

Mr. and Mrs. George Hetzel and family entertained Saturday night in honor of Mrs. Hetzel and daughter Hannah's birthday. Increase Fat Salvage Urged By Officials

Because the nation is still facing a shortage of industrial fats and oils, the Office of Price Administration and the Department of Agriculture have jointly announced a measure designed to encourage increased fat salvage. The number of pounds paid for used household fats will be increased from two to four per pound, effective October 1. The price for used fats remains unchanged.

The 1945 supply of industrial fats—of the type collected under the fat salvage program—will be millions of pounds short of the 1944 supply. The point bonus for used fats has been increased because of this serious shortage of industrial fats needed in the manufacture of soaps and other civilian goods.

Farm Slaughterers

Not Required To Register

The announcement this week by the War Department, that the army will buy 53 per cent less meat during the next twelve months explains in large part why OPA was able to call off its campaign to register all farmers who slaughter livestock for other than their own home use. Dr. Reed Wilson, District OPA Director, said this week.

This registration was begun as part of OPA's meat control program to help distribute available meat as evenly as possible throughout the country. With the ending of slaughter controls recently, the farm registration program also ended.

Reduced military requirements for meat following the end of hostilities together with increased meat production made continued slaughter controls unnecessary, Mr. Wilson said.

Hebron Man Served On LCI In Pacific

With a Landing Craft Flotilla, Palau Islands (Delayed)—William Elmer Tanner, motor machinist's mate, second class, Hebron, Ky., served aboard an LCI (B) in the final days of the Pacific war, patrolling the waters of the Carolines to blockade the remaining Jap garrisons.

From last September on, when 1st Division Marines swarmed ashore on Peleliu Island, the ships of the flotilla, in co-operation with air power, cut the remaining Jap forces in the islands off from supplies and reinforcements and frequently went close inshore to trade shots with Jap batteries or to defy suicide swimmers and mines. The flotilla received a "well done" from its commodore, Cdr. M. B. Brown, USN, of Fargo, N. D.

Some of the flotilla's ships have been assigned occupational duties, now that the Jap garrisons have surrendered.

New Line To Be Shown

By William Hagedorn

Addition of an automatic type washer, an automatic clothes drier, both gas and electric, a gas range and an electric frozen food locker to the Maytag line of household appliances was revealed to Wm. Hagedorn, Maytag dealer, located at Erlanger, in a letter received today from President Fred Maytag II.

The announcement followed a series of conferences of Maytag branch managers and distributors held at the home office in Newton at which the new products were previewed. They will be added to the line of conventional type wash-

ers and ironers produced by the 50-year old company, which manufactured and sold more than 4,000,000 washers before converting to war production in 1942.

The Maytag Company recently purchased a minority in the Globe-American Corporation of Kokomo, Indiana, which will produce Dutch Oven gas ranges exclusively for Maytag. Fred Maytag II, and Maytag Vice Presidents George Umbreit and Roy A. Bradt have been elected to the Globe-American board of directors.

No date has been announced as to when the new products will be made available to the public, although President Maytag expressed an opinion that the gas range and the frozen food locker would be on the market about the first of the year. No date has been revealed when the automatic washers and driers will be ready for distribution.

Samples of postwar models of Maytag conventional type washers have just been released to each of the more than 7,000 dealers representing the company throughout the United States, and the arrival of the local display model is expected soon. An immediate start was made after V-J day on re-conversion and assembled machines were stock-piled until enough had accumulated for simultaneous shipment to all dealers.

BALES HANDLED EASIER

A. H. Harned of Buitt county saves both time and heavy work in unloading baled hay. Reporting to Farm Agent Richard M. Sandefur, he said he prefers a frame with a slatted floor, thus being able to get sliding under the bales. Then with the aid of a regular hay track, he can unload nine bales at a time, dropping them at any height or place in the barn loft.

Erosion Control Practices Pay

Recommended soil erosion control practices have increased corn yields from seven to eight bushels per acre on experimental and demonstration fields, according to Wm. Johnstone, agronomy specialist from the College of Agriculture. Other crop yields have increased in proportion. The erosion control practices included the use of terraces and hillside ditches and the planting of the crops in line with the terraces or on the contour.

Johnstone led in the discussions of erosion control practices seen on the county tour held last Thursday. He complimented the local Soil Conservation District for the excellent work they had done in terrace construction and other erosion control work. He warned farmers that unless they properly cared for terraces and ditches after they are built, considerable damage may be done their soil.

The tour was held as part of the County Agricultural Improvement program planned by farm leaders last spring. Established and seeded terraces were inspected on the farms of Frank Miburn, Burlington; Dr. Bach, Florence; Joe B. Helzer, Beaver; and John Boyer, Verona. Concrete water tanks below the pond dams were seen on the Dr. Bach farm.

Boone County Band Praised By Patrons Of Aurora Fair

The Boone County Band was at its best Saturday when the group appeared at the Aurora Farmers Fair.

The band was received in a splendid manner by the people of Indiana and was praised by everyone as they marched through the streets of Aurora in the big parade.

The 65-piece band, under the direction of Dean Bloss was acclaimed as the largest musical organization ever to be assembled at the Aurora Farmers Fair during its 37 years. The group of musicians presented a concert in the afternoon and many people were heard to remark that the music of the Boone County boys and girls was "tops."

Many of Mr. Bloss' young musicians were gazed upon with wonder due to the fact that so many of the members are small children. Mr. Bloss stated that he was proud of his students and the showing made by them at the fair.

J. E. Stanford Will Address Farm Bureau

J. E. Stanford, executive secretary of the Kentucky Farm Bureau Federation will address Boone County farmers at Burlington on Friday evening, October 19th, at 7:45 p. m., according to John E. Crigler, secretary.

Mr. Stanford is nationally known as an outstanding speaker and agricultural leader. All farm people are urged to make plans to attend this meeting. Mr. Stanford will address Northern Kentucky 4-H County champions at the district 4-H Achievement meeting at Florence the next day, Saturday, October 20th.

Specialist Warns Farmers To Organize Work For Year 1946

G. P. Summers, market outlook specialist from the College addressing the Northern Kentucky County Agents' group at Palmouth last Wednesday warned that farmers should more efficiently organize their 1946 farm programs. Farmers are facing more abundant production with prospects for continued high priced labor and higher machinery and equipment costs. Summers stated farmers had found it easy to make money when prices are going up but many will

feel the pinch when prices start on the down trend. The national situation may quickly change the picture but present outlook is good for hogs, lambs, dairy and corn. Beef cattle, poultry and wool are in large supply and may experience lower markets. Several factors may yet affect the price of burley tobacco but a very satisfactory price is expected for the 1946 crop.

Government support prices based on the 90 percent parity factor are not understood by most farmers. The parity prices in most instances. The 90 percent of the U. S. parity support prices on August 15th for some of the major common farm products are as follows: Wheat, 1.38; corn, \$1.00; hogs, 11.34; beef cattle, \$8.44; lambs, \$9.38; butterfat, 38 cents; chickens, 17.7 cents; eggs, 32.9 cents; and burley tobacco 27 cents.

James A. Stephenson

Funeral services were held Tuesday at 2 p. m. at the New Bethel Baptist Church, Verona, for James A. Stephenson, 73, Boone County farmer, who passed away Sunday at the home of a daughter, Mrs. Quincy Swann, of 335 E. 41st Street, Covington, after a long illness. Burial was in New Bethel Cemetery with Rev. A. Childress officiating.

Mr. Stephenson was a resident of the Verona community for many years and was a member of the New Bethel Baptist Church. BULLITTVILLE HOMEMAKERS

Do you know the ABC's of a well groomed woman? The Bullittville Homemakers enjoyed a lesson on that subject, recently, at the home of Mrs. Chester Grant. Mrs. Huey

Aylor and Mrs. V. E. Ware were our leaders. This was the first meeting of the new club year, and if we can judge by this one, our new year promises to be a banner year. Eleven members and six

guests were present. Our guests were Mrs. Bertha Davis, Mrs. Essie Gurney, Mrs. Lizzie Kreylich, Mrs. Louis Hittfield, Mrs. Leo Flynn, and Miss Mary H. Gillaspie. At the luncheon hour we assembled in the large dining room for a covered dish lunch.

A special feature of the day was an exhibition of types of wardrobes and color combinations for a well dressed woman.

Mrs. Huey Aylor discussed "Live at Home" and many interesting and useful facts were gleaned from the discussion. Mrs. Leo Flynn discussed the plans being made for the annual yearling meeting of the county clubs. Guests are always welcome to all our meetings. In October we will meet with Mrs. Robert Grant.

STATEMENT OF THE OWNER, SHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACTS OF CONGRESS OF AUGUST 24, 1912, AND MARCH 3, 1933.

Of Boone County Recorder published weekly at Burlington, Ky., for 1945.

State of Kentucky
County of Boone ss.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared A. E. Stephens, who, having duly sworn according to law, deposes and says that he is the Editor-Owner of the Boone County Recorder and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, upon the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher, A. E. Stephens, Burlington, Ky.
Editor, Same.

Raymond Combs, Assoc. Editor, Burlington, Ky.

2. That the owner is: A. E. Stephens.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; and also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

The Great Toe

N. TULCH
Foot Comfort Specialist at—
PEOPLES SHOE STORE
814-816 Madison, Covington

Do you know that the great toe supports the entire weight of the body for an instant, in the last act of walking?

The foot muscles acting upon the four lesser toes preserve the balance of the body by causing the toe to grip in the shoe and in the last act of walking to give the final spring, or "take off." By their attachment the toes flex at their first (proximal) points and extend at their second and third joints, so that the ends of the toes are pressed upon and grip in standing so as to form powerful propelling levers as the body swings forward upon the toes.

Now, take off your shoes—and look at the bottom of your toes. In every case (there are few exceptions) you will see where the fleshy tissue on the bottom of the toes comes to a point, from being forced tight together and in many cases the toes themselves lap over one another. This is positive evidence of ill fitted and ill shaped shoes. This continued distortion of toes in many cases leads to bunions, hammer toes and other toe defects.

Lack of balance will cause you to walk incorrectly and create strain in other parts of the body, inducing fatigue, pain and more misery. NOT ONLY in the feet, but even in the back of the neck and headaches. Resolve right now to correct this condition.

It costs you nothing for a thorough analysis of your foot problems and difficulties. Remember you can't be HAPPY with UNHAPPY FEET.—Adv.

Son Of Chas. W. Riley Writes From Tokyo

The following letters were received by Chas. W. Riley, County Attorney from his son, Lt. (jg) Geo. H. Riley (MC) USNR, USS Sheridan APA 51, FPO, San Francisco, Calif., 2nd Amphibious Force, the Tokyo Force:

2 September 1945

3:30 P. M.

Anchored in Tokyo Bay, Japan

Dear All:

"Today is a historic day—censorship has been lifted to the extent that I can tell you where I am and where I have been, so I want to tell you that we are anchored in

Tokyo Bay just about 1/2 mile from the USS Missouri where the surrender was signed at about 10:40 a. m. our time. I can look out the port hole and see the Missouri on one side and Yokohama on the other. It is as quiet as if we were in San Francisco harbor.

"I only have a few minutes as believe it or not, we are going to get mail off. We got some mail to-day too. They already have a F. P. O. established on the mainland. How about that? Better service than we had in the Philippines where we were before coming here.

"Our ship is the oldest of its kind here and we may get named in some of the news broadcasts but I don't know.

While the surrender was being

signed I never saw so many ships, Superforts and other types of planes in my life. It was certainly some sight.

"Well I must close now and mail this but I will write more details later.

"Love to all,
George Hankins Riley"
8 September 1945
11:30 A. M.
At Sea

"Dear Mother, Dad & Grandma:

"No doubt you have gotten the short note I wrote you in Tokyo Bay and know I was there when the surrender was signed, so now that I have more time and am not rushed by the mailman, I can write you more of the details of my trip. Censorship is now off and I can write much more, but weight on letters will limit me some and a lot of the details will have to wait until I see you.

"The envelope in which this is mailed was made for the group of ships of which we were a part that went into Tokyo Bay on that memorable morning of the second of Sept. 1945. Each ship then put its own stamp on it as you can see. It will probably be postmarked on the 2nd of Sept. as that will make it important to stamp collectors, but we did not get them in time to put the letter of the second in.

"As you know we left San Francisco on July 15th. On July 28 arrived at Eniwetok, Marshall Islands, left the next day and arrived Ulithi, Caroline Islands, on August 2. Left that P. M. and on Aug. 5th arrived at Tacloban, Leyte, Philippines and that P. M. moved about 60 miles to Guimaras, Samar, Philippines. Left there on Aug. 14 and arrived at Zamboanga, Mindanao, Philippines, on Aug. 15. It was here I told you about seeing all the bomb-hit buildings. Most of the people were Mohammedans. Left on Aug. 16 and came back to Leyte, Philippines on Aug. 17. Left Leyte on Aug. 19 and arrived at Batangas, Luzon, Philippines, on Aug. 20. This is just across a little strait from Mindoro where Howard (Leford) was and is about 50 miles from Manila Bay the other side. On Aug. 25 we left Luzon and started for Japan. Because of bad weather we stopped for 24 hours at Subic Bay on Aug. 26 of which the southeast side is form-

ed by Bataan Peninsula—also saw Corregidor Island that day. On Aug. 27 we left Subic Bay and on Sunday, 2nd Sept. we steamed into Tokyo Bay and anchored about 1/2 mile from the USS Missouri. We had church that A. M. and there were so many Superforts flying over one could hardly hear the service. After church at about 10:40 A. M. our time we listened to the signing of the surrender over the radio and could look out the port hole and see the Missouri with all the sailors in their white uniforms lining the decks. I shall never forget that day as long as I live, and since I had to be here I am glad I could be there for that experience. I forgot to say that all the way to Japan we were in convoy with about 25 ships like ours, some cargo ships, some destroyers and an aircraft carrier. On Sept. 3 we moved about 30 miles from where we were and unloaded at an air base called Tateyama. I was on the beach as medical officer all day of the third and all night. Just a reminder for the U. S. in future reference—the corrugated metal of which the Japs had made the roofs of their buildings at this air field was made in a town in Ohio. Probably some of you had sold them! We used a few Japs as truck drivers but they were about all I saw—enough! We left Tateyama on 4 Sept. and are now at sea. As I understand, we are on our way to Okinawa. Where after that I don't know but hope we will be coming back towards home before long.

"I have tried to tell you as best I can and still be brief where I have been. Maybe with the use of some of the things you can figure most of it out. If you will notice the nearness of the Island of Mindanao to the Equator you can understand the heat that we had. Let me know how you make out. I can do a lot more explaining when I see you.

"I got two letters from you Mother and one from Dad while I was at Tokyo Bay. Some service—our mail was mixed up for about a month but we finally got it at Batangas just before we left for Tokyo. What happened I don't know.

"I also got a proof of Bill which I enjoyed very much. Bertine is going to send me the real pictures

as soon as she gets them. Maybe we'll get some mail at Okinawa—I hope so.

"I have my camera with me but I only brought one roll of film with 38 exposures, thinking that I would not get to make many pictures, but things have changed and I have only 8 exposures left. I wrote and asked Bertine to air mail in some and I hope she can get them. For pictures of these places are worth having. I don't know how the ones of Japan will turn out as it was pretty dark and foggy while we were there. I hope they are O. K.

"If I had more of these envelopes I would write more people back there but I only have about 6 so I can't do it. I am going to send one to Uncle George, one to Aunt Tot, one to Jonnie, one to her mother and I don't know who else. I am going to keep one, in case something happens to the one that I send to Bertine.

"Well, I suppose that is about all for now. I am glad Dad had no opposition. Who else was elected? "Mother I thought when we went ashore at Tateyama, Japan that it was your birthday and also Labor Day—Ain't that something?"

"Tell Grandma and all the rest hello for me. Take care of yourselves and I'll tell you know as soon as I find out anything about when we are coming back to the States.

"Love to all,
George Hankins Riley"

CONSTANCE HOMEMAKERS
The Constance Homemakers met at the home of Mrs. Walter Sprague of Taylorsport, Wednesday, October 10. There were 14 members, Miss Gillespie, three visitors present. We were glad to welcome Mrs. Henry Gay as a new member into our club. The meeting was called to order by the president, Salute to the flag and the club collect were repeated in unison.

The citizenship committee reported that \$2 was given toward the Service Board at Burlington and \$3 for the Frances Jewell McVey Memorial Scholarship Fund. Mrs. Vera Dolwick gave a reading on Nicaragua. Miss Gillespie assisted in filling out the calendar books for the month. The major lesson on "Choosing Your Color" was given by the clothing leaders and held the interest of all.

We have received invitations to meet at the different homes for each month of the coming year. Our next meeting will be held at the home of Mrs. Elmer Peemo on November 7th.

NEW HAVEN HOMEMAKERS
The New Haven Homemakers' Club met September 17th at the home of Mrs. Bernard Brink. Quite a number of guests were present. Several guests, Miss Mary Wood Gillespie and Miss Priscilla Grady present.

The new officers for the year 1945-46 were installed as follows: Mrs. Stanley Ransom, president; Mrs. Russell H. Garrison, vice president; Mrs. Warren G. Miller, Jr., secretary-treasurer.

Mrs. Warren G. Miller, Jr., gave the lesson on the "Style Trend and Fundamentals of Good Grooming." Next meeting will be held at the home of Mrs. Cloyd Johnson, October 15 at 11:00 a. m.

Mrs. W. G. Miller, Jr., Reporter

CARD OF THANKS
We sincerely wish to thank our many friends and neighbors for every act of kindness done, during the illness and death of our beloved mother.

Minnie Bell Dixon
We assure you that your kindness shall never be forgotten. We also wish to thank those who gave flowers; the ones who sang; Rev. J. B. Porterfield for the sermon, and especially Chambers and Grubbs who carried out the arrangements so nicely.

VICTORY LOAN TO OPEN OCTOBER 29

BOONE COUNTY'S QUOTA SET AT \$308,000.00. SHOW WILL MARK OPENING OF DRIVE AT NEW AIRPORT OCTOBER 25.

The Victory Loan campaign to raise eleven billion dollars in the nation starts October 29th and closes December 8th. Kentucky is expected to raise \$79,000,000.00 in this amount. Boone County has been assigned a quota of \$308,000.00 in E bonds and \$218,000.00 in other bonds, making a total quota for this county of \$308,000.00.

Precinct quotas are as follows:

Beaver	12,393.42
Bellevue	10,935.81
Bullittsville-Hebron	25,440.46
Burlington	42,321.96
Carlton	10,629.99
Constance	13,970.47
Florence	61,809.47
Hamilton	9,345.26
Petersburg	15,934.54
Union	29,886.46
Verona	14,818.00
Walton	60,713.11
Total	\$308,000.00

The county chairman, A. B. Renaker, has announced that the same chairman who served in all past war bond drives will continue to serve in this Victory Drive.

Bonds offered in this drive are the usual Series E, F, G, Treasury Savings notes known as Tax Notes; 2 1/2 percent coupon bonds of 1967-72; 2 1/2 percent coupon bonds of 1959-62 and 1 year 1/2 percent certificates of Indebtedness.

The war is over as far as the shooting is concerned, but that's not the whole story. Let's finish this.

Next week we will answer the question, "Why Must We Have A Victory Loan?"

An air show composed of Navy and Marine Corps personnel, will put on a performance at the local airport near Hebron, Thursday, October 26, prior to opening of the Victory Loan Campaign. Nineteen planes, all carrier-based models flown by veteran combat pilots will take part in the show. The program begins at 3 p. m.

Following the show, spectators will be permitted to inspect the planes and ask questions of the pilots.

Revival Closes With Three Additions

Revival services closed at the Burlington Baptist Church, Friday night, October 12 with three additions. They were: Mamie Ann Fogie, and Kenneth Dixon for baptism and George Smith by letter.

Interesting and spiritual messages were brought each evening by Rev. Rowlett, evangelist, and good messages in song were rendered by Mike and Rachel Acree.

Baptismal services will be held Sunday afternoon. Time and place will be announced later.

520 COMPLETE 4-H PROJECTS

IN PREPARATION FOR SELECTION OF COUNTY 4-H PROJECT CHAMPIONS—DISTRICT MEETING SET FOR SATURDAY.

Five hundred twenty-five 4-H Club members were turning in their project reports the past week in preparation for the selection of County 4-H Project Champions. The project champions selected from project reports will represent the county in the District 4-H Achievement meeting at Florence on this Saturday, October 20, according to H. R. Forkner, County Agent and Mary Hood Gillaspie, Home Demonstration Agent.

Constance 4-H Club had the honor of being the first community club to have 100 percent of members to turn in project reports. Several other community clubs are expected to meet the 100 percent goal this week. Each member completing his project and turning in his project report previous to the community 4-H Achievement meeting will score 1000 points for his or her club in competition for the Banks of Boone County trophies.

Four-H members will receive their 4-H Achievement Certificates in special community meetings starting October 26th. Special Achievement Programs have been planned for each of the twelve community clubs.

Junior Sportsmen Clubs To Be Organized

Organization of Junior Sportsmen Clubs is planned in two of Boone County's schools. October 30th, according to Mr. James, District Supervisor for the Division of Game and Fish, Frankfort.

Mr. James and James Gilpin, of the department will be at the Burlington School Tuesday, October 30 at 9:00 a. m. for the purpose of organizing the club among school students and at Hebron the same day at 2:00 p. m. Both principals of the schools, Mr. Rodamer and Mr. Goodridge have been contacted by the state representatives.

Other schools throughout the county will be visited at later dates by these men for the purpose of organizing Junior Clubs. These Clubs are sponsored by the Boone County Fish and Game Protective Association.

Mr. Gilpin and Mr. James will have an entertaining program for the school visited, and no doubt the young prospective members will enjoy the program.

Jersey Cattle Bring Good Prices

Jersey cattle at the T. F. Dunlap dispersal sale last Saturday brought good prices with a number of animals selling above the \$300.00 mark. Bullseye Favorite Lassie, Reg. No. 1246183, a four-year-old cow sold at \$375.00 and Juanita Royal Starlette, Reg. No. 1223814, a seven-year-old cow at \$355.00 topped the sale. Several out-of-state buyers were present and made purchases. Many good animals were also purchased by local breeders.

The Dunlap herd was a fine registered herd that had been carefully selected. Mr. Dunlap has done much to help advertise better Jersey cattle. Local breeders expressed hope that he will return to Jersey breeding at some future date.

Allen-Wilson

The wedding of Miss Anna Margaret Allen, daughter of Mr. and Mrs. Sam Allen, of Elsmere and James M. Wilson, son of Mrs. Clara Patterson, of Burlington was solemnized Friday evening, October 12 with Rev. W. H. Lodwick officiating.

The wedding was held at the Elsmere Baptist Church in the presence of a large crowd of relatives and friends.

As the Wedding March was played by Miss Joan Wadsworth, the bride came down the aisle on the arm of her father, who gave her in marriage.

The bride wore a lovely gown of white velvet, carrying a bouquet of white roses.

Miss Loretta Hoard was matron of honor and wore a pink gown and carried a bouquet of pink roses. Miss Hilda Blackburn and Miss Jeanette Edwards acted as flower girls. Ray Patterson was best man.

Following the ceremony a reception was given at the bride's home with a large number of relatives and friends present. After the reception the young couple left for a brief honeymoon.

The groom was recently discharged from the Army, having served three years and 8 months. The happy young couple will be at home to their many friends in Elsmere.

The Recorder joins their many friends in wishing them happiness through life.

Tobacco Plant Beds Will Be Treated With Cynamid Next Year

Several Boone County tobacco growers are now preparing their next year's tobacco plant beds and using cynamid fertilizer to control weeds. The treatment should be applied now or in the very near future to be effective, according to County Agent's office. Where this treatment is used the beds do not have to be burned next spring.

Cynamid is a 20% nitrogen fertilizer when applied to the newly plowed and worked down plant beds at the rate of 100 pounds per 100 square yards or a bed 100 feet by 9 feet gives effective weed control and at the same time fertilizes the bed. A ninety-day period with sufficient moisture is necessary for this fertilizer to kill the weed seeds and not injure the tobacco seeds when seeded. Farmers are cautioned not to work the ground deeper than two inches when seeding.

The burning of tobacco beds is both a difficult and expensive job. The cynamid method promises to result in a great saving of labor and expense.

WOMAN KILLED IN FLORENCE CRASH

FIVE OTHERS SUFFER INJURIES WHEN AUTOMOBILE CRASHED INTO TREE ON DIXIE HIGHWAY.

Mrs. Marie Preston, 58, operator of a cafe at 323 Dixie Highway, Florence was killed and five other persons were injured Wednesday of last week when an auto in which they were riding crashed into a tree on the Dixie Highway near Florence.

Mrs. Preston, who was removed to Booth Hospital was reported dead upon arrival. Injured in the accident were Mrs. Rose Locke, 39, daughter of Mrs. Preston, fractured left leg and chest injuries; Clinton Bunch, 40, London, Ky., driver of the auto, fractured ribs and bruises on the body; Emil Hoffman, 26, Florence, cuts on the face and chest injuries; William E. Harrison, 35, Union, fractured ribs and cuts on the face; Charles Tony Marino, 48, operator of a cafe at 238 E. Third St., Cincinnati, fractured right elbow and bruises on the body.

According to reports, the party with the exception of Mr. Harrison, were on their way to Louisville. Mr. Harrison, who was discharged from the Army recently was on his way to his home in Union and was picked up by the party shortly before the accident.

Victims of the accident are reported to be convalescing, and their condition is reported as fair.

Restrictions Lifted

Fishing restriction at Dam 38 are lifted, except after darkness, according to E. Newman Lockmeyer. Visitors are permitted on the premises during daylight hours only.

COVER CROPS NECESSARY

FOR EROSION CONTROL, SAYS COUNTY AGENT—GOOD COVER SEEDING PRACTICES ARE OUTLINED.

Good winter cover crops of rye, wheat, vetch and in many instances, grasses are necessary for effective erosion control during the winter months, according to H. R. Forkner, County Agent. Many local farmers after harvesting their corn this fall have delayed fall seedings. This delay may take more plant food from the soil than that used by the harvested crop.

Boone County soils when properly fertilized and managed, produce just as much and often more than the higher priced central Kentucky land. However, the central Kentucky farmer with his higher cost per acre investment must and does carry out a more effective fall seeding program. The tobacco or corn fields are seldom completely harvested before the small grain winter cover crop seeding is begun.

Best farmers have learned we cannot continue to make money by taking all from the soil and putting nothing back. Good fall cover crop seeding practices may include one or more of the following rates per acre:

1. One bushel to a bushel and a peck of rye or wheat and 20 pounds of inoculated vetch seed per acre where the crop is to be turned next spring for another cultivated crop.
2. A bushel to a bushel and a peck of wheat or rye with timothy, red top, bluegrass, or orchard grass seeded now and Sweet clover, red clover, alfalfa, or Sower clover seeded on frozen ground next spring.
3. A bushel of rye seeded on old lespedeza fields now for early spring grazing and a good crop of lespedeza next fall.
4. Application of lime and phosphate when seeding small grain.
5. Planting small grain on the level or contour to prevent erosion.
6. Remember, an acre of good cover crops should return \$15.00 worth of pasture besides the other benefits.

All land well covered with a growing crop is the surest sign of a good farmer. Good farmers mean a good county.

Mr. and Mrs. P. J. Allen, of Florence were visitors in Burlington Monday afternoon of this week, and while here called at The Recorder office, having their subscription moved up another year.

WILL CONDUCT REVIVAL

Rev. R. A. Johnson

A series of services will be conducted at the Big Bone Baptist Church beginning, Monday, October 22 and continuing through Nov. 2nd, according to Rev. Sam Hogan, pastor.

Rev. R. A. Johnson, pastor of Burlington Baptist Church will bring the message each evening at 7:30. Special music will be heard each evening.

The public is cordially invited to attend these services.

Hospital Council To Hold Meeting Oct. 23

All organizations and individuals who have donated in any way to the Boone County Day Room at the A. A. F. Convalescent Hospital, Ft. Thomas, Ky., are urged to attend a meeting at the court house in Burlington, at 7:30 p. m., Tuesday, October 23.

Since the A. A. F. Convalescent Hospital is being inactivated, the Commanding Officer has asked the Camp and Hospital Committee to assist in the redistribution of all donated property in accordance with the wishes of the donors.

This is an important meeting for it must be decided what is to be done with the furniture Boone County bought for its room at the Hospital.

Jacob Cook

Funeral services for Jacob Cook, 77, retired farmer, who died Sunday at his home near Burlington, following a brief illness, were conducted Tuesday at 2 p. m. at the Bellevue Christian Church, with Rev. Arthur Brewer, pastor, officiating. Burial was in Bellevue Cemetery.

He is survived by his wife, Mrs. Mary Alice Cook; two sons, Paul, Florence, Ind., and George Cook, Covington; two daughters, Mrs. Cam White, Lawrenceburg, Ind., and Mrs. Lou Williamson, Burlington; three grandchildren and two great-grandchildren and one brother, William Cook, Florence.

Tharp and Smith, Florence funeral directors were in charge of arrangements.

Mrs. Elizabeth Stephens

Mrs. Elizabeth Stephens, 83, passed away Sunday at her residence in Savannah, Ga. She was a native of Boone County, but had lived in Savannah for 25 years.

She is survived by two sons, Albert C. Stephens, Savannah, Ga., with whom she made her home; Chester L. Stephens, of Cincinnati, and one daughter, Mrs. Pearl Satchell, of Verona, Ky.

Funeral services were held at the Tallaferris funeral home, Erlanger, Ky., Wednesday at 2:30 p. m. with interment following in Hebron Cemetery.

- SEND IN YOUR ITEMS
- During the past few weeks many boys have returned home from the armed forces, many on furloughs and many with honorable discharges. This news is of interest to everyone in the county, and should be published.
- We ask that persons having sons returning home on furlough or with honorable discharges, give us a complete report that the item may appear in our paper.
- It is impossible for us to carry these items unless they are reported, as we are unaware of your son's return.
- Your cooperation in sending these and other items of interest from your community will be greatly appreciated.

ORGANIZATION MEETING PLANNED

FOR PURPOSE OF FORMULATING A PLAN TO FINANCE BURLINGTON VOLUNTEER FIRE DEPARTMENT.

A meeting has been called by A. D. Yelton, temporary chairman for the purpose of organization, to be held at Burlington courthouse on Saturday night, October 20th at 7:30 p. m. Mr. Yelton makes the following announcement to the citizens of Burlington and surrounding territory:

"I hope that every one in and around Burlington will show their interest in the Burlington Volunteer Fire Department, by attending the meeting in the courthouse on Saturday night, October 20th, at 7:30 p. m.

"This meeting is being called for the purpose of formulating a plan to finance the Fire Department. Like all worthwhile organizations it takes planning and money to make a Volunteer Fire Department operate. The one in Burlington has rendered efficient and prompt service but in order for this service to be continued, there will have to be some financial planning and some financing back of it.

"The firemen who have worked to make this department are still on the job. It is up to the community to show the firemen that they are still on the job by attending this meeting and assisting in the plans to finance the organization.

"The meeting will not last long. Please come if at all possible, and demonstrate the community is behind this organization.

"A. D. Yelton
Temporary Chairman for the Purpose of Organization."

SHELLS AVAILABLE TO HUNTERS, WORD

OVER 40 MILLION ROUNDS OF 12-GAUGE SHELLS WILL BE SOLD THIS MONTH TO DEALERS THROUGHOUT U. S.

Duck, pheasant and other small game hunters will have plenty of 12-gauge shotgun shells on hand this fall for their favorite sport, according to an announcement just issued in Washington by the Office of Surplus Property, Department of Commerce.

Over forty million rounds of 12-gauge shells, frozen for military use since the start of the war, will be sold this month to dealers throughout the eleven United States Regional Offices of the Office of Surplus Property.

The sale will begin Saturday, October 13. Supplies of shotgun shells for civilian use have been extremely short and the return of this ammunition to dealers' shelves in time for the hunting seasons will be welcomed by sportsmen the country over. The shells will also be useful to farmers and ranchers for crop and livestock protection.

The ammunition being sold is of the standard commercial type used by hunters and includes both "birdshot" and "buckshot."

The major quantity of the shells are loaded with birdshot or 1 1/2 ounce number eight chilled shot, with a standard power load of three drams. The remainder are loaded with 00 buckshot, nine pellets long range powder load of 3 1/2 drams.

To effect equitable distribution, minimum and maximum quantities which may be purchased, have been established.

Dealers in Ohio, Kentucky, Indiana and West Virginia can obtain full information on this offering by contacting the Office of Surplus Property, Department of Commerce, 704 Race Street, Cincinnati.

Receive Discharge

Hugh N. Matherly, CM2-c, and James W. Taylor MM1-c, both of Florence received honor discharges from the U. S. Naval Personnel Separation Center at Great Lakes, Ill., October 6th.

GIRL BORN TO MAJOR

Major and Mrs. Allen Kenyon are the proud parents of a fine baby girl, Margaret Ellen, born at Dayton, Ohio, October 23. Major Kenyon is with the Air Force Technical Command at Dayton's Wright Field.

Brothers Receive Honorable Discharges

32-e Willard Stephens and Pvt. Willard L. Stephens, both sons of Mr. and Mrs. Eljah Stephens of Burlington, received discharges from the armed forces during the past two weeks.

Willard received his discharge at Great Lakes, Ill., on October 15, after having served six months in the U. S. Navy.

Willard received his discharge from the Army October 9th, at Camp Aterbury, Ind. after serving 4 1/2 years, being stationed overseas in the South Pacific for 2 1/2 years.

Another brother James Edward Stephens received an honorable discharge several months ago, and now resides in Ludlow.

Fire Damages Clothing Of Burlington Family

Fire starting in a closet in the home of Mr. and Mrs. James Ogden of Burlington, Saturday afternoon, caused damage estimated at \$200, according to reports.

It was believed that the fire was started from a match dropped in the closet by their daughter. Several pieces of clothing including a fur coat, topcoat, suit and other clothing was destroyed by the blaze.

The Burlington fire department was summoned, but the fire was under control, and it was not necessary to use the pumper.

Lt. Col. Robert B. Hensley Enjoying 15-Day Furlough

Lt. Col. Robert B. Hensley, son of Mr. and Mrs. Thomas Hensley, of Burlington, has been enjoying a few days visit with his parents, while on a 15-day furlough. He left Monday for Lexington, where he will spend the remainder of his furlough with his wife and children.

Lt. Col. Hensley entered the service in May 1942, served eleven months overseas, being stationed in India, and later in the Marianas. In his travels with the armed forces he traveled completely around the world.

"Bob" as he is known by his many friends through Boone County was with the first group of B-29 planes to reach India, and was attached to a group that helped to bring Japan to her knees through precision bombing from B-29's.

Bob entered the service as a 2nd Lieutenant, later being promoted to Lieutenant, Captain, Major and now holds the distinguished rank of a Lieutenant Colonel. His promotions are evidence of the work he performed while in the service.

Prior to entering the service Lt. Col. Hensley was in charge of the State Unemployment Compensation Bureau, with offices in Frankfort.

Homecoming And Flag Dedication Sunday, Oct. 21

Homecoming and Flag Dedication services will be held at the East Bend Baptist Church, Sunday, October 21, according to Rev. Carl Wainwright, pastor. All former pastors are invited to attend and will be expected to bring a brief message.

All members are especially urged to be present. Basket dinner will be served on the grounds.

The flag dedication service will begin at two o'clock. Former pastors will speak following the dedication service. Rev. W. H. Lodwick will bring the final message of the afternoon. There will be special singing.

The pastor will bring the morning message. His subject will be "Who's Who in God's Sight."

Real Estate Transactions

Ben C. Stephens and mother sold their farm of 65 acres on the Ohio River, near Bellevue, to Embury E. Klopp of Petersburg. Possession will be given November 1st. Mr. Stephens and family and mother will move November 1st to the farm recently purchased from Mrs. Helen E. Snyder, adjoining Burlington.

C. F. Blankenbaker, of Florence, sold one of his farms of 155 acres on the Hopeful Road, including live stock and crops, to W. E. Jones and son-in-law, Ray Hill, of Bullittsville. Purchasers continue with the tenant until first of the year.

R. F. Coleman purchased 35 1/2 acres of the Blankenbaker tract from W. E. Jones. Mr. Coleman plans to subdivide this land and sell it out in small tracts.

These sales were made the past week through A. B. Renaker.

CONSTANCE MAN HELD ON CHARGE

OF POSSESSING STILL AND ILLEGAL SPIRITS—PLACED UNDER \$500 BOND BY U. S. COMMISSIONER.

Frank Reed, of Constance, was ordered held under \$500 bond for federal grand jury investigation following his arraignment before U. S. Commissioner Orie S. Ware in Covington, Thursday, charged with possessing a still and illegal spirits.

The charge was placed against him by Alcohol Tax Unit agents who said they found a 50-gallon copper still, 30 gallons of whiskey, and other equipment in his farm on Amsterdam road.

Robert Perkins, special investigator reported the still was found in a chicken coop. The agents seized seventeen 50-gallon wooden barrels, 500 gallons of syrup and corn mash, two 15-gallon wash tubs, twenty-one 15-gallon buckets, two funnels, 42 empty one-gallon jugs and Reeds auto.

Participating in the raid with Mr. Perkins were Eban Champion, Lexington, an ATU investigator; Capt. Patrick Hayes, and Detectives Geo. Bronstop and Matthew Meldron, of the Cincinnati Police Department.

Mr. Perkins said the output from the still was being sold in the West End of Cincinnati.

Fish And Game Club Will Meet October 30th

The Boone County Fish and Game Protective Association will meet at the club house near Burlington Tuesday, October 30th, at 7:30 p. m., according to Irvin Rouse, president.

Members of the State Department, Frankfort will be present at this meeting, at which time plans will be discussed concerning two game reserves for the county. Land owners interested in having part of their farm in a game reserve are requested to attend this meeting.

The game reserves, if established in this county, would be patrolled by conservation officers, and posted and protected by the State Department. In turn the department will stock the land with quail which can not be hunted at any time. However, territory adjoining the reserve will be open to hunting during open season.

This project would help to replenish the dwindling supply of birds, providing improved hunting in a large area near the game reserves.

It has been suggested that the reserves be situated in different sections of the county.

Lunch will be served by the refreshment committee at 1:00 p. m., it was announced.

BASKET DINNER PLANNED

Members of the Richmond Presbyterian Church will have a basket dinner at the church on Sunday, October 21st, it was announced Tuesday. All members and friends are invited to attend.

LOCKER PLANT WELL UNDERWAY

LOT GRADED AND WORK ON FOUNDATION IS STARTED—SIGN-UP FOR LOCKERS NOW IN FULL PROGRESS.

Burlington's locker plant is well under way, with grading work being completed on the lot last week. Construction work on the foundation is now in progress, and laying of blocks will start as soon as the foundation is completed.

The new plant, located on Idlewild-Burlington road, at the edge of the city will be erected of concrete blocks, and will be 76x76 feet according to the promoters of the project.

The building will house 400 lockers, slaughter house, cooling and aging rooms, and deep freeze units. The plant will be complete in every detail.

A. R. Kwasala, Florence, Ky., and R. T. Foreman, of Kenton Hills, Covington, owners of the plant state that the plant is expected to be in operation not later than February 1st.

Sign-up of locker plant agreements has been resumed and contracts may be signed by calling at The Recorder office, Burlington. Sign your contract today for one or more locker compartments. Don't be too late.

REMEMBER WHEN

—women's hats were held in place by two or three hairpins? Long affairs they were, some with large fancy heads, jewel studded and ornately decorated with metal work. Putting on and taking off a hat was a real feminine art that required a mite of patience along with the skill of adjusting the pins. Remember?

MAKING THE HOME CHRISTIAN

LESSON TEXT—Luke 10:38-42; 1 Corinthians 13:4-7.
GOLDEN TEXT—Love suffereth long, and is kind.—1 Corinthians 13:4.

Things do not just happen. It takes praying and planning and real effort to accomplish a worthwhile purpose. We are thinking these weeks of the home as a Christian center of influence. We trust that many are asking in their hearts, "What can I do to make my home really Christian?"

The answer is clear. A home will be Christian when those in it are Christian and put their Christianity into daily practice. First, you must be sure of your own salvation and that of the members of your household. Then you can proceed to put the principles of godliness to work.

Our lesson presents the believing home as one that is well-balanced. There is both:

1. Work and Worship (Luke 10:38-42).

No home can be a place of comfort and pleasant fellowship without much work. A disorderly, dirty or run-down home is a disgrace and a discouragement to all within it in the relations of those who live in it.

Home need not be a mansion. It does not have to be richly furnished, but it does need to be clean and orderly. Meals must be made. Cleaning must be done. So far Martha was right, but she went too far. She let the labor of the household hinder her from what she so deeply needed—fellowship, not only with her family but with the Lord.

Now, notice that Mary had not shirked her duty to share the work. Observe the word "also" in verse 39. She had worked, but she also sat at Jesus' feet. She knew that more time than it should have rather than less.

Alas, it is not true that in most homes, even in Christian homes, worship is almost, if not entirely, forgotten. Something should be done about that. Will you do it in your home?

II. Love and Longsuffering (1 Cor. 13:4-7).

We are apt to think of love as the warm feeling of interest and emotion which suffuses one's nature in moments of special pleasantness or of intimate fellowship. But life is not made up of a succession of pleasant incidents, of sunny afternoons and moonlit evenings.

Life is real; it is earnest, and often it is drab and irritating. What about such times? Can love meet them? Yes, for love knows how to be longsuffering.

But someone may ask, Does love really work, or is this just a fine-sounding but obsolete theory? It works!

Think of the things in life which irritate and depress us. Then put opposite them the qualities of Christian love as given in verses 4 to 7, and you will agree that what this world needs most of all is love.

Remember that talking about love, or reading about it, or studying it in the Sunday school will not make it effective. We must put it into practice. Why not start now? You will be surprised at the results.

III. Promise and Perfection (vv. 8-13).

Christianity has a hope, and that is not just a vague wishing that something might come to pass; it is a sure hope. In Christ all the rich promise of prophecy of faith, of hope, will come to pass.

The Christian home is the place to teach boys and girls to believe with assurance that He who has begun a good work in us "will perform it until the day of Jesus Christ" (Phil. 1:6).

We who see only dimly shall one day see our Lord face to face, and love shall abide through all eternity.

Many gifts are only temporary in their usefulness; in fact, almost everything that man makes or does (apart from his service for God) is transient.

Even as vital a matter as prophecy shall one day find its end in fulfillment. Hope shall eventually find its longing expectation satisfied. Faith will be justified in seeing what it has believed. Childish things will be put away by the full-grown man; knowledge will increase and darkness disappear.

But love—love is eternal. It never fails, and will never fail. God is love, and God is eternal. From all eternity and until all eternity love continues. Therefore, we agree with Paul who, in the verse preceding this chapter (1 Cor. 12:31) says that while you may covet the best gift, here is the more excellent way

FITTING SHEEP FOR CHICAGO EXHIBITION

The Kentucky Agricultural Experiment Station at Lexington is again fitting sheep for the Chicago Market and Fat Stock Show next month. Master Shepherd Harold Barber, winner of many high awards, is putting the finishing touches on 18 Southdown, Hampshire and Cheviot wethers.

Last year the Kentucky Experiment Station had the first-prize single wether and pens of three in all of these breeds, and one of its

Southdown was grand champion of the entire show. The Experiment Station also had the reserve grand champion pen last year. They were Southdowns.

The Kentucky Experiment Station has exhibited sheep at 23 International Live Stock Expositions in Chicago or the war version of this big show. It has won six grand championships, four reserve grand championships, 89 first prizes and numerous lesser awards.

HOMEWORK MEANS

Eye Work

Give him better light
for easier seeing

Eighty-seven per cent of what a child learns he absorbs through his eyes. That's why good light for home study is so important.

For safe, easier seeing for *your* child do these four things: (1) Make sure bulbs in his reading or study lamp total at least 100 watts; (2) see that lamp is properly shaded to prevent glare from exposed bulbs; (3) place lamp close enough to work area for maximum light; (4) have enough general room illumination to prevent harsh contrasts of bright light and deep shadows.

Better light means better grades!

Did Aunt Mary visit you?
Did you call on sister Sue?
Did your turkey up and die?
Have you recipes for pie
That we've never had before?
Has a peddler knock on your door?
Has your baby had the croup?
Do your chickens have the rouse?
Sit right down and scribble notes,
Send in everything that's new!

HOLSTEIN SETS BIG PRODUCTION RECORD
A four-year-old Holstein cow in the herd at the Kentucky Agricultural Experiment Station at Lexington recently completed a test in which she produced 19,339 pounds of milk and 306 pounds of butterfat in 305 days.
This is about 8,995 quarts of milk and cream enough to make almost 1,000 pounds of butter.
This cow, Double Daffy 2234054, is a daughter of Double Segis Johnanna Lad 852106, owned by Berea College, Ellettsburg, Indiana. She produced an average of 554 pounds of butterfat in 305 days, compared to an average production of 445 pounds of their dams.
Many farmers in Washington County are preparing permanent tobacco patches dealer selling more than 11,000 pounds of vetch seed.

WHAT KIND OF PLANT FOOD DO YOU NEED?
Crops Tell Their Own Story of Plant Food Hunger.
time," says a statement made public here by the Middle West Soil Improvement Committee.
"For instance, corn that is famished for plant food tells its hunger story in a variety of ways. When nitrogen is needed, the plant is stunted and undernourished, the leaves are greenish-yellow or orange-yellow and the tips are withered. When sufficient phosphorus is lacking, the leaves have a tendency to become purplish and the young plant is spindly and unthrifty. When potassium is lacking, the balance wheel of plant foods, is absent from the soil, growth slows down, leaves scorch and the corn is more easily susceptible to diseases and parasites. At harvest, the ears are chaffy and of poor quality."
"Legumes, wheat and other grains, potatoes and other field crops reveal their hunger distress by various signs, all of which tell their need for nitrogen, phosphorus and potash. From experience with their 1944 crops, farmers may determine how the lack of essential fertilizer elements spelled the difference between bumper yields and failure."
"One safe remedy for diet deficiencies of all kinds is to have the soil tested before planting time to determine just which elements are lacking. But the surest preventive is to see that the land is regularly supplied with plenty of mixed fertilizer containing nitrogen, phosphorus and potash."

Erosion Menaces Vast Area Of Middle West Farm Lands
CHICAGO—Although more than 75 per cent of America's Grade A farm land is located in the Middle West, an alarming share of this priceless resource is being lost each year by erosion and the steady drain from marketed crops and livestock, according to a statement by the Middle West Soil Improvement Committee.
The statement listed as "weapons" in the anti-erosion fight such measures as "a permanent soil building program that includes regular crop rotation, the growing of legumes for cover purposes and adequate applications of mixed fertilizer."
"While legumes are an important source of nitrogen and help replenish the land's humus," says the statement, "they make extensive demands on the soil's supply of phosphorus and potash. These demands must be met by adequate fertilization."

BULLITTSVILLE CHURCH

There will be preaching services at the Bullittsville Christian Church on the last two Sunday mornings of October. All members are urgently requested to be present at both these services, for immediately following church services on Sunday morning, October 28th, a congregational business meeting will be held for the transaction of business vital to the future program of the church.

SOARING FOOD GOALS CONFRONT FARMERS WITH TOUGHEST JOB

CHICAGO.—Can American farmers lick history's toughest crop-producing job and meet Uncle Sam's soaring war goals for meat, dairy, poultry, egg, oil, protein and vitamin crops in 1945?

The answer depends on two major factors, agricultural economists believe:

1—Solution of some of the most pressing aspects of the farm labor shortage.

2—Effective utilization of fertilizer supplies to reinforce the soil's crop-producing ability.

"Concealing labor," says a statement issued here by the Middle West Soil Improvement Committee, "it is estimated that 2,000,000 additional hands will be required for spring work to put in the same acreage this year as last. Draft deferment will be a help, but other measures may be required."

"Important as labor is, however, the effective utilization of fertilizer supplies is equally necessary. Fortunately, its solution is simpler. The key to it is in the hands of individual farmers, themselves. By taking immediate steps to consult their fertilizer distributor, they can learn what plant foods are available and arrange for their purchase at once."

"Since munitions manufacturing has first call on chemical nitrogen, every pound of the supply available for agriculture must be utilized to produce the maximum results. With careful management there will be sufficient chemical nitrogen to meet all essential needs. So important is the allocation of mixed fertilizers that the U. S. Department of Agriculture has been given authority over regulations governing their production, distribution and use."

"Detailed information on these regulations is in the hands of county agents, experiment station agronomists, fertilizer dealers and distributors. These men are glad to cooperate in giving farmers specific advice on how to fill out applications."

FAMILY FEELS CALVES

Three girls and a boy in the Scott Corbett family in Washington county are fattening 16 calves for the state fair cattle show to be held in Louisville Nov. 7, 8 and 9. All were raised at home and are being finished on home-grown feeds.

LIKES GRIMM ALFALFA

After growing three varieties of alfalfa for four years, Perry Evans of Henry county considers Grimm the best. Verified Origin Kansas he rates second, with Oklahoma poorest because of winter-killing. To protect the soil from leaching and washing, Evans sows timothy and bluegrass with alfalfa. Adding red clover seed helps by filling in spots where the other seeds fall, he has found.

RED SUIT WINS PRIZE

A bright-red wool suit with white blouse and black accessories won for Fannie Lee the 4-H club clothing championship in Whitley county. The total cost of her costume was \$10.54. A 4-H club member for 11 years, Fannie Lee has completed eight sewing projects, one strawberry project and four years of canning. She is taking as many home economics courses as possible in high school.

More than 300 workers in factories and other industries in Bourbon county found it easier to plan healthful lunches and other meals after they completed a series of 12 lessons in nutrition conducted by Home Agent Alice Glen Keaton.

'Get Plant Food Early,' Is Wartime Slogan For Big Crop Yield

CHICAGO.—The wartime practice of "Order Early" for fertilizer supplies will be carried over by farmers into the peacetime years after Japan's defeat, the Middle West Soil Improvement Committee predicted in a statement made public here.

"The advantages of such a system have been demonstrated in the vast totals of crop production in recent years," the statement declares.

"Farmers have been able to grow record quantities of food because they have assured themselves of adequate quantities of plant food by placing their orders well in advance of planting operations."

"Ordering early will be equally essential in postwar years when the demand for plant food to rebuild war-weary soils will be heavy."

The statement points out production and distribution in fertilizer factories have been drastically changed as a result of wartime conditions. Formerly the shipping seasons were concentrated into fall and spring rush periods. Now, shortages of labor, transportation difficulties and scarcities of some essential materials have made some adjustments in operations necessary.

"As a result," says the statement, "fertilizer production schedules are on a year-around basis instead of seasonal peaks. Farmers are urged ahead and storing the plant food on their farms until it is needed."

The necessity for ordering early will be especially pronounced this fall, the Middle West Soil Improvement Committee declares, because transportation facilities will be heavily taxed in months ahead with the shift of war freight to the west to help end the Japanese phase of the war. The nation's railroads and truck lines are already carrying heavy loads. The volume of freight traffic will increase as the year advances.

Bigger Crop Yield on Fewer Acres Key to Prosperity After War

CHICAGO.—Warning that "present high farm prices cannot last forever," the Middle West Soil Improvement Committee urged farmers to prepare themselves to meet the competitive conditions of post-war years by building up the fertility level of their soil.

"Sooner or later it is inevitable that farm prices will be lower," says a statement made public here by the committee, "for the reason that the present abnormal demand for food will eventually slacken. The farmer who looks ahead now will

Soil Improvement Builds Bumper Crops.

have his soil in such shape that high crop yields will cut his production costs to the point where he can withstand a period of lower prices. "Soil conservation including the purchase and application of mixed fertilizer now and during the years to come is one of the soundest investments a farmer can make for his economic future. Compared to the current prices of farm products, fertilizer is cheap today, but it has been at any time in the past. Not only does plant food build up the soil's long-range productivity but it pays dividends in increased yields and better quality of crops."

NITRATE BRINGS MORE ORCHARD GRASS SEED

Top-dressing orchard grass with ammonium nitrate increased yield of seed and hay in tests made by the Kentucky Agricultural Experiment Station in Hardin, Henry, Oldham and Warren counties.

Where nitrate was used at rates equivalent to 60 pounds of nitrogen to the acre, seed yielded 11 bushels to the acre more than where no nitrate was applied, and hay production was a ton and a quarter more to the acre.

The tests included applications of ammonium nitrate equivalent to 20, 40 and 60 pounds of nitrogen to the acre. Yields of both seed and hay increased with increases in the rates. Applications were made in February and in April. February applications produced slightly more seed and April applications slightly more hay. Differences between dates of application, however, were not considered significant.

4-HERS RAISE FUNDS

The Ben Johnson 4-H Club in Breckinridge county, which has 50 members, sponsored a community picnic and pie supper to raise funds to install electric lights in their school building. They cleared \$89. The club is also re-decorating one of the rooms in the school, is adding books to the school library and plans to pay the expenses of two of their members to 4-H club camp next summer.

DISEASE-RESISTANT TOBACCOS DO WELL

The superior qualities of root-resistant varieties of tobacco over non-resistant kinds were seen in demonstration fields in Henry county. A. R. Garrett grew tobacco in the same field for the fourth successive year, a weevil-small-grain cover crop being turned under between crops of tobacco which was not resistant to disease. The latter was almost a complete failure while the Ky. 41A made excellent growth.

A. O. Stanley grew Ky. 41A and a non-resistant variety side by side, the latter making practically no growth, while the Ky. 41A made a good crop.

About 25 acres of Ky. 16 and Ky. 41A were planted by Martin Basket, along with an acre of non-resistant variety was uneven with only a few good plants and many poor ones.

W. W. Hill had eight or 10 rows of root-resistant Golden Bury hybrid which made a good growth, while non-resistant tobacco in the same patch made practically none.

Farm Agent W. B. Howell reports that root rot was found on between 400 and 500 farms in the county this year.

BIG CLOVER CROP

Farmers in Grant county are giving limestone and phosphate credit for the best red clover yield in years, reports Farm Agent Robert Hume, many fields having been cut for the second time. During the past 10 years, more than 100,000 tons of limestone and at least 5,000 tons of phosphate have been used in the county.

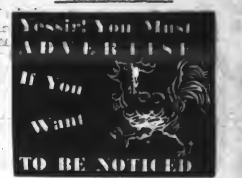

FARM BUREAU GIVES PRIZES

The Kentucky Farm Bureau Federation gave war savings stamps to winners at this year's 12 district 4-H club achievement programs. The Bureau also will help pay the expenses of sending state champions to the National 4-H Club Congress in Chicago in November.

Gordon L. Garrett, of Simpson county priced 990 sticks of tobacco from three acres at a cost of \$38.30. He estimates he will sell 913 pounds of cured leaves.

CLUB BOY IS DOWN

A 4-year-old cow owned by William Earl Thompson, a Graves county 4-H club boy, was grand champion in both 4-H club and adult divisions of the 10th annual Purchase Dairy Show at Mayfield. Cecil Burnette of Fulton owned the junior champion in the 4-H club show and Dr. R. M. Mason of Mayfield the junior champion in the adult division. About 300 dairy cattle from western Kentucky and Tennessee were exhibited.

An official board meeting will be held Monday night, November 5th, 7:30 at the church.

Visitors are welcome.

In Garrard county, 555 4-H club members in 13 clubs have produced approximately 65,500 pounds of meat and canned 9,500 jars of food.

MAKING OVER OLD CLOTHES

Don't throw away that old sweater, bathing suit or other knit garment, even though it is moth-eaten and worn. The chances are that attractive garments for children may be made from the parts that are still good. The free booklet, "Knit Make-Overs," which may be had from the Kentucky College of Agriculture and Home Economics, pictures a dozen or more articles, such as coats, sweaters, slippers, play suits, mittens and caps, made from articles ready to be discarded. Suggestions for making and directions for cutting garments without the edges raveling are given.

Farm Bureau

Meeting Postponed

The meeting of the Boone County Farm Bureau scheduled for Friday evening, October 19th, has been postponed. It was necessary to postpone this meeting due to the illness of the speaker, Mr. J. E. Stanford, Executive Secretary of the Kentucky Farm Bureau Federation. It is hoped that Mr. Stanford will be able to address the Farm Bureau at a later date.

Raising the curtain on The Columbia System's entertaining and interesting 1945-46 Fall and Winter season were Ann Sothorn as "Maise" and Jimmy Durante and Gary Moore in a gala preview on radio station WHAS, which brought to radio listeners a coterie of favorite stars of stage, screen and the air waves in programs originating in the East and in Hollywood. Celebrities from the star-studded new season of popular CBS-WHAS programs on these previews, included such favorites as Lionel Barrymore, Frank Sinatra, Helen Hayes, Joan Davis, Gene Autry, Henry Aldrich, Dr. Arthur Rodzinski, Edward R. Murrow, Ozzie Nelson and Harriet Hilliard. "I Pays to Be Ignorant," "The Adventures of the Thin Man," plus almost a dozen other top flight radio programs. "Report to the Nation," "The Lux Radio Theater," "Marlin Hurt and Beulah," "Inner Sanctum," "Thanks to the Yanks," with Bob Hawk, and "Take It or Leave It" with Phil Baker were among the highly popular programs and stars, all on the WHAS Fall and Winter schedule.

LABOR SUPPLY IN EASTERN KENTUCKY

When conditions get back to normal, eastern Kentucky will again be a source of labor for both farms and industries, think John H. Bondurant and W. D. Nichols of the Kentucky Agricultural Experiment Station, who have written a report of a study which they made in five eastern counties.

In the second year of the war they found about a third of the heads of farm families working in West Virginia, Ohio and Indiana. As a result of this outside work, the families of these men had about three times as much money as did families of men who remained on the farm.

Most of the men going to industries left farms on which they could produce little to sell. Their gross incomes averaged only \$173 a year and, when operating costs averaging \$88 were taken out, they had left a net income of only \$85 a year. They had an average of only 64 days of work a year on their farms, and none of them worked at home more than 180 days. As a result, there was little to do on farms in July, August and October and in the winter. Many young people were available for employment, especially in the summer months.

In their conclusion, Bondurant and Nichols say that study seems to indicate that the well-being of a considerable number of the farm families in this large area of limited resources can continue to be improved by (1) heads of families obtaining regular employment and moving the families elsewhere, (2) adult workers obtaining temporary or part-time work away from the farm when not adequately employed on the home farm, (3) production of a larger family food supply through the adoption of proved good practices in the use of land, seeds, fertilizers, and so on, and (4) in some instances increasing the size of farm, where practicable, through leasing or purchasing suitable land vacated by persons leaving the area.

RECIPE OF THE WEEK

Ground ham and squash baked together make a combination to please hearty fall appetites. Its is a hearty dish, too, for Miss Florence Inlay, foods expert at the Kentucky College of Agriculture and Home Economics, says that bits of left-over ham, or minced ham, may be used.

Baked Ham with Squash
Two cups ground cooked ham or minced ham, two-thirds cup dry bread crumbs, 1 cup milk, 1 egg, 1 tablespoon chopped onion, three-fourths teaspoon salt, dash of pepper.

Cut the squash in serving pieces, season with salt and pepper and bake 20 minutes in moderate 350 degrees. Then top each piece with spoonfuls of the ham mixture made as follows: Grind the cooked or minced ham, add beaten egg, chopped onion, crumbs, seasonings and milk. Beat well. Continue baking for 30 minutes, or until the squash is tender.

Menu: Baked squash with ham, broccoli, carrot and raisin salad, corn sticks and butter, and spiced cup cakes with fruit sauce.

GOOD TOBACCO PAYS

Monroe Hatter of Wolfe county expects to pocket at least \$2,000 this year because he grew disease-resistant burley tobacco. Proof of his success was seen when he showed Farm Agent Chas. E. Gabbard will-resistant Ky. No. 33 and another variety not resistant to disease, Ky. No. 25 was found to have high, with no sign of disease, while the other kind was almost a complete failure.

Hayes, Joan Davis, Gene Autry, Henry Aldrich, Dr. Arthur Rodzinski, Edward R. Murrow, Ozzie Nelson and Harriet Hilliard. "I Pays to Be Ignorant," "The Adventures of the Thin Man," plus almost a dozen other top flight radio programs. "Report to the Nation," "The Lux Radio Theater," "Marlin Hurt and Beulah," "Inner Sanctum," "Thanks to the Yanks," with Bob Hawk, and "Take It or Leave It" with Phil Baker were among the highly popular programs and stars, all on the WHAS Fall and Winter schedule.

SOIL CONSERVATION

Planned by farmers in Marion county set up a 12-point program designed to build up the soil on their farms over a long period of years.

1. Reduce the corn acreage 50 percent by not planting corn on land of 12 percent slope or greater, and in no case have more than 20 percent of the crop land in corn.

2. Practice contour cultivation on all land.

3. Terrace all slopes which have a grade of from 2 to 12 percent.

4. Build diversion ditches on steep pasture land.

5. Plant cover crops on all plowed land.

6. Improve cover crops by including legumes with all such crops to be turned under.

7. Plant only hybrid seed corn.

8. Use two tons of lime per acre every 10 years.

9. Use 200 pounds of phosphate an acre every year.

10. Conserve all plant and animal residues.

11. Endeavor to re-establish grasses on steep land.

12. Double alfalfa acreage within the county.

Methods recommended for carrying out these points were also reported by Mr. Kernes. 1. Every farmer to grow as much alfalfa as tobacco. 2. A farmer in every community to demonstrate the value of liberal applications of fertilizer in corn growing. 3. In every neighborhood, have at least one lime and one phosphate test made each year.

4. Hold community farm meetings to show the results of the above practices.

USE SPUDS OFTEN

Housewives who serve potatoes frequently are doing their families a good turn, say home economists at the Kentucky College of Agriculture and Home Economics. Freshly harvested potatoes such as are now on the market, offer more late potatoes, and, if eaten generously, can provide a third or more of the day's vitamin C needs.

For greatest food value, boil the potatoes in their jackets after scrubbing them carefully. Eating boiled potatoes, skins and all, gives extra returns in nutritive value as a large measure of vitamins and minerals lie close to the skin, the experts said.

If potatoes are to be hash browned, mashed, or made into any one of a dozen different tempting dishes, they are off to a good start if cooked in their jackets. It is also an economical way of peeling them, as no potato is wasted.

Recipes and further suggestions for helping use one of the largest food crops in the world are to be found in the free booklet, "Potatoes in Popular Ways," which may be had from the Kentucky College of Agriculture and Home Economics, Lexington.

POWER MACHINERY SAVES LABOR ON JOBS

Power machinery is saving labor and getting jobs done in a hurry on some farms in Breckinridge county, reports Farm Agent Kenneth A. Brabant. Operating in a 35-acre field in the Howard farm near Glen Dean recently, were two tractor-pulled combines harvesting redtop seed. Following the combines was a tractor-operated mower cutting the remaining redtop and lespedeza hay. The mow was followed by a tractor-pulled sweeper. On the following day, a tractor-operated pickup baled the hay, which was hauled in by truck.

HIS SHEEP PAY

That farmer who follow good sheep-raising practices find a flock profitable is seen in the records of Edgar Murphy of Casey county, who recently sold 100 three-year-old western ewes for \$17 each. He promptly replaced them with western yearlings. According to Farm Agent J. Stanley Howard, for the past three years, Murphy has made \$150 per year for each dollar invested in his flock.

SPENCER FARMERS

GROW MORE VETCH
It is estimated that at least 100 Spencer county farmers will sow vetch this fall, 90 of them for the first time. County Agent N. L. Goebel says 200 farmers would sow vetch if they could get seed. The Agricultural Conservation Administration allows a payment of 14.3 cents a pound for vetch seed sowed, with a maximum payment of \$4 an acre. Seed is costing 18 to 20 cents a pound.

Wide-spread interest in vetch in Spencer county resulted from 10 demonstration of its value last year. Mr. Goebel said, Farmers saw how it produces feed, where sown in winter, and how it helps to produce big tobacco when plowed under in late spring.

4-H BOY WINS PRIZE

In Green county, where 3,911 acres on 241 farms or approximately one-fifth of the upland cultivated land in the county was staked for contour planting last spring, Holland Judd, 4-H club member, staked 253 acres to win an award of \$50. Second prize for \$30 was won by Curtis Warf who had 224 acres to his credit.

An increase of one to seven bushels of corn to the acre has been reported by farmers planting their crops on the contour. They noted that contoured fields held moisture from two to three days longer than those not so planned.

Awards of \$200 were made by the Greenburg Deposit Bank and the People's Bank of Greensburg.

WEEVIL DAMAGE CONTROLLED

Weevil damage to dried peas and beans may be avoided by proper treatment and storage, according to specialists at the Kentucky College of Agriculture and Home Economics in Leaflet 48, "How to Stop Weevil Damage to Stored Peas and Beans." Suggestions for storing dried fruit and other dried vegetables are given in Leaflet 49, "Home Drying of Fruits and Vegetables." Both leaflets are free and may be had from offices of county farm or home agents, or from the college at Lexington.

CERTIFIED POTATO SEED PAYS

Mrs. Frank Wooten, Negro homemaker in Christian county, has harvested 12 bushels of potatoes from 12 rows 20 feet long. Following the suggestion of John S. Gardner, garden specialist at the Kentucky College of Agriculture and Home Economics, she planted certified seed after a previous crop had failed because of potato blight.

Despite a dry season, Logan county farmers bought 350 coke stoves and five carloads of coke to aid in curing tobacco.

An estimated 2,500 acres of vetch will be seeded in Fleming county this year compared with 2,000 acres in 1944.

LOCKER PLANT TO BE CONSTRUCTED

AT ERLANGER IN NEAR FUTURE WILL BE BRANCH OF BURLINGTON PLANT-BUILDING IS PURCHASED.

A. R. Kwozalla, Florence, Ky., and R. T. Foreman, Kenton, Hills, who are erecting a locker plant in Burlington, announced this week that plans are now underway for a branch plant at Erlanger.

These men have purchased a building in the rear of the new Erlanger post office, and a complete renovation program will be carried out immediately, in preparation for the new locker plant which the building will house.

According to the managers, this plant will serve as a branch of the Burlington plant and will be composed of 300 lockers and will serve Erlanger, Elsmere and Florence.

Plans are being made to open the Erlanger plant about January 1st, and sign-up of this area is now in progress. Persons desiring to have locker space in both Erlanger and Burlington may do so by signing two agreements. The Erlanger plant will not be equipped with a slaughter plant, but the Burlington slaughter house will serve for both projects, the managers said.

Work on the Burlington plant is progressing nicely, and if suitable weather conditions prevail, the plant will be in operation, sooner than anticipated.

Lawn Demonstrations

Set For October 25th

Three lawn demonstrations will be held Thursday, October 25th, in the grounds of the University of Boone County. The landscape architect, Mr. N. R. Elliott, will conduct each demonstration.

Following is the schedule of meetings:

9:15 A. M.—Clyde Arnold residence, Price Pike.

1:30 P. M.—Grant School.

3:00 P. M.—Stanley Ransom residence, Richmond Pike.

Prior to two of the demonstrations, Mr. Elliott will conduct a leaders' training class in the court house, 10:00 a. m. to 12:15 p. m.

Two leaders from each of the twelve Homemakers Clubs have been invited to attend the class. This lesson will be taken back to local clubs in November.

Anyone who is interested in landscaping projects around the home is invited to attend any of the demonstrations. A question period will follow each demonstration, according to Mary Hood Gillaspie, Home Demonstration Agent.

Mrs. William Rudicill and Mrs. Frank Maurer presented a shower in Cincinnati, Sunday afternoon, in honor of Miss Ruth Roetter, fiancée of Lt. Carl Rudicill.

CHAIRMAN NAMED FOR HOMEMAKERS

NEW CHAIRMEN WILL CONTACT LOCAL LEADERS AND MAKE PLANS FOR YEAR, ACCORDING TO COUNTY PRESIDENT.

County chairmen of committees of Homemakers for 1945-46 have been announced by the new county president, Mrs. Clyde Arnold. Each new chairman will contact local leaders and make plans for the year.

Following are the county chairmen who took office October 2nd: Program, Mrs. V. G. Young, New Haven; 4-H, Mrs. Frances Luchie, Florence; Clothing, Mrs. Vernon Pope, Burlington; Live at Home, Mrs. Huey Aylor, Bullittsville; Home Improvement, Mrs. William Fitzgerald, Florence; Publicity, Mrs. Stella Nichols, Hebron; Landscaping, Mrs. Adam Dowick, Constance; Reading, Mrs. Leo Flynn, Walton; Citizenship, Mrs. Albert Pfalzgraf, Bullittsville; Salvage, Mrs. Alan Gaines, Walton; Handicraft, Mrs. Earl Morehead, Taylorport; Activity, Mrs. Wendell Rouse, Walton.

The county president, Mrs. Clyde Arnold; Vice President, Mrs. Joe Hogan; and Secretary-Treasurer, Mrs. Stanley Ransom, were elected at the Homemakers' annual meeting, October 2nd. The elected officers and appointed committee chairmen will make up the Advisory Council for the year.

Florence Will Receive Federal Funds For Disposal Plant

Florence will receive a grant from the Federal Works Administration to finance plans for sewer and a disposal plant project in the city, it was announced last week.

Plans for the sewer and disposal plant were started prior to the war.

William Jarrell Will Participate In Navy Day Program

On The USS Cowpens—William W. Jarrell, seaman, first class, Burlington, Ky., served on this ship when she became the first U. S. aircraft carrier to enter Tokyo Bay with the occupation force.

The Cowpens participated in strikes against Kwajalein, Eniwetok, Truk, Saipan, Tinian, Guam, Wake, Taka, Okinawa, Formosa, China, Indo-China, Mindanao, Leyte, Luzon and the Japanese homeland.

"Bill" arrived in San Diego Saturday and will participate in the Navy Day program. He expects to arrive home December 1st for a furlough.

CITIZENS URGED TO VOTE "YES"

FOR GOOD ROADS AMENDMENT AND THE SOLDIER VOTE AMENDMENT TO APPEAR ON BALLOT NOVEMBER 6TH.

The Good Roads Amendment to be submitted to the people for ratification at the November 6th, 1945 general election will advance Kentucky, and Boone County, not alone in highways, but in agriculture and commercial prosperity.

Passage of the Good Roads Amendment will earmark all special motor vehicle and gasoline taxes to the one purpose—ROADS. Federal aid has offered Kentucky \$9,000,000 a year for three post war years, a total of \$27,000,000, provided Kentucky matches this amount, and it will be matched if Kentucky Highway funds are preserved. This will make a total of \$54,000,000 to be spent in the three postwar years, and will be the greatest road building program ever developed in Kentucky's history.

Of this total \$25,000,000 will be for primary roads; \$20,000,000 for farm-to-market and secondary highways, the rural roads we need so badly; \$9,000,000 will be spent on streets connecting principal state and Federal highways.

Boone County will lose no revenue by the passage of this amendment, but on the other hand stands to gain much in additional assistance on county rural roads.

Two good amendments to the Constitution of Kentucky will be on the ballot in the November election—The Good Roads Amendment and the Soldier Vote Amendment, vote yes on both amendments.

The above article was prepared by the Boone County Committee for Goods Roads.

WALTON LOCKER PLANT TO OPEN

OCTOBER 24TH, ACCORDING TO MANAGER—RENTAL ON LOCKERS WILL START NOVEMBER 15TH.

The Walton Locker Plant which has been under construction for the past several months, will open Wednesday, October 24th, according to D. L. Lusty, manager. Rental on lockers however, will not start until November 15th.

The new plant still has a few jobs to complete before complete processing services are available. Mr. Lusty urges that farmers not do any slaughtering until an appointment for storage at the locker plant has been made. Customers are urged to follow carefully instruction on preparation of products for freezing.

Persons desiring to inspect the plant are extended a cordial welcome to visit the new project. Many persons who have never seen a locker plant in operation, will obtain first hand information on this new method of preserving food.

Honeymoon Continued After Husband Is Discharged From Army

S-Sgt. and Mrs. Harold B. Shepherd are now enjoying a honeymoon cut short by his service with the U. S. Army. Harold received his discharge October 16, after serving three years and 8 months in the U. S. Marine Air Corps, 19 months being spent in the Southwest Pacific area.

After visiting relatives and friends a few weeks, Harold will return to his pre-war work as roof and siding salesman and applicator. He is the son of Mr. and Mrs. Blaine Shepherd near Florence.

Mrs. Harold Shepherd is the daughter of Robert C. Martin, Sr., building contractor and Mrs. Martin of Erlanger.

Christmas Seal Drive Is Planned

The 39th annual Christmas Seal campaign will be opened in Boone County, November 19. R. V. Lentz, chairman of the Boone County Christmas Seal Committee, announced this week.

The sale of the seals will be conducted by mail and by the school children. Funds raised through the sale provide the means for financing the war against tuberculosis in Boone County.

Mr. and Mrs. Willard Stephens, Mr. and Mrs. James Edward Stephens, of Ludlow, Mr. and Mrs. Wilford Stephens and children, of Union, and Pvt. Howard Smith were Sunday dinner guests of Mr. and Mrs. Elijah Stephens and daughter.

RETIRED FARMER ANSWERS CALL

HAD BEEN RESIDENT OF COUNTY FOR PAST 38 YEARS—SERVICES HELD SATURDAY AT LUTHERAN CHURCH.

Benjamin Paddock, 83, retired Hebron farmer passed away Thursday afternoon, October 18th at the home of Hubert Conner near Hebron, after a short illness.

Mr. Paddock was well known throughout the northern section of the county, and his friends were numerous. He had been a resident of Hebron for the past 38 years, having moved here from Ohio. He was actively engaged in farming until a few years ago, when he sold his farm and retired.

He is survived by two brothers, Truman Paddock, of Wyoming, O., and Will Paddock, of Colorado, and one sister, Mrs. Cordie Young, of Cincinnati, O.

Funeral services were conducted from the Hebron Lutheran Church Saturday afternoon, with Rev. J. Paul Rimmer officiating. Burial was in Hebron Cemetery.

The Catherman funeral home, Ludlow had charge of funeral arrangements.

787 FARM LAKES ARE CONSTRUCTED

IN BOONE COUNTY DURING PAST FIVE YEARS—COVER APPROXIMATELY 320 SURFACE ACRES, 1000 WATER ACRES.

Seven hundred eighty-seven farm lakes or reservoirs have been constructed in Boone County the past five years, according to H. R. Forkner, County Agent.

These lakes cover approximately 320 surface acres and approximately 1000 water acres. More than 1000 farm reservoirs have been constructed the past year.

Livestock water supply is still a major production problem on many farms. A good reservoir or lake is still the cheapest source and the start for livestock water improvement. Fenced reservoirs or ponds with water tanks below the dam offer one of the best sources of stock water.

Four bulldozers are now building pond dams at the present time. Many farmers are continuing to have dams built that do not meet the minimum requirements of: (1) a good clay core; (2) a 3 to 1 slope on the wet side and a 2 to 1 slope on the dry side; (3) the middle arched so as to allow from 10 to 15 percent for settling (dams settle for several years after constructed); (4) providing an adequate spillway.

Costly experience of many farmers in the county prove that no dam should be constructed unless it meets the above minimum. Where the soil is not of best clay texture the bottom area of the pond should be treated with soda ash to make the soil water tight. This treatment should be given as soon as the dam is built.

NEED OF VICTORY LOAN EXPLAINED

GREAT EXPENSE AHEAD IN RETURNING BOYS HOME, CARING FOR WOUNDED AND MUSTERING OUT PAY.

The war is over—but that's not the whole story. Let's finish the job.

Why Must We Have a Victory Loan?

1. To pay the bill for munitions and material already delivered and used.
2. To pay the cost of guarding Germany and Japan.
3. To pay for the care of our wounded and disabled.
4. To pay off and provide benefits for 8 million or more veterans to be discharged by next July.
5. To keep the lid on price inflation.

The Victory Loan Drive opens October 29 and extends through December 8, 1945. Its 11 billion dollar quota includes a 4 billion dollar goal for individual Americans. A lot of money!

The Money Is Needed. Why? The Treasury must meet the enormous obligations incurred in the achievement of victory. Government expenditures are being drastically reduced and this will continue. Despite this, however, the aftermath of war carries great responsibilities that must not be shirked, and in facing this task every American's help is needed. Before the end of 1945, the people's Treasury must look to the people for further support.

Army and Navy Costs A substantial Army and Navy must be maintained until order is restored throughout the world. It means a fighting force to stand watching—and waiting—and hoping, but still watching. It means occupation forces, their equipment, supplies, their pay—small indeed compared to the value of their precious extra days away from home, but all adding up to a lot of money.

The Army estimate is that as late as July 1, 1946, some 1,400,000 of our finest will remain on guard overseas, backed up by 1,100,000 in the United States of these, 200,000 will constitute a strategic reserve, 485,000 will be operating personnel and 415,000 will be on route to and from overseas, or in the process of induction or discharge, or in hospitals. That's 2,500,000 men.

The Navy plans to discharge 2,839,000 by the end of next summer, have only 550,000 in service by then—but that's a year away. The Navy still has a big job to do.

Bring Our Boys Home Millions of homes are waiting for the millions of our boys and girls who have been too long away. We must bring them back quickly, with every attention to their needs. Travel is costly; it's an expense we'll gladly pay.

Care of the Wounded We cannot pay our debt to them. We can only do our best. Our hundreds of thousands of youngsters who face a future beset with handicaps look to us for help. Our poor answer is that anything money can buy is theirs—hospitalization, treatment, artificial limbs, vocational training—and our worst answer is to guarantee that their suffering must insure that American children will face a better future.

There are thousands of American boys who will need medical care. This means the expenditure of many millions of dollars in the next year.

Returning Soldiers and sailors must have a stake to start again in civilian life. The law provides up to \$300 per man. If our reduction in armed forces goes as per schedule, this item adds up to something like \$2,000,000,000 in the next year.

Reconversion War contract termination costs will involve several billion dollars. This must be met before orderly reconversion can take place. Reconversion means jobs.

Leland Loomis Discharged

Cpl. Leland R. Loomis, of Burlington, Ky., was discharged from the Army at the separation point, Camp Butler, N. C. it was learned this week.

Cpl. Loomis served with the U. S. Army in Iran, for several months being attached to the medical corps. He is a son of Mr. and Mrs. Bert Loomis.

Cpl. Edson Maurer Returns Home After 38 Months Overseas

T-5 Cpl. Edson Maurer, arrived home Monday, after spending 38 months overseas, with the Engineers, Corp of the 9th Air Force Command.

Edson entered the service August 17, 1942, receiving his training at Ft. Leonard Wood, Ft. Wright, and Ft. Dix, and had received but four days' furlough since the time he entered service.

He was stationed in England, France, Belgium, Germany, Switzerland, Holland, Ireland, Austria, and Luxembourg during his 38 months overseas.

Cpl. Maurer received an honorable discharge from Camp Atterbury, Ind., Sunday.

He is entitled to wear the ETO Ribbon, Good Conduct Medal and four Battle Stars. He participated in the battles of Normandy, Northern France, Rhineland and Central Europe.

Prior to entering the service he was employed by Wendell Easton Burlington painter.

He is a son of Mrs. Josie Maurer of Burlington.

He holds 3 Bronze Stars, ETO Ribbon, Asiatic Pacific Ribbon, and Good Conduct Ribbon.

He received his basic training at Camp Huilen, Texas.

SUPPORT WILL BE GIVEN FIRE DEPT.

THROUGH ORGANIZATION OF HONORARY FIREFIGHTERS—\$5.00 ASSESSED AGAINST EACH MEMBER.

The meeting held at the court house on Saturday night, October 20th was attended by a group of representative citizens and means of giving financial support to the fire department were discussed.

Incorporation of the town was discussed, but for the time being action on any efforts in this direction were postponed. It is believed that the necessary funds can be obtained by other methods.

The cost of administration in an incorporated town is high and the levying of taxes would be the only way to support such a movement.

A plan was presented which would support the Fire Department if subscribed to by a majority of the people. This plan enables persons who cannot be active fire fighters to do their part in supporting and maintaining this worthwhile public service on an annual basis. This plan was discussed at length and adopted by those present and subscribed to by every one at the meeting.

It was called "Articles of Agreement," and provided that: The signers desiring to lend their financial, as well as their moral support, associate themselves together to be known as "Honorary Members of the Burlington Volunteer Fire Department," and agree to pay \$5.00 per year, as dues, \$5.00 to be paid on the signing of the agreement, and five dollars on or before the 1st of November each year thereafter. The year running from November 1st to November 1st of each year.

It is further provided that a person desiring to withdraw their support may do so upon notice to the Fire Chief.

Active members of the fire department are not expected to be members of the organization, unless it is their desire, and no criticism will be directed to regular members of the department who do not become a member of the organization. Any corporation or other organization may subscribe.

A membership card, signed by the Fire Chief, will be issued to all signers and Honorary Members and this card will show the renewal of membership from time to time. Honorary members may attend the regular meetings of the department and offer suggestions for the betterment of the department.

All persons who attended the meeting signed the agreement and many more have signed since the meeting. The agreement will be presented to the people in the community for signing. It is desired to have 100 members of this organization.

4-H ACHIEVEMENT MEETINGS SET

CERTIFICATES TO BE AWARDED EACH OF THE 525 PROJECT MEMBERS FOR COMPLETION OF 1945 WORK.

Twelve community 4-H clubs will hold achievement meetings in the near future, according to the County and Home Demonstration Agents' offices. The dates for the meetings are as follows:

October 26th, Friday—Hamilton 9:00 a. m.

October 29th, Monday—New Haven 10:50 a. m.

November 5th, Monday—Verona 9:45 a. m.

November 6th, Tuesday—Walton 9:05 a. m.

November 6th, Tuesday—Burlington No. 2, 1:30 p. m.

November 8th, Tuesday—Constance 3:00 p. m.

November 9th, Friday—Hebron 11:30 a. m.

November 12th, Monday—Grant 9:00 a. m.

November 13th, Tuesday—Petersburg 11:00 a. m.

November 13th, Tuesday—St. Paul's, 9:00 a. m.

Burlington and Florence Club dates will be announced soon.

Achievement Certificates will be awarded each of the 525 project members for the satisfactory completion of their 1945 project work. Special chapel programs have been arranged by most of the clubs.

QUICK TRICKS

THAT WORK LIKE MAGIC TO
IMPROVE YOUR LIGHTING

Brush or clean lamp shades regularly. If lamp shades are dirty or turning yellow inside, you may be losing as much as 50% of the light you're paying for. Clean or brush lamp shades regularly. If they are too dark or discolored, relime them or replace them with fresh shades with white or very light linings.

Keep bulbs, bowls and enclosing globes clean. You'd be surprised how much dust and dirt hold back light from your portable lamps and fixtures. Just by washing bulbs, bowls and enclosing globes you can get up to 30% more useable light. Disconnect portable lamps before washing and be sure bulbs and bowls are dry before reconnecting.

Fill empty sockets and replace blackened bulbs. Bulbs that have turned black with age rob you of light. Replace them with bright, new bulbs of right size and you'll get a lot more light at little or no increase in cost. Fill empty sockets, too. They're eyestrain breeders!

The Good Roads Amendment*

The Soldier Vote Amendment*

1. The Good Roads Amendment will protect your Road Fund from diversion to other purposes. Guarantee that your gasoline taxes, auto license fees, drivers licenses, etc., will be used for highway purposes only.

2. Kentucky needs every penny of its Road Fund for ROADS!

- To Match Kentucky's portion of Federal Highway Aid!
- For road construction and maintenance deferred during four years of wartime shortages of material and labor.
- For postwar jobs for Kentucky's returning veterans and war workers.
- For 27,690 miles of Kentucky's rural roads still "in the mud!"

3. The Soldier Vote Amendment will give to Kentucky men and women the right to vote in Kentucky elections while away from home and serving in the Nation's Armed Forces. Our constitution now denies this right. Vote "YES" for the Soldier Vote Amendment and correct this injustice.

THE RIGHT TRACTOR FOR THE PARTICULAR JOB

THE proverbial Jack-of-all-trades was master of none. The modern world of science and technology passed him by. The same principle applies to farm tractors. The tractor that does a wide variety of jobs unsatisfactorily can't possibly produce the greatest results at the least cost in any job.

But that's what the farmer—particularly the small operator—has got to do to meet postwar competition: he's got to produce the most food possible with the least effort and, consequently, at the lowest cost.

The farmer with 10 acres in truck crops needs one kind of tractor. The farmer with 100 acres in wheat alone needs another kind—or, as is usually the case, two or more different tractors. The tractor which does a good job on the Great Plains may be useless in the

rice territory. And so it goes. Conditions of climate, the lay of the land, and the character of soils in the different parts of this vast country, together with wide variations in the nature of crops and the size of operations, combine to produce wide differences in the requirements for tractors. Harvester's policy is to meet all these requirements.

That is why Harvester's postwar line includes a great variety of Farmalls and other specialized tractors and attachments rather than a single tractor with a single system of tools. Every tractor in the line was developed after scientific research and testing under actual operating conditions showed the specifications needed for efficiency and economy.

Every Harvester-built tractor is the right machine for its particular job.

HOME THREATENED BY FIRE TUESDAY

NIGHT WHEN OUTBUILDING IS RAZED—LOSS IS ESTIMATED AT \$1000—TWO FIRE DEPARTMENTS SUMMONED.

Fire threatened the large frame home of Parker Hollis, on the old Bullittsville-Burlington road, Tuesday night, when an outbuilding near the residence was razed.

Mr. Hollis stated that he was at home when the fire started. He heard noises outside but thought it was Halloween pranks, and did not investigate until he heard a crackling sound. Upon investigation he found a large two-story log building near the residence ablaze.

The Burlington and Hebron Volunteer Fire Departments were summoned, and a bucket brigade was formed until the pumps could be connected. The blaze was quickly brought under control after the departments dropped a suction line in a pond nearby.

The log building was used as a storage house, containing separators, and other farm equipment. Origin of the blaze was not determined. Loss was estimated at approximately \$1000.

Utopia Club Met Thursday Night

The Boone County Utopia Club held its monthly meeting at the Fish and Game Club building on Thursday evening, with most members present and also masked.

The business at this meeting was to elect officers for the next year. They were elected as follows: President, Rogers Knox; vice president, Sterling Dickey; secretary, Lucille Bell; syphogrant, Lucile Cotton; club reporter, Franklin Brown.

After the business, refreshments of apple cider and doughnuts were served and an enjoyable time was had by all.

The Utopia Club urges all members to attend and also discharged service men who are interested. Next month's meeting is to be held November 29th at the courthouse with Mrs. Pearl Hask from Lexington discussing "Uses of Milk in Cooking" and Grant Maddox discussing "Producing Clean Milk."

Dolwick Reunion

The hospitable home of Mr. and Mrs. Geo. Wernz of Ft. Pleasant was the scene Friday night, Oct. 26th of the late Elizabeth and Adam Dolwick family reunion, and the celebration of the 70th birthday of their eldest child, Mr. L. A. Dolwick, of Detroit, Mich.

The spacious dining table was laden with luscious foods of several varieties. The buffet supper was served about 8 o'clock with 60 out of the 75 members present. All left at a late hour looking forward to another year.

ELLIOTT CONDUCTS DEMONSTRATIONS

ON THREE BOONE COUNTY LAWNS LAST WEEK—WILL RETURN TO COUNTY IN SPRING FOR DEMONSTRATIONS.

Trees and shrubs were planned for three lawns in demonstration meetings conducted in the county last week. Each demonstration was conducted by Mr. N. R. Elliott, landscape architect, University of Kentucky.

The first stop was made at the new home of Mr. and Mrs. Clyde Arnold near Florence. Plans were made for planting evergreens and deciduous shrubs around the home. The Grant School was the second stop. A complete plan was made here since no plantings are now on the school grounds. Native shrubs and trees were planned for the grounds. The third demonstration was conducted at the home of Mr. and Mrs. Stanley Ranson on the Richmond Road. Some plantings were planned that would grow on the windy, shady side of a house.

Mr. Elliott will return to the county next spring for another series of demonstrations. Anyone wishing to have him help with lawn plans are asked to contact Mary Hood Gillaspie, Home Demonstration Agent.

Boone Homemakers Receive Recognition In National Magazine

The twelve Homemaker Clubs of Boone County received honorable mention in the recent issue of the "Farm Journal" for the fine job of supplying cookies and recreation at the Ft. Thomas Hospital during the past few months. It was announced this week by Mrs. A. B. Nichols, publicity chairman for Boone County.

The article that appears in the magazine was under the heading "Cookie Cheer" and made mention of several of the sugar saving recipes recommended by Miss Mary Hood Gillaspie, Home Demonstration Agent of Boone County.

UNION POSTOFFICE IS ROBBED OF \$110

GOVERNMENT OFFICIALS AND SHERIFF ARE MAKING INVESTIGATION OF ROBBERY—GLASS IS BROKEN.

Officials of Boone County and postal authorities made an investigation Wednesday of the robbery of the U. S. Postoffice at Union. Thieves obtained \$110 in postal funds, and some outgoing mail, according to Mrs. Norma R. Huey, postmaster.

Ralph H. Bushman, Postoffice Inspector for the local district conducted the government's investigation of the robbery, while Deputy Sheriff Irvin Rouse made an investigation for the county.

It was thought the burglary occurred between 12 p. m. Tuesday and 5:30 a. m. Wednesday. Mrs. Huey discovered the robbery when she entered the building at 5:30 Wednesday morning to handle the morning mail.

The glass of a rear door was broken by the burglars as they entered the Postoffice, which houses a general store also.

Money stolen by the thieves had been received as cash receipts for money orders, Mrs. Huey reported. Some meat and cheese were stolen from the store, according to reports.

Florence Victors Over Burlington Hoopsters

The 1945 basketball season opened last Friday night on the local floor by the Burlington Eagles when the Florence Knights took both games.

Florence first team won by a score of 36 to 11, leading at the half way mark by a score of 12 to 4. Zapp collected 16 points for the winners while Scott had four for the losers. In the reserve game Florence won by a score of 44 to 9.

On Friday night of this week, Burlington will travel to Florence with the first game starting at 7:30. Admission is 20 and 30 cents.

Furniture To Remain At Fort For Present

Furniture in the Boone County Day Room at the now inactivated AAF Convalescent Hospital, Ft. Thomas, is to be left where it is until November 15.

If by that time a new Army or Veteran installation has indicated it will take over, the furniture will remain for the use of such installation. If this does not happen, the furniture will be returned to Boone County and stored. All organizations and individuals who contributed to the fund then will have an opportunity to say to what use the furniture shall be put.

This decision was reached at the public meeting held October 23 in the court house.

Tuberculosis Ass'n. Will Hold Meeting

There will be an important meeting of Boone County Tuberculosis Association Monday, November 5th, at 4:30 p. m. in the court house, Burlington. TOBACCO GRADER ADDRESS GROWERS

WILL DEMONSTRATE TOBACCO STRIPPING AND GRADING PRACTICES IN MEETINGS TO BE HELD NOVEMBER 12TH.

Maury V. Tuttle, Federal tobacco grader will demonstrate 1945 recommended tobacco stripping and grading practices in two meetings to be held in Boone County on Tuesday, November 12th, according to H. E. Forner, County Agent.

Meetings will be held as follows: H. E. White's farm two miles south of Burlington on East Bend Road at 10:00 a. m.

John Boyer's farm, two miles south of Verona on State Road 16 at 1:00 p. m.

Tobacco growers are anxious at this time of the year to check the quality of the crop, the market prospects and probable marketing problems. These meetings offer an excellent opportunity to bring hands or stalks of tobacco to the meeting for the Federal grader to study.

The saving practices in stripping and grading of the tobacco crop will be shown on talking motion pictures by Will Smith, Farm Labor Assistant, at the following meetings:

New Haven School, November 5, at 7:30 p. m.

Walton School, November 8th at 7:30 p. m.

Petersburg School, November 9, at 7:30 p. m.

Burlington courthouse November 13th at 7:30 p. m. The federal tobacco grader will also give a stripping demonstration at this meeting.

Two comedy films on farm problems will be shown in connection with the tobacco films. All farmers and their families are invited to attend one or more of these four motion picture shows. You will enjoy them.

NUMBER OF BONDS SOLD FIRST DAY

OF DRIVE, ACCORDING TO REPORTS—NEW BONDS WILL BE PLACED ON MARKET WITH LATE PRESIDENT'S PICTURE.

This is the first week of the Victory Bond Drive, beginning October 29th and continuing through December 8th. It is reported that quite a few bonds were sold the first day of the drive. This will be the last bond drive and everyone should feel so thankful that the war is over that they would want to have a part in this drive by buying bonds.

In the series E Bond group, a new denomination has been added, being a \$200.00 bond selling for \$150.00 and bearing the portrait of our late President, Franklin D. Roosevelt.

Let's all stay on the job and help put this drive over and not have it said that we bought bonds only so long as the enemy had a bayonet on our backs. Our country needs this money to finish the war.

A report for the first week will appear in next week's issue.

REMEMBER WHEN

—women's hats were held in place by two or three hatpins? Long affairs they were, some with large fancy heads, jewel studded and ornately decorated with metal work. Putting on and taking off a hat was a real feminine art that required a rite of patience along with the skill of adjusting the pins. Remember?

THE CHURCH AS A FELLOWSHIP

LESSON TEXT—Romans 12:3-14.
GOLDEN TEXT—Be kindly affectioned one to another—in honor preferring one another.—Romans 12:10.

The greatest and most important institution in the world is the Church. The home, which we have been studying in recent weeks, is the primary unit of society, but its relationships are primarily of a personal nature. In the church there is an organized fellowship within a God-made institution, the living organism through which the Lord brings such blessing to the world.

—The Church.
Here, in God's house, among God's people, the believer finds strength and joy. The Lord's people are:I. Different Yet United (vv. 3-5).
God is not interested in uniformity, but He does want unity. In the Church are all types of gifts and personalities, each one useful to God. He does not want them all reduced to that drab uniformity which characterizes so many man-made products.

Prophecy, ministry, teaching, giving, ruling—yes, all the various works to which God calls men should be done diligently for His glory. No man is to think of himself as more or less useful to God. His work is different, but it is God's work, and when all serve as they should there is unity and efficiency in the accomplishing of His blessed purpose.

The unity of believers in Christ (v. 5) is something which needs emphasis in our day. The forces of Protestantism are so divided as to be largely ineffective in many important fields.

Not only are they divided but there are almost endless divisions within denominations—yes, and even in local churches. Sometimes there are causes which cannot be met except by separation, but there are also many unnecessary divisions, dishonoring to God and weakening to the Church.

Let's remember we can be different (God wants us to be different) but we can still be united! God wants that, too!

II. Active Yet Kind (vv. 9-11).
God puts no premium on laziness or indifference. We are not to be "do-nothings" in our application. Sometimes one feels that the Church has gone sound asleep. It is alive but inactive. It professes to have a zeal for God, but if there is any fervency of spirit, it in most places it must be well hidden. But that is not possible, is it?

How much we need a stirring revival in the Church to bring the people of God into active service for Him. Our church as a whole does not respond to the Lord's Word, why do you not as an individual ask God to rekindle His fire in your heart?

There is to be a humility (v. 10), a fine cleanness of thought and life (v. 9), an unfeigned love for the brethren (v. 9), along with all the fervency of spirit and zeal for service.

There is much talk of uniting Christendom and no little danger of compromise for the sake of an outward unity. Such schemes are destined to failure, but unity in Christ, which recognizes Him as the divine Head of the Church, that we do desperately need and should seek for His glory, for the good of the Church and for the blessing of a world lost in sin and strife.

III. Troubled Yet Peaceful (vv. 12-18).

The Church of Christ is in the world to witness for and to serve Him. Hence, it must face all the persecutions and trials which an unbelieving world will bring upon it. Christians are not exempt from the troubles and sorrows common to all mankind.

Therein we find one of the great opportunities for effective witness, for as the Christian and the Church rightly meet such difficulties, they testify to the grace of God which can give peace in one's heart in the midst of turmoil and distress.

Read the verses. Persecuted, but not embittered thereby; weeping but also rejoicing; meeting evil with good and crookedness with honesty; meeting pride with humility and division with unity; yes, living in peace (as far as it is possible) in a belligerent world.

There is something essentially one and noble and inspiring about the Christian Church wherever and whenever it lives up to the Lord's purpose for it and its members. There is something dismal and discouraging about the Church when it fails the Lord and His mighty cause.

Some feel that the Church is in just such a state of futility and impotence in our day. If it is true of your church, why not pray and work for a revival which will sweep all the deadness out and bring in a new refreshing breath of power from the very throne of God? Do it now!

Farmers Are Interested In Tobacco Bed Treatment

Large numbers of requests for information on the tobacco plant bed treatment with Cyanamid fertilizer for the control of weeds have been received at the County Agent's office.

The following specific recommendations are given to the many farmers who will treat their beds for the first time:

1. Use 1 pound Cyanamid per square yard or 100 pounds for a bed 8 feet wide by 100 feet long.

2. Clean bed of all trash and weeds.

3. Prepare a fine clod free seed bed and rake it smooth—clods must not be larger than a cherry so the fertilizer can be thoroughly mixed with the soil.

4. Immediately following preparation broadcast ¾ pound per square yard and work thoroughly into top four inches of soil. After working ¾ pound into the soil, broadcast ¼ pound per square yard on top and rake in lightly.

5. Seeding time—prepare a shallow seed bed with a garden rake—use a low nitrogen fertilizer and seed.

6. Put cloth over bed immediately after seeding.

Cyanamid can be secured from most of the fertilizer supply companies. The effectiveness of weed control treatment depends on the thoroughness of the mixture with the soil and on sufficient moisture soon after the treatment.

The Good Roads Amendment*

The Soldier Vote Amendment*

1. The Good Roads Amendment will protect your Road Fund from diversion to other purposes. Guarantee that your gasoline taxes, auto license fees, drivers licenses, etc., will be used for highway purposes only.

2. Kentucky needs every penny of its Road Fund for ROADS!

(a) To Match Kentucky's portion of Federal Highway Aid!

(b) For road construction and maintenance deferred during four years of wartime shortages of material and labor.

(c) For postwar jobs for Kentucky's returning veterans and war workers.

(d) For 27,890 miles of Kentucky's rural roads still "in the mud!"

3. The Soldier Vote Amendment will give to Kentucky men and women the right to vote in Kentucky elections while away from home and serving in the Nation's Armed Forces. Our constitution now denies this right. Vote "YES" for the Soldier Vote Amendment and correct this injustice.

ATWOOD-NICHOLSON**HOMEMAKERS MEET**

Mrs. Ernest Cooper, Green Road entertained the members of the Atwood-Nicholson Homemakers' Club October 3.

The meeting was called to order by the president, Mrs. Pitcher.

The club made a donation toward the Weldon Scholarship and Frances Jewell McVey Memorial Funds.

Mrs. Iva Hume gave an interesting reading on "The History of Independence," and a poem entitled "Miss Lucy," in colored dialect,

she being the writer of both. A few articles of layettes were issued to the ladies to make for the Red Cross.

A report of the Advisory Board meeting, held in Covington recently was given by the president.

The major project, "Cleaning and Adjusting a Sewing Machine," was given by Mrs. Kendall Hand and assisted by Mrs. Calvin Flisk.

Luncheon was served the following: Mesdames Frank Cook, William Durr, Eddie Elliott, Calvin Flisk, Steve Durr, Kendall Hand, Clifford Northcutt, Forest Popp,

Lloyd Watson, L. G. Cummins, Otis Miller, Lewis Lee, Henry Pitcher and Mrs. Iva Hume. Mrs. Iva Stephenson was co-hostess.

The next meeting will be held in the home of Mrs. L. G. Cummins, November 7.

HEBRON HOMEMAKERS

The Hebron Homemakers' Club met at the lovely new home of Mrs. Ruby Hollis on Oct. 10, with 21 members, 6 visitors and Miss Gillaspie present. The business meeting was called to order by the president, Mrs. Inel Anderson with a song and pledge to the flag.

There was a discussion on the annual meeting by Miss Gillaspie. All those who attended agreed they had a grand time and enjoyed the entire program. Everyone especially liked the very enlightening talk on Latin America by Prof. Barr of Miami University.

Our clothing leaders, Beatie Acra and Lorena Clore gave an interesting lesson and demonstration on "Your Color Chart," which should help us in selecting our own individual color combinations.

Mrs. Hollis was presented with a housewarming gift by members of the club. Before adjourning we played a game introduced by our program chairman, the winner receiving a very useful gift.

The November meeting will be held in the Masonic Hall in Hebron.

Publicity Chairman.

CARD OF THANKS

We want to thank our neighbors and friends for the kindness and help shown us in the death of our dear husband and father, Jacob Cook.

Especially do we thank the donors of flowers; undertakers Tharp and Smith for the efficient manner in which they conducted the funeral; Bro. A. E. Brewer for his consoling words; Mr. and Mrs. Jack Purdy, Mrs. Raymond Holbrook and Mrs. Dudley Rouse for the songs and music. We also express our thanks to Dr. Yelton and those who sent cards and telegrams. Your kindness will always be remembered. It-pd Mrs. May Alice Cook and Children

FLORENCE HOMEMAKERS

The Florence Homemakers met at the Town Hall, Oct. 19. The lesson for the month was "Color Harmony." At roll call each member was asked to tell what she liked about the month of October. Since most of the members said they liked the bright colors and delightful weather, our lesson was most appropriate.

BURLINGTON BAPTIST W. M. U.

On September 12 at 11 a. m. twenty members and one guest met at the church. The morning session was devoted to the monthly business and program meeting. The topic for the month "Women in Southern Baptist history" was ably discussed by Mrs. Noel Walton, Mrs. Less McBees, Mrs. Irvin Rouse, Mrs. King, Mrs. J. E. Gaines, Mrs. E. L. Huey, Mrs. Marie Smith, Miss Virginia Spiegel and Ruth Kelly.

At the afternoon session the Week of Prayer for State Missions Observance was made with an interesting program and very generous offering.

Mrs. Walter Brown presented the program, and introduced it with a timely devotional message, followed by a discussion of the "Opportunities for State Mission Work in Kentucky." This was complimented by Mrs. Walton's talk on "The Meaning of State Missions."

Discussions of the work done in Louisville, Ophian's Home, Kentucky Baptist Children's Home and Hindman School were given by Mrs. Jesse Eddins, Mrs. Earle Smith, Mrs. Rouse and Mrs. Robt. Clore. Miss Virginia Spiegel rendered a vocal solo.

On September 26, Mrs. Carnes,

our Associational Superintendent conducted a Mission Study Class on "A Winning Witness." Twenty-two members were present.

BIRTHDAY CELEBRATED

Mr. and Mrs. Henry Kottmyer entertained Saturday evening in honor of his father, W. E. Zimmer, it being his 71st birthday. Those present were Mr. and Mrs. Bolivar Shinkle, Mrs. Richard Kottmyer and daughter Judy Lee of Petersburg, Mrs. Lena Fritz, Miss Josie Wischmeyer, Mr. and Mrs. Duncan Huey and daughter Donna Sue, Mr. and Mrs. W. E. Zimmer and the host and hostess, Mr. and Mrs. Henry Kottmyer.

BIRTHDAY SURPRISE

A group of relatives gathered at the home of Mr. and Mrs. W. E. Snyder and surprised Mrs. Snyder, it being her birthday.

The table was filled with everything good to eat. Those present to enjoy the day were Mr. and Mrs. Robert Snyder, Mr. and Mrs. J. W. Kelly, Mr. and Mrs. Alfred Robbins

VOLUME 76

BURLINGTON, KENTUCKY THURSDAY, NOVEMBER 4, 1945

NUMBER 26

\$29,525 REPORTED TOWARD QUOTA

IN VICTORY BOND DRIVE IN BOONE COUNTY—ONLY SEVENTY-TWO PERSONS HAVE PURCHASED BONDS.

A report of subscriptions for the first week of the Victory Bond Drive shows that only 72 people have purchased bonds. Sixty-eight purchased B bonds in the amount of \$26,025.00 and four individuals purchased other bonds amounting to \$3,500.00, making a grand total of all bonds sold, \$29,525.00. The quota for the county is \$308,000.00.

This showing for the first week on the county as a whole is disappointing, but it is expected that subscriptions will increase from now on and that the quota can be reached before December 8th.

The cost of victory in the last few weeks of the war must be paid besides maintaining thousands of soldiers still on foreign soil. Those who have arrived home are still entitled to mustering out pay and pay for several months after discharge. Don't you want to buy a bond to help these boys?

This is the last bond drive we will have. Let's make our job victorious by subscribing for bonds in this drive the same as the boys gained victory with their bombs on the enemy. We must pay the bill.

The banks will lend you money to buy bonds at the same rate the bond bears for a period not exceeding six months, should you be anticipating some funds for investment within that period. Should you be contemplating making an investment in the 2 1/2 percent or the 2 3/4 percent coupon bonds you should make this investment before November 15th, the date on which the coupon bonds will be dated, otherwise accrued interest must be collected from the investor from November 15th, if the investment is over \$1,000.00.

Do not let this Victory Drive pass if you have money to invest, as this will be your last chance to buy these coupon bonds without paying a premium.

We are sure the people of Boone County will not so soon forget the sacrifice made and is still being made by our soldiers, who are still in the service, as to have no interest in this Victory Bond Drive. Boone County has always shown its colors and we do not think the Victory Drive will be an exception.

Let's have at least half of the quota raised this week. Don't wait to be solicited—go to your bank and make your subscription. The precinct chairmen have all they can do—help them by volunteering your subscription.

Walton Man Injured In Accident Sunday

Lawrence Kerns, 37, of Walton, was in a serious condition at St. Elizabeth Hospital Monday, suffering from deep face cuts and possible fractures of the jaw and nose received when the auto in which he was riding left the road and struck a tree Sunday, near Rice-dale Station, Kenton County.

VICTORY CLOTHING DRIVE IS PLANNED

FOR JANUARY 7-13TH—NEED IS IMPERATIVE SAYS PRESIDENT TRUMAN IN LETTER TO COUNTY CHAIRMAN.

A second nation-wide clothing collection for overseas relief will be held January 7-13th. Mary Hood Gillaspie, Boone County Chairman for the clothing drive of this past spring, has been asked by Henry J. Kaiser to serve again as chairman.

President Truman in his letter said that the need for this collection is "imperative." The clothing collection is scheduled for January 7th-13th. The national goal is 100,000,000 garments with additional shoes and bedding. Each contributor will be invited to enclose in the garments a "good-will" letter to the unknown recipient overseas.

All Boone Countians are urged to begin making a collection of clothing they wish to give to the clothing drive. All clothing will be sent overseas.

Twenty-Five Books For Homemakers' Library

Mrs. Leo Flynn, Boone County reading chairman, and a committee recently announced the purchase of twenty-five books for the county Homemakers' library. The books were listed as follows: "The Black Rose," "The Gentlemen Talk of Peace," "A Lion in the Streets," "The Gauntlet," "The Young Jefferson," "Mexican Time," "Lay That Pistol Down," "Now That April's Here," "White Oaks of Janna," "Jerusalem the Golden," "The Valley of Decision," "We Took to the Woods," "They Change Their Skies," "It's a Free Country," "Remember Death," "The Wayfarer," "The Townsman," "The Easter Radiance," "Winds Blow Gently," "Mothers Cry," "Lower than Angels," "Jennifer's House," "Thunder Mountain," "Young Bess," and "A Bell for Adano."

The books are now being catalogued and will be in the Home Agent's office in the near future. Homemakers and non-homemakers may have access to these books by paying a small rental fee. We hope you will come in the Home Agent's office and check one of these books out in the near future.

100 PERCENT ENROLLMENT

IS GOAL SET IN AMERICAN JUNIOR RED CROSS CAMPAIGN ENDING NOVEMBER 15, ACCORDING TO CHAIRMAN.

American Junior Red Cross enrollment of 100 percent in the schools of Boone County is the goal set for the November 1-15 membership campaign, it was announced here today by Mary Bess Cropper, Junior Red Cross chairman of Boone County Junior Red Cross.

"The object of the program, which is service to others in both the immediate community and on the national and international levels, is being achieved through the schools of the country without fanfare, often with little or no recognition from outside sources," Miss Cropper said. "The results deserve attention from every parent whose child is participating in the program and from every citizen whose community is benefiting by it."

Among the projects successfully completed during the past year by members of the Junior Red Cross were: Filling of boxes for children in war torn areas and donations for Ft. Thomas Hospital.

According to Chairman Cropper, the fall and winter program will put particular emphasis upon international and interracial relations with forums and discussion groups encouraged to keep abreast of latest world developments.

Boone County had one hundred percent enrollment in Junior Red Cross last year, and we want to do no less in 1946.

Florence Defeats Burlington Five

The Florence Knights defeated the Burlington Eagles Friday night on the Florence hardwood by a score of 23-22. Burlington took an early lead with the score standing 8-3 at the first quarter and 14-13 at the halfway mark. Florence, however, pulled away in the second half winning by a six-point margin. D. Clore was high point man for Burlington with six while Ammon collected ten for the winners.

In a preliminary game, Florence emerged victorious over the Burlington reserves by a 25-16 count. Burlington will play New Haven Thursday night at New Haven.

HUNTING SEASON OPENS NOV. 10TH

SECOND HALF OF SQUIRREL SEASON OPENS NOVEMBER 24 —BAG LIMITS ARE SAME AS LAST SEASON.

Frankfort, Ky.—Mr. Bob White and O' Brer Rabbit, the choices of the people, are ready to make their annual appearance on the hunting stage in Kentucky, with the curtain on what is expected to be a good season going up Saturday, Nov. 10.

Quail, No. 1 love of Kentucky scattergun enthusiasts, were definitely more populous than last year. A better hatching season, with better conditions for cover and food during the growing season, combined to produce more coveys. That situation was general throughout the state.

As for rabbits, Kentucky and rabbits get along famously. There will be plenty of rabbits, according to reports, received by the Division of Game and Fish from men in the field.

The season on quail and rabbit runs from November 10 through December 31. The second half of the squirrel season begins November 24 to continue through December 31, and finishes Dec. 31.

Coming up is open season on mink, opossum, raccoon, skunk, muskrat and red fox from Dec. 1 to Jan. 31. Opossum and raccoon may be taken by dog only from November 1 to January 31.

Bag limits: Quail, 12 per day; rabbits, eight per day; squirrels, six per day.

Possession limits: Not more than two days' bag limit of any species, and then only if the hunter has actually hunted two days.

Earl Wallace, Division director, sounded a safety warning, with a plea to hunters to "bring your safety habits and your comrades with you."

"We want no sportsmen deaths to mar our hunting season," Wallace said. "Eliminate careless handling of firearms. Don't mix alcohol and gunpowder."

Frank Phillips, superintendent of conservation officers, told hunters to keep shotguns properly plucked. He warned against hunting birds or animals by "shining" devices at night.

Rabbit hunters were cautioned against tularema. Dress out rabbits carefully, Phillips said. A pair of rubber gloves is a small price to pay for equipment to have around that purpose.

Union Man Part Of Group Cited For Meritorious Service In Pacific Area

With U. S. Army Forces On New Caledonia—A Meritorious Service Unit Plaque has been awarded to the 334th Quartermaster Truck Company of which Technician Grade Five Norman A. Buckner is a member. Cpl. Buckner is the son of Mrs. Addie Buckner, who makes her home at Union, Ky.

Cited for "superior performance of duty and the achievement and maintenance of a high standard of military and professional efficiency," the organization received this award from Major General Maxwell Murray, South Pacific Base Commander with headquarters here.

The truck company was activated at Camp Barkley, Texas, August 21, 1942, underwent basic training at that camp, took advanced training during the 1942-43 Louisiana maneuvers at Camp Polk, La., and shipped out for New Caledonia in June 1943. Here, the outfit took further training and began the two-year job of "turn around" cargo hauling, that fed supplies to combat troops.

Although this was the most important job for the 334th and called for a 10-hour work day seven days in the week, it performed other services such as training truck drivers for new companies and transporting all personnel who embark at this South Pacific base. Men in the outfit are also responsible for the maintenance of their vehicles of other units not possessing repair facilities.

NEW HAVEN P-T-A. WILL MEET

New Haven P-T-A. will hold its regular meeting Tuesday, November 13 at 8:00 p. m. at the school house. All members are urged to be present as several matters of importance are to be discussed.

Mrs. Helen Snyder spent several days last week with friends in Burlington.

Tires Still Scarce During November

Passenger tire and large size truck tire quotas for November will be the same as for October, 2,500,000 for passenger cars and 250,000 for trucks, the War Production Board and the Office of Price Administration announced this week.

The November quota or small truck tires, size 7.50 and under, however, was reduced from 500,000 in October to 350,000. This reduction of 150,000 tires for replacement uses was forced by a combination of heavy demand for small truck tires to be used as original equipment on new trucks and a smaller increase in production than anticipated.

The passenger tire shortage continues to remain most acute with demand far exceeding available supplies, OPA said. OPA local boards are being advised to continue screening all applications carefully to assure that drivers needing their cars to reach or perform their jobs are supplied first. Many persons who can use other means of transportation to continue in their jobs will have to be denied passenger tire certificates as long as supplies are so short.

LIGHT VOTE CAST IN BOONE COUNTY

CONSTITUTIONAL AMENDMENTS CARRY BY LARGE MAJORITY TOTAL OF 819 VOTES CAST IN GENERAL ELECTION.

A very light vote was polled in Boone County Tuesday at the general election with only 819 votes being cast from a total of 6034 registered voters.

All democratic candidates were elected with no opposition. In the Constitutional Amendment Number 1, 599 voters stamped under "yes" and 58 under "no." Constitutional Amendment No. 2 collected 579 votes yes and 38 no.

The above totals are complete unofficial returns.

In the town election of Florence, Robert Scott was named Police Judge, with George R. Scott, William Fitzgerald, Robert G. Eade, Alfred Becker, and Clifford Coyle Trustees.

Walton citizens elected John H. Wood as Police Judge, D. L. Lusby, R. C. Brakefield, J. R. Conrad, J. W. Berkshire and G. E. Groger as Trustees for the Town of Walton.

S-Sgt. Carroll C. Rice Receives Discharge

Word was received here Wednesday that S-Sgt. Carroll C. Rice received an honorable discharge on November 4th from the U. S. Army at Ft. Meade, Md., with 68 points. He is entitled to wear the Combat Infantryman's Badge, Good Conduct Medal, American Theater and Victory World War II Ribbons. He expects to accept temporary employment in Washington, D. C. S-Sgt. Rice is the son of Mrs. Thos. Rice of Burlington.

OMER W. CLEEK DIES TUESDAY

WAS PROMINENT WALTON FARMER—FUNERAL SERVICES WILL BE HELD TODAY AT FUNERAL HOME.

Omer W. Cleek, 55, well known Walton farmer and federal tobacco grader, passed away at his home Tuesday morning after several months illness.

Mr. Cleek was well known throughout the county and had been actively engaged in farming until his recent illness. He was a former postmaster of the Walton post office.

He is survived by his mother, Mrs. Mollie H. Cleek; two sons, J. O. Cleek, who is stationed somewhere in the Southwest Pacific with the U. S. Army and Clinton F. Cleek, of Walton; one daughter, Mrs. Catherine Fagan, of Walton; a brother, Howe C. Cleek, of Beaver; and one sister, Mrs. Nell H. Blankenbaker, of Florence.

Funeral services will be conducted at the Chambers & Grubbs funeral home, Walton today (Thursday) at 2 p. m., with Rev. Fred Nichols, pastor of the Walton Christian Church officiating. Burial will be in Verona Cemetery. Chambers and Grubbs, Walton funeral directors are in charge of arrangements.

DISTRICT OPA OFFICE CLOSSES

LEXINGTON OFFICE HAS SERVED EASTERN HALF OF STATE CLOSING DATE SET FOR NOVEMBER 30TH.

The Lexington district Office of Price Administration, which has served the eastern half of Kentucky since April, 1943, will be closed after November 30 and will be consolidated with the Louisville office, District Director E. Reed Wilson announced.

Notification that the two Kentucky offices would be consolidated was received November 1 from John F. Kessell, regional OPA administrator at Cleveland. Mr. Kessell said, "The closing of the Lexington office and its consolidation with the Louisville OPA is in conformance with national policy to effect a reduction in OPA expenditures. The abandonment of the major rationing program lessens the need for close supervisory contact which was so necessary during the war period."

Lexington is one of a number of offices which will close in the next few months. This move contemplates the reduction of approximately 50 percent in the Lexington District personnel. Generally speaking, all field personnel will continue as they have in the past but will be attached to the Louisville district by transfer. The other employees whose services can no longer be utilized at Lexington will be given over assistance by OPA in finding other employment. All employees have been given an official and formal 30-day notice of termination of services.

Capt. W. M. Townsend Home After Three Years In Service

Captain W. M. Townsend arrived in Burlington last Thursday, after having been in service for the past three years and for the past two years was stationed in Italy with the 15th Air Force.

After spending the night with his wife and son at the home of his wife's father and mother, Mr. and Mrs. A. B. Renaker, he and his family went to the home in Falmouth, where Captain Townsend practiced medicine several years before entering the service.

L. L. Griggs Receives Honorable Discharge

L. L. Griggs, Petty Officer of the U. S. Navy, received an honorable discharge October 25th, after serving three years, 1 month and 28 days in the service, most of which time was spent in the Pacific area.

Mr. Griggs was attached to the 84th Battalion of the U. S. Seabees and was stationed in Australia, New Guinea, Adak, Morta, Philippines, Port of Princes, Pawalan, of the above islands.

Prior to entering the service he was employed by Ross Russ, Lumburg farmer. He received his basic training at Davisville, R. I.

Returns After Nine Months Overseas Duty

Pfc. Elzie K. Loudon received an honorable discharge from the U. S. Army on November 1 at Thayer General Hospital, Nashville, Tenn. He spent 9 months overseas in England, France, Germany and Austria with 260th Combat Engineers Battalion of the 7th Army.

Pfc. Loudon holds 2 Bronze Stars, ETO Ribbon and Good Conduct Ribbon. He received his basic training at Camp Swift, Texas.

Mrs. Sarah Jane Mitchell

Mrs. Sarah Jane Mitchell, age 92 passed away late Sunday at the home of her son on Camp Ernst Road, following a long illness. She is survived by one son, Clarence Mitchell; two sisters, Mrs. J. M. Eddins and Mrs. John Batchelor; two grandchildren, Mrs. Ruby Setters and Mrs. Mabel Herrington and two great-grandchildren.

Funeral services were conducted Tuesday at Big Bone with burial in Big Bone Cemetery. Chambers and Grubbs, Walton funeral directors were in charge of arrangements.

Livestock Outlook Meeting, November 14

The Boone County livestock outlook and marketing meeting will be held on Wednesday evening, November 14th at 7:45 p. m., according to H. R. Forkner, County Agent. The meeting will include speakers on the outlook, talks by salesmen from the Cincinnati Livestock Market and a special motion picture on the Phenothiazine treatment of sheep.

G. P. Summers of the marketing department of the University of Kentucky and representatives of the Cincinnati Livestock Producers will be speakers on the program.

The more thoroughly the farmer is familiar with the market outlook and problems of the market, the better he can prepare himself to meet these problems. The fact that any livestock agency may appear on the program does not infer special connection. All farmers and livestock owners are invited and urged to attend.

Note: Correction of meeting date to Wednesday, November 14.

Banks Will Be Closed

Banks throughout Boone County will be closed Monday, November 12th, in observance of Armistice Day, November 11th.

Post offices will be closed and rural mail carriers will make no deliveries on this day, it was announced.

Mrs. Laura Crisler of Petersburg was visiting Mr. and Mrs. J. W. Kelly, of Burlington, this week.

BOONE TOBACCO OF HIGH GRADE

ACCORDING TO COUNTY AGENT—STRIPPING AND GRADING DEMONSTRATIONS ARE SCHEDULED.

Boone County's 1945 tobacco crop is reported by most farmers as of high quality, according to H. R. Forkner, County Agent. The crop is reported much higher than the 3,363,308-pound '44 crop that averaged growers \$45.55 per hundred.

Farmers are urged to bring samples of stripped hands to the three stripping and grading demonstration meetings that will be held in the county on Tuesday, November 13th. The schedule of the meetings is as follows:

9:45 A. M. H. E. White's 2 miles south of Burlington on East Bend Road.

1:00 P. M., John Boyer's farm on State Road 16, 2 miles south of Verona.

7:45 P. M., Burlington courthouse. Motion pictures will be shown at this meeting.

The federal tobacco grader will be at each of these meetings. He will discuss the market outlook by grades and means of grading the tobacco to secure highest market value. All farmers are invited and especially urged to attend.

Sgt. Clayton Clore Receives Discharge

Sgt. Clayton Clore, son of Mr. and Mrs. Stanley Clore, of Burlington, was honorably discharged from the U. S. Army, November 3, at Cambridge, Ohio.

He served approximately three years in the service, spending 14 months overseas, stationed in North Africa and Italy. He served with the 34th Division of the Fifth Army.

Sgt. Clore is entitled to wear the ETO Ribbon with 2 battle stars, Combat Infantry Badge, Purple Heart and Good Conduct Ribbon.

He received his basic training at Ft. McClelland, Ala.

Two other brothers, Alvin Clore and Gerald Clore are serving with the U. S. Navy.

STATIONED IN MARYLAND

Pvt. Thomas E. Flick, who was recently inducted into the U. S. Army, is now located in Maryland at Aberdeen Proving Grounds. He has just undergone a major operation at the Station Hospital and would be glad to hear from any of his friends.

His address is Pvt. Thomas E. Flick, Serial Number 35014605 A. P. G. Station Hospital, Ward A, Aberdeen Proving Grounds, Maryland.

Mrs. A. L. Furlish returned home from Christ Hospital this week, after recently undergoing a major operation.

SUICIDE VERDICT GIVEN BY CORONER

IN DEATH OF ELSMERE CHILD—BODY OF BOY IS FOUND IN BEDROOM OF HOME WEDNESDAY NIGHT.

After further investigation into events surrounding the death of Cecil Eugene Hollis, 11, of 1401 Central Row, Elsmere, Mrs. Tressa Riffe, Kenton county coroner, announced her verdict of death by suicide stands.

Mrs. Riffe said she would be willing to change her verdict if enough evidence could be shown to convince her that the boy's death was accidental. She explained that she had talked to the parents of the boy after she had rendered her verdict but had not been able to uncover enough evidence to cause her to change her decision.

The boy's body was found in a bedroom at his home Wednesday night. A dress sash had been tied around his neck and the other end tied to the rail at the foot of the bed. He had been told by his father, Kingsman Hollis, that he and his brother, Leland, 13, and sister, would have to stay in the house instead of joining Halloween celebrants.

Mrs. Riffe said the family told her the boy was disgruntled because of his father's order. They said he had threatened on previous occasions, "I'll kill myself," when he had been disappointed or reprimanded.

Denzel Conner Receives Honorable Discharge

Pfc. Denzel Conner, son of Mr. and Mrs. Wilson Conner, of Rabbit Hash received an honorable discharge from the U. S. Army on October 18th at Camp Adair, Ind., it was learned this week.

He served 4 1/2 years with the U. S. Army in Attu, Kiska, Marshall Islands, Pearl Harbor, Leyte and Okinawa. He was wounded on Okinawa on June 23, 1945 while fighting with the 17th Infantry.

He has received four battle stars, Purple Heart, Philippine Liberation Medal with 2 Bronze Stars, Asiatic Pacific Ribbon, American Defense Service Medal and the Good Conduct Ribbon.

Pfc. Conner received his training at Ft. Lewis, Wash.

Fish And Game Club Will Meet November 15

The Boone County Fish and Game Club will meet at the club house, Thursday, November 15th, according to Irvin Ross, president.

Business which should have been transacted at the last meeting held Tuesday, October 30th but was postponed due to the fire at the home of Parker Hollis, will be taken care of at this meeting.

All members of the organization are requested to be present at this meeting. Refreshments will be served by the committee.

Mr. and Mrs. Roscoe Akin and family were Sunday guests of Mr. and Mrs. Benjamin Graf, of Cincinnati.

LABOR SAVING PRACTICE SHOW

WILL BE SHOWN AT FOUR POINTS IN COUNTY DURING FIRST OF NOVEMBER, ACCORDING TO WILL SMITH.

Four motion picture shows on farm labor saving practices will be held in the county, according to Will Smith, Farm Labor Assistant. The schedule of the shows are as follows:

November 5th, New Haven School
November 8th, Walton School at 7:30 p. m.
November 9th, Petersburg School at 7:30 p. m.

November 13, Burlington courthouse, 7:30 p. m.

The three pictures that will be shown at each place are devoted to special ways of improving practices and saving labor on the farm. The main feature picture will demonstrate how a man can walk, grade and strip twice as much tobacco per day through simple labor saving practices. All farmers and their families are invited to attend these shows.

IMPROVED SUNDAY SCHOOL LESSON

Lesson for November 11

THE FRUITS OF PUBLIC WORSHIP

LESSON TEXT—Isaiah 61:1-5; Ephesians 2:13-17.

GOLDEN TEXT—Praise ye the Lord. I will praise the Lord with my whole heart, in the assembly of the upright, and in the congregation.—Psalm 111:1.

The center of every community should be the church. The house set aside for the worship of God is the gathering place of His people. There they find fellowship as they meet their Lord. He is in their midst exalted and mighty, but ready to enter every humble and contrite heart.

Our lesson shows us how the worship of God brings blessed results as His people meet.

I. Recognizing God's Presence (Isa. 6:1-4).

King Uzziah, who had begun well but had forgotten God, was at the end of his life in disgrace, because of his sin and dying in disgrace. Israel which had known unprecedented prosperity under God's blessing now hardened its heart nationally against God and was also about to speak for Him in such an hour, to bring to His people a message of judgment and also of blessed invitation. To prepare that man, the great Isaiah, God gave a remarkable manifestation of His glory and power.

It is essential that the man who speaks for God should first see the Lord high and lifted up and to hear of His holiness and glory. The message, the lack of enthusiasm and interest in holy things, the low standards of personal holiness, the failure to preach boldly the truth regarding God's holy standards are to be explained by the fact that there has been no vision of the eternal holiness and glory of God.

II. Renewing by God's Power (vv. 5-8).

To see the holiness of God is to be immediately conscious of one's own sin and unworthiness. The obvious conclusion which one draws from that fact is that anyone who is proud, who is not concerned about his own sins and the sins of his people, is living far from God and has either never known or has forgotten about His divine holiness.

Isaiah spoke of the pollution of his lips, thereby confessing that his heart was not right. Whereof the heart is full, thereof speaketh the mouth, for we read that "out of the abundance of the heart the mouth speaketh" (Matt. 12:34). Remember that even about Isaiah was a believer he recognized the need of cleansing.

"Then" (v. 6)—what an important word! When Isaiah called out in humble confession, "then" he was cleansed. The turning point is right at that place for any life. Only when we come to the place of confession and contrition which Isaiah knew, can we expect the Lord to send the cleansing fire and the enabling power.

Reformation, turning over a new leaf, character development, all commendable in their place, are not sufficient. There must be a divine cleansing of the life if there is to be a commission to service.

III. Realizing God's Will (Eph. 5:15-17).

The ministry of the Church of God can serve no greater purpose than helping men and women to know the will of God. That wisdom (v. 17) comes through the teaching of God's Word and through the ministry of the Holy Spirit, both in the church and in the individual.

Being a Christian means every member is to recognize that the evil day in which we live is a challenge to holy and effective living. Time is not to be wasted, or casually used. It is to be redeemed every moment to count for God.

The walk of the believer is to be circumspect, that is, with "pains-taking attention to details, under a sense of their importance," not a foolish walk, but a wise one.

IV. Receiving God's Spirit (5:18-21).

God wishes to fill His children with the Holy Spirit in such mighty overwhelming power that they are entirely under His control. Such Spirit-filled believers find their joy and satisfaction in the fellowship of those who sing the praises of God from the heart.

Being a Christian is not a depressing, sorrowful business. It makes you glad. It is God's people who sing and make melody. Some of us who have failed to appreciate this truth should begin now to "get happy" about our religion.

The Holy Spirit leads believers into a life of humility and self-denial (v. 21). Pride and self-exaltation are definitely ruled out.

Do not neglect the note of thanksgiving found in verse 20. The Church of Christ has so infinitely much for which to be thankful that actually ingratitude is a sin. How much blessing is lost because of it! Let us "give thanks always for all things."

NOV. 21, 1945

AN IMPORTANT DATE FOR
THOUSANDS OF ARMY VETERANS
NOW IN CIVILIAN LIFE

Between now and November 21, thousands of Army veterans will reenlist in Uncle Sam's new volunteer peacetime Army. Because men who have been discharged between May 12 and November 1 of this year and reenlist on or before November 21 will be able to return to the Army with the same grade as they held when discharged.

Men with six months of satisfactory service discharged as privates will, on reenlistment before November 21, be given the grade of private first class.

Men now in the Army who apply for discharge after NOVEMBER 1 for the purpose of reenlisting in the Regular Army will also retain their present grades, if they enlist within 20 days after discharge and before FEBRUARY 1, 1946.

"BEST JOB IN THE WORLD"

These special privileges are typical of the new law recently passed by Congress. Few opportunities for a lifetime career offer as many attractive advantages.

Can you think of any other job that would give you good pay, your food, clothing, quarters, free medical and dental care, world-wide travel, 30 days' furlough every year, education and training in any of nearly 200 skills or trades, and enable you to retire with a life income anytime after 20 years' service?

There isn't any! That's why a job in the Regular Army has been called "The Best Job in the World."

PAY PER MONTH—

ENLISTED MEN

In Addition to Food, Lodging, Clothing, and Medical Care

(a)—Plus 2% Increase for Service Overseas (b) Plus 50% if Member of Flying Crews, Paratroopers, etc. (c) Plus 5% Increase in Pay for Each 3 Years of Service.

We were smart to buy plenty of bonds in every loan, and...

You bet we're going to buy more and bigger bonds in the great VICTORY LOAN!

"HERE'S WHY..."

1. They pay for the care and cure of our wounded... supply the finest of medical aid. They help to bring our boys back home... to pay for all the colossal cost of Victory.
2. Held by millions of Americans, Victory Bonds will provide a solid reserve of buying power to assure steady jobs for veterans.
3. Buying Bonds rather than scarce goods helps keep the lid on prices... prevents inflation and its follow-up of depression.

4. Bonds form a reserve for future repairs and replacements... for modern buildings, improved stock, better homes.
5. They hold dollars in store to pay for our children's education... right on through college.
6. E Bonds return \$4 at maturity for every \$3 you invest.
7. They give security to enjoy later years with peace of mind.

BUILDS COMBINATION BARN

A combination barley tobacco and stock barn has been completed on the farm of Dr. W. T. Titworth of McCracken county. Made 28 by 48 feet, it is so constructed that four pens can be cut off with tier poles, thus separating the cattle from the 16-foot shed on the opposite side. Farm Agent Joe Hurt reports this is the first modern type tobacco barn in the county.

BULLITTVILLE HOMEMAKERS

(Delayed)

Do you know your most becoming color? We homemakers discovered ours by experimenting at our recent meeting. Mrs. William Hill was our hospitable hostess.

Ten members and the following guests were present: Mrs. Chambers, Mrs. Hitzfield, Mrs. Campbell, Mrs. Clure, Mrs. Kreylich and Mrs. Ernst. We always welcome guests.

Our roll call answer was "Why I Belong to Homemakers Club," and many very interesting reasons were given. Next month we are to answer roll by exhibiting a homemade gift or pattern for one. During the lunch hour we celebrated the birthday anniversaries of seven members. A lovely gift from the club was presented to each. This was followed by a surprise "stork" shower on our charming hostess. Was she surprised and please to receive so many lovely gifts?

Our next meeting will be at the home of Mrs. M. M. Lucas. Come and be our guest.

Pub. Chairman.

IT PAYS TO ADVERTISE

SURPRISE BIRTHDAY DINNER

(Delayed)

On Sunday, Nov. 4th, a number of relatives and friends gathered at the home of Mrs. Cordelia Cox and son Willie to help them celebrate their birthdays, the 3rd being Willie's birthday and the 4th his mother's.

All brought well filled baskets and the table fairly graced with good things to eat. There were twin Angel food cakes baked and decorated by Mrs. Cox's nieces, denoting their respective ages.

They received many useful and beautiful gifts. Those enjoying the day were Mr. and Mrs. Lorian Metzler, Mrs. Charles Sullivan and Kenneth Sullivan, of Moores Hill, Ind., Miss Ethel Rector, Mrs. Maude Dooley and Mrs. Kate Cox, of Aurora, Ind., Mrs. Eva Williams, Miss Hazel Akin and Miss Betty Williams, of Ludlow, Ky., and Mrs. Charles Simon, Donald Blankenship, Miss Juanita Blankenship, Mr. and Mrs. Charles J. Akin, Mr. and Mrs. W. O. Rector, Mrs. Ida Thompson and Miss Mary Rector, of Petersburg, Ky., and Mrs. John Whitaker and Mrs. Octavia Day, of Bullittsville. All left at a late hour wishing them many more happy birthdays.

EXPRESS THANKS

The Burlington F-T-A expresses gratitude to Guiley and Pettit, W. L. Kirkpatrick's Store, Smith's Grocery and Burlington Hardware for merchandise donated by them; to those who donated cakes; to those who served on committee; and to all of those who helped in any capacity to make the Halloween party a success.

VOLUME 78

NUMBER 21

SUBSCRIPTIONS TOTAL \$124,637.50

IN BOONE COUNTY VICTORY BOND DRIVE—LARGE INVESTORS PROHIBITED FROM BUYING E BONDS.

The first two weeks of the Victory Bond Drive show \$33,937.50 in E Bonds and \$90,700.00 in other bonds subscribed, making total subscriptions to date \$124,637.50 in Boone County.

Many people do not realize that a United States Government Bond is practically the same as United States currency. Read the printing on a \$20.00 bill. It says, "The United States of America will pay to the bearer on demand Twenty Dollars." The printing on an E Bond says, "The United States of America ten years from the issue date hereof will pay,"—the face amount of the bond or will pay the amount of the original investment upon demand after 60 days from date of issue plus accrued interest thereon in accordance with the schedule appearing on the back of the bond. Therefore the "promise to pay" on both currency and the bond is the same.

Currency is generally understood to be money but really it is only a "promise to pay" and has no more value than a Government Bond. In fact a bond has more value than currency because its amount invested in a bond is available at any bank at any time after 60 days from date of issue, and in addition, you receive interest on the bond in accordance with the stated schedule.

As an example, \$300.00 in your bank account, or in your pocket or in a safe deposit box is no more available for your use than a bond and is never worth more than \$300.00, but the same \$300.00 invested in E Bonds increases in value every year and if held for 10 years will have \$400.00, while the \$300.00 in currency is never worth more than the original \$300.00.

If you hoard the sure that you should United States Government Bonds and not currency. You have an additional advantage in bonds over currency in that, if currency is stolen, lost or burned you have no way of recovery, but an E Bond is registered in your name and a record kept of the number and date of issue by the bank issuing the bond as well as by the Treasury Department and should anything happen to your bond you do not lose anything, as it can be replaced upon proper proof of loss or paid in full at maturity. No one but the rightful owners of a registered bond can cash it. Not so with currency. Anyone can keep stolen currency or if lost or burned the owner will lose the whole amount. You take no risk in owning bonds.

You have the same security in a government bond that you have in currency. In the large financial districts Government bonds are referred to as "MONEY BONDS."

Don't it show good business judgment to hold bonds instead of currency? This Victory Bond Drive is your last chance to buy bonds at par and at the same time help finish the job.

Series E bonds are the most popular bonds for the average small investor and the return on the investment is greater than on any other issue.

Large investors are prohibited from buying this popular E bond, in that no person can buy more than \$5,000.00 maturity value in any one calendar year except that \$5,000.00 additional may be purchased with each co-owner. This E bond was designed to give the small investor a greater return on his money and a shorter maturity than is provided for the large investor.

Land Transactions

A. G. McMullen purchased 35½ acres of land on the Hopeful Road from R. P. Coleman.

Ray Hill sold 2½ acres on this same road to George Rehkamp. These two tracts are a part of the C. F. Blankenbaker farm which Mr. Blankenbaker sold a few weeks ago.

R. P. Coleman purchased 30½ acres on the Limburg-Hebron Highway, adjoining E. E. Stokes, formerly the Harvest Home Grounds, from Mr. and Mrs. O. T. Edwards, this week. This tract is suitable for home sites and Mr. Coleman plans to make this a restricted subdivision.

These sales were handled thru A. B. Renaker.

Two Draw Fines On Game Law Violations

Charles Caudill, of near Devons was fined \$15.00 and costs in Judge Cropper's court Monday on a charge of hunting with a repeating gun which was not plugged. The gun was confiscated by the Fish and Game Department and was held by the arresting officers, R. W. James, Sam Embury and Edwin Johnson, of the Fish and Game Department.

Carl A. Caulkins, of Covington was fined \$15.00 and costs in Judge Cropper's court Sunday on the same charge, and his gun was confiscated by the arresting officers, R. W. James, Sam Embury and Mr. Martin, of the Fish and Game Department.

The following is taken from the Kentucky Statutes:

"Sec. 150.360: A gun used in taking wild animals shall be no larger than a 10-gauge. If it is a shotgun the magazine shall be plugged with a solid wooden or metal plug in such a way that the gun will hold not more than three cartridges."

"Sec. 150.120: When a person is convicted of using a gun not plugged in the manner required, the gun shall be turned over to the director of the Fish and Game Commission to be disposed of according to law."

Both of the above men appeared in Judge Cropper's court pleaded guilty.

Serving With Army Of Occupation In Korea

With the 40th Infantry Division in Korea—Private Lawrence Goodridge, husband of Mrs. Claire Goodridge, Route 1, Burlington, Ky., has joined the occupation forces under Allied Supreme Commander, General Douglas MacArthur, in Korea—the Hermit Kingdom.

Pvt. Goodridge, an infantryman in the 160th Infantry regiment, 40th Infantry division, entered the conquered territory near the end of September. He joined the 40th division, veteran of three campaigns, shortly before it sailed from Panay, Philippines.

He has been overseas since May 1945.

Veterans Requested Not To Apply For Surplus Until Nov. 26

"The flood of veterans applying for surplus government property, resulting from increase demobilization from the armed services, has thrown such a load on this office," said H. W. Jensch, District Manager of the Smaller War Plants Corporation, Cincinnati, "that we are forced to stop taking applications for the period of November 12 to 26 in order to process those of Veterans we now have on hand."

"This does not mean," continued Mr. Jensch, "that we are not interested in giving every consideration to those veterans who have not already filed with us, but it is obvious that we must take care of the applications we have already received before adding more to the backlog we now have. It is anticipated that the Cincinnati Office will have its backlog up by Monday, November 26, at which date we will again be in a position to take Veteran applications for surplus property."

WAR PRICE BOARD TO CLOSE NOV. 23

BOONE COUNTY BOARD WILL BE TRANSFERRED TO COVINGTON, ACCORDING TO R. E. BRUGH, CHAIRMAN.

The War and Rationing Board 32-8.1 at Walton, Boone County, Kentucky, will be closed to the public on November 23, 1945. This Board will be transferred to Covington, Ky.

After November 23rd all applications from Boone County must be presented or mailed to the War Price and Rationing Board 32-61.1, 5th and Scott Street, Covington, Kentucky, as that Board will assume the duties and powers of the Boone County Board.

R. E. Brugh, Chairman Boone County Board said, "The members and the office personnel desire to take this opportunity of expressing our sincere thanks and appreciation of the fine cooperation that the people of Boone County have given us since we have been working in this program and are sure you will continue to give the Covington Board the same consideration and cooperation."

Fish And Game Club Will Meet Tonight

The Boone County Fish and Game Protective Association will hold its regular meeting tonight, (Thursday) at the club house on Burlington-Idlewild road.

Lunch will be served at 8:00 by the refreshment committee, it was announced.

All members are urged to attend this meeting.

Dr. Rice To Speak At Burlington Church

All members are urged to attend this service as special business will come before the group at this time.

Examiners Audit County Books Mon.

Thos. E. Knight and Thomas M. Knight, State examiners, from Frankfort, audited books of all county officials of Boone County Tuesday of this week. The examiners report that all affairs of the county and books are in perfect order.

Farmers Urged To Treat Sheep

Farmers are urged to treat their sheep with Phenothiazine drench or pills before December 1st, according to H. R. Forkner, County Agent. Nodular worms have become a major problem. The late November drench gives effective control for these and other stomach worms. Each individual sheep should be given one ounce or 25 grams of Phenothiazine.

Failure to complete this treatment as part of the county recommended parasite control program may lead to less effective control and a waste of winter feeding. Those desiring additional information should contact the County Agent's office.

Salt Saves 23 Per Cent Of Hog Feed

Salt is "White Gold" in hog feeding any other feed ingredient, according to College of Agriculture reports at the County Agent's office. Experiments show that one pound of salt saves 213 pounds of feed when fed to fattening pigs. Pigs deprived of salt required 38 per cent more time and 23 per cent more feed per hundred pounds of gain.

Results of recent surveys show that less than one-fourth of Kentucky farmers keep salt before their stock at all times. Coarse salt before livestock at all times is considered the best method of feeding. Salt has been known to kill stock when overfed after being starved for salt over too long a period of time and when rain makes a brine in the salt box. It is considered best to have the salt box covered to keep out the rain.

Former Boone County Resident Dies In Chicago

Mrs. Ann Matilda Carpenter Smith, age 93 died at her home in Chicago, Illinois, on November 1. Mrs. Smith was a former resident of this county, being born on Prick-Pike, near Florence. She was a daughter of the late Albert and Frances Southern Price, and a sister of William Albert, William Ezekiel and Andrew B. Price, who resided in Erlanger.

Mrs. Smith devoted part of her time to writing poetry and music. At the age of 82 she composed the words and music to the song "Path of Roses Red." She also composed the Prosperity March, later changed to the Victory March and was dedicated in honor of the late Franklin D. Roosevelt in 1937.

She is survived by three daughters, Mrs. John Anna Carpenter Hall and Miss Marguerite D. Smith both of Chicago and Mrs. Mary Carpenter Haskins, of Dallas, Texas; and one son Price Eldridge Carpenter of Fairfax County, Va. Mrs. Frances (Nannie) Carpenter Fisk, her oldest daughter preceded her to the grave four months ago.

Funeral services were conducted from Florence Christian Church, Sunday, November 4 at 2 p. m., with Rev. R. H. Carter, officiating. Burial was in Florence Cemetery.

Mrs. Smith joined the Florence Christian Church in early childhood and was married in the church to her second husband John Woodford Carpenter on October 5, 1870.

Tharp and Smith, Florence funeral directors were in charge of arrangements.

Sarah Katherine King

Mrs. Kate King, passed away at her home in Walton, Ky., on Saturday, November 10th, after a brief illness.

Funeral services were conducted Monday afternoon at 2:00 p. m. at New Bethel Baptist Church, by Rev. Garriott, of Walton, assisted by Rev. Roy A. Johnston, of Burlington. Burial was in New Bethel Cemetery.

Mrs. King was the wife of Austin King, who departed this life in 1939. She is survived by one daughter, Mrs. Lawrence Farrell, of Verona; 6 sisters, Mrs. Nannie Alexander, Mrs. Maxie Webster, Mrs. Mollie Powers, Mrs. Emma Alexander, Mrs. Edna Massie and Mrs. Maggie Chapman; and two brothers, Kirtley and Leslie Benson, both of Indiana and a host of other relatives and friends.

Mrs. King was a member of New Bethel Baptist Church, Verona, Ky.

Hamilton Funeral Service, of Verona, was in charge of arrangements.

DAIRY MEETING NOVEMBER 27TH

NEW DEVELOPMENTS IN STATE- WIDE BREEDING IMPROVEMENT PROGRAM PRESENT IM- PORTANT PROBLEM.

Boone County dairymen will hold a dairy breeding and feeding school at Burlington courthouse Tuesday evening, November 27th at 7:45 p. m. Lynn Copeland, dairy field agent from the College, will lead the discussions at the meeting.

Feeding and new developments in the state-wide breeding improvement program present two of the most timely and important problems confronting dairymen today. All dairymen are invited to attend and take part in the discussions at this meeting.

MARK GODMAN WILL BE SPEAKER

AT OPEN MEETING TO BE HELD AT FLORENCE, MONDAY, NOVEMBER 19—PUBLIC URGED TO ATTEND.

Most Kentuckians are proud of their State, and well they may be in many respects. She ranks first in the production of some commodities and among the first in many things; tobacco, corn, dairy products, coal, lumber and fine horses. She has the finest farmland in the world in the bluegrass section; she has the most beautiful scenery in her mountains; she has one of the seven wonders of the world in her cave region, yet she ranks in the forties educationally.

The Kentucky Educational Association has mapped out a program of education legislation which will be presented to the 1946 General Assembly. Mr. Mark Godman will discuss this program in an open meeting at Florence school Monday, November 19 at 7:30 p. m.

Every citizen in the county, who is interested in improving our educational standards is invited to attend this meeting and hear this able man speak on the subject.

With Peace Civilians Can Anticipate New Canned Foods Soon

Now that the postwar era has come a reality with the downfall of Japan, citizens of Boone County can look forward to dramatic developments in canned foods, many of which were first packaged for the armed forces, according to W. C. Stolk, vice president of the American Can Company.

Mr. Stolk said that approximately 376,000 cans of food opened annually by residents of the county undoubtedly will be largely increased with the arrival of the new postwar items. It will be no trick at all, he said, for a housekeeper to put together a three or four-course meal by making use of the canned foods she should shortly find on grocery shelves.

Among the new foods he listed are such items as canned hamburgers, canned bacon, seafood cocktails and salads in cans, as well as a host of meats and cans among them chicken with dumplings, beef and gravy, pork with apple sauce, ham with raisin sauce and boned turkey.

Homemakers Sponsor Waste Paper Drive

Anyone having waste paper, please leave at Vernon Pope's any day. Those not having a car to deliver paper there, please tie in bundles and place at curb, and Mrs. Vernon Pope will collect it on Friday afternoon, November 16. Do not put paper out if raining.

For further information call Mrs. Jas. G. Smith, Burlington 83.

Sunday guests of Mr. and Mrs. J. W. Kelly were Mr. and Mrs. Owen Hoard and daughter Lorretta. In the afternoon they attended baptismal services at the Elsmere Baptist Church.

Qualified Seamen Are Urgently Needed

The United States Maritime Service is making an urgent appeal for qualified seamen having four months sea experience in an unlicensed capacity in either the deck or engine departments. Men having this sea time are eligible for officer training at the United States Maritime Service Officers' School, Port Trumbull, Connecticut.

Upon completion of a four months course at Port Trumbull the officer-candidates are automatically commissioned an Ensign in the United States Maritime Service in either the deck or engine departments.

While in training the officer-candidates receive \$126.00 monthly plus quarters. Upon completion of the course of training and commissioning in the United States Maritime Service a uniform allowance is also given the officer-candidate. Any one holding seaman's papers and having the necessary fourteen months sea experience should apply in person or by letter to the United States Maritime Service Enrolling Office, 1720 Euclid Ave., Cleveland, Ohio.

Robert Ivan Gulley Receives Discharge

Pfc. Robert Ivan Gulley, son of Mr. and Mrs. Harry Gulley, of near Burlington, received an honorable discharge from the U. S. Marine Corps, at Great Lakes, Illinois on November 11th.

Ivan served in the Marine Corps 21 months, 15 of which were spent overseas in the Pacific. He was stationed aboard the battleship U. S. S. North Carolina.

He received his basic training at San Diego, Calif. Prior to entering the service he was employed on the farm of his father.

Receives Discharge

Pfc. Preston C. Woods, husband of Mary Ann Maxwell Woods, of Richmond, received his honorable discharge Saturday, November 10, at Camp Atterbury, Ind.

Pfc. Woods has served in the Army three years, two years overseas. He has served with the First, Third and Fifteenth Armies.

He wears the ETO Ribbon with 2 battle stars, American Theater Ribbon, Good Conduct Ribbon and World War II Victory Medal and the Distinguished Unit Citation Medal.

He received his basic training in the Quartermaster Corp at Camp Lee, Va.

Mr. and Mrs. Henry Slekmann had as Sunday guests, Rev. and Mrs. A. C. Young, of Lexington, Mrs. Howard Acra and daughter and Mr. and Mrs. Vernon Anderson, of Hebron.

Lt. Lorraine Reimer On Terminal Leave

Lt. Lorraine Reimer Melvin of the Army Nurse Corps is on terminal leave from the U. S. Army.

She has served three years, being in England, France and Belgium. At present she is visiting Mr. and Mrs. Walter Melvin, of Boston, Mass., where she expects to make her home when her husband, Sgt. Walter Melvin, Jr., returns from overseas.

Hebron Boy Returns After 11 Months Duty Overseas

Pfc. Kenneth S. Ratcliff, son of Mr. and Mrs. C. L. Ratcliff, was honorably discharged October 28th at Camp Fannin, Texas, after two years and two months service, of which time 11 months and twenty-five days were spent overseas.

Kenneth wears the Purple Heart, being wounded near Bres, France, when shrapnel struck in his left cheek. He is also entitled to wear the ETO Ribbon, Good Conduct Ribbon and 4 battle stars.

Pfc. Ratcliff received his basic training at Camp Wallace, Texas, and Camp McCain, Miss. He entered the service after graduating from the Hebron High School.

One other brother Sgt. Clayton E. Ratcliff is now stationed in the Pacific with the U. S. Forces. He expects to be attached to occupation forces in Korea.

Arthur Goshorn Home After Two Years With U. S. Marines

Arthur Goshorn, 34 former stereotyper for The Enquirer, fought with the Fourth Marine Division on Iwo Jima, declined to describe his close calls.

"Why there were so many of them I wouldn't know which one to tell about," he explained.

Goshorn, who was with The Enquirer for nine years, is back on the job this week. He has been discharged after two years of service in the Marine Corps. He went overseas in March 1944, to serve as assistant BAR-man, carrying ammunition for an automatic rifle.

His wife, Mrs. Evelyn Goshorn, and their three children, Jacqueline, Lawrence and Diana Lee, live at 11 Lloyd Ave., Florence, Ky.

TIRE APPLICATIONS TO BE PROCESSED

BY LOCAL TIRE BOARD COM- POSED OF LOCAL CITIZENS ACTING AS A SUB-PANEL OF MAIN BOARD IN COVINGTON.

All tire applications for Boone County, for the duration of the tire rationing are to be passed upon by a Local Tire Board composed of local citizens acting as a sub-panel of the main Board at Covington.

Beginning November 19th, all applications (other than tires) are to be delivered or mailed direct to the Price Board at Covington, Ky., 5th and Scott Streets.

The members of the Local Board, and the office personnel desire to take this opportunity of expressing their sincere thanks and appreciation of the fine cooperation that the people of Boone County have given them since they have been working in this program and are sure you will continue to give the Covington Board the same consideration and cooperation.

Hebron High Wins Over Walton-Verona Five

Hebron High School defeated the Walton-Verona five last Friday night on the Hebron hardwood by a score of 35 to 24. The winners took an early lead and were never in danger. They led a half-way mark 21 to 12.

Hebron's reserves won over Walton reserves by a score of 34 to 20. Burlington suffered defeat last Thursday night at the hands of the New Haven five, by a score of 35 to 21. New Haven took an early lead and made a safe margin throughout the game.

The score by quarters follows, 6-3, 17-11, 24-16 and 35-21. Howard and Knox divided scoring honors for the winners with 11 each, while Clore collected 8 for the losers.

In a preliminary game, New Haven reserves won over Burlington by a score of 20-9.

Florence P.-T. A. Will Sponsor Play

"Billy's Goat," a farce depicting the homelife of a tired business tycoon and his exasperating family, will be presented by the Florence P.-T. A. Tuesday, Nov. 20th, at 8:00 p. m. in the school auditorium.

Rev. Paul Rimmer, Hopeful Lutheran Church, is the financial giant who finds making money simple compared to managing a family. "An Annals of the Florence P.-T. A. publicity-seeking daughter and Robert Tanner plays "Billy," the high pressure salesman who attempts to bring peace and order to the home.

Mrs. Margaret Hopper, Miss Cifra Watts, Mrs. Sarah Luster, Dr. Thomas Lutes, Dan Hopper, Mr. Helen Orschelle and Mrs. Sarah Markesberry complete the cast of the three-act comedy.

New Bean Variety Increases Yield

The Logan, a new green pod garden bean variety, was grown in two demonstrations by the county this year, according to H. R. Forkner, County Agent. This variety produced from one-third to fifty percent more edible beans than the other varieties commonly grown and was of excellent quality.

The Logan is a cross between U. S. 5 (Selection of Refugee or 1000 to 1) and stringless Black Valentine. It proved highly resistant to disease and drought.

Limited amounts of seed of this variety are reported to be offered on the market this coming year. Local growers are urged to secure some of these seed for comparison with the varieties they usually grow.

Paul Yelton, Phillip Yelton, Joe Smith, Bob Brown, Dan Cropper, H. R. Forkner, Jr., Jimmy Ryan and Billy McFee were accompanied to Chicago by Mr. and Mrs. A. D. Yelton, where they were entertained over the week-end as guests of R. M. Anderson.

REMEMBER WHEN

—women's hats were held in place by two or three hatpins? Long affairs they were, some with large fancy heads, jewel studded and ornately decorated with metal work. Putting on and taking off a hat was a real feminine art that required a mite of patience along with the skill of adjusting the pins. Remember?

Food And Home Notes

Apples and sweet potatoes are served by housewives during the fall months. Many farm families have difficulty keeping sweet potatoes during the winter months unless properly cured. Sweet potatoes are an excellent source of vitamin A, particularly those that are highly colored, according to Mary Hood Gillaspie, Home Demonstration Agent. All the pies for which American cooks are famous, the favorite with many is the hearty pie filled with yellow sweet potato custard. The following recipe for sweet potato pie comes from home economists of the U. S. Department of Agriculture. Ingredients: 2 tablespoons fat, melted; 1/2 teaspoon salt; 1/2 cup corn syrup or sugar syrup; 1/4 cup orange juice; 1 tea-spoon grated orange rind; 2 cups

mashed sweet potatoes; 1 or 2 eggs; 1/2 cup milk. To make: Add fat, salt, syrup, orange juice and grated rind to the hot mashed sweet potatoes. Add beaten eggs and milk. Beat well. Fold in stiffly beaten egg whites. Pour this mixture into a 10-inch baked pie shell and bake in a moderate oven 30 to 40 minutes. Apples are served in a variety of ways. The so called baked apple has been found to hold its shape, color and flavor of whole apple better and take less time and heat, if cooked on top of the stove. For home cooking a method of top-stove cooking known as "glazing" may be used instead of baking. The Minnesota Experiment Station suggests. Minnesota directions for glazing apples are: Scrub apples well. Remove cores. Cut a slit in the skin all the way

around the apple at right angles to the core to prevent the skin from bursting during cooking. Place apples in a saucepan. Make a mixture of spice and sugar: using about a teaspoon of all spice or cinnamon to each half cup of sugar. Put the sugar and spice mixture in the holes left by removing the cores. Add a fourth cup of water for each apple in the pan. Cover the pan and cook on top of the stove over low heat. Turn apples once during cooking. Cook until apples are tender—usually from 7 to 15 minutes. The last minute before the apples are done, remove the cover. Take care not to overcook, for once tender, apples cook to mush quickly. For this method of cooking, or for baking in the oven, it is important to choose varieties of apples that hold their shape well.

SURPRISED ON BIRTHDAY
Saturday evening, November 3, Mrs. Wilma Ryle was surprised on her 37th birthday by her friends, who arrived with overflowing baskets. When Mrs. Ryle entered the dining room she found the table full of good things to eat and a beautiful birthday cake presented by the guests. She received many useful and lovely gifts.

Those present for the occasion were Mr. and Mrs. Wilbur Bodle and family, Mr. and Mrs. Carl Bodle, Mr. and Mrs. Jewell Scott and family and the host and hostess.

At a late hour, all left, wishing her many more happy birthdays.

The best corn crop in 10 years was grown in Anderson county, Ky. 103 giving the highest yield, with U. S. 13 a close second.

At least three-fourths of all tobacco ground in Menifee county has been planted to crimson clover, vetch or balbo rye.

Prevent winter diseases
by dry-dusting with

CARBOLA
the Disinfecting White Paint

Dry disinfecting is practical during winter months. Doesn't add moisture to floors, dropping boards and nests as with liquid. Apply dry Carbola dust lightly, each day. Helps prevent winter disease epidemics. Excellent against ammonia fumes in rabbitries and dog kennels. Use as a scouring powder to clean water troughs and feeding dishes.

THE NAILS

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

The nail, like the hair, is a specialized epidermal structure. It is composed of two layers, the mucous or the soft layers, and the horny which constitutes the nail proper. The nail bed is the tissue covered by the nail. The posterior end of this is the matrix from which the nail grows. The exposed portion of the nail is termed the body and the posterior portion embedded in the groove is the root. Occidental white spots on the nail are due to the presence of air between the lamellae.

Ingrown nails is a condition in which the free edges of a nail has penetrated through the skin layers and become imbedded in the soft parts of the toe.

In 98% of the cases shoes are the cause. How often have you put shoes on in a store (that knows nothing about feet) that are long enough when you are sitting down, and the minute you stand up they are short. It is an absolute impossibility to fit feet unless you can control feet with the shoes you are being fitted in. This is important. The foot must be locked at the arch so as to hold the foot back against the heel so that the shoe that gives you 1/4 of an inch clearance when selling does not get short when you stand up.

—Adv.

OBITUARY

Jacob Cook, son of the late Theodore and Odella Cook was born Feb. 2, 1868, died Oct. 14, 1945, age 77 years.

On Nov. 3, 1892 he was united in marriage to Mary Alice Snyder and to this union 4 children were born, Mrs. Cam White, Paul Cook, Geo. Cook, and Mrs. Lou Williamson, they with three grandchildren and two great-grandchildren and one brother remain with the wife to mourn the passing of this loving husband and devoted brother, father and grandfather.

In June 1895 he united with the Bellevue Christian Church and remained a member there until death.

He was widely known throughout the county and had a host of friends and was highly respected by all who knew him.

The family, friends and neighbors, lament a loss in which they can only be reconciled by a higher power.

Always happy, his cheerful, sunny disposition shed happiness over all whom he met and associated with.

The life has ended here to be-

gin anew in that other home to await the coming of others and to meet the loved ones who have gone on before.

Not now, but in the coming years it may be in a better land; We'll read the meaning of our tears. And there, sometime, we'll understand.

Then trust in God thru all thy days Fear not, for he doth hold thy hand

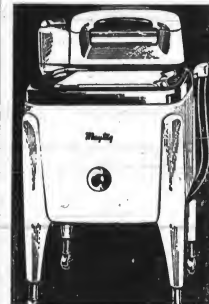

Though dark thy way, still sing

and praise Sometime, we'll understand.

NUMBER 22

BOND DRIVE SHORT OF GOAL \$108,000

PRECINCT CHAIRMEN URGED TO MAKE ACTIVE CAMPAIGN IN RAISING QUOTA—EVERYONE URGED TO BUY BONDS.

The third week of the Victory Bond Drive in Boone County brings our subscriptions to \$45,787.50 in E bonds and \$154,200.00 in other bonds, making a total over all sales of \$199,987.50 up to last Saturday night.

To reach our goal of \$90,000.00 in E Bonds and \$218,000.00 in other bonds we must have \$45,000.00 more in E Bonds and \$63,800.00 in other bonds. We are a little over \$108,000.00 short of the county quota. Only 194 people so far have subscribed for bonds, which is not a very good showing in a county of 10,000 people. It would appear that more people would be interested in helping to put this drive over before December 8th.

Anyone desiring to subscribe for Series E, F and G bonds should do so before the last day of November so their investment will begin to bear interest from the first day of November. Subscriptions made in December bears interest from the first day of December.

The county Chairman is requesting the precinct chairmen to begin active work in raising the precinct quota and not wait until the last week of the drive, as the last week should be devoted to special work, should reports indicate a shortage on the county quota.

We must not fail to reach our quota in this our last effort in helping to finance our Government in Victory. If you have not subscribed please go to your bank and do so and not wait until the last week of the drive. Your precinct chairman is very anxious to know well in advance of the close of the drive as to just where his precinct stands.

Will you not help? Buy a bond even though it be a small one. They all help!

Banks Closed Thursday

Banks throughout the county will be closed today (Thursday) in observance of Thanksgiving Day. Post Offices will be closed and rural mail carriers will observe the day.

The Recorder is issued one day earlier, printing Tuesday night, in order that our paper will reach many subscribers Wednesday.

MASONIC MEETING POSTPONED DUE TO THANKSGIVING DAY

Burlington Lodge No. 264 F. & A. M. has postponed its regular meeting, scheduled for November 22nd, until December 13th, due to Thanksgiving Day falling on the regular scheduled date.

MISSION SCHOOLS TO BE HELD IN CO.

SERVICES BEGIN NOVEMBER 25 AND CONTINUE THROUGH 30—SPONSORED BY BAPTIST MISSION COMMITTEE.

A school of Missions, sponsored by the Baptist Mission committee will begin Sunday morning, November 25 and continue through November 30th. These services will be held in the Burlington Baptist Church, Walton Baptist Church, Union Baptist Church, Big Bone Baptist Church, Bullittsville Baptist and Florence Baptist Church. Services will be held each evening at 7:30. The following is a list of speakers and dates for the Burlington Baptist Church:

Sunday morning, Rev. Rushing; Sunday evening, Rev. G. C. McDaniel; Monday night, Rev. J. E. Jackson; Tuesday night, Rev. R. A. Jacobs; Wednesday night, Rev. E. Furdue; Thursday night, Rev. L. O. Griffith; Friday night, Rev. R. A. Johnson.

All of the above men are returned missionaries from foreign mission fields.

Beginning Monday night, November 26 at 7 p. m. and continuing through Friday, a Mission book will be taught to Juniors, Intermediates and adults.

This is something new to the churches of Boone County and promises to be interesting and instructive. The public is cordially invited to attend.

Will Open Law Office

John O. McEvoy

John O. McEvoy, brother of Wm. McEvoy former employee of the Florence Deposit Bank, has opened a law office in Florence in the Florence Building and Loan Association Building.

Mr. McEvoy was reared in Boone County and is a graduate of Florence High School. He is also a graduate of the Jefferson Law School in Louisville.

He is married and has two children.

His office will be open for a general law practice, and he will appreciate your patronage.

DEER PERMITS WILL BE ISSUED

THROUGH STATE FISH AND GAME DEPARTMENT—AMMUNITION TO BE SUPPLIED BY DEPARTMENT AT COST.

Frankfort, Ky.—Director Earl Wallace of the Division of Game and Fish announced this week that Kentucky sportsmen may now make application to the Division for special permits to hunt European red deer in the Bernheim forest area. The hunt will begin on Wednesday, January 2.

To obtain a permit, an applicant must first write a letter to the Division, giving the name of the individual, or names of members of a party, wanting to participate in the hunt. No money is to be sent with the letter.

The Division will then send application forms and full instructions to the applicants. In turn, they will fill out the applications, return them to the Division and enclose the \$10 fee for each hunter.

The applicants will then receive instructions assigning the days on which they are to hunt, and telling them where to report.

Wallace said he hoped that three days would be possible for each hunter in the field. The number of hunting days, however, will depend on the number of applicants, he said.

When hunters return their filled-out applications they may indicate their preference for the area in which they wish to hunt, and the Division will follow such preferences as far as possible.

While the deer are theoretically concentrated in the Bernheim forest, Wallace said the herd will fan out and hunting may be as good in surrounding territory as on the Bernheim forest lands.

The \$10 fee will entitle a sportsman to hunt. If he kills a deer he will pay \$15 additional. The \$15 will be collected from him at the station to which he reports.

Hunters must hunt on the days assigned to them, regardless of weather. Only shotguns with ball or 00 buckshot loads will be permitted. Such ammunition for 12, 16 and 20 gauge guns will be available for purchase from Division men in the hunt area at cost.

Deer of any age or either sex may be taken.

Mrs. Sarah Day

Funeral services were held at 2 p. m. Saturday at the Church of Christ, Constance, for Mrs. Sarah Day, 59, who passed away Wednesday night at her home in Taylorport. Burial was in Hebron Cemetery.

Mrs. Day leaves her husband, William Day; three sisters, Mrs. Eliza Anderson and Misses Addie Ohler and Jennie Iles, all of Cincinnati.

The Catherman funeral home, Ludlow, was in charge of arrangements.

OHIO YOUTHS FACE CAR THEFT CHARGE

ARRESTED MONDAY BY SHERIFF GLENROSE WILLIAMS. MEN ARE HELD FOR OHIO AUTHORITIES.

Thomas Ralsor, 16, of 2103 Winchell St., Cincinnati, O., and Jos. Shaw, 3745 River Road, Cincinnati, were being held in Burlington jail Tuesday for Ohio authorities, charged with the theft of a 1937 Packard, owned by N. J. Barnett, of 278 W. McMicken Ave., Cincinnati.

The youths were picked up by residents in the North Bend Bottoms, after their car had stalled, and were brought to the Hebron garage. Being suspicious of the youths, Glenrose Williams, Sheriff, was called and notified that the "rough-looking youths had stalled the car in a ditch near Hebron."

At the time of the call no deputies were in the office, so Sheriff Williams drove to Hebron, picked up the youths and returned them to Burlington. As she stopped her car at the courthouse, one of the youths jumped from the car and started to run, but was brought down by a passenger of the car which followed her into town.

The youths admitted that the car they had been driving was stolen in Cincinnati. Charges of larceny were placed against them, and they are being held in Burlington jail for Ohio authorities or FBI investigation.

Thomas Ralsor told Miss Williams that he had been on parole from a tention home in Ohio.

Petersburg Man Awarded Bronze Star

Hq. ICD-ATC, Calcutta—F-Sgt. Sam P. Shinkle, whose parents, Mr. and Mrs. Bolivar Shinkle, Jr., live at Petersburg, Ky., was awarded a Bronze Star Medal "for meritorious achievement against the enemy," it has been announced at his headquarters.

Sergeant Shinkle left the Camp of Transylvania College in January 1942 for assignment with the Armed Forces. After a tour of duty at the Air Transport Command base at Long Beach, California, he was transferred to Wilmington, Delaware, where he became squadron first sergeant.

On September 26, 1944, Sergeant Shinkle was assigned to overseas duty with the India China Division of the Air Transport Command. He became first sergeant of an advanced base in Burma, and after four months at that post, his station was sent to India China Division headquarters at Calcutta, where he assumed the duties of first sergeant.

Prior to his entrance into the army, the 25-year-old Kentuckian was a star college athlete and was about to begin a professional baseball career pitching for Toledo in the American Association. He hopes to return to the diamond after his discharge from the Army in December.

Miss Mary Bess Cropper attended the Girl Reserve Conference at Carrollton, Saturday.

BURLINGTON GIRL IS ESSAY WINNER

EULA BINGHAM TAKES FIRST PLACE—WILL BE ENTERED IN STATE CONTEST—JOE KELLY SMITH IS SECOND.

Miss Eula Lee Bingham, Burlington high school student, won first place in the County Courier-Journal and Louisville Times essay contest. The subject of the essay was "Conserving Kentucky Soil." Out of thirty-four entries, Miss Bingham was first; Joe Kelly Smith, Burlington, second; Rose Scott, New Haven, third; James Kenneth Wonderly, Burlington, fourth; Norbert Otten, Jr., Florence, fifth.

The winning essay in the county will be sent to Louisville to compete in the State contest. Winner of first place in the State contest wins a \$25 War Bond. This essay contest is an annual affair and is open to any boy or girl enrolled in a grade or high school in Kentucky.

The supervisors of the Boone County Soil Conservation District wish to thank those pupils who took part in the contest as well as their instructors.

Fire Damages Florence Apartment Last Week

Fire damaged the building of Mr. and Mrs. Louis Houston last week, when a kerosene stove exploded in the apartment occupied by Stella Connelley and sons.

The Florence Fire Department was summoned and quickly extinguished the place. The furniture was badly damaged, but damage to the building was minor, it was reported.

Mrs. Connelley's husband is stationed in California.

URGES CUTTING OF FENCE ROWS

FARM BUREAU SPONSORS MOVE TO CLEAN UP RIGHT-OF-WAYS—WILL ELIMINATE HAZARDS.

The Boone County Farm Bureau at their last meeting appointed a committee to find means of securing improvements along the road right-of-ways in the county. The past two years both the state and many farmers in the county have been unable to cut bushes and weeds along the right of way. The result is poor visibility and a road hazard.

The Farm Bureau committee has recommended a campaign to encourage all farmers to clean out their fence rows especially along the county right-of-ways. The two weeks of November 19th through December 1st have been set as farm right-of-way clean-up week. Every farmer is urged to clean out his right-of-way during or before this time.

Calvin Cress' shop at Burlington has agreed to sharpen an ax or scythe, free of charge for any farmer who will work a day on his farm or his neighbor's cleaning out fence rows.

M. D. Rosa, District State Highway Engineer, informs the committee that the State Highway will cooperate in the fence row cleaning program and plans to do right-of-way mowing this month. The cleaning out of fence rows not only adds to the safety of the roads but to the value and beauty of the farm. Farmers have been too busy the past summer in many instances to do this work. The two weeks period, November 19th to December 1st, will offer an ideal time for this important job. Let's sharpen up our axes and scythes and get this job done.

COUNTY ATTORNEY CALLED

Chas. W. Riley

William Jarrell S1c Enjoying 30-Day Leave

William Jarrell S1c, of the U. S. Navy arrived in Burlington Wednesday night of last week for a 30-day furlough, after being stationed aboard the USS Cowpens, a navy carrier in the Pacific.

"Bill" as he is known to all his friends in Boone County has spent 17 months in the Pacific, aboard this carrier. His ship was a part of the Third Fleet, which participated in raids on Japan and Japanese-held islands in the Pacific.

He has been in the service nineteen months. He is entitled to wear the Asiatic Campaign Ribbon, the Victory Ribbon and nine battle stars.

The Cowpens participated in strikes against Wajalein, Eniwetok, Truk, Siapan, Tinian, Guam, Wake, Iwo Jima, Okinawa, Formosa, China Indo-China Mandano, Leyte, Luzon and the Japanese homeland.

The Cowpens was the first U. S. aircraft carrier to enter Tokyo Bay with the occupation forces. Upon termination of his 30-day leave "Bill" will report to the recruiting office in Cincinnati for further orders.

S-Sgt. "Skeets" Walton Returns From Pacific

S-Sgt. Edwin "Skeets" Walton, son of Mr. and Mrs. Phelps Walton, of Hebron, arrived home November 15th, after spending 20 months overseas.

"Skeets" entered the service January 26, 1943, and received his basic training at Camp Bowie, Texas. He was stationed in New Hebrides from April to July of 1944 and from July of that year until October 23, 1945 he was stationed in New Caledonia.

He is a former principal of the Burlington high school, and was serving in this capacity at the time he entered the Armed Forces.

Lt. Worfford Returns To States After 29 Months Duty Overseas

Lt. R. B. Worfford has been spending the past week with his parents, Mr. and Mrs. Wm. Worfford, after returned from twenty-nine months duty with the Fifth Army in Italy.

He was attached to the Quartermaster Truck Company. He stated that Rome is a beautiful city. He expects to return to work at the Gardner Richardson Paper Mills, a position he held eight years before enlisting January 4, 1941.

Discharged After 18 Months Overseas

Sgt. Ray L. Gruelle was honorably discharged from the Army October 10th, according to an announcement received this week. He served 41 months, of which time 18 months were spent in England and France.

He is entitled to wear the EAME Ribbon with four Bronze Stars and the Good Conduct Ribbon.

His brother Harold is now on his way home after spending thirty-seven months overseas.

Two Are Discharged

William E. Tanner, MOM2c, of Hebron, and William E. Peebles, EM3c, of Walton received their honorable discharge from the naval service, November 14 at the Great Lakes, Personnel Separation Center it was announced this week.

County Attorney Answers Summons Sunday Morning

Had Been In Ill Health For Several Months—Served Nine Years As County Attorney

Charles William Riley, the well-known and capable County Attorney of Boone County, quietly slipped from our midst at 5:45 a. m., Sunday morning, November 18, 1945, passing away in his sleep. Mr. Riley had been in poor health for some time and the tragedy of his death was not entirely unexpected, nevertheless it will serve as a distinct shock, not only to the immediate family, but also to his many friends, both in public and private life.

Charles Riley was born in Boone County, Ky., on December 13, 1891, being the son of Charles William and Corinne B. Riley (nee Balty). Both of whom have long since preceded him in death. Other children born to this union were George L. Riley, Edna Riley, Edgar C. Riley and Thomas Milton Riley, all of whom, with the exception of Edgar who died last winter, now reside in California. In this connection, it might be noted that Charles and Mrs. Riley had just returned from a visit to California on which they had visited his brothers and sister, as well as his son's wife Mrs. George Hankins Riley, and their newly arrived grandson, Dr. Riley, the son, is a Lieutenant aboard a battleship somewhere in the Pacific Ocean service, presumably Okinawa.

On November 9th, 1910, Charles William Riley was united in marriage to Oma Hankins, to which union was born one son, George Hankins, as noted above, and one daughter, who died in infancy. His wife and son survive him, as well as his wife's mother, Mrs. Melissa Hankins.

Leaving farm life to enter public life, Charles Riley spent a good many years as cashier of the Hebron Deposit Bank. Wishing to occupy a larger part in the life of the world, he attended night law school at the Y. M. C. A. in Cincinnati.

Mrs. Hattie Bagby

Mrs. Hattie Bagby passed away last Thursday night at her home near Walton.

Funeral services were conducted Saturday afternoon at 2:00 at Bellevue Baptist Church, with Rev. Robert McNeely, Patriot, Ind., officiating. Burial was in Bellevue Cemetery.

She is survived by her husband, William Bagby; one son, Jesse Lee; one brother Lee Marshall, of Bullittsville; two sisters, Mrs. Wess Stephens and Mrs. Lou Horton, of Rising Sun, Ind., and three grandchildren.

Chambers and Grubbs were in charge of arrangements.

TOBACCO CROP OF HIGH QUALITY

SAYS MR. RAIZER, FEDERAL TOBACCO GRADER IN ADDRESS TO BOONE COUNTY FARMERS TUESDAY.

The 1945 tobacco crop is both heavy weighing and high quality, according to Mr. Raizer, the Federal tobacco grader who addressed seventy-nine farmers in three striping and grading demonstration meetings held in the county last Tuesday. The crops brought in for the demonstration averaged from 40 to 50 percent lugs, or top a pound to a pound and a half to the stick with the usual average around one and a half pounds.

Raizer recommended farmers strip the crops strictly according to grades because if buyers with this year's crop are particular, mixed grades may suffer severely in price. Because of the acute shortage of tobacco the past three years, buyers have bought most tobacco sold at the ceiling price regardless of grade mixtures. This situation is not likely to continue.

The three tobacco striping and grading demonstration meetings were held at H. E. White's farm, John Boyer's farm and Burlington courthouse. Farm labor firms on labor saving practices in striping and grading tobacco were shown at the Burlington meetings.

REMEMBER WHEN

—women's hats were held in place by two or three hatpins? Long affairs they were, some with large fancy heads, jewel studded and ornately decorated with metal work. Putting on and taking off a hat was a real feminine art that required a mite of patience along with the skill of adjusting the pins. Remember?

CHRISTIANS WORKING TOGETHER IN THE COMMUNITY

LESSON TEXT: John 17:20-23; Acts 14:22-23.
GOLDEN TEXT: We are laborers together with God.—1 Corinthians 3:9.

Unity within the Church is God's plan for this purpose, but it does not mean that the man-made plans for unity are either scriptural or desirable. There is much pressure being exerted now to unite the Church on the basis of a vast ecclesiastical organization, quite apart from any doctrinal or spiritual unity.

Such unity was not in our Lord's mind. He wants spiritual unity, and in such fellowship the Church will find its only real bond of united life and action.

I. Unity in Spirit (John 17:20-23). Here we enter the veritable holy of holies of Scripture. Facing the time of His departure and death, the Lord prayed for those who believed, or would believe (v. 20) on Him.

What was His prayer? That they should be one with the Father, with Him, and with one another. This had to be accomplished while they remained in this wicked world (see John 17:13-16). How? By the cleansing and sanctifying work of the Word.

The Word of God—the Bible—is the instrument used by the Holy Spirit in this work of sanctification. Small wonder that there is little holiness and spiritual unity when the Word has so little opportunity to touch and to cleanse. Reader, do you study God's Word?

Such separation to God will result in real spiritual unity between those of all denominations and creeds. It is not some artificial thing to be put on the outside. It comes from the heart of man and reaches out into his life and into the lives of others.

II. Unity in Action (Acts 15:22-27). Satan tried to thwart the missionary efforts of the Church at the very outset by starting a doctrinal controversy.

Although the first council at Jerusalem (Acts 15) had decided that "to the Gentiles also hath God granted repentance unto life," the question did not stay settled, for there were persistent Judaizing teachers who now contended that even though the Gentiles could be saved, they had to come into the church by way of Judaism and first fulfill the Jewish rite of circumcision.

The story of how this vital and fundamental question came up is found in the early verses of Acts 15. The entire future of the church ministry was in a sense dependent on the solution of this problem. Christianity is the only religious faith in the world that presents justification by grace as the way of redemption; all others follow (more or less) the path of salvation by works.

The question now was: Shall works of the law be mingled with grace? Can Jesus Christ alone save men, or is salvation through Jesus Christ plus something else?

How was such a serious question to be settled? Should argument and strife be permitted to go on until the stronger party prevailed? Better judgment indicated the desirability of a Christian method of settlement.

The final decision of the council is sent not only by Paul and Barnabas, but also by a committee from Jerusalem, a gracious gesture of fellowship.

As a matter of record (a wise procedure in such a case), a letter was sent which, after addressing the Gentiles as "brethren," reviewed the history of the matter and then, without mentioning circumcision at all, put upon the Gentiles "no greater burden than the necessary things." And what were those?

Those things which relate to purity of life as those who were enjoying Christian liberty. The law of Moses need not be kept as a ground of salvation. They were saved by grace. But grace can never be the cloak of careless living, nor can liberty in Christ be interpreted as license to live in sin. We are set free in Christ, not that we may sin, but that we may "go and sin no more."

III. Unity in Doctrine (Acts 15:28, 29).

In non-essentials we should exercise toward other believers the greatest love and consideration. Men have a right to differences of opinion, and must follow the dictates of their own consciences. Let us not be betrayed into controversy on such matters.

There are certain foundation doctrines which are held if a church is to be Christian; concerning these we stand together. There is a faith for which we are earnestly "content" (Jude 3). We are never, even on the grounds of supposed courtesy, to give aid and comfort to false teachers (II John 9-11). Kindly, tactfully, but definitely the Christian Church must stand true to its doctrinal convictions, standing united against an unbelieving world, and it need be, an unbelieving religious world.

FLORENCE HOMEMAKERS

On Friday, Nov. 18th, the Florence Homemakers held their regular meeting at Town Hall. A very interesting lesson on "Landscaping" was given by Mrs. Fitzgerald.

On November 30, at 10:30, there

will be a special meeting on handicraft. Would like to see all members attend, for at that time we will plan our Christmas Party. Frances Luchie, Reporter.

Farmers Complimented On Pasture Mowing Work

At a meeting of the Boone County Soil Conservation Supervisors, Wednesday, November 14th, Mr. Threlkeld, president of the Kentucky Association of Supervisors, stated that he had traveled over many counties in Kentucky this fall and he believed Boone County passed them all in the mowing of pastures. He stated that more pasture mowing had been done here than even in the Central bluegrass area. He also stated that this was one of the essentials in the making of good pasture. Terracing-mechanical means of controlling erosion, is moving along nicely. Farmers that have had some of this work completed this fall are: Ed Ellis, Sam Roberts, Frank Milburn in the Burlington community; Herb and George Coleman, Robert Youell, R. B. Bingham, L. Redinger, in the Hebron community; H. Winfern, Bleson (Green Lawn), John Kyle, A. P. Ammon in Florence community; Arthur Ellis and H. Bregg in the Union community, and George Knox, Carl Schmidt in the Walton community.

Reduced sorghum production in Whitley county is said to be due to unsatisfactory prices received last year.

WHAS' Agricultural Activities

FRANK H. COOLEY, tall, lanky Kansan, is carrying on WHAS' typical personalized farm activities designed to do everything possible for the advancement of agriculture in the broad WHAS listening area.

No fancy ballyhoo, but a consistent, day-by-day co-operation with farmers, dairymen, stockmen, anyone with an agricultural problem. Cooley travels to every nook and corner of Kentuckiana, promoting every movement for the betterment of life on the farm. He goes to and reports on the livestock conventions, farm fairs, purebred breeders' sales, livestock and crop-improvement meetings and the like. To keep you informed he works closely with National, State and County farm agencies, seasoning his gleanings with his own broad farm experience.

Cooley, recently discharged from the Army, is no studio farmer. He was born and reared on a farm in northeastern Kansas, where one of his many projects was a dairy farm with a maximum of 90 head of cattle. A graduate of Kansas State College of Agriculture, he has taught vocational agriculture in Kansas high schools in addition to holding night classes for adult farmers.

Every morning at 10 minutes to 7 Frank is at the WHAS microphone giving farm news, market reports and agricultural information. Several times each week he is heard on another WHAS farm program, "Kentuckiana Almanac," and he's likely to pop into many daytime programs when he has some farm news to give you.

W. M. U. NOTES
"On a certain day in the fall
There's a special friend on whom
we like to call,
If this day is rain or shine
We will find 'Miss Annie' feeling
fine
It's her birthday."
So on October 22, 1945 the W. M. U. met with Mrs. Anna Bristow, it being her birthday.
Twenty members answered the roll call. We had the pleasure of having 4 visitors at this meeting, too. They were Mrs. Jessie Cleek, Mrs. A. T. Knox, Mrs. Halle Smith, of Chicago and Mrs. Connie Rouse. The program was given on "Our Baptist Schools." Special music was rendered by Mrs. Helen J. Gatewood and Elaine Greenup.
Mrs. Jessie Cleek made our program more interesting with a beautiful poem.
After the program was enjoyed a social hour with Mrs. Bristow. Upon leaving each of us were hoping that we may have this pleasure again next year and felt that it was good to have been in this home enjoying the friendship of a beloved W. M. U. member.

Kentucky's Highways
Were Not Built for
20-Ton Trucks

It is reported that the commercial trucking interests will endeavor to have the next session of the Kentucky Legislature pass a permanent law authorizing the operation of truck-trailer combinations weighing twenty tons.
Heavy trucks, when grinding slowly uphill, impede all traffic because of the difficulty and danger of passing. A fast-moving 40,000 pound truck, whether on a down-grade or on a narrow level road, is a positive menace to all other traffic. The book "Kentucky: Designs for Her Future," recently issued under the auspices of the University of Kentucky, thus aptly expresses the views of the operators of all motor vehicles - whether buses, trucks or automobiles. "Few experienced drivers relish the prospect of encountering 'highway trains' on a narrow, slippery, double switchback curve."
The danger and inconvenience in the day time is increased many fold at night.
According to the Good Roads Federation the 10,000 miles of highways in the Kentucky State Highway System include only 2,100 miles of high-type surfacing and there are 8,200 miles of road less than 20 feet wide and 3,200 miles less than 18 feet wide with 16,000 places where sight ahead is restricted by sharp curves or other obstructions. The facts are graphically portrayed in the following statement in the book "Kentucky: Designs for Her Future": "Her (Kentucky's) standing in high-type surfacing is relatively low - next to the bottom per unit of population."
In the County Road System, of 47,000 miles there are 27,690 miles of unsurfaced, mud roads, and the remainder cannot properly support the 18,000 pound trucks which were permitted before the war. The simple fact is that Kentucky's highways, consisting so largely of narrow, winding, hilly roads, were not built for 20-ton vehicles.
All commercial trucks in a normal year pay only about \$600,000 in gasoline and license taxes. That is less than 5% of the total highway taxes paid by the public and is also less than that part of railroad property taxes that is used for highway purposes in this state. To permit the operation of 20-ton trucks is as unfair to competing forms of transportation as it is unreasonable from the standpoint of the capacity and character of the highways.
Protection of the safety and convenience of the operators of passenger cars and of trucks of reasonable size, preservation of the highway and due regard for the taxpayers who build and maintain those highways - all unite with simple fairness to competing forms of transportation in requiring that reasonable limitations be imposed upon the instruments that use public property for private profit.

This message is published by the Kentucky Railroad Association. In addition to income taxes the railroads in a normal year pay in this state more than \$5,000,000 in property taxes, of which approximately \$2,500,000 is used for schools and more than \$800,000 for county roads and city streets.

REAL ESTATE TRANSACTIONS
R. P. Coleman sold the 30 acres recently purchased from O. T. Edwards on the Limburg-Hebron Highway to Edward S. Monahan

of Mariemont, Cincinnati. Mr. Monahan plans to build a nice home on this tract when building conditions improve.
Mrs. Nanette Stephens and son

Ben, sold the small house and lot adjoining Burlington on the Burlington-Belleview Highway to L. W. Guiley. This is a part of the property formerly owned by Mrs. Helen E. Snyder.
These two sales were handled through A. B. Renaker.
L. W. Guiley sold the house and lot purchased from Mrs. Nanette M. and B. C. Stephens to Mrs. Jane Peasley.

Splendid Reports Given At NKPCA Meeting Nov. 9

"Farmers in this area have borrowed \$23,263,000 from the Northern Kentucky Production Credit Association since it was organized 12 years ago, including \$317,358 during the past year," reported Mr. A. Threlkeld, president, at the annual meeting held November 9.

More than 80 attended.

Mr. Roy Battles from radio station WLW made a very interesting talk on the subject, "Advantages and disadvantages of being a farmer."

In his report as secretary-treasurer, Mr. Headley C. Greene said that the membership had grown to 594 farmer members in Kenton, Campbell, Carroll, Gallatin, Grant, Boone, Owen and Pendleton counties. He explained that as of October 31 farmers owned \$7,380 of association stock and that reserves amounting to \$22,950 protect this stock and assure farmers in this area of continued broadening of the association's service.

Mr. C. Liston Hemphill of Boone county and Mr. Roscoe Jump of Grant county were elected to the board of directors. Mr. Hemphill has served as a member of the board since 1935 and Mr. Jump since 1940. Both have taken vital interest in the affairs of the association and have spared no effort to promote its welfare.

Refreshments of ice cream and cookies were served after the meeting.

Hebron Victors Over Burlington Five Fri.

The Hebron High School basketball team defeated Burlington Friday night by a score of 32-13 on the loser's hardwood. Hitzfeld led the attack for Hebron with 13 points, while Presser collected ten for Burlington.

In a preliminary game, Hebron trounced the Burlington reserves by a score of 29-15. The Florence Knights will play the Hebron Cardinals on the Florence floor Wednesday night, November 21. The first game starts at 7:30. Both teams have won 4 games each and this promises to be a real contest.

On Tuesday night, November 27, Florence will play Beechwood on the Florence floor.

HUEYS ENTERTAIN

Mr. and Mrs. Duncan Huey, of Constance entertained Sunday, November 18th in honor of their daughter Donna Sue's second birthday.

Guests present for the occasion were Mrs. Harold Taylor and Dianne, Mrs. Louise Brockhoff and Linda Lou, Mrs. George Darling and Kathy Lee, Mrs. Richard Kottmyer and Judy Lee, Mrs. Leo Cotton and Leah Rae, Mrs. Charles Hodges and Sandra Elizabeth, Mrs. Fred Kiasner and John Douglas, Mrs. Lena Fritz and Bobby Lewis, Mrs. Charles Kottmyer and Charles Jr., Mrs. John Berkshire and Jerry Wayne.

The grandparents and great aunts attending were, Mr. and Mrs. Howard Huey of Petersburg, Mrs. R. B. Huey and Miss Estelle Huey of Burlington, Mrs. Lena Fritz, Misses Minnie and Josie Wismer, Mr. and Mrs. W. E. Zimmer, Mr. and Mrs. Henry Kottmyer.

Donna Sue received many beautiful gifts. Refreshments of ice cream, cake and orangeade were served the guests.

OBITUARY

Arch Noel, son of the late James and Martha Noel, was born in Gallatin county near South Fork, Nov. 25, 1880 and departed this life Oct. 28, 1945. He was married to Lizzie Baker, Dec. 22, 1909. He leaves to mourn his passing his wife, Lizzie Baker Noel, Verona; three sisters and one brother, Mrs. C. W. Fulton, of Zion City, Ill., Mrs. W. B. Copley, of Wood River, Ill., Mrs. J. T. Lamm, of Verona, and M. B. Noel, of Colfax, Ill., and a number of nephews, nieces, and other relatives and friends.

He united with the South Fork Christian Church a number of years ago and was a faithful member until his death.

He was a farmer until ill health forced him to retire. He moved to Verona 23 years ago at which place he and his wife boarded teachers and pupils of the Verona School for many years.

Funeral services were held at the New Bethel Baptist Church at 3:30 Wednesday afternoon with Rev. John E. Ashcraft and Rev. A. D. Childers officiating.

At the time of his death Mr. Noel was one of the Directors of the Verona Bank. By his joyful disposition and kind words he made many friends and will be sadly missed by all who knew him.

Burial was in the New Bethel Cemetery with Hamilton funeral home in charge of arrangements. The pallbearers were: G. C. Ransom, Walter Renaker, Harry Chapman, W. B. McCormick, John Code and H. Fisher.

VOLUME 70

NUMBER 25

Victory Bond Drive In Co. Short of Quota

BY \$35,550 IN E BONDS AND \$60,000.00 IN OTHER BONDS—LAST DRIVE, ACCORDING TO COUNTY CHAIRMAN.

Subscriptions in the Victory Bond drive in Boone County amount to \$35,550.00 in E bonds and \$60,000.00 in other bonds, making a total of \$215,550.00 sold up to last Saturday night.

We are short \$35,550.00 in E bonds and \$60,000.00 in other bonds on the county quota. We have this present week and next week to December 8th to make up this shortage. The County Chairman has requested all precinct chairmen to make special effort this week in trying to reach the quota so that the last week can be left for special work, if needed, in the event a small shortage is apparent at the close of this present week.

Do not wait until the last week to make your subscriptions. The chairmen are anxious to know where their precincts stand by the close of this week. Do your duty in helping to make up this \$95,000.00 shortage on the county quota by going to your bank this week and make a liberal subscription. Boone County must not fall in this Victory Drive, the last drive in which the public will be asked to subscribe.

Joe Pepper Suffers Injuries In Collision

Joe Pepper, son of Mr. and Mrs. Chas. Pepper of Burlington, R. I., stationed at the Naval Air Station, Minneapolis, Minn., suffered a fractured skull, and bruised shoulder when the car in which he was riding was struck by another car forcing it into a tree.

Joe writes that he is recuperating nicely from the accident and has been able to walk about.

Joe and two companions were enroute to their base when the accident occurred.

Food Contestants Scored By Committee

Boone County entrants in the 1945 Food Preservation and Storage contests will be scored this coming week, according to the County and Home Demonstration Agents' offices.

Two contests, one in home canning and the other in home canning and storage, are open to all Boone County families. Winners of the two contests will receive awards from the Boone County Farm Bureau, The Walton Adviser, The George C. Good Company and the Geo. W. Hill Company.

All families who wish their records judged and have not already entered, are urged to do so this week.

Mr. and Mrs. Virgil S. Vice are the proud parents of an eleven pound son born Friday, November 23rd. The new arrival has been named Dennis Wayne.

X-RAY AIDS IN FIGHTING T. B.

NOVEMBER 8 MARKS FIFTIETH ANNIVERSARY OF DISCOVERY OF X-RAY—LET'S ALL BUY CHRISTMAS SEALS.

The perseverance and ingenuity of a scientist 50 years ago brought to light a physical phenomenon which has become one of the modern physician's greatest aids in diagnosing human ailments.

November 8 marked the fiftieth anniversary of the discovery of the X-ray by Wilhelm Konrad Roentgen, professor of physics and mathematics at the University of Wurzburg, Bavaria. Numerous experiments in radiation had been made by Roentgen when his search for invisible energy was crowned with success. He had produced a ray so powerful it penetrated opaque objects.

With complete simplicity, the mathematician named his new ray "X"—the unknown. Today that "X" stands for countless lives saved—for by means of Roentgen's ray pictures can be taken of the

human body to guide the physician in determining the source and extent of disease and injury.

Perhaps nowhere is the value of the X-ray more apparent than in the fight against tuberculosis. Here the X-ray is not only used to diagnose the disease, which has no outward symptoms in its early stages, but is also an effective weapon in the campaign to control tuberculosis. By X-raying large groups of seemingly healthy people, previously unsuspected cases of tuberculosis are found. This is to the advantage of the individual and of society. To the individual it means that treatment can be begun before the disease becomes far advanced. To society it means that precautions can be taken to prevent the infected individual from passing the disease on to others.

In our community, tuberculosis control program is supported by the sale of Christmas Seals. A fitting observance of the golden jubilee of the X-ray—a scientist's gift to mankind—would be the generous purchase of these Seals. Let's all buy and use Christmas Seals.

"If by error on our part, you should receive two envelopes of Seals, the extra ones may be returned, if you wish," said Mary Bess Cropper, Treasurer Boone County Tuberculosis Association, Burlington, Ky.

Utopia Club To Meet November 29th

The Boone County Utopia Club is to hold its monthly meeting on Thursday evening, beginning at 7:45 p. m., at the courthouse, according to James Franklin Brown, club reporter. A good program has been planned for this meeting. Mrs. Pearl Haak from the State College is to speak to the ladies on "The Uses of Milk in Cooking" and Grant Maddox will speak on "Promoting Clean Milk."

We hope that all members can be present for this meeting and any new members interested are welcome.

The monthly meetings discuss new and improved methods and interests in the communities and farms during the seasons.

Refreshments will be served after the program.

Operator's Examinations Will Not Be Held From December 3rd To 8th

The Department of Revenue in Frankfort has announced that there will be no examinations for Operator's License conducted in the State during the week of December 3rd through the 8th. All of the State Patrol will be attending a school in Lexington for the improvement of the service.

A. D. Yelton advises that no Operator's License examinations will be conducted in Boone County during the week, but that the next regular examinations will be held on the 10th day of December, in the courthouse as usual.

REAL ESTATE TRANSACTIONS

W. E. Jones sold 24½ acres of land on Hopeful road to A. F. Best of Covington.

Ray Hill sold 71 acres on the same road to C. N. Kelley of Sanders, Kentucky. These two tracts are a part of the farm recently sold by C. F. Blankenbaker.

Val B. Doidick sold his farm of 70 acres on Linburg-Hobson State Highway to F. E. Plottman, of Ft. Mitchell.

These sales were negotiated through A. B. Renaker this week.

Clothing Needed

Clean warm clothing, particularly coats, are needed for both Europe and Boone County. It will be appreciated and put to good use if those who have wool clothing to spare will leave them at the local Red Cross in the courthouse.

W. M. U. WILL MEET

The W. M. U. of the Burlington Baptist Church will meet at the church December 7 at 11 a. m. in observance of December Week of Prayer and Lottie Moon Xmas offering. All women of the church are urged to attend.

A covered dish luncheon will be served at the noon hour.

Calvin Cross Moves To New Building

Calvin Cross & Sons are moving to their new building this week, located on Burlington-Florence Road, 2 miles east of Burlington.

The new structure, of concrete block, is 80x105 feet, and is complete in every detail. The front room will be used for display and parts room, while the rear compartment will be used for a work shop.

Mr. Cross and Sons are exclusive dealers for International farm equipment. A complete line of farm tools and supplies will be on display at all times. They will specialize in general repair of all makes of farm machinery and tools.

The concern is now open for business in their new location.

Eleven Men Inducted During November

Eleven Boone County men have been inducted into the U. S. Army during the month of November, through Local Draft Board 9, according to C. G. Kelly, Clerk.

The following is a list of men inducted: Edward Eugene Parkes, Wesley Moore Bingham, Harry Irvin Gullion, Harold Earl Regenbogen, David Greenville Kimberlin, Albert Otis House, Donald Carroll Scherder, Earl Glenn Aylor, Roy O'Neal Butler, Carl Anthony Middendorf and Nelson Theodore Horton.

CLEAN-UP DRIVE NOW UNDER WAY

SPONSORED BY FARM BUREAU ADMINISTRATION—GOVERNOR COMMENDS WORKS—CAMPAIGN CLOSES DEC. 1ST

The Farm Bureau Administration is sponsoring a campaign to clean out fence rows in Boone County, especially along the roads. They are asking every farmer in the county to devote a day each week or just an hour in an effort to not only beautify the county, but also improve your own farm. The closing date is December 1st.

To those who are fortunate enough to live on state or federal highways, the job will be easier as the state highway officials are co-operating to the best of their ability and doing everything in their power to make this campaign a success. The farmer who lives on the side road is the man that will have to use the axe.

A short drive over the majority of side roads will leave no question in anyone's mind that a little cleaning up would hurt no one. On some of our well-traveled side roads the bushes and undergrowth have grown up so that on some of the turns it is impossible to see over a few feet and have been the cause of some very serious accidents.

In justice to yourself, your family, and your neighbor—SWING THAT AXE!

The following letter was received by J. C. Acree from Governor Simon Willis:

"I think that the work that your organization is doing in cleaning up the fence rows in Boone County is a splendid, patriotic service. 'Not only would it make your highways and farms more beautiful for your own folks to enjoy, but it will make them much more attractive for the visitors that will soon be coming into our state. It also will enhance the value of your farms.'

"I think that this is a fine work and wish that every county would have a committee of citizens who have the interest of their state, county and community as much at heart as you gentlemen evidently have."

"With sincere best wishes, I am 'Yours very truly, Simon Willis, Governor.'"

The following letter, written by M. D. Ross, District Highway Engineer, was received by John E. Crysler, Secretary Boone County Farm Bureau:

"I am in receipt of your letter of the 2nd and note that your Bureau is sponsoring a fence row cleaning and beautification project during the month of November."

"The Highway Department is very interested in any such work and believe it very beneficial to any local community. I hope to be able to have some mowing and cleaning of tie right-of-way done during this month."

"I heartily commend your organization for such a worthy undertaking."

COMMITTEEMEN WILL BE ELECTED

BY ELIGIBLE FARMERS IN BOONE COUNTY PARTICIPATING IN 1945 AGRICULTURAL CONSERVATION PROGRAM.

Boone County farmers will take time out from their farm work in the next two weeks to nominate and elect AAA community and county committeemen for the coming year.

In each of the county's eleven farming communities nominating meetings will be held next week to nominate county committeemen. Farmers will be nominated, from whom will be elected later, three county committeemen and two alternates. At the same time delegates to the county convention will be nominated. These delegates, when elected, will elect the three-man county committee which will administer the AAA program in the county.

Chairman Mark Cook, of the County AAA committee, said today that the date, hours and places for holding the community meetings will be announced in letters to Boone County farmers.

In Boone County, Mr. Cook said, approximately 1900 farmers are eligible to vote on committeemen this year. "Eligible" farmers are those who participate in the 1945 agricultural conservation or crop insurance program.

In announcing the nominating meeting, the county AAA chairman appealed for a full attendance. "Solution of the post-war problems ahead," he said, "is the vital concern of every farmer. Consequently, it is to his own best interest to make sure that the men administering AAA programs in the county are the ones he wants to represent him."

Charles Newman Receives Discharge

Schools Will Observe Two-Week Holiday

Schools of the Boone County system will observe a two-week holiday Christmas. Schools in the system will close December 21st and open January 7th, according to D. H. Norris, County Superintendent.

This will be the longest holiday for several years, Mr. Norris said.

Florence Youth Suffers Severe Injury To Hand

John Schira 17, of Florence was reported in fair condition at St. Elizabeth Hospital, Covington, suffering from a badly mangled hand. The injury was suffered when a 12-gauge shotgun which Schira fired at a fox, exploded in his hand.

The youth told hospital attendants he was in the yard of his home when he sighted the fox. He said the family had lost several chickens recently through the depredations of a fox and he intended to shoot the animal.

Hebron Turns Back Florence Knights

The Hebron hoopers turned back the Florence Knights Wednesday night on the Florence hardwood by a score of 29 to 13. Hebron led at the half by a score of 14 to 3. Toadivins collected twelve points for the winners, while Zapp connected for six markers for the losers.

In a preliminary game, Hebron emerged on the short end of a 28-27 count.

Hebron will entertain Ludlow on the Hebron floor Friday night, November 30th.

St. Henry defeated Florence 39 to 33 on the Lloyd hardwood last Monday night.

The Florence reserves won over St. Henry by a score of 28 to 26.

COUNTY ATTORNEY NAMED TUESDAY

WALTER VEST WILL FILL VACANCY CAUSED BY DEATH OF CHAS. W. RILEY—ELECTION WILL BE HELD IN 1946.

Judge Cropper announces that Walter D. Vest of Walton, Boone County, has agreed to accept the appointment as County Attorney of Boone County to fill the vacancy caused by the sudden death of County Attorney, Charles W. Riley.

Mr. Vest reluctantly agreed to this appointment but was prevailed upon by Judge Cropper to accept the position until after the 1946 election at which time a County Attorney will be elected for the remainder of Mr. Riley's term.

As two or three fine young attorneys were applicants for this appointment it was felt that in order to be fair to all it was best to appoint an attorney who would not be a candidate at the time of the August 1946 primary election, and Mr. Vest has stated that he will not be a candidate for the unexpired term, but will serve only until a duly elected County Attorney qualifies for the position.

Judge Cropper states that he feels the citizens of Boone County should elect their County officials, and by appointing Mr. Vest who will not be a candidate, those who are applicants for the position can be candidates on an equal basis and the voters.

County clerk states that he feels the citizens of Boone County should elect their County officials, and by appointing Mr. Vest who will not be a candidate, those who are applicants for the position can be candidates on an equal basis and the voters.

Mr. Vest is well qualified for this position, having practiced law for many years and is considered one of the leading young attorneys of Northern Kentucky. He is also a veteran of World War II.

Mrs. Ruth Ricken

Regulium High Mass for Mrs. Ruth Ricken, 61 Sanders Drive, Florence was sung at St. Paul Church, Florence at 9 a. m. Tuesday morning. Burial was in St. John Cemetery, Ft. Mitchell.

Mrs. Ricken, who was 41 years of age died Saturday at St. Elizabeth Hospital. She was a member of the Daughters of Isabella.

She is survived by her husband, Joseph Ricken; a son, David Ricken; an infant daughter; her father, David Haley and a sister, Mrs. Helen Johnson, both of Covington, and two brothers John Haley, of Ludlow and Maurice Haley, of Ft. Wright.

PLAY IS HUGE SUCCESS

"Billy's Goat", a play recently given at the Florence auditorium was a huge success and quite a large crowd was present. Much praise and many thanks are given to Alyce Lucas Blackburn and Lillian Schram for the efficient manner in which they directed the play and in the selection of the characters. The leading characters were Rev. Paul Rimmer, Robert Tanner and Jo Ann Kinman.

Burlington Boy Stationed In Japan

Mr. and Mrs. Roy Barnes received a letter from their son Pvt. Clifford L. Barnes dated October 20th. The letter follows:

"Just arrived at Yokohama, Japan, only a few miles from Tokyo. We left harbor the 3rd of October on the USS Pennant and landed the 19th. Hit some rather tough sailing as we were caught in the typhoon that struck the Pacific October 9th. It looked rather doubtful at times. We thought we would hit to hit the sink at a minute. We all had our life jackets just in case, but we finally came through without having to use them. Thank God for that."

"I would be very glad to hear from many friends in good old Boone County, so my address is: Pvt. Clifford L. Barnes, 15402299 Co. G, 307th Inf., APO 77, care P. M. San Francisco, Calif."

WALLS OF BUILDING ARE NEAR-ING COMPLETION—WILL COVER SPACE 7X17 FEET—COMPLETE IN EVERY DETAIL.

Construction of the new frozen food locker plant, in Burlington is well under way, with the walls of the structure nearing completion. The building is being constructed by the R. & R. Construction Co. of Covington, under the direction of A. R. Kwozalla and R. T. Foreman.

The structure when completed will measure 7x17 feet and will be a one-story building, of concrete block. It will contain 400 storage lockers with a capacity of from 250 to 300 pounds. A complete slaughter house and chill room for beef and pork and aging room for beef and curing and holding rooms will be features of the plant.

Hogs may be sent alive to the plant where they may be slaughtered and completely processed. The meat will be blocked out and cut up, lard will be rendered, sausage cured and fresh meat will be frozen if desired. Facilities for curing and smoking hams, bacon and joints also are part of the equipment. Forty hogs an hour will be available for beef which can be chilled and aged after killing. During the aging the meat will be protected by special ultra violet rays so that the process can be carried to any desired length.

In addition to the Burlington plant, a building on Graves Ave., was purchased by the company, which will house a locker plant to serve the Erlanger-Elsmere-Florence area, together with Ft. Mitchell and suburban Covington. A modern dairy bar will be included on the premises.

It is planned to operate the Erlanger plant as a branch. All foods will be processed and frozen at Burlington and delivered to Erlanger. Application for one of the 300 lockers at the Erlanger branch may be made at McCall's Barber Shop or Bonner's Service Station, Dixie Highway.

Both the Burlington and Erlanger plants are expected to be in operation in January. Another plant is expected to be started at Independence soon after.

Managers of the plants said users of their frozen food lockers will be able to enjoy fresh vegetables, fruits and meats more economically throughout the year. Home canning, with all its inconveniences, will become unnecessary, through use of the lockers, they declared.

Meat can be purchased at its lowest cost, packed and placed in the lockers for consumption weeks or months later. Fish, game and poultry can be stored for long periods. They explained that use of the lockers will take the gamble out of hog killing. Farmers need not wait for "hog killing" weather.

PROMOTED IN JAPAN

Word was received that Pfc. Tommy Williams has been promoted to Staff Sergeant. Tommy is stationed in Japan, but expects to be discharged sometime in the near future.

BURLEY MARKET WILL OPEN DEC. 3

AT CARROLLTON, COVINGTON, AND CYNTHIANA, ACCORDING TO ANNOUNCEMENT—CEILING PRICES YET TO BE FIXED.

The burley market will open December 3rd, according to announcement received at this office from various warehouses. Covington, Carrollton, and Cynthiana warehouses have announced opening sales for December 3rd, with houses now open to receive tobacco.

It has not been reported what ceiling prices on the weed will be this year. However the schedule will be fixed in the near future by the Office of Price Administration.

Boone County tobacco crops are reported to be of the quality, far above crops in other sections of the State. Tobacco men predict that high quality tobacco will bring better prices this year than previously, and believe that lower grades will bring less money.

REMEMBER WHEN

—women's hats were held in place by two or three hatpins? Long affairs they were, some with large fancy heads, jewel studded and ornately decorated with metal work. Putting on and taking off a hat was a real feminine art that required a mite of patience along with the skill of adjusting the pins. Remember?

IMPROVED
UNIFORM INTERNATIONAL
SUNDAY SCHOOL LESSONBy HAROLD L. LUNDQUIST, D. D.
Of the Moody Bible Institute of Chicago.
Released by Western Newspaper Union.

Lesson for December 2

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

THE CHRISTIAN AND HIS ECONOMIC RELATIONS

LESSON TEXT: Deut. 8:17, 18; Luke 12:13-15

GOLDEN TEXT: A man's life consisteth not in the abundance of the things which he possesseth.—Luke 12:15.

Peace and the postwar period and America, and in the future world, plunged into tremendous economic problems far too deep for any man or group of men to solve. We honor those who are laboring day and night to meet the threat of unemployment, the question of reconversion and readjustment to civilian production, of feeding a hungry world, etc. But we say again, they cannot find the answers in the wisdom of men; they must have the wisdom of God.

We need to turn anew to the economic principles taught in God's Word. If men will only recognize them, and deal with the economic problems in the light of their teaching, the many knotty problems will surely find solution.

There is need, first of all, of a fundamental philosophy concerning possessions which will make man deal properly with them. The first section of our lesson says to us:

I. Think Right About Wealth (Deut. 8:17, 18).

How trenchant and altogether fitting are the words of Scripture! Nothing could describe our times more succinctly and accurately than verse 17. Men are glorying in their ability to do things.

Man has even gone so far as to develop a weapon of warfare, the atomic bomb, so powerful that he fears it might be used to wipe out all civilization. Even secular leaders are now saying that we must have a spiritual rebirth if we are to use such things for good and not for evil. Man needs God now more than ever.

We honor those who by skillful hand and brilliant brain produce excellent results in the world. But our question is, How many are there who say, God has done this thing; He gave the strength and the skill; His is the honor? Some there are who recognize this, and they are few indeed. Their name is legion who say in their heart, "My power and the might of mine hand hath gotten me this wealth" (v. 17).

Joseph Parker points out that a deep conviction of the fact stated in verse 18 "would turn human history into a sacrament." He says, "What a blow this text strikes at one of the most popular and mischievous fallacies in common life, namely, that man is the maker of his own money!"

II. Act Right About Wealth (Luke 12:13-15).

Most of us think of money as something we want to get hold of and use for ourselves, but if it belongs to God, and we are only his stewards, we must put away that impulse. "Take heed," said Jesus, "and beware of covetousness" (v. 15). It is a deadly and deadly sin, all too common even among Christian people.

The teaching of this whole passage of Scripture is so directly opposite to all ideas regarding such matters accepted by the world at large, that it may be a total surprise to some readers and attendants at Bible school.

The yardstick of success in the world is an individual's position, or a nation, yes, even for many a church, is the possession of wealth, or property, or other "things." Write it in large letters on the hearts and minds of our boys and girls, "A man's life consisteth not in the abundance of the things which he possesseth" (v. 15).

The one who was known to his friends (and to himself) as a "rich man" (v. 16), but whom God knew as a "fool" (v. 20), had more than he could use for himself. He had to build new and better barns, and could not see the "barns" that were already prepared, for, as Ambrose says, "Thou hast barns the bosoms of the needy, the houses of widows, the mouths of orphans and infants."

He was a fool who loved money for itself and for himself. One wonders what he had to say for himself when that very night he was called into the presence of God to give an account of his stewardship (v. 20). If you are similarly situated and have the same attitude, what will you say in that day?

There is an important point which we must note. Jesus expressly repudiated the connecting of His name with the so-called "social gospel" in His reply (v. 14) to the question of the covetous fellow who regarded his inheritance as of more importance than brotherly love.

Those who are ignoring the gospel of redemption and claiming Jesus as a social reformer, or the "judge and divider" of some new economic solution for the world's ills, need to read and ponder this verse again.

Every Christian is interested deeply in social problems, but knows that the first concern of Christ and His followers is the souls of men.

Ludlow Woman Hurt After Highway Crash

Mrs. Sallie Highhouse of 723 Oak street, Ludlow, was in fair condition at Booth Hospital Saturday after being injured in an auto accident on Crescent Springs Boulevard pike Friday afternoon.

She and her husband, Hallett C. Highhouse, were victims of a skidding mishap when the auto Mr. Highhouse was driving slipped on the road and plunged over an embankment into a creek. The auto came to rest on its side and although the driver was able to climb out he was unable to get Mrs. Highhouse out of the overturned vehicle.

Members of the Ludlow Life Squad and Kenton county police helped the trapped woman from the car and took the couple to the hospital. Mr. Highhouse, who suffered minor bruises and cuts, was not admitted for treatment.

Mr. and Mrs. Bernard Wilson and daughters were Friday supper guests of Mr. and Mrs. A. B. Ligon and son.

BULLITTSTVILLE

Mrs. R. L. Day has returned to her home in Florence, after spending several weeks with her daughter, Mr. and Mrs. John Whitaker. Mr. and Mrs. Fred Reitzmann and daughters moved to their farm purchased from James Beall last week. We are sorry to lose them from our community.

Sunday guests of Mr. and Mrs. A. B. Ligon and son were Mr. and Mrs. Earl Sullivan and daughter Carolyn and Mr. and Mrs. Bernard Wilson and daughters Bonnie and Sandy.

Mr. and Mrs. Theo Birkle have received word that their son Junior is on his way home from the South Pacific.

Mrs. W. E. Jones returned home Friday after a week's visit with her father, who is very ill. We are sorry to report that he hasn't improved.

Mrs. John Whitaker was the guest of Mr. and Mrs. Alvan Earl Whitaker and daughter and Mrs. Walter Ogden, Saturday night.

Mr. and Mrs. Hubert Ligon and son were Thursday supper guests of Mr. and Mrs. Leonard Tipton and daughter.

Member of Committee

Zelpha Jane Nichols daughter of Mr. and Mrs. A. B. Nichols, Burlington, and a freshman in the College of Arts and Sciences at the University of Kentucky, Lexington, has been appointed a member of the poster committee of the Student Union, according to an announcement just made by Emily Jones, president of the Student Union Board.

Flights From Local Airport Planned

By February 1st

Lisle Kays, chairman of the Kenton Airport Board, stated that the Kenton county airport, located in Boone County will be ready to handle commercial airline flights early next year as final steel work was completed on the administration building.

C. E. Woolman, general manager of Delta Airlines, stated that his company hoped to start service with four-motored planes by Feb. 1.

Schilling-Carroll

In a ceremony at Covington, Ky., on Friday, November 14, Miss Virginia Schilling, daughter of Mr. and Mrs. Albert Schilling, R. 2, Covington, became the bride of Robert W. Carroll, son of Mr. and Mrs. M. C. Carroll, of Big Bone.

Miss Mabel Baker and John Gilbert were attendants. The bride's blue suit was complemented by black and white accessories, and she wore a corsage of gardenias. Miss Baker wore a gold suit with brown accessories, and a rose corsage. The bridegroom was attired in a grey suit, and Mr. Gilbert wore a brown suit.

Following the ceremony, supper was served at the bride's home.

After a brief honeymoon thru Kentucky, the newlyweds are at their home near Big Bone.

Much happiness throughout a long life is wished for this couple.

Conner Carroll made a trip to Louisville, Sunday.

Lloyd Huff was at Christ Hospital Monday to have part of the cast removed from his arm.

ONE MORE WEEK

The Victory Drive will come to a close December 8th. Boone County is short \$95,000.00 on its quota. Will we fail to meet our obligation to our soldiers who are still over yonder and in the hospitals and camps on this side?

20 Years From Now

Oh, you mother of a child— you want his manners to be agile— but don't you want his feet to be sturdy and true, well-shaped and graceful? Are those of your daughter?

You mother of a child, twenty years from now his feet will be walking up to get a diploma, or confidently marching in to get a job, maybe walking up to an old church altar to meet a bride in white. (Or it may be the bride herself). Your child may never thank you for good strong feet, he'll take them as a matter of fact, but what will he think if they're not good strong feet? Sure he'll still love you—but "why didn't mother make sure I was growing up right?"

It is a responsibility, just one of the many a mother takes on when she brings a child into the world. —Adv.

Will they thank you for good strong feet?

CONSTANCE. HOMEMAKERS

Mrs. Elmer Peeno and Mrs. Henry Gay of Erlanger, entertained the Constance Homemakers in November.

The president, Mrs. Oliver Kottmyer opened the meeting with the Club Collect and Salute to Flag. Nineteen members, three visitors, Mrs. Gillaspie, K. D. A. and Mrs. Martha Jones, Asst. D. A. answered roll call with a "Thanksgiving verse."

Miss Gillaspie asked each one to take part in the clothing drive for United Nations, which will be held from Jan. 7 to 31 and to bring clothing to the January meeting.

Mrs. Earl Moorehead and Mrs. Walter Sprague gave the lesson on "Landscape" which was very helpful.

Mrs. Henry Kottmyer told about the message of the American Bible Society which again this year has called for world-wide Bible reading for Thanksgiving to Xmas.

The daily Bible readings for each day were chosen by the service men and women. The reading chairman, Mrs. Vera Dolwick suggested that we read these scriptures.

The December meeting and Xmas party will be at the home of Mrs. Oliver Kottmyer. Roll call to be answered with "My most happiest experience at Xmas."

RETURNS SHOW BOND DRIVE \$12,000 SHORT

TOTAL OF \$296,000.00 SOLD DURING PRESENT DRIVE—CAMPAIGN CLOSES SATURDAY, DECEMBER 8TH.

Subscriptions in the Victory Bond Drive up to last Saturday night are \$82,000.00 in Series E bonds and \$214,000.00 in other bonds, making a total of all bonds sold \$296,000.00.

To reach our quota we need \$3,000.00 more in E bonds and \$4,000.00 more in other bonds. It is the shortage in E bond sales that is giving the County Committee much concern, but certainly the people of Boone County will come forward this week and make up this shortage in these E bonds.

The drive closes Saturday night of this week, December 8th. We are too close to our goal not to make it, but it must be remembered that many of our loyal supporters in all past drives have purchased their limit of \$5,000.00 in E bonds in any one calendar year in this drive and those who have not purchased must come forward and help if we are to make our quota in these E bonds. No matter how many "other bonds" are sold, we are not given credit for raising our quota unless the E bond quota of \$90,000.00 is raised.

Go to your bank or precinct chairman immediately and make your subscription to E bonds and have a hand in helping Boone County go "over the top" one week in this last bond drive. You will feel better by so doing. The name of every subscriber for E bonds is recorded by our Government. Don't you want your name to appear on the Victory Honor Roll in this drive?

Shelby H. Cowen, native of Boone County, is the County Chairman to buy bonds. Last week he outlined the final report of our accomplishments. What is your answer?

Specialist Urges Milk Diet, In Ta'k

Pearl Haak, foods specialist from the College of Agriculture, urged all Utopia Club members to consume and preferably drink, a quart of milk each day for health of bones, teeth, and heart. Calcium secured from milk affects the ability of the body to use vitamins and is an aid in preventing heart diseases. The only sure way to get enough milk is to drink it, according to the specialist. Mrs. Haak addressed Utopia Club members at their regular meeting held at Burlington last Thursday evening, November 29th.

Grant Maddox, the second speaker on the program, outlined the importance of producing clean milk for human consumption. Maddox stressed the importance of clean, healthy cows as the basis for clean milk products.

HALF MILLION BUS. CORN PRODUCED

IN COUNTY FROM 13,500 ACRES, ACCORDING TO REPORT—HYBRID SEED AIDS IN LARGE PRODUCTION.

Boone County has produced this year approximately a half million bushels of corn from its 13,500 acres according to the County Agent's office. The crop, which is reported as one of the best on record with better than 90 percent of all corn grown from hybrid seed.

Adapted hybrid corn is conservatively estimated by growers to have produced twenty percent larger yields of high quality grain. The better seed is estimated to have returned growers \$100,000.00 more income this year than would have been returned from the old open pollinated varieties.

Boone County's long time agricultural improvement goal is not for more acres of corn but for fewer acres yielding more bushels per acre.

Mr. and Mrs. Liston Hempling of near Constance have returned to their home after a recent trip to Tulsa, Okla.

Teachers Will Meet Mothers On Hardwood

There will be plenty of laughs and thrill at the Florence School auditorium Monday night, December 10th, at 7:30, when the school Mamas meet the Mother Hubbards and the Humpty Dumplings meet the Jack Sprats in a fast and furious battle to determine the championship of the hardwood.

The public is cordially invited to attend this basketball game.

Revival Services Announced For Bellevue Church

Revival services will begin at the Bellevue Baptist Church Sunday evening, December 16 and will close with a Christmas program and play entitled "Keeping the Christmas Glow."

Services will be in charge of Rev. F. L. Mitchell, preaching the Bible as it is for men as they are. Everyone cordially invited to attend these services.

HEART ATTACK PROVES FATAL

TO SHELBY L. COWEN, NATIVE OF BURLINGTON—FUNERAL SERVICES CONDUCTED WEDNESDAY.

Shelby H. Cowen of Wyoming, Ohio, died suddenly Sunday evening, December 1st from a heart attack. He had not been in good health recently, but his death was a shock to his family and friends. Shelby was born in Burlington 57 years ago, where he spent his younger days. He had been employed for more than 25 years by the Johns-Manville Company of Cincinnati.

Funeral services were conducted Wednesday afternoon at the Miller funeral home in Northside, Cincinnati, at 3:15 with burial in Spring Grove Cemetery by the side of his wife, who died a little more than a year ago.

Shelby visited with his relatives in Burlington quite often at the home of Miss Nell H. Martin and family.

Herbert Kirkpatrick

Funeral services for Herbert Kirkpatrick, 74, of Petersburg, were held at the Tharp and Stith funeral home, Florence, at 2:30 p. m. Wednesday. Burial was in Burlington Cemetery.

Mr. Kirkpatrick died Monday at St. Elizabeth Hospital, following an illness of several months. He was born and reared in Boone County.

He is survived by three sons, Walter, Earl and Lyter D. Kirkpatrick, all of Petersburg; three daughters, Miss Frances and Miss Pauline Kirkpatrick, both of Petersburg and Mrs. Rowena Houde, of Aurora, Ind.; three brothers, Elmer and William L. of Burlington, and Howard Kirkpatrick, of Pasadena, Calif., and a sister, Mrs. Nellie McBride, also of Pasadena, and a grandchild.

Tharp and Stith, Florence funeral directors were in charge of arrangements.

Milford A. C. Coyer

Milford A. C. Coyer, died Monday at his home, Goodridge Drive, Florence, following a brief illness. He was a member of the Church of Christ, Covington.

He is survived by his widow, Elizabeth Hughes Coyer; his mother, Mrs. Victoria Coyer, Burnside; a son, Earl Coyer, Florence; four daughters, Mrs. Evelyn Hudson, of Connorsville, Ind.; Mrs. Lenore Martin, Brookville, Ind.; Miss Blanche Coyer, Florence; two sisters, Mrs. Bruce Vaughn and Mrs. Annie Barnes, both of Burnside; two brothers, A. E. Coyer, Rosedale, and Lili Coyer, Milford, O., and four grandchildren.

Funeral services will be conducted in Covington at 2 p. m. today (Thursday). Burial will be in Highland Cemetery.

Poston Brothers Purchase Property

Eliza M. and Paul B. Poston purchased the lot and brick building just south of Gully & Pettit's store on south Jefferson Street in Burlington last week through A. B. Renaker, on which they plan to erect a building to take care of their rapidly expanding heating, plumbing and electrical business and possibly provide space for other businesses badly needed in Burlington.

This firm is to be congratulated on this forward step in adding another business building in the town.

Sellers Of Motor Vehicles Must Give Transfer Certificates

Sellers of automobiles, trucks and motorcycles were reminded today by the Louisville District Office of Price Administration that they are required to execute certificates of transfer on sales.

Everyone, other than a manufacturer, who sells a new or used automobile, a used truck or a motorcycle is required to make a certificate of transfer, giving a copy to the purchaser at the time of sale. The original must be filed by the seller with his Price Control Board within five days of the date of sale and a copy must be kept in the seller's file for inspection by OPA if required.

Receive Discharge At Fort Knox, Ky.

The following enlisted men were given discharges from the Army of the United States, by Brig. Gen. George D. Wahl, post commander, at the Fort Knox Separation Center during the past few days:

T-4 William H. Boh, Burlington, Ky.; Pfc. Ralph T. Camp, Florence; Pfc. John A. Kennedy, Verona; Pfc. Edward Z. Stephens, Grant; 1st Sgt. George E. Black, Union.

Overseas Veteran Discharged Nov. 28

1st Sgt. George E. Black, son of Mr. and Mrs. Ed Black, of Union was honorably discharged from the U. S. Army at Fort Knox, Ky., November 28th.

Sergeant Black spent thirty-one months overseas, working with an Engineer Regiment in North Africa and Italy. He recently received a Bronze Star for meritorious achievement in connection with mine clearing and the opening of a obliterated seaport of Leghorn, Italy.

Idlewild Boy Is Stationed In Japan

Mr. and Mrs. Wm. Gray received a letter from their son T-5 Wilbur C. Gray, stating he had just arrived at Yokohama, Japan. The letter follows:

"I suppose you have been wondering what had happened, as I had not written for so long. But I have been moved again to Yokohama, Japan. I was 17 days making the trip. We loaded our equipment October 3 and got off last night, October 21. We were in the bay for about five days before we sailed, as the water was so rough. I got sick one day, the first time since I have been on the ocean."

"I was up all night last night unloading our things, and all of us are about as frozen to death. It is getting pretty cool, just about like you said it was at home. While I am writing I can see my breath. This is the first cool weather I have seen since I left the States, fifteen months ago, after being in such a hot place like Manila, then going into this cool weather."

"I am surprised at the people here, they are so nice to us. They respect us and they will do anything for us."

"This place certainly has been destroyed. It is a sight to see. I saw my first street car today since I left the States."

"I will close for this time. I will write again soon. I may be in the States sometime in the spring."

Ed. Note: His address is T-5 Wilbur C. Gray 3589157, Co. A, 189th Engr. Avn. Bn., APO 503, care Postmaster, San Francisco, Calif.

CONTEST WINNER TO BE ANNOUNCED

NEXT WEEK IN LIVE AT HOME CONTEST—SCORING COMMITTEE VISITS HOMES MONDAY—SEVERAL HAVE HIGH SCORES.

Home canners in the "Live at Home Contest" displayed from 300 to 750 cans of high quality fruits and vegetables per family last Monday, according to the County and Home Demonstration Agents' offices. Homes were visited by the scoring committee and the quality and quantity of the past season's home food harvest was inspected.

Three outstanding features of the contestants' work were: (1) the improvements in canning practice the past few years; (2) the improved methods and basement shelves on which the work was stored, and (3) the balancing of the quantity and kinds of foods canned, according to the size and tastes of the family.

The winner in the canning and storage contests will be announced next week. Among the highest scoring home food producers were: Mrs. Charles Clure, Hebron; Mrs. Reuben Asbury, Constance; Mrs. Grant Maddox, Florence; Mrs. Joseph Rouse and Mrs. Raymond Stephenson, of Verona; Mrs. Geo. Frigge, Hamilton; Mrs. Lillard Scott and Mrs. Courtney Kelly, of Burlington.

TUBERCULOSIS CLAIMS 57,000

EACH YEAR, ACCORDING TO REPORTS—CONSTRUCTIVE PROGRAM CARRIED OUT THROUGH SALE OF CHRISTMAS SEALS.

There are many evils in the world which are seemingly unavoidable. There are others which, too late, we realize could have been prevented if only we had known "how" in time.

Some diseases fall into this latter classification. We give no thought to them until some one close to us falls ill. Then, asking "What ails him?" we find that needless suffering could have been prevented if a few simple precautions had been taken.

Tuberculosis is such a disease. Nearly 57,000 Americans die of tuberculosis each year, more than were killed in World War I. Yet, tuberculosis can be prevented and there is no excuse for us to say we do not know how.

The Boone County Tuberculosis Association, organized to fight tuberculosis in our community, has a well-planned program for the control of this disease. Through the printed and spoken word it is constantly placing before us facts about tuberculosis and its control. It is up to us, the men and women of the community, to heed those facts and to act on the basis of knowledge learned from them. Health education is predicated on the theory of preventing disease—of preventing suffering and economic waste.

The health education program of the tuberculosis association is financed by the sale of Christmas Seals. When we buy these Seals we are directly aiding a campaign to prevent the spread of a deadly disease. Only once a year, at Christmas time, are we asked to contribute financially to this campaign. In doing so, by purchasing Christmas Seals, we are protecting ourselves.

Crudginton Farm Will Be Sold At Auction

Johnson-Courley

A marriage of interest was that of Mrs. Lillian Johnson, of Bromley, who became the wife of Mr. Ernest Courley, of Ludlow, December 1st. The ceremony was read by Dorothy M. Trowler, Justice of the Peace in Bromley.

The bride was lovely in a brown tailored suit with white and pale yellow accessories with a corsage of roses.

Mr. Courley is connected with the Bridge and Building Division of the Southern Railroad.

AAA COMMITTEE ELECTIONS SET

FARMERS REQUESTED TO VOTE BY CHAIRMAN—DATE SET FOR FRIDAY, DECEMBER 7 AT 11 POINTS IN COUNTY.

A final appeal to "get out and vote" has been directed to Boone County farmers by chairman Mark Cook, of the county AAA Committee. Farmers in all communities will ballot on Friday, December 7, on the farmers previously nominated who will represent them and assist them on AAA programs the coming year.

"A big turnout of voters will demonstrate that Boone County farmers believe in the elected community-man system which enables farmers to run their own farm program," Mr. Cook said. "On the other hand, a small turnout might be interpreted to mean that farmers are not interested in having their programs operated by farmers."

With many reorganization problems ahead, the AAA committee-men will have heavy responsibilities in 1946. They will be handling details of government programs and also voicing the opinions of local farmers on recommendations for new or improved programs.

Community committee elections will be held in Boone County on Friday, December 7, 1945, according to the following schedule:

Beaver, store; Burlington, courthouse; Constance, school; Florence, Bank; Grant, Bank; Hamilton, school; Hebron, Bank; Petersburg, Bank; Union, Bank; Verona, Bank; Walton, Bank.

Mr. Cook pointed out that approximately 1000 farmers are eligible to vote in the elections this year. Any farmer who participates in the agricultural conservation program, or had Federal crop insurance may vote.

Five farmers will be chosen as committeemen in each community—three as regular committee members and two as alternates. Also elected will be a delegate to the county convention, to be held on December 8, when the county committee of three members will be elected by the delegates in the community committeemen elections.

Uncle Sam Wants Those Tokens Back

The OPA placed in circulation one and three-quarters billion red and blue tokens to assist in a more efficient rationing operation. Now that these tokens have served their purpose OPA is requesting their prompt return. Dealers should turn tokens into their banks at once. L. A. Cassidy, OPA District Information Executive, said today.

The material in the tokens is needed and after all they are government property.

RECEIVED WHEN STRUCK BY CAR MONDAY NIGHT—WALKED INTO PATH OF CAR, IS REPORT.

Mrs. Nannie May Akin, 47, of Petersburg, died Monday in the office of Dr. E. J. Love, Petersburg physician, where she was removed after being struck by an automobile driven by Wilson Edwards, 25, of Petersburg. The accident occurred on U. S. Highway 20.

Mr. Edwards told Sheriff Glenrose Williams that the woman walked in front of his auto as he was returning home from work in Aurora, Ind.

Edgar S. Graves, acting Boone County Coroner, returned a verdict of accidental death. He reported that Mrs. Akin had sustained a fractured skull and fractures of both arms.

Mrs. Akins is survived by her husband, Charles J. Akin. Edwards, driver of the car, a discharged veteran of World War II, stated that the accident was unavoidable, that he was unable to swerve the car enough to miss Mrs. Akin.

especially at the beginning of the season. Cold, wet weather caused poor stands and made replanting necessary in many instances.

Improved soil fertility and the growing of hybrid corn were two principal factors bringing the big corn yield, according to W. C. Johnstone, crops man at the college.

About 85 percent of the Kentucky program of the College of Agriculture and Agricultural Experiment Station is bringing higher acre-yields of all kinds of cultivated crops, small grains, legumes and other crops, he said.

He added that most of the corn acreage next year could be planted to hybrid corn, since about 200,000 bushels of certified hybrid seed was produced this year. This is enough hybrid seed to plant 1,600,000 acres. The state had about 2,500,000 acres devoted to corn this season.

HICKMAN MAN WINS

CONTOUR CONTEST

A trip to Farm and Home Week at the Kentucky College of Agriculture and Home Economics in January was won by Harold White in a Hickman county contour cultivation contest. A factor, said Farm Agent Warren Thompson, was that White left areas along main waterways and on steep hill-sides to a permanent sod of redtop, timothy and lespedeza, and then planted corn on gently rolling areas. All of his cultivated crops, including small grain, soybeans and tobacco, were planted on the contour. The contest was sponsored by the Hickman County Farm Bureau, Hickman County Soil Conservation Service and the Clinton-Hickman County Commercial Club.

IMPROVED
UNIFORM INTERNATIONAL
SUNDAY SCHOOL LESSONBy HAROLD L. LUNDQUIST, D. D.
Of the Moody Bible Institute of Chicago.

Lesson for December 9

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

THE CHRISTIAN'S PLACE IN THE LIFE OF HIS NATION (Temperance Lesson)

LESSON TEXT: Matt. 5:13-16, 43-48; I Peter 2:13-17.

GOLDEN TEXT: Blessed is the nation whose God is the Lord—Psalm 33:12.

Men make up nations. Human beings in a land like ours determine their interest and attitudes the direction in which the entire social order moves. That in turn determines what kind of government we have.

If the totalitarian philosophies have colored our thinking and caused us to forget the importance of the individual in the life of our nation, let us turn at once to the right view.

Particularly important is the bearing which individual Christians can and should have on our national life. We have tended to draw back and fail to use the power and position which we have by God's grace.

Nowhere does that show more than in our failure (perhaps one should say shameful failure!) to bring Christian principles to bear upon the appalling liquor problem. This is temperance Sunday. Do not fail to stress that phase of Christian citizenship today.

How should Christians make their influence felt in the nation? By being what they ought to be and contributing to its life. Note these things in our lesson—the Christian gives:

I. Salt (Matt. 5:13).

We are the salt of the earth, and the pungent savor of Christ is to be evident in us as we touch life round about us—in the church, in the home, and in the nation.

True salt is antiseptic and purifying. It fights corruption wherever it is found. How effective the spiritually salty Christian and church should be against the corrupt political system, the liquor industry, vice and sin of all kinds. Have we lost our savor (v. 43)?

II. Light (Matt. 5:14-16).

A light is intended to give illumination to all round about it. It always does unless someone hides it under a cover, and then it becomes not only useless but dangerous.

A life lighted by faith in Christ will shine to the very ends of the earth and, as a missionary once said, "The light that shines farthest shines brightest at home."

We are the light of the world, but if we cover our light we deny the very essence of our natures. Here is no thought of proud or selfish display. Light does not shout about itself, it just shines.

Who will deny that there is need of some real spiritual light in some of the dark corners of our national life? Who is to shine in such places but you and me, fellow-believers?

Then, let us not forget that God has sent us out to light other lights. We can best serve our nation, and best meet the challenge of liquor by turning men to Christ. That doesn't mean that we should neglect other "good works," but it is well to keep "first things first."

III. Love (Matt. 5:43-48).

"Love your enemies" (v. 44); that is the standard which Christ has established for His followers. While the love one has for the brethren is without doubt a most intimate relationship than the love one may have for an enemy, we must not seek to minimize the real love we should have even for those who curse and revile us.

It is to move us so deeply that we not only treat them kindly, but also pray for them. Humanly speaking such a thing is impossible, but in Christ it is not only possible, it has actually been demonstrated in life.

It is so easy for Christians to speak with derision that borders on hatred about "the devil's gang," and to lose all love for the crowd that hangs around the tavern and the gambling house. Let us hate their sin, but may God help us to show that we really love them.

Love will do more to reach the world for Christ, and more to direct our national life into right channels than any other influence we can bring to bear. Let us do all we can, but let us do it all in love.

IV. Loyalty (I Pet. 2:13-17).

The loyalty of the Christian to right authority should be glad and free, not by necessity or by coercion.

The believer will see in all men the image of God and will honor them even though he may not be able to respect or approve their way of life. The dignity and position of the individual is always recognized by Christianity.

The brotherhood of true believers should call forth a peculiar love. We need to renew that brotherly affection between believers.

Fear of God, that is, the desire to do His blessed will, shows itself in the best kind of citizenship. Government would serve itself well if it encouraged every effort to win its citizens to Christ.

L. E. Martin of Hart county primed more than 1,000 sticks of tobacco from six acres, each stick averaging more than a pound.

Green-wrap tomatoes were a profitable crop for many Marshall county farmers this year, Asberry Vaughn selling \$2,652 worth from Kottmyer, Superintendent.

Twenty farmers in Green county have purchased 130 coke stoves for use in curing their tobacco.

PRESSURE SAUCEPAN

IMPROVES COOKING
A new piece of cooking equipment, the pressure saucepan, is causing considerable interest cause foods are cooked under pres-

sure, the time for cooking is greatly reduced, thereby saving vitamins and minerals as well as fuel. The fresh color of vegetables is also retained. Typical of the cooking

periods are: string beans, 3 1/2 minutes; whole beans, 12 minutes; dried beans of different varieties, 30 to 35 minutes, and Swiss steak, 25 minutes.

URGES BETTER CARE IN SEED PRODUCTION

A report on seed inspection at the Kentucky Agricultural Experiment Station contains the following statement:

"Irregularities in the preliminary cleaning of tobacco seed continue to cause trouble. Seed producers are learning that the harshest methods of breaking up pods do damage by crushing or cracking seed, and that curing seed while still in the pods is just as important in seed production as the curing of plants in production of high-quality tobacco. Greater care in handling, especially in harvesting, curing, cleaning and storage, will eliminate many of the difficulties in the production of seed."

CLUBS SPONSOR SHOW

Thirty 4-H club calves were entered in the Union county beef calf show held in Morganfield on Nov. 5, following which they were taken to the fat cattle show and sale in Louisville. The show was sponsored by the Lions Club of Morganfield and the Kiwanis Club of Sturgis, the service clubs contributing \$210 in prize and expense money.

ON KENTUCKY FARMS

Approximately three carloads of vetch have been sold to farmers in Bourbon county this fall.

In Marion county 411 farmers attended seven meetings on better methods of bulking and stripping tobacco.

About 30 trees will be planted by Clay county 4-H club members as memorial to former members who lost their lives in the war.

Homemakers in Campbell county report having read 1,079 books during the year and exchanged 1,547 magazines.

Reports from Bracken county indicate that the tobacco crop as a whole is much better than it has been for several years.

Following a homemakers' club millinery lesson, Mrs. Pierce McDougle of Calloway county added to her income by remaking 18 hats.

In Wayne county, 620 head of Hampshire cross-bred Montana ewe lambs have been placed on nine farms.

Billy Campbell Lyons county found that Williams cane made approximately a third more sorghum molasses than other varieties, and of superior quality.

Homemakers' clubs in Boone county have added 25 books to their library.

In Grayson county where dairy rations and pastures have been

improved, 463 farmers are selling cream and 30 are selling whole milk.

Theodore Shubert of Robertson county, who raised 3,100 broilers this year, is constructing a feed and hatchery building.

Schuermer Bros. of Carroll county reported a yield of 16 tons of tomatoes on one and a tenth acres.

Farmers in Grant county who grew Kentucky 41A and Ky. 18 tobacco, report high satisfaction.

Early seedings of balbo rye and other small grains in Graves county have made good growth and are now being pastured.

Seventy-five farmers in Grayson county contoured 1,341 acres last year.

The first seeding of Ky. 31 Fescue grass has been made in Hancock county by three farmers who sowed 150 pounds.

The Newton Homemakers' Club of Scott county is helping the Newtown school start a school lunch program.

More than 6,000 acres in Carlisle county have been seeded to small grains this fall.

In Taylor county, 4-Hers sent

112 calves to the fat cattle show and sale in Louisville.

High prices of poultry feed have resulted in more home canning than usual of poultry meat in Jackson county.

Approximately 1,700 tons of limestone and 600 tons of phosphate

have been sold to Elliott county farmers this year.

It is estimated that between 500 and 600 tobacco plant beds in Adair county have been treated with cyanamid this fall.

HAVE PLAN TO HELP

SMALL HERD OWNERS
Kentucky farmers are interest-
ed in the possibility of breeding
dairy cattle artificially, and there-
by making available the services
of good sires to a large number
of small herd owners.

The College of Agriculture at
Lexington says there are about
130,000 farms in Kentucky where
only one or two cows are kept,
principally to produce milk and
butter for home use. On about
60,000 farms in Kentucky about
three to 10 cows are milked and a
considerable portion of the milk
and cream sold for cash, this in-
come totaling about \$40,000,000
during 1944.

Owners of a majority of these
small herds cannot justify the in-
itial cost of a good sire, in addi-
tion to providing feed and care for
their cows, it is stated.

By organizing groupings for hand-
ling an artificial breeding pro-
gram, thousands of small herd
owners could have the use of
high-producing sires to build up
the production of their herds.

The college says the artificial
breeding plan will—

1. Offer the same privilege to
owners of small as well as large
herds to use the very best bulls at
a nominal cost. Small herd own-
ers who breed artificially will
eventually keep another profitable
cow instead of a bull.

2. Spread the good influence of
a few carefully chosen bulls, over
a wide area, in many herds in a
short space of time.

3. Most effectively prevent the
spread of genital diseases. Bulls
being used artificially are exam-
ined regularly and often to detect
lowered fertility. An infertile bull
may be retired from active duty
before much valuable time is
wasted.

4. Offer a herd owner plenty of
bull service at the time of year he
needs it most.

RIBOFLAVIN IMPORTANT FOR PRODUCTION OF HATCHING EGGS

"Riboflavin is a greenish orange col-
ored vitamin present in eggs, milk, liver,
dried grasses and dried alfalfa," says
Dr. H. J. Smith, Director of Research
for Purina Mills. "It puts the hatching
chick on its feet, so to speak, and
When breeding hens do not get enough
Vitamin G their eggs hatch poorly.
Those chicks that do get out of the
shell are weak."

"It is well to note that when baby
chicks are given a ration low in Vitamin
G they grow slowly. If their feed is
entirely lacking in Vitamin G they get
a crow-headed appearance," Dr. Smith
says. "Certain forms of paralysis are
claimed to be caused by a lack of this
Riboflavin substance. Some chicks de-
velop 'notched' beaks, which the Cali-
fornia Experiment station has found to
be caused by insufficient Vitamin G."

A Powerful Element
"So potent is this Riboflavin that its
presence in various sources is infinites-
imal," says Dr. Smith. "It can only be
measured in millionsths of a gram. Nev-
ertheless the least insufficiency of Vita-
min G definitely limits hatchability and
restricts chick life and growth."

"The available sources of Riboflavin
—such as dried milk, dried alfalfa and
dried yeast—have long been studied. In-
vestigation shows that these ingredi-
ents sometimes contain large amounts
of Vitamin G, and other times they
contain very little."

"These observations, together with
the knowledge that the hatching chick
clency of Vitamin G has so marked an
effect upon egg hatchability and chick
livability, have caused research scien-
tists to find a way to insure the pres-
ence of ample Vitamin G in poultry rations.
The outcome has been the development
of a new special Vitamin G (flavin) in-
gredient, known as Pur-P-Flav. It is
made by special bacteria under hygienic
laboratory conditions, and has proven
very helpful to us in insuring the Vita-
min G content of our rations."

Two hundred and forty-six
women attended the luncheon at the
homemakers' annual meeting in
Kentucky county.
Johnnie Green, 4-H club member
in Livingston county, has had a
gross income of more than \$4,000
from poultry and other club work.

**Used Fat Daily Needed,
According To Report**

Earl W. Jimerson, President, and Patrick E. Gorman, Secretary-Treasurer, Amalgamated Meat Cutters and Butcher Workmen of North America, American Federation of Labor, speaking in behalf of all meat cutters and butchers in the country, ask for their continued cooperation in insuring the suc-

cess of the Fat Salvage Campaign. The statement reads as follows: "One of the greatest contributions meat cutters and butchers can make at the present time is to encourage their patrons to contribute a steady flow of used fat, and to dispatch it without loss of time to renderers. This job our membership did so well during the war years has become even more important in peacetime. "Fats and oils for industrial pur-

poses remain desperately scarce. Industry is depending on used household fat collections of from 250,000,000 to 500,000,000 pounds during 1946 to help speed production of thousands of essentials. This poundage should easily be secured by the industry as meat is in plentiful supply which means more kitchen grease available.

"Our job is to cooperate, and it is a two-fold job. We must remind and urge the housewife to bring in used fat. In cases where this duty may not seem important to her since meat rationing has been eased, we should explain the continuing importance of fat salvage

even though meat rationing should cease. By constant reminders we can fix the need of continuing to save and turn in used fat firmly in the minds of our patrons, the public, and insure substantial increases in turn-ins.

"The other part of our job is to work in close cooperation with the renderer. Adequate pick-up service means that used fat will be put to industrial uses in short order. Pick-up problems that may arise should be reported so that they can be ironed out as soon as possible.

"Receiving and dispatching oven fat has become an every-day task

to us and one that we must continue to do well. We must keep up-to-date on this government sponsored industrial program and do what we can to use store displays well, keep customers informed and help maintain prompt pick-up service.

"More used fat for industry means that American homes will be better equipped for comfortable living sooner, and assures a quicker return to shop shelves of household aids like soap, washing powders, paints, textiles, wallpaper, linoleum, shoes and many other items. We all help ourselves by increasing collections of used fat."

NITRATE DOUBLES

RYE, OATS YIELDS
D. H. Roark of Simpson county told Farm Agent Woodrow Coats that he is a firm believer in the use of ammonium nitrate, having used it on rye and oats. In April, he top-dressed a field of balbo rye with 100 pounds per acre, leaving a part untreated as a check. The untreated portion made eight bushels per acre as against 19 bushels on the treated area. Mr. Roark further stated that he had less fly damage on the treated portion. Ammonium nitrate increased the yield of oats from 30 bushels to 60 bushels per acre, he said.

From one acre, R. O. Kennedy and Son of Muhlenberg county primed over 600 sticks of burley tobacco.

how do we respond to nature's signal. Usually, by padding these protective layers, or padding them. This of course, does relieve the pain but does NOT remove the cause of the trouble. Corns, callouses and bunions are merely symptoms telling you there is something wrong inside your feet. Permanent relief will be obtained when you relieve pressure on delicate nerves and tissue, when you straighten up weak, inflaming feet that throw the strain of weight bearing into the outer arch. So, if you would really get at the bottom of your foot ills, by all means, see our foot comfort specialists—they will make a scientific foot analysis of your foot. Then foot comfort is absolutely assured.—Adv.

NEW BUSINESS IN COVINGTON

A new business in Covington is the Gates Home Appliances, 605 Madison Ave., which opened last Friday. The new enterprise is owned by "Charlie" Gates, who is well-known in Covington, having been a member of the school board of that city for seven years.
The store has a complete line of toys, and when available, will carry every electric and gas appliance that is needed for the home and farm, as well as gifts for every occasion.

Lloyd Truncates Local Five By Score Of 55-37

The Burlington basketball team suffered defeat Friday night at the hands of the Lloyd quintet by a score of 55-37. The game was close at the half with Lloyd having 28 to Burlington's 21. The visitors, however, hit the hoop consecutively, to end the game by a 55-37 count.

Presser was high point man for Burlington with 18, while Pendleton collected 30 for the visitors. In a preliminary game, Lloyd led the Burlington reserves by a 33-18 count.

Beechwood Victors
Beechwood Tigers defeated the Florence Knights on the Florence

floor last Tuesday night by a 56-28 count. Rogers was high point man for the winners with 15 points while Horton had 8 for the losers. Beechwood reserves noted out the Florence reserves 26 to 25. Florence will play Walton on the Florence floor Friday night of this week. The first game will begin at 7:30 p. m.

NITRATE BOOSTS YIELDS
At the E. J. Harmon farm in Marion county, the use of 125 pounds of ammonium nitrate to the acre increased corn yields 29 bushels per acre, while the same amount of 2-12-6 fertilizer resulted in yields of only 20 bushels to the acre.

Social Security Manager Issues Timely Information

For the large number of people, including high-school boys and girls, who will be working temporarily or part-time for the holiday season in local stores or other business houses, timely information was issued today by Mr. Frank B. Decker, Jr., manager of the Covington, Kentucky, office of the Social Security Board.

"Many of these people," he said, "will be working for the first time at a job covered by social security. In that case they should be sure to get a social security card promptly and show it to their employers when they start working. The employer, for his part, should copy the worker's name and social security number exactly as they appear on the card, for he must have this information when he makes out his tax return for social security, some time in January, for the last quarter of 1948.

"All workers in private industry or trade, regardless of age," Mr. Decker pointed out, "are covered by the Social Security Act. So a boy of 16 who works only part time must have a social security card—or a man or woman past 65 who may not have been working for years. But don't apply for a card unless you have a definite job in view. Workers who have lost their cards should obtain duplicates before taking a holiday job. Those who have changed their names—particularly women workers who have married—may obtain duplicate cards bearing their present names. There is no charge, of course, for a duplicate card."

Social Security cards are issued at the office of the Social Security Board, in the Post Office Building. Office hours are from 8:30 a. m. to 5:00 p. m. Monday through Friday. The office is closed on Saturdays.

CANNERS' POSTSCRIPT QUESTIONS

Now that winter is here and the canning season is about over, many questions concerning winter storage have been asked says Martha Lee Jones, Assistant Home Demonstration Agent. The question, "Where is the best place to store 'unpacked foods'?" seems to head the list. If possible, a dark, cool spot is best. Avoid heat, freezing cold, dampness, and light when storing jars. If any bacteria remain in the canned food, a hot place will give the bacteria chance to grow, thus causing spoilage. Freezing does not cause food to spoil, but it may leave a hole or burst a jar, thus letting in bacteria. Dampness causes metal to rust, and light may fade food in glass jars and cause the loss of Vitamin B.

If necessary to store foods in an unheated place, several thicknesses of newspaper around each jar gives some protection. Old rags or a blanket thrown over the jars also helps. If there are choices of unheated places, an underground basement, or protected storage pit is likely to be warmer than a shed or garage above ground.

It is good planning to use up home canned foods within a year. However, longer storage is not unsafe if the food was properly canned, sealed and stored. The food does tend to lose some food value and flavor, however. Be sure to date and label foods and don't let older jars get "lost" at back of a shelf—bring them forward and use them.

Homemakers' Schedule

Handicraft will be December's Homemakers' lesson. The schedule for the month is:

- Dec. 14, Walton, Mrs. Leo Flynn, 10:30.
- Dec. 17, New Haven, Mrs. Warren Miller, 11:00.
- Dec. 18, Rabbit Hash, 11:00.
- Dec. 19, Taylorsport, Mrs. Humphrey, 10:30.
- Dec. 20, Bullittsville, Mrs. Albert Pfalzgraf, 10:30.
- Dec. 20, Kentaboo, Mrs. Don Hacker, 10:30.
- Dec. 21, Florence, Mrs. Roy Lutes, 10:30.
- Dec. 19, Walton Colored Club, 8:00 p. m.

Anyone interested in handicraft is invited to attend any of the above meetings.

FLORENCE P. T. A. WILL MEET

The regular monthly meeting of the Florence P. T. A. will be held on Monday, December 17 at 7:30 p. m. The change of date is due to the basketball game sponsored by the P. T. A. which will be on our usual Monday, December 10. Please remember this date, Dec. 17 and be there for this meeting.

A Xmas party is being planned and each person is asked to bring a 25-cent present for a gift exchange.

Publicity Chairman.

Dog's Ears Tuned To Catch Sounds Man Can't Hear

New Type Whistle Calls Dogs
Without Disturbing the
Neighborhood.

Have you ever heard a dog howl mournfully when certain music was played? No doubt it sounded comical to you but it may actually have been painful to the dog. Here's the why. A dog's sense of hearing is much more sensitive than that of human beings. Certain sounds may cause considerable discomfort to a dog's hearing. Music may hit a pitch that causes considerable pain to a dog.

Working on this principle, an English inventor several years ago developed what is known as a silent dog whistle. Only a slight hiss is audible to the human ear but it is apparently loud and pleasing to dogs.

Because the new whistle has been brought to this country, many have been sold at comparatively high prices. But now, at a nominal price, a domestic silent dog whistle that compares very favorably with the English one is available. It can be had by sending to a St. Louis firm the coupon that comes with the purchase from our local Purina dealer of five pounds of his dry food for dogs—Dog Chow, and the nominal amount asked.

The new whistle is designed to command the attention of a dog up to 200 to 300 yards. It is just as useful to hunters as it is to the man who wishes to call his pet dog without disturbing the entire neighborhood. As one man expressed it, he can call his dog in private when he uses his new whistle.

BOY GETS \$900 FROM TWO ACRES OF GARDEN

More than \$900 worth of vegetables grown on less than two acres is the record of Keith (Nest) county, 4-H club member in Laurel county, who recently was named district garden champion of 10 counties. He sold produce for \$540 350 quarts were canned for home use, and 37 bushels of vegetables were stored in his garden. In addition, the family enjoyed fresh vegetables all season, beginning in March.

By June 15, there were green beans for the family table, tomatoes by June 25 and roasting ears by June 28. In all, this 4-H boy grew 40 varieties of 25 different vegetables. Crops sold included beans, onions, tomatoes, potatoes, strawberries, greens, cabbage, carrots, turnips and corn, the latter providing his largest sales.

Young Chestnut started his garden in the fall of 1944 when he planted cover crops. They were turned under in the spring, along with 16 loads of manure and 1,100 pounds of commercial fertilizer. By careful planning, he was able to replant as early crops were harvested. His spring garden measured 1 1/2 acres, and his fall garden a half-acre, making a total of 1.9 acres.

CUTS 6 1/2 TONS OF ALFALFA TO ACRE

Sixty and a half tons of alfalfa hay in five cuttings was the record cut harvested by Marvin McCollum of Livingston county this year.

On May 15, McCollum harvested 492 bales weighing 16.5 tons from 13.7 acres. One June 18, he cut the same acreage to make 478 bales, or 16 tons. On July 23, he cut 10 acres of the same field, after resowing 3.7 acres for pasture, making 453 bales weighing 14 tons. On September 2, he cut the 10-acre field for the fourth time, making 200 bales or eight tons, and on Oct. 15, he harvested 120 bales or six tons.

Farm Agent Robert L. Rudolph notes that the 3.7 acres reserved for pasture supplied excellent feed all summer for 10 to 12 head of cattle and some hogs.

KENTABOO HOMEMAKERS

The Kentaboo Homemakers' Club held their November meeting at the home of Mrs. H. A. Mulrooney, Jr.

Mrs. Dan Hacker and Mrs. Coy Rowland discussed the major project "Landscaping," giving desirable ways on taking care of the lawn and every green; also when to plant roses, to take care of them.

Members present at the meeting were Mesdames Dan Hacker, Coy Rowland, Wm. Schmidt, Ben Zimmerman, and H. A. Mulrooney, Jr.

RECIPE OF THE WEEK

Well known for his butchering technique, Prof. E. J. Wilford of the Kentucky College of Agriculture and Home Economics, knows also the tricks of making good sausage. Here are some of his suggestions:

1. If possible, butcher hogs which have been fed corn, barley or other grain. Pork from such hogs has a better flavor and texture than from animals fed soybeans, acorns, peanuts or distillery slop.
2. Use three-fourths lean and one-fourth fat for best results.
3. Allow meat to cool before grinding it. Then use knives and blades which are sharp in order to cut, not crush, the meat. Juices from crushed meat fry out readily.
4. Combine seasonings, then sprinkle them over the cut pieces of meat before grinding.
5. Two grindings will distribute the seasonings evenly, a finer plate being used for the second grinding than for the first.
6. Sausage may be kept by canning in quart jars, putting it down in open crocks filled with lard, stuffing in casings, or packing it in sacks and smoking, or by freezing.

Pork Sausage

4 1/2 pounds lean pork, 1 1/2 pounds fat, 3 tablespoons salt, 1 tablespoon black pepper, 1 tablespoon spoon, 1/2 teaspoon ground cloves or allspice, nutmegs, 1/2 teaspoon red pepper if desired.

Prof. Wilford made it plain that excellent sausage may be made with only salt and black pepper for seasonings.

Circular 261, Killing, Cutting and Curing Pork, may be had from offices of county and home agents, or from the college, Lexington.

SAYS FEED, SANITATION BETTER THAN MEDICINE

Proper feed and sanitation practices and good management are more important than medicine when it comes to raising chickens, according to Mrs. Taylor White of Clay county. She raised 182 chicks last spring without a single loss.

Buying Barred Plymouth Rocks and New Hampshire Reds near home, she said the entire cost of the brood up to fringing size with the roosters sold and those eaten at home. Mrs. White further reported to Farm Agent Charles Dixon that the 69 pullets kept for a laying flock started laying when less than five months old.

STATE SHOW CALVES SELL FOR \$393,181

Members of 4-H clubs and Future Farmers of America sold 2,512 calves for \$393,181 at the recent 24th annual Kentucky fat cattle show and sale at the Bourbon County Fair in Louisville.

The calves weighed an average of 667 pounds and brought an average of \$18.05 a hundred. The champion calf in the 4-H division, owned by Joyce Eads of Fayette county, sold for 50 cents a pound, and the champion yearling from Carroll county sold for 32 cents a pound, a record price for a carload of cattle.

Three hundred and seventy-three calves sold for 20 cents or more a pound. In the 24 years of the show, members of 4-H clubs and Future Farmers have sold more than 33,000 calves at the state show and sale for more than \$3,400,000.

Lester Campbell of Owsley county says his new nine-acre tobacco barn with side and roof ventilation, cured the best tobacco he has ever produced.

Homemakers in Jefferson county assisted in canning 614 quarts of pears for UNRRA.

Community Public Service
Awarded Safety Plaque

Community Public Service Company has been awarded the above plaque as winner of first place among combination gas and electric utility companies of its classification in the National Safety Council's annual safety contest for public utilities.

The contest was based upon the frequency of lost-time accidents per million man-hours of exposure. Community Public Service Company's frequency rate for the 12-month period of the contest was 3.09, against an average frequency rate for the group of 949. Second place in the contest was won by Central Illinois Light Company, Peoria, Ill., and third place by New Orleans Public Service Company, New Orleans, La.

Winning of the plaque is the culmination of 15 years of continuous safety promotion and efforts to prevent accidents, according to W. J. Millican, safety direct-

or of the company. "Naturally we are pleased to have come out on top in the nation-wide safety competition, but we are more gratified to think what it means in the prevention of deaths, disabling injuries and loss of earning power among our employees."

Community Public Service Company long ago adopted a policy of providing its employees with every safety device available for their protection, according to Mr. Millican, and conducts a continuous program of safety education based on safe working practices developed from its own experience and the experiences of other utility companies throughout the country. Rigid safety rules, monthly safety meetings, special on-the-job training courses, periodic inspection of properties for existing and potential hazards, periodic testing of rubber protective equipment and free physical examinations for its personnel are among measures that have been taken by the company to prevent accidents.

Although the nature of the work performed by many of its employees is hazardous in the extreme, the company's accident frequency rate is lower than that of many other industries where the potential dangers are not as great. The company finished in second place in its classification in the 1944 National Safety Council contest and has been among the top ten in its group every year for the last 10 years.

BEAVER LICK

Mr. and Mrs. W. C. Johnson and sons were visitors to Covington, Friday.

Mrs. Mattie Griffith returned to her home here last week, after a visit of several weeks with her sister, Mrs. Mary Rose, at Burbank, California.

Wilbur Snow and family have moved to the Allen cottage here, and will work for J. B. Helser. Robt. Slayback and children and Mrs. Bertha Jack visited Ed Black and family Wednesday evening and joined in welcoming "Fete" home.

Mr. and Mrs. Chester Taylor, new merchants of Beaver, entertained with a "get-acquainted" party on Saturday evening. Music was fur-

nished by the Boone County Ramblers. A large number of folks attended and a good time was had by all.

Pfc. Joseph Besterman is spending a 90-day furlough at his home here. Joseph enlisted for a three-year term with the U. S. Army.

Mr. and Mrs. Edward Hamilton and family visited Mr. and Mrs. Howard Moore and son, Sunday.

LIMESTONE APPLIED BY HENRY FARMERS

County Agent Wm. B. Howell reports use of both limestone and marl in Henry county this fall.

Martin Baskett, Eminence, used approximately 50 tons of limestone on 24 acres of alfalfa.

W. S. Threlkeld, Pleasantville,

spread about 300 tons of limestone on orchard grass and bluegrass.

Richard L. Duncan, whose farm is in the Pendleton community, covered 20 to 25 acres with marl. The job was done in two days by two hired men and five German prisoners of war. Between 125 and 150 tons of marl were spread. The marl was thoroughly plowed up, loaded with shovels and hauled and spread with regular farm wagons.

Soil conservation payments for applying limestone are \$2.75 a ton and for marl \$1.83 a ton.

Roy Moore of Jackson county, who planted corn on the contour, says he will make 15 bushels more to the acre, due to the retention of moisture.

BULLITTSEBURG CHURCH

Each evening of the past week our church was opened to a visiting missionary, teacher or preacher to tell folks in this community about their work in home and foreign fields. We cannot boast of large attendance, but we can say that each one brought interesting facts and great inspiration in the work of our Lord. It was a great loss to you if you were unable to attend these services.

The following speakers were heard: Brother Curl, head of School of Missions in Ky.; Brother, W. K. Wood, Supt. of Evangelism of North Bend and Campbell Associations; Brother Johnson, Home Missionary to Indians of North Carolina; Brother Jackson, Missionary to Central

China; Brother Jacobs, teacher in a Baptist School in China; Brother Pardue, Home Missionary in Louisiana and Brother Griffith, head of State Missions in Kentucky.

Our enthusiastic pastor, Rev. Gardner is doing everything possible to make the members of Bullittsburg Church an enlightened people in Christian Service. There is a great need of wool-clothing for both Europe and Boone County. If you have any to spare, bring or send them to the church and we will take them to Burlington Red Cross Center.

We are always glad at Bullittsburg to welcome any who will come to each and all of our services.

HEBRON HOMEMAkers

The Hebron Homemakers met at the Masonic Hall for their November meeting. The hostess of the day was Mrs. A. D. Hunter.

The meeting was opened by the president Inel Anderson in the usual manner. Roll call was answered by 17 members. There were two visitors, Mrs. Carder and Mrs. Snyder present, also Miss Gillespie and her assistant, Miss Martha Jones.

Miss Gillespie gave us the lesson as no one was able to attend the leaders' training class. It was a very timely discussion on "Landscaping," which included Care of November Lawns, the transplanting and pruning of evergreens. We were informed that cedars and other evergreen, die more often from lack of water than any other cause even though there has been sufficient rainfall. The boughs act as a water shed and very little moisture gets underneath the tree. She said it was a good idea to water them once a month from November to April.

After a delicious covered dish luncheon, Stella Nichols our reading chairman, gave an interesting account of one of the South American countries, "Guatemala," dealing in history and geography of that country.

Plans for the Christmas party to be held at Inel Anderson's home in December were discussed. Come, bring an inexpensive exchange gift, preferably something made by hand. The lesson for the day will be on handicraft.

—Publicity Chairman.

SPREADING TOBACCO

STALKS ON VETCH

Spreading this year's tobacco stalks on a field of vetch before Oct. 15 was the record set by Tom Clarke in Grant county, according to County Agent Robert Hume. He spread stalks where 50 pounds of vetch seed had been sowed to the acre.

"Here are two good practices," said Hume. "All the fertility in the stalks will be saved. They will help the vetch grow and will still be there to help the crop in 1946."

Mr. Clarke filled one of his barns twice. When the first crop of 6,000 sticks was taken down for stripping, the barn was filled the second time with 4,000 sticks. Like the first one, it was cured with coke fires.

One of the first Grant county farmers to use coke, he is still the largest used in the county.

TIME TO WATCH FOR FORAGE POISONING

The season is at hand to guard against botulism or forage poisoning among farm stock, says a warning from the Kentucky Agricultural Experiment Station.

Feeds that may kill stock include silage, green and moist corn, corn silage, corn fodder, shredded fodder, unhusked, dried corn, baled hay and spoiled canned foods. In fact, any feed that is immature or damp enough to mold may be fatal to livestock.

Horses and mules are the most susceptible animals to forage poisoning. Feeds that may kill them may be fed to cattle or to hogs. Soft, moldy corn, for instance, may be safe for hogs but fatal to horses and mules.

Hay baled when not thoroughly cured or when damp may develop a fatal mold. Piles of shredded corn fodder also may develop the botulism bacillus. Corn in the husk in large, square cribs or in cribs solidly boarded on two sides may become unfit to feed, especially to horses and mules. Loose hay also sometimes molds. Oat hay has been known to kill horses. Immature corn is considered highly dangerous to chickens, and spoiled canned foods cause many losses of chickens and pigs. Spoiled cans of fruit, vegetables and other foods should never be dumped where they may be eaten by chickens or pigs, it is stated.

PIG-RAISING CHAMPION EAGER TO HELP WIN WAR

Jackie Bradenburg, winner of the 4-H club pig-raising championship in Lee county, tells his story as follows:

"I am a small boy 13 years old. My father is dead and I live with my Grandma Thomas, who has no land other than a garden of about an eighth of an acre.

"As I have two brothers in the armed forces, one of them in France, I really and truly wanted to help in the war effort all I could. With the help of my grandma and mother I bought a little pig. It was kept in a small house that had a roof, a floor and a door. It went in and out as it pleased and so had shelter at night.

"I fed the pig regularly night and morning, giving it scalded middlings, ground feed and scraps from the table. As it got bigger I added corn and green feed. I saw to it that it always had a good supply of clean water.

"The pig grew and made us a good supply of meat, sausage and lard. I wish my soldier brothers could have some of this good meat.

"I think it is our duty to work hard on the home front to help shorten the war so we can shoot the victory when our dear ones come marching home. By the help of God I intend to help—keep on keeping on."

NEW HAVEN HOMEMAKERS
The New Haven Homemakers' Club met at the home of Mrs. Tom Dunlap of Richmond on November 19th. There were 15 members answering roll call "what they were thankful for." Mrs. Dunlap was a very charming hostess and the meeting was enjoyed by every one present. A good luncheon was served.

Our president, Mrs. Ranson, opened our meeting with that "rand old song, 'My Old Kentucky Home'" led by our talented song leader, Mrs. B. Liggett. Then we turned to our flag, and with our hand over our heart, we pledged allegiance to our flag.

Mrs. Liggett read a lovely poem on "Thanksgiving." Then we called on our Live at Home chairman Mrs. Russell Garrison, our talented composer, who wrote a special poem for Thanksgiving, the title "The Thanksgiving Prayer."

Mrs. Emily Cleek gave a splendid report on "Landscaping." Her talk was most interesting and it really was enjoyed by all the members. She explained how to care for our lawns by fertilizing the ground; how to care for and plant roses, and when and how to plant trees and many good hints on flowers.

Mrs. Ranson spoke about a Clothing Drive for the poor people of Europe which will begin January 7th, 1946.

We are having a Christmas party at our next meeting and all members are urged to attend and bring a gift not to cost over 25 cents. The gift may be handmade. Mrs. Warren-G. Miller has been very kind to ask all the members to meet with her on December 17, at 11 o'clock.

—Publicity Chairman.

When Chickens

Have Bad Colds
What Do You Do?Simple Precautions Help Protect
Flock's Health.

Whenever you have a bad cold you try to get lots of rest, keep warm, perhaps take a mild laxative, and eat foods rich in vitamins, because you have found these things aid nature in throwing off the cold.

It is just as possible to help a hen throw off her cold, according to Grafton Lohr, head of the Sanitation Department, Purina Mills.

"Although no one seems to know just what causes colds in humans, research in recent years has demonstrated that colds in chickens are caused by a specific virus infection. Unfavorable surroundings such as poorly ventilated, drafty houses or exposure to cold wet weather will reduce the resistance of a flock and render it more susceptible to this infection. The need for good care, adequate nutrition and a sanitation program which will help prevent the introduction of this infection is readily apparent."

Colds in chickens as a rule begin with a thin nasal discharge followed by a collection of cheesy material in the sinuses of the head and a swelling about the eyes. The affected birds shows a loss of appetite, falls off in production and bodyweight, and become droopy.

If infectious colds should break out in your flock, Lohr suggests the following seven-point poultry sanitation program:

1. Eliminate drafts, dampness and crowding.
2. Scrub fountains with a stiff brush daily and disinfect with a Chlorox solution.
3. Give the birds a mild flush if it appears necessary.
4. Clean the poultry house thoroughly and disinfect with a Creasol solution. Supply plenty of dry litter.
5. Immediately remove the sick birds and burn those which die.
6. When evidence of colds is first observed, close the house and dust the birds with Chlorox Powder until they sneeze freely. Repeat with light dustings daily until the birds show improvement.
7. Keep the birds on full feed. If feed consumption drops, feed Layena checkers at night. To further increase feed consumption it may be advisable to add to the laying mash an appetizer like Chick-R-Ton.

Editor's Note: Chlorox, Creasol and Chick-R-Ton are handled by our local distributor for flock owners to help control the colds that may develop in their chickens. He has complete directions for their use.

Protein Content
No Sure Sign of
Feeding Qualities

During recent years, the idea has grown up in the minds of many farmers that the protein content shown on a feed tag is a sure indication of feeding value. "We want a feed with a high protein content," many say.

However, points out E. H. Hamel, manager of the fattening department of Purina Mills, the protein content of a feed can be very misleading. Just because a feed is high in protein is no sure indication that it is high in feeding value, he claims. Proteins, as such, vary greatly in their ability to meet feeding requirements.

"At the Purina Experimental Farm, Gray Summit, Missouri, we have found that a low-protein mixed concentrate frequently is more satisfactory for putting on pounds of pork or beef than one high in protein," he reports. "After all, that's what we're most interested in getting. It doesn't mean a thing to us if the analysis of a mixed concentrate shows that it is high in protein. In fact some of the most costly ingredients of the mixed concentrates we distribute nationally contain very little protein."

Hamel compares the making of a good protein supplement with the manufacture of a machine. The machinery manufacturer, he argues, has to sell his product on the basis of what it costs and what it will do—not on the pounds of iron it contains. In the same way, concentrates and feeds must be sold on the basis of what they do and what it costs to make them rather than on their protein content.

"Me...I'm staying

in the Army!

THERE ARE PLenty
OF REASONS...
AND HERE THEY ARE!"

1 "First, I keep my present grade. That means a lot.

2 "By reenlisting for 3 years I can pick my own branch of service in the Air, Ground or Service Forces, and can go to any overseas theater I wish.

3 "I get my mustering-out pay, even though I'm reenlisting. Also, I get \$50 a year reenlistment bonus for each year I've been in the Army. My dependents receive family allowances for the full term of my enlistment. And I'll be eligible for GI Bill of Rights benefits when I get out of the Army.

4 "My food, clothes, quarters, medical and dental care are all supplied to me. And I can learn any of 200 skills or trades in the Army schools.

5 "All of us who are reenlisting are going to have from 30 to 90 days' furlough at home with full pay and our travel paid both ways. And we'll have 30 days' furlough every year with pay.

6 "Any time after 20 years I can retire at half pay increasing year by year to three-quarters retirement pay after 30 years of service. And the time I've already served in active military or naval service counts toward my retirement time. Added up—reenlistment seems pretty sound to me!"

JANUARY 31, 1946

AN IMPORTANT DATE
FOR MEN IN THE ARMY

MEN new in Army who reenlist before February 1 will be reenlisted in present grade. Men honorably discharged can reenlist within 20 days after discharge in grade held at time of discharge, provided they reenlist before February 1, 1946.

You may enlist AT ANY TIME for 1½, 2 or 3 year periods. (One-year enlistments for men new to the Army with at least 6 months of service.)

WITH OUR BOYS IN THE SERVICE

We are in receipt of the following letter from Gerald Clore, written at Yokohama, Japan:

"Well here I am. It has been a long time since I have written and I am a long way from home. I am in Japan, which is not much pleasure for anyone. We came in here before the war was over and went to the prison camp and got the POW out. Some or most were in a bad shape. Most anyone would be if they had to eat bean soup and rice for four years. The best grade of bean soup in Japan is three or four years old. It is put in barrels and aged, being sour to the taste.

The Japs treated the boys who flew the B-29's the worst. They

were called war criminals instead of prisoners.

Corpsmen here on the ship work all day and most of the night, but no one complains because it is for a good cause.

"I don't know whether there are any other boys here from around home, but if there is I sure would like to see them, as this is sure a lonesome place.

"I have seen most of Japan, or what is left of it. Over 80 percent of it is a total wreck. There are two Jap ships here in the same dock that were torn up before they were completed. What Jap ships I have seen were poorly constructed.

"A lot of Jap officers have killed themselves—they can't stand the pressure. However, the others treat us very good, they bow to us as we go down the street.

If you want to ride the street cars here you stand on the track so they can see you (no special steps). I have a lot of pictures of

Japan I made myself and a lot of other souvenirs.

"I don't know when we will return home, soon I hope. I have had enough of this officer's Navy—no place for an enlisted man.

"I almost forgot to thank you for the paper. I sure did enjoy it the other night when I received it and all the other times. Tell some of my friends to write, because I can't understand Japanese very well, but have learned a few words. So long and hope to see you soon."

Ed. Note: Gerald's address is Gerald Clore AAI-c, USS Benevolence Oh 13, Sec. 2C, H. Div. care FPO, San Francisco, Calif.

Pvt. Clifford L. Barnes, Casual Co. 31, APO 21325 care Postmaster, San Francisco, Calif., writes: "Just a few lines as it is about time for lights out. We are at a camp about 50 miles from Frisco, waiting for the boat. I am sending my address so that I may receive The Recorder again if you are still sending them to fellows in service."

We are in receipt of the following letter from Lawrence Aylor, Mariquina, Luzon, P. I.:

"As you've no doubt heard the 38th Division is one of the first Units in the Pacific to come back to the States for demobilization. Before many days we'll be on our way home.

"Thought I'd take this opportunity of informing you of this fact so you can stop sending the Recorder overseas.

"It's pretty difficult to find words adequate to show my appreciation of your extended kindness in sending me the news these past 4½ years. Please believe me, I'm very grateful. Thanks for all your past favors and I hope to thank you in person soon. Regards to all."

We are in receipt of the following letter from Kenneth R. Sutton F. I-c of the U. S. Navy:

"Have received four copies of The Recorder and enjoyed reading them very much. It sure is good to hear from my old friends and neighbors. The long periods at sea sure get monotonous. Even the smallest reading material comes in mighty handy. It helps keep our minds off Banzai and suicide boats.

"After almost twenty months at sea our morale gets mighty low sometimes, but a letter from home or a friend steps it up for another period. The people back home have done a fine job so far. Keep the supplies coming and we will blast Tokyo right off the map.

"Thanking you again for The Recorder and hope to get more in the future."

BIG FIRM ENABLES SMALL ONES TO PROSPER

Detroit—The nation's small industries and the nation's small cities could take encouragement from a decentralization system for mass production born in this factory city.

It is a system whereby small industries become partners of big industries and the peril of costly competition—frequently ruinous for the little business—is eliminated.

Decentralized mass production as the technique is known, is typified in the Ford-Ferguson farm-equipment organization, operated by Harry S. Ferguson, Inc.

The Ferguson organization is one of the country's top producers of farm equipment, including the Ford-Ferguson tractor. Yet it owns no factories, controls no assembly lines and owns no other agencies.

Hundreds of private operators, producing equipment in their own plants, make up the giant enterprise under the Ferguson name. These "partners" are integrated in the Ferguson system without surrendering ownership or control to the master company.

The Ferguson organization counts 110 individual, home-owned industries as partners in the Ford-Ferguson farm-equipment line. Roger M. Myers, Ferguson president, expects that number to reach 500 in a year.

Ferguson provides top-grade engineers, mass-assembly techniques, and an assured distribution for all members of the system. The plan welds into a single farm-equipment line all the resources of many small manufacturers.

Under the decentralization system worked out by Ferguson, the small factories simply produce elements of the Ferguson three-way hitch farm-equipment line. Their production is bought by contract and they are spared both the fret of producing a marketable item and the chore of obtaining markets.

Ferguson also is able to supply financial aid if needed.

HIGH PRICED EGGS WARRANT GOOD CARE

With eggs bringing good prices it will pay producers to take good care of eggs before they are marketed, says Stanley Caton, field agent in poultry at the Kentucky College of Agriculture and Home Economics. In Circular 349, "Good Eggs for Market," Mr. Caton stresses these points:

1. Use every precaution to have clean eggs. Clean the few dirty

ones with emery cloth or steel wool.

2. Keep a deep litter on the laying house floor at all times.

3. Gather eggs frequently, especially in the morning when most of the eggs are laid.

4. Cool eggs for 8 to 10 hours before packing them in cases, small end down.

5. Keep eggs in a cool, moist week room where the temperature does not exceed 65 degrees, and where they won't freeze. A cellar is good.

6. Market eggs at least twice aington.

Copies of Circular 349 may be had at offices of county and home agents, or from the college, Lexington.

Hospital Workers Thanked By Chairman

(Delayed)
"Now that the Army Air Forces Hospital at Ft. Thomas, no longer has need of our services, I would like to thank those who worked there as clerical workers, typists and stenographers, better known in Red Cross as staff assistants. They reported when they were really needed and we were often complimented on the quality of our workers. We also didn't lose sight of the distance our ladies had to travel, especially during those slippery winter days that seemed to follow each Tuesday last winter," said Mrs. Elizabeth Goodridge Nestor, Chairman of the Volunteer Special Services.

The following is a list of the volunteer workers and the total number of hours they gave from December 1944 through September 1945:

Mrs. Olea Dolph, 149½; Mrs. Elizabeth G. Nestor, 101½; Mrs. Helen Snyder, 93; Mrs. Marjorie Martin, 53; Mrs. Lula Tolin, 50; Mrs. Mary Louise Townsend, 32½; Mrs. R. C. Garrison, 30; Mrs. Alene Mattingly, 23½; Miss Patricia St. Germaine, 19; Mrs. Elizabeth Houston, 16; Miss Billie Wilson, 15; Mrs. Katharine Cropper, 12; Miss Alice Anderson, 9½; Mrs. Wm. Fitzgerald, 9; Miss Dorothy Bessler, 8; Miss Sue Sayers, 6; Miss Marian Bradford, 6; Miss Mary Bess Cropper, 5½; Mrs. Marjorie Freeland, 23½.

Mrs. Nestor also announces a Canteen Corps established primarily for work at the Boone County airport. However, the corps is also available for serving food in disaster of any kind, floods, fires, tornados, etc., and can be contacted through your local Red Cross Chapter. All canteen members have regulation uniforms and caps.

Those registered in the Canteen Corps are Mrs. Elizabeth G. Nestor, Mrs. Olea Dolph, Mrs. Helen Snyder, Mrs. Ann Stewart, Mrs. Alene Mattingly, Mrs. Russell Garrison, Mrs. Emily Celek, Mrs. Matie Griffith, Mrs. Warren Miller, Mrs. Harry Holton, Miss Wanda Hue.

"We appreciate the help we have received from all these ladies, both staff assistants and Canteen Corps and the space that has been given to us during this period by the Boone County Recorder," Mrs. Nestor continued.

THE BOONE COUNTY RECORDER

ESTABLISHED 1875

BURLINGTON, KENTUCKY THURSDAY, DECEMBER 13, 1945

VOLUME 70

NUMBER 25

\$525,000 Raised In Boone Co. Victory Bond Drive

TOTAL INCLUDES \$107,400.00 IN E BONDS—TOTAL SALES IN EIGHT DRIVES AMOUNT TO \$5,175,000.00.

Boone County has again "gone over the top" in subscribing a total of \$525,000.00 in the Victory Bond Drive, which closed last Saturday night, on its quota of \$308,000.00. This total includes \$107,400.00 in "E" bonds subscribed on a quota of \$90,000.00.

Very few counties in Kentucky and adjoining States have reached their quotas in "E" bonds. Boone County people may well feel proud of their record in exceeding their quota in "E" bonds as well as "other bonds" three days before the close of the drive last Saturday night. Sales of E, F and G bonds will continue through the month of December and will be counted in the drive. While Boone County does not need any more subscriptions as far as the county itself is concerned but the banks will gladly accept your subscriptions which will add to the total sales and help on the State quota as a whole. Four hundred eighty-two people purchased bonds in this Victory drive.

The Standard Oil Company of Kentucky, through their representative, B. S. Vanlandingham, allocated \$3,500.00 to Boone County out of their large subscription of \$1,250,000.00 in this Victory Drive. The Federal Bank of Louisville also allocated \$8,000.00 to Boone County out of their large subscription. This allocation of the Federal Land Bank was based on the loans in force in this county. These outside allocations were quite a help and much appreciated by the County Committee.

The total quota for Boone County in the eight drives was \$3,900,000.00. Total sales in the eight drives amount to \$5,175,000.00 to date, which total will be increased by the close of December. This is quite an accomplishment when it is understood that Boone County is strictly an agricultural county with no factories, payrolls, or large corporations from which to draw in these bond drives.

The County Chairman makes the following statement: "As County Chairman of the War Finance Committee of Boone County, I desire to publicly express my sincere thanks and appreciation to A. D. Yelton, Co-Chairman and precinct Chairmen, C. E. McNeely, J. H. Huey, C. L. Thompson, G. C. Ransom and C. D. Benson, for their loyal cooperation in the past four years. The special committee composed of Mrs. W. M. Townsend and Walter D. Vest are entitled to credit in securing special subscriptions in these drives.

"Then there are those few men and women who were not members of any committee and whose names have never appeared in any newspaper article and they would not want me to mention their names now, who purchased blocks of bonds and stood by in every drive ready to go to their banks and borrow money, if necessary, to put our drives over. These people volunteered in the very beginning of the war as subscribers and requested that I command them at any time and in any way in which they could serve in putting these drives over. They performed most readily at all times when called upon and for which I am truly grateful.

"The workers under the precinct chairmen devoted much time in soliciting subscriptions and they too deserve credit for their part in these drives.

"I want every subscriber, even to the lowest \$18.75 bond, to know that it was your subscription that made it possible to reach our quotas and to have you know that you have the best investment in the world.

"The two county papers, The Boone County Recorder and The Walton Advertiser, were most cooperative at all times, giving us unlimited front page publicity in every drive, which was most helpful in keeping up interest in these drives. To every one who cooperated with me for the past four years in all these eight War Bond Drives I sincerely thank you and hope you will never be called upon again to perform a like task.

A. B. RENAKER, Chairman War Finance Committee Boone Co.

Hebron Wins By Top Heavy Score Over Burlington

Hebron's hoopers won over the Burlington five Friday night by a one-sided score of 42-11 on the Hebron floor. Hebron took an early lead and maintained a safe margin throughout the game. Buckner was high point man for Hebron with 13, while Acre collected three for the losers.

In a preliminary game, Hebron's reserves won over Burlington by a 47-21 count.

St. Henry Downs Burlington. St. Henry defeated the Burlington quintet Monday at Lloyd gym in a closely contested basketball game by a score of 38-30. Peristillo flipped four field goals thru the hoop in the closing minutes of play to give St. Henry the safe margin of 8 points.

Presser collected 19 points for Burlington while Dahlenburg collected 16 of St. Henry's score.

In a preliminary game, Burlington reserves trounced the St. Henry reserves by a score of 23-20.

Florence 56, Walton 47. Florence turned back the Walton five Friday night on the Florence floor by a score of 56-47. Ammon was high point man for Florence, with 16, while Roberts collected 16 for the losers. The score at the half was Walton 33, Florence 20.

In a preliminary game, Florence reserves emerged on the long end of a 25-15 count over Walton's reserves.

Hebron Upsets Dixie Heights. Hebron defeated Dixie Heights on the loser's floor last Tuesday night by a score of 37 to 27. Hebron led at the half 22 to 16. Buckner and McGlasson had 12 points apiece.

The winners while Voskuhl had 11 for the losers. In the reserve game Dixie won over Hebron by a score of 23 to 21.

400 FARM PLANS ARE COMPLETED

FOR 1945 A. C. PROGRAM AT SERIES OF MEETINGS HELD THROUGHOUT COUNTY LAST WEEK.

Four hundred farm plans and applications for payment have been completed and signed on the 1945 A. C. program at the series of meetings held throughout the county last week.

Farmers who have not completed their 1945 farm plans are urged to do so at an early date, as the applications for payments will be submitted within a short time and payments will be delayed if there is a delay in filling out the farm plans.

Farmers are also urged to return their tobacco marketing cards, as soon as all sales are complete. They are cautioned not to mail them, unless a stamp has been placed on the card, as they are no longer frankable. Several postmasters have advised us that these cards were being mailed without any postage and they state they are having to return them to the farmers.

Hensley-Poston

Miss Mary Jean Hensley, daughter of Mr. and Mrs. Thomas Hensley, of Burlington and Nelson Poston, son of Mr. and Mrs. E. M. Poston, of Burlington were quietly married at the home of Rev. R. A. Johnson, officiating minister, Saturday night.

The attendants were Melvin Elslager and Wilma Atha.

The bride is a graduate of Burlington High School and at present is an employee of the Mabley & Carew Co., Cincinnati. The groom is also a graduate of Burlington High School and at present is employed by the Crosey Corporation.

After a brief honeymoon in Louisville, they returned here Monday and are residing with the groom's parents.

The Recorder joins their many friends in wishing them a long, happy, prosperous married life.

Five Men Inducted Through Board No. 9

The following is a list of men inducted through Board No. 9, Burlington, during the month of December, according to C. G. Kelly, Clerk:

Charles Eggleston, Jr., Robert Wayne Noe, Gordon Edwin Simpson, and John R. Kindoll, Emmett Ralph Elliott, volunteered for service.

CHICKEN THIEF IS APPREHENDED

BY DEPUTY SHERIFF AT HOME IN WYOMING OHIO—IS INDICTED ON TWO CHARGES BY GRAND JURY.

Isham O'Neal, colored, of Wyoming, Ohio, was arrested Saturday night by Deputy Sheriff Rouse at his home, on a charge of chicken stealing after evading police for several weeks.

O'Neal escaped from local officials several weeks ago, after being arrested near Burlington. Police had been unable to locate him until Saturday night.

Deputy Rouse stated that he and a Wyoming policeman called at O'Neal's home Saturday night. The Wyoming policeman went to the front door and Rouse to the back door. O'Neal attempted to make his escape thru the rear door but was stopped by Deputy Rouse.

He was returned to Burlington and placed in jail. The Boone County grand jury returned two indictments against him Monday. The indictments were carrying concealed weapons and chicken stealing. He is being held under \$1,000 bond.

1100 Pounds of Tobacco Sells For \$53.00 CWT.

Les Satchwell of the John Ryle farm, grew 1100 pounds of burley tobacco on one-half acre of ground which sold on the Covington market last week for an average of \$53.00 per hundredweight.

TOBACCO BRINGS GOOD RETURNS

TO BOONE COUNTY FARMERS—RECORD CROP OF 2,251 ACRES LAST YEAR PRODUCED 3,366,308 POUNDS.

Boone County's 1945 tobacco crop is averaging higher in quality and practically as good yield as the record 1944 crop. If present prices continue, this year's crop will again bring farmers a good return, according to H. R. Forkner, County Agent. The first A. A. sales reports returned to the county office indicate a yield of 1350 pounds per acre compared with the county average of 1320 pounds last year.

Boone County's record crop of 2,251 acres last year produced 3,366,308 pounds that grossed farmers \$1,533,299.00 or an average of \$45.56 per hundred. The acreage report on this year's crop is not available yet but preliminary estimates are it will be approximately the same or slightly less than last year's. The 1945 acreage is being measured compared with last year's estimate acreage reports turned in by farmers.

The high yield per acre is a surprise to many farmers who earlier estimated the yield would be much lower. Root rot during June seriously affected the stand, growth and yield of many crops of non-resistant varieties. The average total loss for the county from root rot through failure to use root rot resistant varieties is estimated at least 5 per cent. Many crops suffering losses in excess of fifty per cent. The 5 per cent loss is estimated to have cost Boone County farmers 168,315 pounds of leaf valued at \$75,000.00. This loss if used to purchase approved root rot resistant seed would supply all farmers at the present rate with seed to set their crops for the next 150 years.

Boone County Band To Hold Christmas Party

The Boone County Band will hold an annual Christmas party Monday night, December 17 at 7:30. The party will be at the Hebron school.

The program for the evening promises to be very interesting. One of the features of the program will be singing and playing of Christmas carols. Good movies will be shown and several good food things have been planned including plenty of food for all.

The party is sponsored by the band in honor of their parents. All parents of band members are urged to attend. The members of the band want to show their appreciation for the splendid cooperation given in past band activities.

The band is preparing boxes for some of the needy families in the county, in order to make Christmas a little brighter for some will not be so fortunate. If possible, and proper arrangements can be made, the band will sing and play Christmas carols throughout the county some night prior to Christmas.

CONTRACTS ARE LET AT AIRPORT

FOR PLUMBING AND ELECTRIC WORK ON ADMINISTRATION BUILDING—BOARD PLANS TO HAVE BUILDING READY FEB. 1

Electric and plumbing contracts for the administration building at the new airport located near Hebron were awarded Friday by the Boone County Airport board, it was announced.

The plumbing contract was awarded to George Beutel, Covington on his bid of \$23,658. The wiring contract was awarded to the Fogarty Electric Co., Cincinnati on a bid of \$23,300.

Work on the administration building already under way with Harry Miller, Covington, as general contractor. The board expects to have the building for use by commercial airlines by February 1.

The airport has been declared "surplus" property by the War Department and will therefore not be used by the Army. The government had an exclusive lease on the airport until August 31, and has had a joint lease expiring December 31st with commercial lines since that time.

Ray Williamson

Funeral services for Ray Williamson, farmer and lifelong resident of Boone County, were held Wednesday afternoon at 2 p. m. from his home near Waterloo. Burial was in Bellevue Cemetery. Mr. Williamson, who was 59, died Sunday at his home. He was well known throughout the county and will be greatly missed.

He is survived by his widow, Mrs. Mary Scott Williamson; a daughter, Mrs. Robert Wells, Albany, Ga., and a brother Cecil Williamson, of East Bend.

Tharp and Stith, Florence funeral directors were in charge of arrangements.

Former Burlington Doctor Dies In Clevel., O.

Dr. Harmon H. Hays, oldest physician in Clevel., O., and a former resident of Burlington, died last Wednesday of last week at his home, 259 S. Miami Ave., Clevel. He was 89 years old.

A graduate of the College of Medicine of Ohio, Dr. Hays practiced at Burlington until 30 years ago. He was well known thruout this section of the county.

After moving to Clevel. Dr. Hays practiced until 15 years ago, when he sold his home and bought another in St. Petersburg, Fla. But after a few years there he moved back to Clevel. to be near his former patients. Although he retired 10 years ago, he continued to go out on special cases until two years ago, when failing health prevented any further professional activity. Dr. Hays was one of two Clevel. doctors who continued their work despite encroaching years.

Dr. Hays is survived by his widow, Mrs. Louvers Hays, and two sons, Harmon H. Hays, Jr. and W. Holman Hays, both of Clevel.

Pacific Veteran Home For 30-Day Furlough

Sgt. Bill Hoffman, formerly of Petersburg, Ky., is spending a 30-day furlough with his parents, Mr. and Mrs. J. R. Hoffman, of Burlington, after serving 22 months in the central Pacific.

He participated in the invasion of Marshall Islands, Marianas and Iwo Jima. He wears the Navy and Presidential citation.

He enlisted in the Marines on July 6th, 1942. He will return to Philadelphia, Pa., after his furlough.

Workman Receives Injuries In Fall Mon.

Foster Armstrong, 59, of Latonia suffered a broken collar bone, head injuries, bruises and minor cuts when he fell 20 feet from the roof of the locker plant, under construction at Burlington. The accident occurred Monday morning, while Mr. Armstrong was carrying a heavy timber on the wall.

Armstrong was removed to St. Elizabeth Hospital by fellow workmen where he received treatment. He is a partner of the Armstrong & Beers Contractors, doing carpenter work on the locker plant.

Leslie Wayne Clore, son of Mr. and Mrs. Alvin Clore, has been ill for several days.

SCOTT-MADDOX WIN FOOD PRIZES

IN 1945 LIVE AT HOME CANNING AND FOOD STORAGE CONTESTS—ALL CONTESTANTS HAD HIGH SCORE.

Mrs. Lillard Scott of Grant and Mrs. Grant Maddox scored county champions in the 1945 "Live at Home" canning and Food Storage contests, according to the County Extension offices. All contestants scored high and the quantity and quality of work done was outstanding.

Mrs. Scott canned 25 different fruits and vegetables and averaged 174 quarts for each member of the family. She canned one hundred quarts of jam per person in the amount needed per person per year. The quality of the canned food was excellent. She is the winner of the Walton Advertiser \$1000 first prize for the 1945 championship. Mrs. George Prigge, of Union R. 1, with 16 different canned fruits and vegetables and an average of 145 quarts per member of the family, scored second and winner of a two years' subscription to the Walton Advertiser. Mrs. Lorena Clore, of Hebron scored third and Mrs. Raymond Stephenson, of Verona fourth and winners of the George Goode awards and Mrs. Joseph Rouse of Verona, fifth.

Mrs. Grant Maddox of Florence canned an average of 106 quarts per member of the family and stored 17 different fruits and vegetables besides using a home deep freezer in which 450 pounds of beef 750 pounds of pork and 50 chickens were stored. Mrs. Maddox was declared county champion in the canning and storage contest and winner of the \$10.00 Farm Bureau first prize. Mrs. Courtney Kelly of Burlington did an excellent job in canning 13 different fruits and vegetables and storage of 12 different fruits, sorps and vegetables, and Mrs. Reuben Asbury, of Constance scored third and were winners of the Farm Bureau membership and G. W. Hill grocery awards, respectively.

All contestants have rendered valuable service to the war time home food production program.

Haak Addresses Utopia Members

The Boone County Utopia Club met November 29th at the court house with thirty of its members present. Mrs. Pearl Haak of Lexington gave a very interesting talk on "Uses of Milk in Cooking." An interesting talk to dairymen was given by Grant Maddox on "Producing Clean Milk."

In closing the meeting, members were all served oyster soup made by Sam Blackburn and Alberta Dickey. A good time was had by all.

The next meeting will be held December 20th. A Christmas tree will be had and presents will be exchanged. Refreshments will be served and a good time can be expected. All ex-service men are especially invited.

Certificate Available To Army-Navy Veterans

A handsomely engraved certificate of personal gratitude signed by President Harry S. Truman is now available to all veterans of the Armed Forces. Men still in uniform as well as discharged veterans can obtain theirs by calling in person at the U. S. Army Recruiting Station, Faller Bldg., 8th and Walnut Sts. Discharged vets must bring their discharge papers along.

NEW WAREHOUSE WILL OPEN SOON

OPENING DATE EXPECTED TO BE SOMETIME NEXT WEEK—HAS FLOOR SPACE FOR 2500 BASKETS.

The new Covington Independent Warehouse, located on Dixie Highway, Erlanger is expected to have its opening sales sometime next week, according to reports.

The new warehouse has space for 2500 baskets of leaf, and will be modern in every detail.

Boyd Elliott, of Nicholson, one of the new concern's operators, said that it is hoped that the building will be ready for full receipt of leaf in Cookery. An interesting week. If this is done, sales will begin next week, he explained.

W. C. Spence of North Carolina is to be general manager of the concern and John Grant, of Burlington will be floor manager. Orville Hill of Cynthiana has been engaged as auctioneer.

Steele West and Leonard Cook, of Walton, and Frank Cook, of Independence are in the warehouse partnership.

The first load of tobacco was delivered to the new warehouse Monday afternoon by John R. Boyce of Elmer.

REMEMBER WHEN

—a pinch of this, a pinch of that and a dash of something else made the best apple pie you ever ate? Cooking schools and exact recipes didn't interfere with a woman's "natural knack" for cooking. Women had the "feel" for mixing things together and having their baking turn out right. Remember?

OF THE NATION

LESSON TEXT: Isaiah 9:1, 2, 3, 6, 7; Luke

1:29-33.

GOLDEN TEXT: For unto us a child is
born, unto us a son is given; and the
government shall be upon His shoulder;
and His name shall be called Wonderful,
Counsellor, the Mighty God, the Everlast-
ing Father, the Prince of Peace.—Isaiah
9:6.Christmas is coming! It should
be a blessed and delightful time this
year. But do not fail to ask your-
self, What is its true meaning? Why
did Christ come? So that we could
feast and celebrate? Surely not. He
came first of all to be a Saviour; but
do not forget that the Saviour is also
the King of kings.When Jesus came, His people Is-
rael were practically without a govern-
ment. They were a subject peo-
ple under the rule of Rome. Their
national life was in ruins; darkness
had settled over their land, and there
was both national and spiritual
darkness. Christ came as their King,
as well as the Light of the world. True,
they rejected Him, and His kingdom is
now in abeyance until He comes again
to reign. One of these days He will
come!I. Darkness—but the Light Is Com-
ing! (Isa. 9:1, 2, 3).When Jesus came there was deep
darkness in Israel; there was no
king. National honor and glory were at
low ebb. Religious leaders had
lost their spiritual vision and zeal.
They were going through the form
of godliness but denying its power.
Read the book of Malachi for a
picture of their desolation.Then Jesus came, and the great-
est Light of all time shone forth in
the darkness. He was the "light
of the world" (John 8:12). They
that followed Him did not
stumble in darkness (John 9:5; 11:
9). How sad that they received Him
not (John 1:11)! The reason? They
loved darkness rather than light
(John 3:17-21).There is much darkness in our
world today. We need the light of
Jesus in national life, as well as in
individual life. When will the na-
tions of the earth recognize Him
as the only One who can truly lead
them through the darkness?Military leaders, educators, and
men of letters are saying in our day
there must be a spiritual rebirth
of the peoples of the earth if we
are not to have another war which
will destroy everything. No mere re-
vival of "religion" will do it. We
must have Jesus, the S

SANITATION PAYS
IN RAISING HOGS

Carl Hobbs of Carlisle county has proof that it pays to raise hogs the sanitary way. Last spring

two of his hogs farrowed in the old hog lot raising seven pigs which weighed less than 100 lbs. on Oct. 25. In contrast 13 sows were cleaned and moved to a new field where they farrowed 106 pigs and raised 98. Farm Agent John

B. Watts reports that Hobbs sold 23 of the pigs when they were about six months old, averaging 235 pounds. Fifty-six more pigs were sold when they, too, were six months old, each averaging 250 pounds.

SMALL FARMS PRESENT**PROBLEM IN KENTUCKY**

Twenty-seven thousand, or about one-eighth of Kentucky farms, not including part-time farms and land tilled by croppers, are tracts of less than 30 acres, with an average of less than 10 acres well suited to cultivation.

In a report to the Committee for Kentucky, made by Dean Thomas P. Cooper of the State College of Agriculture and Home Economics. Continuing he says:

"Few acres of cropland and none-too-fertile soil add up to meager living for many families on these farms. The finding of suitable means to increase their income substantially is essential to the well-being of these families."

"Obviously there are three approaches to a solution: (1) improved farming and marketing, and engaging in farm enterprises capable of returning a high percentage income; (2) enlargement of farms, through purchase or rental, so as to increase the scale of operations; and (3) off-the-farm employment or development of home handicraft industries to supplement farm income. Opportunity enlarge the farm, or to buy a farm with more cropland, implies the availability of credit on sound and

practical terms. Opportunities for employment off the farm will increase if industrial plants are more generally located in small towns and rural areas. Development of home handicrafts may offer increasing opportunity with extension of electricity to greater numbers of farm homes.

"Farm enterprises yielding high

returns per acre usually require much labor per acre. On small farms there is usually plenty of labor to make these intensive enterprises practical. Of such enterprises, it would appear that dairying, poultry raising, and raising burley tobacco offer greatest promise for the small-farm operators. Strawberries, sweet potatoes, vegetables for market and other specialty crops offer opportunities in some areas."

TIPS for Holiday TRIP Comfort:

GO EARLY... GO GREYHOUND!

Start Before, Return After the Holiday Rush

The happiest Christmas in four long years means that millions of Americans will be on the move — especially right around the Holidays.

You'll be wise to take your Year-End trip early, a little before the rush days — returning a little after, if convenient — rather than during the immediate holiday period, when all travel facilities will be most heavily taxed.

ties will be most heavily taxed.

So we say Go Early... Go Greyhound! You'll get more for your travel dollar — more comfort, more enjoyment — by arranging to go before or after the days when travel is heaviest.

And here's another timely tip: Check with the Greyhound Lines in advance of the date you plan to leave, for complete information about schedules, fares and routes.

Specialist Gives Frozen Food Demonstration

Mrs. Pearl J. Haak and Mr. W. E. Wilford, University of Kentucky specialists, recently gave a demonstration at Walton High School on the preparation and cooking of frozen foods. Mrs. Haak stated that each individual eats his weight in food once a month, thus care must be taken to preserve foods by some method. She listed meats, eggs, vegetables, and fruits as fit for freezing provided

they meet certain standards. Care was stressed in the selection of variety, maturity, and the handling of foods.

Mr. Wilford discussed the importance of clean healthy animals for consumption. He listed beef, veal, mutton and poultry as good for freezing. Pork, he said, could be kept approximately three months but is much better when canned.

Proper wrapping of meats was demonstrated along with the different types of containers that may be gotten at the County and Home Agents' Offices.

"Bill" Huey Enroute From Pearl Harbor

Pearl Harbor, T. H.—William H. Huey, CMIC, USNR, husband of Mrs. Ethlyn M. Huey, of Burlington, is on his way home.

Huey is one of over 2,000 high-point Navy veterans whom the "Magic Carpet" is bringing back to the States aboard the U. S. S. Bottineau.

The U. S. S. Bottineau—one of more than 250 carriers, battleships, cruisers, and attack transports in the Navy's famed "Magic Carpet" fleet—left Okinawa, November 20,

and was scheduled to arrive in San Pedro about December 5. Passengers will go directly to the Separation Centers nearest their homes to complete the formalities of obtaining their discharges before returning to civilian life.

FALL PROVES FATAL TO KELLY MARTIN

WAS UNLOADING TOBACCO AT CARROLLTON AT TIME OF ACCIDENT - SERVICES HELD TUESDAY.

Kelly Martin, 52, Burlington farmer, died Saturday at St. Elizabeth Hospital, Covington, from a skull fracture received December 10th when he fell from his truck while unloading tobacco at the Carrollton tobacco warehouse.

Following the accident Mr. Martin was removed to his home by friends, who did not believe he was injured seriously. Wednesday he was removed to St. Elizabeth Hospital on the advice of his physician Dr. M. A. Yelton, of Burlington.

He is survived by his widow, Mrs. Naomi Willoughby Martin; three daughters, Mrs. John Louder, Union; Mrs. Cecil Fields, Burlington; and Miss Inez Martin at home; three sons, Russell, James and Wallace Martin, at home; his mother, three brothers, three sisters and four grandchildren.

Funeral services were held at the Stanton Christian Church, Stanton, Ky., of which he was a member, Tuesday. Burial was in Stanton Cemetery.

Tharp and Sixth Florence funeral directors were in charge of arrangements.

Charles Scott, Sr.

Charles Scott, Sr., lifelong resident of Boone County and retired dairy farmer passed away at his residence in Florence.

He is survived by his widow Katherine Grogan Scott, three sons, Charles, Jr., East Chicago, Ind.; William and Robert, of Florence; one daughter, Mrs. Ralph C. Lapp of Florence; four brothers, William and George of Florence; Arthur, of Walton; Louis, of Erlanger; five sisters, Alice Stuntebeck, of Covington; Mrs. Lucy Mulvey, of Latonia; Mrs. Evelyn Durr, of Piner; Mrs. Matilda Glosier, of Louisville; Mrs. Maria Cornelius, of Independence and three grandchildren.

Funeral services were held at St. Paul's Church, Florence, with burial in St. Mary's Cemetery.

Tharp and Sixth Florence funeral directors were in charge of arrangements.

Overseas Veteran Receives Discharge

T-Sgt. Eugene Setters was honorably discharged December 9, at Indianapolis, Ind., after spending 35 months overseas, being stationed in England, France, Belgium, Austria, and Germany. He was attached to the 801st Tank Destroyer Bn.

Sgt. Setters holds the American Theater of Operation Ribbon, ETO Ribbon, Good Conduct Ribbon, Victory Ribbon, Post Pearl Harbor Ribbon, 5 battle stars and one Silver Star.

He received his basic training at Camp Hood, Texas. Sgt. Setters is a son of Mr. and Mrs. Grover Setters, of Burlington R. 2.

ANNOUNCE OPENING OF FUNERAL HOME

IN TOWN OF FLORENCE—WAS FORMERLY OWNED BY DR. AND MRS. T. B. CASTLEMAN—COMPLETELY REMODELED.

Chambers and Grubbs have announced that their new funeral home in Florence, Ky., has been completed and is now open.

The home, formerly owned by Dr. and Mrs. T. B. Castleman has been completely remodeled and redecorated to meet the requirements of the present day funeral home.

The lower floor consists of chapel, living room, family room, preparation room, lay out room, and casket display room.

The home will be under the management of Mr. and Mrs. Wallace Grubbs, assisted by Mr. and Mrs. William Norris, formerly of Stanton, Ky., who will live in the upstairs apartment. Mr. Norris was recently discharged from the Navy, having served four years in the Pacific.

The public is invited to attend the opening December 29 and 30.

LAST PAPER OF YEAR PUBLISHED THIS WEEK

This week's edition of The Recorder will be the last for the year 1945.

For the past several years it has been the custom of this paper to suspend publication one week during the holidays, and will be carried out in the same manner this year.

As we are entering a period of holiday festivities, we wish to thank our many subscribers, advertisers, and correspondents for their splendid cooperation during the year 1945, and hope to merit their continued cooperation and good will during the coming year. Your cooperation has made our work in serving the county a pleasure.

We wish to take this means of extending to you and yours, a MERRY CHRISTMAS and a HAPPY NEW YEAR.

Three Brothers Receive Honorable Discharges

Cpl. Carlton W. Bradford, Staff Sergeant Alton H. Bradford and Pfc. William S. Bradford have received honorable discharges from the Armed Forces and have returned to Hebron to reside with their three sisters, Misses Marcella Helen and Ruth Bradford.

Cpl. Carlton W. Bradford served from Oct. 7, 1941 to Nov. 29, 1945, spending three years overseas. He received the Good Conduct Medal, American Defense, Asiatic Pacific with 1 Bronze battle star, European Theater with 2 Bronze battle stars, American Theater, Victory Medal and Combat Infantry Badge. Staff Sgt. Alton H. Bradford served from October 7, 1941 to Oct. 16, 1945, spending two years in the Pacific Theater. Demonstrations Planned In Sweet Corn

Twenty hybrid sweet corn demonstrations are being planned with home gardeners for 1946, according to H. R. Forkner, County Agent. The purpose of these demonstrations is to find both higher quality and higher yielding sweet corn for home and market use.

Certified hybrid seed of Marcross Golden Cross Bantam and Ohio Gold No. 1 will be used. Marcross is an extra early hybrid. Golden Cross Bantam is medium and Ohio Gold a high yielding late hybrid. Adapted sweet corn the past four years have proven to give outstanding yields where certified seed was secured. Growers have experienced considerable difficulty in securing certified seed.

Small amounts of seeds will be available at cost to a limited number of home gardeners interested in conducting these demonstrations. Gardeners especially interested in taking part in these demonstrations should leave their names at the County Agent's office.

CHRISTIAN PROGRAM CHANGED

The Christmas program of the Bullittsville Church will be presented Sunday morning at 11:00 instead of Sunday evening. All those who wish to go carolling in the evening will meet at the church at 7:00 p. m.

Hiram Long

Funeral services for Hiram Long, 80, retired farmer, were held at the Tallaferro funeral home, Erlanger at 2 p. m. last Friday. Burial was in Hopeful Cemetery, Florence.

Mr. Long passed away at his home in Limburg, after an extended illness. He was well known throughout this section.

He is survived by a daughter, Mrs. Ira Long, Limburg; a brother, Newton Long, of Florence and two grandchildren.

Philip Tallaferro, Erlanger funeral director was in charge of arrangements.

James L. Wardell

Funeral services for James Logan Wardell, retired Bromley stonecutter, was held at the Catherman funeral home, Ludlow, at 2 p. m. Tuesday. Burial was in Hebron Cemetery.

Mr. Wardell died late Saturday at St. Elizabeth Hospital. He made his home at 324 Pike street, Bromley.

He is survived by his widow, Mrs. Mary Turner Wardell; two daughters, Wanda Lou and Wilma Lucille; three sons, Dallas, William and Ronald Lee; three brothers, Carl, Earl and Eural Wardell; five sisters, Mrs. Blakely, Mrs. Florence Skeggs, Mrs. Gladys Nooks, Mrs. Juanita England and Mrs. Alfreda Headcock and his parents, Mr. and Mrs. Henry Wardell.

Verona Boy Served Aboard Submarine

R. Huffman, ship's cook, second class, USNR, Verona, Ky., served aboard the submarine USS Bashaw, which is credited with sinking 23,000 tons of enemy shipping and damaging an additional 15,000 tons during six war patrols.

Her biggest single kill was made on her fifth patrol when she sank a 10,000-ton Jap tanker under cover of fog in the South China Sea.

The Bashaw, one of the first of the fleet ships to be inactivated, will be held ready for any future emergency.

Crudgington Farm Sold At Auction

Dr. R. L. Crudgington sold his farm of 30 1/2 acres, located on the Woolper road, five miles from Burlington to Mr. and Mrs. Mike Kachler, Bellevue, Ky., at auction December 15th.

Included in the sale, were about 75 head of cattle, a number of which were registered Jerseys and Guernseys; and a large number of farming tools.

The sale was conducted by R. M. Lucas and Co. in cooperation with the Frank Mallick Co.

Clifton Roberts Connected With Castleman Motor Co.

Clifton Roberts, who resides at Florence, and is a former resident of Burlington, is now connected with the Castleman Motor Car Co., of 1722 Madison Ave., Covington, dealers in Pontiac automobiles.

"Cliff" as he is known to his many Boone County friends stated he would be glad to welcome his many friends at his new business location.

Thelma Brady and Betty Brady were shopping in Lawrenceburg and Aurora, last Friday.

Union Man Produces 15 Pounds Tobacco Seed

Lassing Huey of Union, R. 1, reports he gathered 15 pounds of Experiment Station No. 52 tobacco seed from an eighth acre of plants. This is the largest amount of seed reported by any local grower to date. The seed he states are of excellent quality and will be offered for sale in the near future.

Experiment Station No. 52 is a new root-rot resistant, Mosaic resistant high quality golden colored tobacco. This variety, according to the County Agent's office should be tried by those growers who like a golden burley type but want a root-rot resistant variety. It is rated as one of the most disease resistant high quality varieties developed to date.

Red Cross Home Nursing Class Will Be Taught By National Instructor

January first to tenth a national Red Cross instructor will be in Lexington, Ky., to give a course to local instructors in teaching the Red Cross Home Nursing course in six lessons instead of twelve. Miss Elizabeth Lowry, Boone County Red Cross Nurse will go to Lexington for this course.

Sometime in January this National instructor will come to Burlington for a class, which will be taught every day for six days. This is a big opportunity for Boone County. Only ten people are taken for this class, and those applying first will be enrolled.

In this course mothers or home-makers are taught how to protect the household from contagious diseases, including colds, pneumonia, tuberculosis, children's diseases and all types of communicable diseases, as well as the degenerative diseases of later life.

Mrs. Ty Combs, Burlington, is taking names for this group. Anyone interested, please see Mrs. Combs.

Utopia Christmas Party Planned December 20th

The Utopia Club will have its December meeting Thursday evening, December 20th, 7:45 p. m. at Burlington courthouse. All discharged service men are especially welcome at this meeting.

As usual, we will have a Christmas party this month. There will be a Christmas tree and everyone is expected to bring a present to put on the tree.

Songs, music and games are on the entertainment program. Sandwiches and refreshments are to be served.

Remember, presents are to be exchanged around the tree. So let's all be present and enjoy this Yuletide Party.

THREE INJURED IN COLLISION

NEAR HEBRON SUNDAY NIGHT WHEN CARS COLLIDE—THREE REMOVED TO ST. ELIZABETH HOSPITAL FOR TREATMENT.

Three persons were injured in an automobile collision Sunday night at the intersection of the Hebron-Yocell Pike, near Hebron, in which the drivers of both cars blame the other for not stopping, according to Deputy Sheriff Irvin Rouse.

James Johnston, 25, Petersburg, driver of the first automobile, escaped without injury while his mother, Mrs. Emma Johnston, 44, suffered face cuts, and Miss Katherine Souther, 19, Bullittsville, received scalp and face cuts.

Norbert Hucker, 17, Route 2, Ludlow, driver of the other vehicle, was uninjured. His mother, Mrs. Marcella Hucker, 32, sustained tongue and head cuts.

The three victims were removed to St. Elizabeth Hospital, Covington, where the condition of Mrs. Johnston and Miss Souther was described as good and the condition of Mrs. Hucker is fair.

Burlington Youths Sell Tobacco For \$57.96 Per Hundred

Jimmie and Warren Ryle, ages 12 and 8 years, sons of Sam Ryle of Burlington raised 620 pounds of golden burley tobacco on 2/10 of an acre in the garden of A. B. Renaker, which was leased for cash rent, and sold for \$57.96 per hundred pounds last week.

This crop was stripped in three grades, the trash of 170 pounds brought 58 cents, the lugs of 318 pounds 58 cents and the seed of 132 pounds 53 cents. This is the fourth year tobacco has been grown on this plot of ground. Every year a green crop of wheat and vetch is drilled in from the 10th to 15th of September, over which leaves from trees are spread in the fall and all turned under in the spring.

Before plowing the land last spring, 50 pounds of ammonia nitrate and 200 pounds of complete fertilizer was broadcast on the green crop and turned under, and 200 pounds of complete fertilizer was broadcast by hand in the row and covered with a plow before setting the plants.

This land was plowed May 28th when the wheat and vetch was waist high, the plants set June 4th plowed and hoe twice, tobacco cut and housed on Labor Day and sold December 14th.

Total gross sale was \$359.36. You should see the smile on the faces of Jimmie and Warren and Sam don't look so bad either.

Sgt. Watts was wounded in Belgium December 16, 1944.

SCHOOLS CLOSE DUE TO BAD WEATHER

WILL OPEN JANUARY 7TH, ACCORDING TO COUNTY SUPERINTENDENT, D. H. MORRIS—SCHOOL BUS OVERTURNS.

Students of Boone County Schools will receive three days more vacation during the holidays than anticipated, the result of an order issued by Superintendent of Schools, D. H. Morris.

Supt. Morris ordered that all schools in the county system be closed Tuesday afternoon, and remain closed until January 7th. He stated that the condition of the county highways was dangerous and school buses must not be operated.

Snow which started falling Tuesday morning, added to the already slippery condition of the highways. Predictions are that the county will be blanketed by an 18-inch snow.

Florence school bus was reported to have skidded on the icy pavement and overturned. No one was injured in the mishap, it was stated.

Lesson for December 23
Lesson subject: The Message of Christmas to the World.

Lesson text: Luke 2:1-14. Golden Text: Glory to God in the highest, and on earth peace, good will toward men—Luke 2:14.

Christmas again! Yes, and it's going to be a joyful Christmas this year, isn't it? Let's not miss a single bit of the joy and gladness of the season. Let's observe all the precious customs and traditions. Let's share in the pleasantness and the laughter. Some may have to do it with a sense of sadness hidden in their hearts, but even they will join us in really keeping Christmas.

But don't forget to keep Christ in your Christmas this year as never before! We who know Him should realize how much the world needs Him. We should see in the months just ahead our greatest opportunity to make Him known.

Our lesson topic is "The Message of Christmas to the World." What is that message? Here it is: I. Make Room for Jesus! (vv. 1-7).

"It came to pass"—yes, it always does when God has given His promise. For seven centuries God had said, "He is coming," and then He came. God rules the affairs of this world even though thoughtless and unbelieving men not only grieve Him, but often defy Him.

Jesus came—but He came to a manger, "because there was no room for Him in the inn." Is it not the same today? There is no room for Him now in the hearts of most men. Is He wanted in our places of business, in our governmental offices, in our social gatherings?

Remember, it was not because they hated Him that there was no room. It was just that they were "preoccupied." That is the trouble in men's hearts today. They should have made room in the inn for Jesus had they known who He was. We do know, and yet we do not make room. Why not? (Jer. 17:9; John 15:24; Rom. 8:7.) (John W. Bradbury.)

That the message of Christmas! Make room in your heart, in your life and in your home for Jesus! Then go quickly and

II. Tell Others About Jesus! (vv. 8-12).

The religious leaders slept soundly the night Jesus was born. They knew the prophecies of His coming, but they were not looking for Him. Perhaps some of them slept in the very inn where He could not be received.

But the shepherds were awake. They knew that something unbelievably great had happened, for the heavens were ablaze with celestial glory.

At first they were afraid, but they were soon comforted by the words "Fear not." How characteristic that message is of the whole gospel testimony. Fear not, there is salvation; Jesus has come to seek and to save the lost.

But be sure to note that such a message is not just for one's personal joy and encouragement; it is for "all people" (v. 10). The shepherds realized that and the verses following our lesson tell us that "they made known" what they had seen (vv. 17-20).

How great that need is today! After all these centuries since Jesus came there are still multitudes of people on this earth who have never heard about our Saviour. There are children who would ordinarily have been in church and Sunday school who, because of the war, have grown up in heathen darkness.

Others there are who have heard but have not responded, and we must go to them once more this Christmas and tell them that "a Saviour, which is Christ the Lord" was born in Bethlehem.

Make room for Jesus, and then make Him known to others. He will lead you to

III. Praise God for Jesus (vv. 13-14).

The angels could hardly wait with their praise. "Suddenly"—a multitude of the heavenly host appeared, praising God for the blessed message of peace and good will.

The Christian life is quite incomplete if it is unbalanced if it does not include much praise. The Lord is worthy of all the praise of every believing heart this Christmas Day!

The writer of these notes extends to you the highest of good wishes at this glad Christmas season. He pleads with you if you are not a Christian, make room for the Saviour in your heart! Then, let us all make Him known everywhere, to the poor and to the rich.

It would please the one who prepares these notes to have a word from his friends everywhere, assuring him of their interest and prayers. Just a postcard will do. The address is at the head of the column. Don't expect a reply, but be assured that he will pray for you.

Our lesson topic is "The Message of Christmas to the World." What is that message? Here it is: I. Make Room for Jesus! (vv. 1-7).

"It came to pass"—yes, it always does when God has given His promise. For seven centuries God had said, "He is coming," and then He came. God rules the affairs of this world even though thoughtless and unbelieving men not only grieve Him, but often defy Him.

Jesus came—but He came to a manger, "because there was no room for Him in the inn." Is it not the same today? There is no room for Him now in the hearts of most men. Is He wanted in our places of business, in our governmental offices, in our social gatherings?

Remember, it was not because they hated Him that there was no room. It was just that they were "preoccupied." That is the trouble in men's hearts today. They should have made room in the inn for Jesus had they known who He was. We do know, and yet we do not make room. Why not? (Jer. 17:9; John 15:24; Rom. 8:7.) (John W. Bradbury.)

That the message of Christmas! Make room in your heart, in your life and in your home for Jesus! Then go quickly and

II. Tell Others About Jesus! (vv. 8-12).

The religious leaders slept soundly the night Jesus was born. They knew the prophecies of His coming, but they were not looking for Him. Perhaps some of them slept in the very inn where He could not be received.</

SLOW THAWING BEST FOR FROZEN CHICKEN

When a frozen chicken is brought home from freezer locker or market, housewives are sometimes uncertain as to how rapidly the bird should be thawed. Mrs. Pearl Haak, food specialist at the Kentucky College of Agriculture and Home Economics makes these suggestions:

If chickens are thawed before cooking, they cook more evenly and with greater economy of fuel.

They may be thawed slowly in the refrigerator, a 3 or 4-pound bird requiring overnight or longer to thaw completely. Or it may be thawed at room temperature, in which case its progress should be watched closely. As thawed meat spoils more quickly than meat which is freshly killed, it should be cooked without delay.

Frozen meat should not be soaked in water, either hot or cold, to hurry the freezing. Soaking causes loss of good juices.

Cook thawed poultry just as

freshly killed birds would be prepared. For example, keep oven temperature down to 350 degrees for roasting chicken, or if it is being prepared in a casserole dish, at 275 degrees. If a young bird is to be fried in shallow fat, keep the heat moderate.

If poultry must be thawed, or partly thawed, during cooking, don't try to speed the cooking by using high heat. Follow directions for good meat cookery, using temperatures not higher than moderate, so as to avoid shrinking and toughening the meat. It will be necessary to allow time so that the meat will thaw and cook all the way through.

BIG LITTERS PAY

Rollin Murrell of Adair county cleared almost \$400 on three litters of 26 pigs, according to his report to County Agent R. B. Rankin. All the pigs were purebred Durocs.

One litter of nine pigs weighed 2,380 pounds when 207 days old. Another litter of eight pigs weighed 1,771 pounds at the age of 192 days, and the third litter of nine

pigs weighed 1,769 pounds when 185 days old. All the pigs brought \$14.45 a hundred.

The sows were fed corn, tankage, middlings and 40 percent supplement, and the pigs were finished on corn, ground wheat, ground barley and tankage in self-feeders. Both sows and pigs had clover and rye pasture.

Perry Coffey, another Adair county farmer, had a litter of eight Duroc-Chester White pigs that

weighed 1,222 pounds when 185 days old. They sold for \$14.45 a hundred. The sows were fed corn, ground wheat, tankage and supplement. The sow and litter ran on mixed clover and redtop pasture.

Farmers in Caldwell county report losing as much as half their tobacco crop where non-root-rot resistant varieties were grown.

The Christian County Farm Bureau reports a total membership of 1,167.

FLEMING 4-H WORK

CHAMPIONSHIP LITTER

WEIGHS 3,448 POUNDS

Roy D. Rice of Mason county won the championship of the Kentucky ton-litter contest with 13 purebred Duroc pigs that weighed 3,448 pounds when 175 days old. They sold for \$17.75 a hundred and returned a profit over feed cost of \$322.82, plus \$411 in cash prizes received at state, district and county fairs.

The same sow in the Rice herd raised 12 pigs last year that weighed 2,902 pounds when 180 days old, and in 1943 she had 11 pigs that weighed 2,240 pounds when 185 days old. She has farrowed 91 pigs in seven litters, 76 of which lived.

Twenty-five litters weighed a ton or more in a state-wide contest sponsored by the Kentucky College of Agriculture and Home Economics to encourage better breeding, feeding and sanitation in hog production. Owners of the ton-litters received gold certificates.

Five farmers received silver certificates over for raising litters weighing over 1,900 pounds and seven farmers received bronze certificates for litters weighing over 1,700 pounds when 175 days old. Twelve other farmers had litters that weighed 1,181 to 1,692 pounds each.

HICKMAN 4-H BOYS

MAKE BIG RECORDS

Records of three Hickman county 4-H club members, winners in their district of nine counties, show how they helped produce food during the past summer, says Farm Agent Warren Thompson.

H. C. Sams, Jr., farm labor champion, 2,704 hours over a 12-month period. For more than six months, he had complete charge of a herd of 23 dairy cows, distributing milk to retail customers before school. During vacation, he grew 36 acres of corn and harvested a large amount of small grain and red clover seed.

W. A. Jewell, Jr., garden champion, produced a garden 200 by 200 feet, growing 63 varieties of vegetables. His mother canned approximately 550 quarts of vegetables, and then they stored about 30 bushels of potatoes, peanuts, carrots, turnips, cabbage and beets. The boy worked almost 1,000 hours during the season.

Champion in the beef project was Chas. Hancock, who owned three Angus cows with calves and four steers. Charles also helped his father care for a registered herd of 90 head.

Hybrid corn has proved so satisfactory to farmers in Hancock county that there are few who do not plant it.

The Campbell county homemakers' garden club is encouraging the planting of irises, to be followed by an iris show in the spring.

THE QUEST OF HAPPINESS

has ever been the ultimate goal of human beings. Some find happiness in one way; some in another; and many never find it at all. Whatever road you may have been taking in your pursuit of happiness, may your fondest hopes be realized during this Christmas season of 1945.

County 4-H Corn Champion Reports

David Earl King, fifteen-year-old member of Waltonian 4-H Club, was recently judged 1945 County 4-H Corn Champion and competed in the District 4-H Achievement meeting held at Florence on October 20th. David's corn project yielded an estimated 15 bushels more per acre than the other corn grown on the farm.

His narrative report that accompanied his project record is as follows:

"My Experiences in the 4-H Corn Project"

"I started my corn crop in early May. I prepared the ground by plowing and dragging. I disked it once a week until planting time. The corn was planted about the 20th of May. We drilled 500 lbs. of 3-12-6 fertilizer in the row in addition to broadcasting 300 lbs. on the seven loads of manure. We planted Boone County 203 corn, which is a certified seed grown in our county. We intend to sow Balbo rye and vetch on the ground as soon as finish gathering the corn and pasturing the stover.

"My corn has an exceedingly good yield for our part of the county. By volume, it is yielding about 80 bushels to the acre. We have 26 other acres of corn which I helped to raise.

"I think the greatest reward a 4-H'er can receive is to be given the privilege of meeting and making the acquaintance of local, county, state, national and international folks."

ESTABLISHING RURAL CENTER

A center for all kinds of rural activities has been established in Jefferson community in Barren county. The Utopia Club, which is made up of older farm boys and girls, leased the school house and will sponsor year round community activities.

Approximately 400 acres of alfalfa have been sown in Metcalfe county.

She saved 95 of her best pullets for winter layers selling the cockrels for a nice profit. Her story on raising her chicks is given below:

"My Poultry Experience"

"I bought my chicks on May 15, 1945. This is about a month later than I usually get them. My chicks are usually started about the middle of April in order that the laying pullets reach heavy production in early winter. This is the time of the year egg prices

are at their highest.

"The chicks were placed in a brooder house about 10x12 with oil brooder for heat. It is important to have a clean, disinfected, dry house with all equipment thoroughly cleaned. My chicks were a good grade and all were large and healthy when received. They were started on all-mash with grain added when they were about four weeks old. They were kept in the house until about 5 weeks old and then were turned out on range. Some of the chicks weighed about 2 1/2 lbs. when 5 weeks old. On the whole, they were a healthy bunch of chicks with little or no diseases.

"I enjoyed my work in caring for my chicks for I realized I helped in raising a part of our food and in contributing to the family income."

REMEMBER WHEN

—a pinch of this, a pinch of that and a dash of something else made the best apple pie you ever ate? Cooking schools and exact recipes didn't interfere with a woman's "natural knack" for cooking. Women had the "feel" for mixing things together and having their baking turn out right. Remember?

Why Suffer With Your Feet?

N. TULCH
Foot Comfort Specialist at—
PEOPLE'S SHOE STORE
814-816 Madison, Covington

Our years of research have proven that foot comfort depends on foot balance.

For years men have been guessing about foot "balance", putting steel supports under feet and elastic bands around feet, all sizes and shapes corn pads, plasters, callous plasters, etc. Yet people continue to suffer with their feet, legs, back and with various other aches and pains, resulting from feet in numerous cases because they never had their body weight properly balanced on their feet with shoes.

Your feet may look regular to you, but, naturally you cannot detect weakness or have any way of testing for unbalance. But remember: "Fat on the ribs" is by no means an adequate criterion of physical well being.

Don't take chances. If you are suffering with leg pains, knee pains, stiffness, backaches or severe headaches, or sleep poorly and are always tired, your feet may be the cause.—Adv.

DEDICATED TO MY
MOTHER, MRS. EMMA
FREEMAN AT CHRISTMAS

It is sweet to know that saved by grace,
She met her Savior face to face;
And through His love today, she stands
Within that house not made by hands.

I know she is watching from up there,
My tears upon her empty chair,
And smiles because she knows my pain
Will vanish when we meet again.

So in quiet faith I w'll place a wreath
Upon her grave of wind-swept sod
For though her body sleeps beneath,
Her soul is at home with God
It's —By Her Daughter, Jo.

COUNTY HAS HUGE REPAIR JOB AHEAD

MORE THAN \$283,000 EXPECTED TO BE SPENT BY HOME OWNERS IN COUNTY DURING NEXT FIVE YEARS.

More than \$283,000 is expected to be spent during the next five years by Boone County home owners on remodeling and repair work.

The year 1946 promises to inaugurate one of the greatest eras in American history for home repairs and modernization, according to estimates released by the Title Council of America. "Few developments will contribute more to employment and general prosperity in any community, according to R. E. Jordan, chairman of the County's Residential Construction Committee.

Because of lack of materials and manpower during the war, majority of the county's 3,179 dwelling units are in need of some kind of repair or remodeling work. Kitchen improvements and modernization of bathrooms, installation of tiled shower and in some homes addition of a second bath top the nation's list of most wanted major improvements, Jordan, said.

Outside paint jobs are needed on more than 50 per cent of homes, and addition of rooms and construction of porches also rank high in remodeling plans, according to the report. New roofing and heating plants are required by many dwellings.

Home owners in Kentucky will spend an estimated \$94,900,000 and those of the nation more than \$500,000,000 for major repairs alone in the next five years, according to Jordan. Ample funds, at low interest charges, are available for such work through commercial banks, savings and loan associations, credit units and mutual savings banks, he pointed out.

A total of 1,044 cows have been signed by 70 farmers in Oldham county in the artificial breeding program.

Sixteen 4-H club members in Casey county set out memorial trees honoring members who lost their lives in the war.

FARM WORKERS SCARE

Shortage of workers continues to be a bottleneck of first importance to farmers in Bourbon county, reports County Agent P. R. Watlington. "There is a very dire need of large numbers of men to work on farms on a year-round basis," he said.

"We simply do not have any applicants wanting to work on farms for wages, but do have many farmers who would employ men if they could be found."

For the first time in 16 years, Madison county farmers produced enough potatoes for their own use.

KENTUCKY SHEEP TOP INTERNATIONAL SHOW

Sheep owned by the University of Kentucky Agricultural Experiment Station for the second consecutive year won the grand championship awards at the Chicago fat stock show, the war edition of the International Live Stock Exposition.

The grand champion single lamb was a 90-pound Southdown wether and the grand champion pen comprised three Southdowns in the Experiment Station's flock.

Placing made by the Kentucky flock follow:

Southdowns—First, 10th, 11th, 13th and 14th on single lambs and first and fourth on pens.
Hampshires—First, second, sixth, eighth, ninth, and 10th on single lambs and second and third on pens.

Cheviots—First, second, third, fourth, fifth, sixth and seventh on single lambs and first and second on pens.

The grand champion lamb sold for \$3 a pound at the auction sale after the show.

Small grain, rye, wheat and barley were sowed on 85 percent of the cultivated land in Mercer county this fall.

Kenton county homemakers' clubs raised \$50 to help slip-cover furniture at the Army hospital at Fort Thomas.

Business men and owners of registered stock distributed \$200 in prizes at the Boyle county beef calf show.

Max Siler of Knox county harvested 32 tons of lespedeza from 16 acres.

WITH OUR BOYS IN THE SERVICE

We are in receipt of the following letter from Bill Holladay, at Indiantown Gap, Pa.:

"I kindly appreciate your inter-

est in us servicemen. I enjoyed immensely The Recorder, or should I say the 'written expression of the people of our home county'."

"I know you have brought closer together a lot of us G. I.'s with each other and inhabitants of our dear old Boone County."

"The Lord has been very blessed to us during the past crisis. Only by His all powerful guidance will

us boys come safely home to our loved ones to spend this Christmas and the ones in the future. May our sincere prayers be with our servicemen and servicewomen, who will be unable to spend this Christmas at home. May their families have the blessed assurance of knowing that God will be with them and guide them."

"I am now in a separation center in Pennsylvania, where approximately four and a half thousand men and women are being discharged each day. The happiness is written all over their faces as they are eliminating the last obstacles between them and home for the first time in several years."

"Do encourage in the future as you have in the past, for the people of Boone County to write consistently to our service boys and girls."

"I want to express again my deepest gratitude for the constructive work of your staff. Keep it up."

"Merry Xmas and a Happy New Year to everyone of Boone County."

RECIPE OF THE WEEK

After a festive turkey dinner, why not dress up the leftovers and make the second or third day's serving as good as the first? Baked cream chicken, recommended by Miss Florence Emlay, food specialist at the Kentucky College of Agriculture and Home Economics, is practically a one-dish meal in itself.

Baked Creamed Turkey
3 cups diced cooked turkey or chicken, 1 cup cooked peas, 1/2 cup diced celery, 1 tablespoon pimento 1 tablespoon green pepper, 2 cups milk, 4 tablespoons butter, 4 tablespoons flour, three-fourths teaspoon salt.

Make a white sauce of milk, butter and flour; then add other ingredients. Pour into a baking dish set in a pan of hot water. Bake in a moderate oven, 350 degrees, for 30 minutes.

Ment: Creamed baked turkey, buttered string beans, cabbage, slaw, corn bread and butter, and baked apple.

BURLEY PRODUCE WELL IN OWSLEY

County Williams of Owsley county grew 1930 pounds of burley tobacco on an acre. He turned under crimson clover and applied 20 loads of manure, 1,000 pounds of superphosphate and 1,000 pounds of commercial fertilizer. He also side-dressed the tobacco with 200 pounds of ammonium nitrate.

Fred Rose and Lesper Campbell, Owsley county farmers, installed lights in their tobacco stripping rooms.

WATER IMPORTANT FOR LAYING HENS

The amount of feed and water hens consume has much to do with how well they lay, says Stanley Caton of the Kentucky College of Agriculture poultry section.

"Most of the feed hens eat is used for body upkeep," says Mr. Caton, "and so it may be that a little extra feed will make the difference between fair production and good production."

He offers these suggestions:

1. Feed a well balanced ration. A good laying mash and plenty of grain with it, should be fed. The use of such feeds as the moist mash or pellets is often beneficial.

2. Make the feed easy to get. Use feeders that are low enough for the hens to get to easily and be sure there is plenty of feeder space available. One foot of feeder space should be provided for each four hens. Place the feeders in the light and if possible with the end of the feeder towards the light.

3. If electricity is available, use lights on your hens. Give them a 14-hour day. Lights give a longer day for feed consumption and also stimulate the egg producing organs.

4. Water makes eggs only if the hens have it to drink. Keep it before them always.

Two diseases usually become apparent in the fall and early winter. They are chicken pox and colds. The outbreak of pox can be slowed down by vaccinating with the "pigeon strain" vaccine. It isn't advisable to vaccinate a laying flock unless the pox outbreak occurs. Vaccination should be done on the growing flock.

Colds are not very curable. Good feeding and comfortable quarters will help the birds to recover.

WASHINGTON COUNTY FLOCKS PROFITABLE

A net profit of \$420 in 11 months from a flock of 84 New Hampshire hens was made by Mrs. Cecil Stallings, Washington county, who has kept a careful poultry record. The hens averaged 195.5 eggs. Expenses were \$353.73.

Other outstanding 12-month records of demonstration flocks were reported by Farm Agent Troil Young. Mrs. Ray Ocanougher has a flock of 80 White Leghorns which averaged 183 eggs per hen. Her profits were \$288.76 above expenses of \$259.09.

Mrs. Malcolm Stump, whose flock of 72 Rhode Island Reds averaged 170.6 eggs, made a profit of \$287.92. Feed costs were \$262.46.

Mrs. John I. Brewer's record book shows that her flock of 83 White Rocks averaged 179.5 eggs per hen, to make a profit of \$269.59. Feed costs were \$277.58.

GIVES RULES FOR STARTING GRASSES

N. B. Newton of Christian county, who has been successful in establishing good stands of grasses and clovers in small grains, told Farm Agent William D. Talbert that the following practices may be responsible for the stands he is securing: (1) heavy seedlings of grasses and clovers; (2) the liberal use of lime and phosphate, all fields having been treated twice with 200 pounds of 47 percent phosphate and two tons of lime, and (3) moderate pasturing the first year.

Eight farmers in Wayne county have cooperatively bought 618 blackface Montana lambs.

Clothing Training School

"Grooming Aids" will be discussed at Homemakers' Club meetings next month by the clothing leaders. Miss Dorothy Threlkeld, clothing specialist of the University of Kentucky, was in Boone County for the training school recently and gave many new and interesting grooming hints. It is hoped all interested will attend one of the meetings.

HOPEFUL LUTHERAN CHURCH

Rev. J. Paul Rimmer, Pastor Sunday School 10:00 a. m. Mr. Clifford Tanner, Supt. Worship Service 11:00. Sermon subject, "The Peace of God."

Christmas party for the whole congregation and friends will be held Saturday evening at 7:30. Everyone is asked to bring a gift that will be suitable for anyone for the exchange of gifts.

Christmas service will be held Christmas morning at 7:30. Luther League will go carolling Christmas morning.

POULTRY RETURNS PROFITS IN PIKE

Donald Brewer, a member of the Pikeville Academy 4-H Club, told Farm Agent Glen D. McDowell that he, in cooperation with his father, started keeping poultry records a year ago with a flock of 640 White Leghorns and Minorcas. For the 12 months, his hens showed a profit of \$1,398, and he culled 189 hens during the year.

Canada Meade of Johns Creek also reported a good profit. Over a period of 11 months, his poultry record shows he made a profit of \$263.33 on 75 White Leghorns.

FESCUE POPULAR IN CHRISTIAN COUNTY

Ky. 31 Fescue grass is rapidly gaining in popularity with Christian County farmers, according to Farm Agent William D. Talbert. Arvin Bros., Pembroke, have seeded more than 100 acres this fall, giving them a total of more than 150 acres. W. G.uncan, Clarksville, has seeded 90 acres of this new grass, and many other farmers seeded two or more acres per farm. With a favorable growing season, there should be a large supply of fescue seed in the county next year, says Mr. Talbert.

Christmas Is All of These

Christmas is the good will shared at the family hearth; the carol sung together; the candle in the window, the glowing faces gathered around the festive board. And it is much more—ever so much more!

We cannot begin to put into words all that Christmas is, nor begin to express how ardently we wish for you the complete enjoyment of Christmas. So, all we can say to you, kind friends, is Merry Christmas To You.

OUR FOREFATHERS

celebrated Christmas sometimes under the greatest of difficulties, to say nothing of danger. Today, in warm, lighted homes we welcome the arrival of Yuletide, without thought of those early hardships. It might make our Christmas a little happier, our hearts a little more thankful, to take thought of these things.

In the reverent spirit of this glorious season we now wish each and every one of you the deep joys which only Christmas can bring.

THE QUEST OF HAPPINESS

has ever been the ultimate goal of human beings. Some find happiness in one way; some in another; and many never find it at all. Whatever road you may have been taking in your pursuit of happiness, may your fondest hopes be realized during this Christmas season of 1945.

One other thought: we want every one of you to know that we deeply appreciate everything you have done for us during the past year.

John T. Stephenson is convalescent after having been confined to his room several days with an attack of flu.

Clayton Brown of Covington who was quite ill recently is gradually improving.

Hiram Long, who was a resident of this community for many years passed away at his home near

Lansburg, December 11. We extend sympathy to his family.

Mr. and Mrs. Wm. Ruth of near Walton were calling on her sister, Mrs. Eldridge Carpenter recently.

We extend sympathy to the family of Charles Scott, who passed away at his home here December 12th.

Miss Alice Blackburn spent Saturday in Cincinnati, shopping.

Old man winter has settled down on us in full force with a five-inch

blanket of snow and temperature around 10 and 15 degrees.

Mrs. Clifford Reed of U. S. 42 left for Elmira, N. Y., for a visit with her son-in-law and daughter, Mr. and Mrs. James Ross Thompson.

Raymond Gross wired Harry Thompson's barn and the home of Elfric Henderson for electricity at Sparta, last week.

Glad to report Mrs. Nan Baker somewhat improved at this writing after an illness of two weeks.

Mrs. Eldora (Rouse) Cole, widow of Dr. W. S. Cole, was a resident of this community for many years, passed away at her home in Burlington on Monday. Services were conducted at the Tallaferrero funeral home, Thursday at 2:30 p. m. Burial was in Florence Cemetery. She was a member of the Florence Christian Church. She is survived by a son Winfield T. Cole. Lawrenceburg, Ind., and a niece, Mrs. Russell House, of U. S. 42, Florence.

Charles J. Scott, Jr., of East Chicago, was called here on account of the death of his father, Charles Scott.

Robert Clarkson, who resides at New Richmond, Ind., visited his mother, Mrs. Fannie Clarkson, last Saturday evening.

The many friends of Mrs. Clara Tanner regret to learn of her illness at her residence.

Mr. and Mrs. James Rogers entertained Sunday with a dinner in honor of Mr. and Mrs. Earl Lock and her mother of Burlington Pike.

The many friends of Miss Gene Rose Baker regret to learn of her illness the past week.

Mrs. Mabel Sayre has returned home after a most enjoyable visit with friends in New York.

This community was deeply

shocked last week when news reached here of the death of Mr. Ernest D. Sipple, a farmer in the Griffin section for 14 years in Florida. He was a former resident of Erlanger. He had many friends in Boone County. Deepest sympathy is extended the family from this community.

Date Todd, Calloway county 4-H boy, raised four calves to weigh a total of 4,625 pounds.

he spent most of a Saturday going to town and back in a buggy. We can pretty nearly span the continent in that time now.

The horse and buggy are gone; the rail fence is gone, but human nature is still much the same. In these days, as in those, friendships count in business.

We are proud of our long list of friends on this New Year of 1946—a list that has been growing steadily with the years—and want to express this word of thanks as we send you our New Year greetings.

TO OLD FRIENDS AND NEW

We are quite old-fashioned over here—old-fashioned enough to know that to merit the confidence of the entire community every transaction we make must rest upon the solid foundation of full value given.

May good old-fashioned Christmas cheer brighten for you the hours of this glorious Yuletide season.

NEW YEAR Greetings 1946

VICTORY does not only apply to nations at war. We can win victories over ourselves, too, and over the problems which lay in our path.

As 1946 sweeps in upon us we wish for each of you an unbroken series of victories over any and all circumstances that may tend to retard your progress towards every individual's cherished goals—health and happiness. Good luck to you every step of the way!

HAPPY NEW YEAR 1946

WE SALUTE YOU AS THE NEW YEAR DAWNS

Now, when the hopeful New Year is about to take its place on the world stage, we salute the brave men and women who have so splendidly guarded America's precious heritage of freedom. We salute you, too, good friends and neighbors. Ours is a debt of gratitude we can hardly repay.

Better days are ahead for all of us, we are reasonably sure, and we want you to know how deeply we appreciate your friendship.

Today's grownups are only yesterday's children who once stood before a fireplace on the Christmas Eves of the past, or who, just before Christmas, were as good as they could be.

The heart of the Christmas season is friendship and eternal youth, and we could not ask for finer friends than ours. It makes us happy to greet all our friends this Christmas season of 1945 with the best of Yuletide wishes.

MAYTAG WAY

From Your Authorized Maytag Dealer

"THOSE WHO WAIT PROFIT." We will be along with your Maytag soon. First it was the big job, "the war," then the O. P. A., the strikes, and then the shortage of crates to ship them in—BUT we are getting some each week and the shipments are getting larger each time, so it won't be long before you get yours. As you know Maytag is a first line washer. Seven to one wants Maytag. If you never owned one just ask your mother or grandmother, they know what Maytag stands for, they know Maytag is the washer for efficiency also economy on repairs; and you can still get parts for Maytag models as far back as 35 years without waiting for weeks, as your Maytag dealer carries a full line. That is the main reason why you should be a Maytag owner although you may not need a repair part for years.

Let your wash day be a happy day—OWN A MAYTAG." Come in and see this washer at the best equipped washer service shop in Northern Kentucky.

Christmas Greetings

THIS first peacetime Christmas in four years brings many good reasons for rejoicing... family circles made complete with loved ones back from foreign lands... Christmas lights twinkling again outdoors... the first shining metal toys to gladden the hearts of youngsters... tables laden with good food from a rich and unscarred

land... but, most of all, that blessed feeling of peace and security and hope for the future that is now ours to enjoy.

Yes, this Christmas is indeed one to live long in memory. If our service is helping to make the occasion brighter and more enjoyable, we are glad.

To our customers and employees,
we extend heartfelt greetings of the season.
Merry Christmas to you all!
